Nico: Eh, either way, those six are going to follow Tobias straight to The Black Gates later on today. Alright, gang, let's go, we may not have any main missions today, but we better deal with Antonin Ruzicka.

Lincoln: Yeah, we can't let that bloodthirsty murderous serial killer run free any longer, he's going to join the rest of his allies in The Black Gates, where they will suffer for eternity for the victims that they've slain.

Marie Nováková: (Czech Accent) You and the others made a very huge mistake escaping from Hell, Antonin. I would've thought we were finally rid of you after we banished you, Tobias, and your allies seven years ago to Hell, but not even Hell will keep you seven trapped for good. Very well, you'll suffer the same fate as Tobias, and we'll make sure you never rise again!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to the park, so that Lincoln and Marie

Nováková can destroy Antonin Ruzicka, the last of the Czech Republic's seven infamous Satanic serial killers.

We arrived at the park to hunt down our target: Antonin Ruzicka, the last of the Czech Republic's seven Satanic serial killers.

Nico: We made it. Now, where is Antonin Ruzicka?

Lincoln: (Sniffs the air) He's here alright, the stench of brimstone and blood is in the air.

Me: Brimstone, only the denizens of Hell would have that.

?: (Czech Accent) LAURA BARANKOVA, YOU AND YOUR FRIENDS WILL DIE FOR BANISHING US ALL TO HELL SEVEN YEARS AGO!

Suddenly, the twelve large planets and stars orbing around my legs, the twelve large planets orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large aqua blue orbs orbiting around Girl Jordan's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eleven large gold orbs orbiting around Alex the Lion and the eight large gold orbs orbiting around Takanuva's legs, the nine large pink orbs orbiting around Rita's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our gold halos with four orbiting gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of darkness blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking the smell of brimstone and Hellfire from anywhere, come on out right now, Antonin Ruzicka, or we will force you out.

A figure came out: he was a male with long black hair, pale skin, dark clothes, he has black demonic wings, and blood red eyes full of hatred, it was Antonin Ruzicka, the last of the seven infamous Satanic serial killers from the Czech Republic.

Marie Nováková: (Czech Accent) You Hellfire-dwelling rotten black hearted piece of fucking shit!

Nicholette Torrington: I should've known you'd show up here once again, you fucking asskisser of The Devil!

Nico: So, that's Antonin Ruzicka, the last of the seven infamous Satanic serial killers from the Czech Republic.

Marie Nováková: (Czech Accent) That's right, and he's still as dangerous as ever.

Me: And with many of his friends dead, he's still out for revenge.

Antonin Ruzicka: (Czech Accent) DIE!

Antonin Ruzicka fired a blast of Hellfire at Nico and I, but the diamond barrier that's still up absorbed the Hellfire blast and that majorly pissed off Antonin Ruzicka.

Marie Nováková: (Czech Accent) Okay, now you're going to get it.

Suddenly, Marie Nováková's blue eyes turned neon blue and she was surrounded by a purple energy aura with stars, magic, birds, phoenixes, and angels, she unholstered her massive golden greatsword from her back, and as she approached Antonin Ruzicka, she left purple energy, stars, magic, birds, phoenixes, and angels with every step.

Marie Nováková: (Czech Accent) I'm not surprised to know that your thirst for blood is still as bad as ever, Antonin Ruzicka. But, what also angers me is that after seven years of being imprisoned in Hell, you and your minions haven't learned a single thing and that you're still out to kill and slaughter any who get in your way of appeasing your dark master, The Devil. We made the big mistake using that binding spell to banish you seven to Hell seven years ago, but now, we're going to fix that, and this time, you're going to die here and now, and we'll make sure you never rise again!

Suddenly, Marie Nováková was surrounded by a massive vortex of purple energy with stars and magic surrounding the vortex, there are birds, phoenixes, angels, and Mythical Beast Garuda lying around the vortex, and in the vortex is a light purple phoenix with red eyes glaring at Antonin Ruzicka: the red eyes of eternal death. Then, as the vortex faded, Marie Nováková emerged, but she was changed forever.

Marie Nováková grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large purple orbs orbiting around her legs, she has the body of a goddess, she has light purple highlights in the bangs of her long now dark purple hair and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon blue eyes and a purple energy aura with stars, magic, birds, phoenixes, and angels surrounding her and her immense protective blue aura had suddenly changed, and it's now an immense protective neon rainbow aura with all of the elements swirling around it, she has Mythical Beast Garuda emblazoned on her forehead and Third Eye with blue iris, she has on bird earrings with blue gems for eyes and holding the Star, Light, Magic, and Eternity Kanjis in its talons, she also has Mythical Beast Garuda with blue gems for eyes and holding the the Star, Light, Magic, and Eternity Kanjis in his talons for the second pendant on the bottom of her purple snake-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Marie Nováková has on a short-sleeved purple midriff shirt, purple skirt, purple pants, purple anklewarmers, purple knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, magic, reptiles, snakes, phoenixes, and angels on the coattails, and on the back is Mythical Beast Garuda surrounded by stars and magic. Suddenly, Marie Nováková felt a sharp pain on her back, and then, her massive dark purple angel wings with pink tips on the large dark purple feathers grew much bigger for her new body and she also now has eleven massive and long purple wolf tails with light purple tips and light purple markings, Marie Nováková has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Marie Nováková's massive golden greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of purple energy, stars, magic, birds, phoenixes, and angels, and when it emerged, it was transformed into Marie Nováková's Cosmic Eternal Magic Starstorm Solar Mythical Beast Garuda Phoenix Angel Greatsword of Cosmic Eternal Magic Starstorm Solar Mythical Beast Garuda Phoenix Angel Justice, it's a brand-new massive greatsword with embedded purple gems and Mythical Beast Garuda etched on the 7'6" massive, wide, double-edged gold blade, large purple bird heads for the crossguard, large white angel faces built into both sides of the hilt and large purple gems embedded in their foreheads, longer midnight black handle, four large purple bird heads with blue gems for eyes and on the bottom of the large purple snake heads is a large purple bird head with blue gems for eyes and blue gem in its mouth for the pommel, Marie Nováková has on her large gold Bracers of The Champions of The Universe with large purple gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Mythical Beast Garuda's head with blue gems for eyes and large blue gem in its mouth for the belt buckle on her waist, large angel spellbook, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a purple kanji with purple crescent moons in between the kanji below Mythical Beast Garuda that said, "Marie Nováková, Gene-Slammer of Mythical Beast Garuda, Powerful Master of Magic, Summoner of Birds, Representor of The Mythical Garuda, True Immortal and Powerful Warrior of The Universe, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Dark Lynn, Destroyer of Satanic Serial Killer of The Czech Republic Antonin Ruzicka, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Stars, Magic, Birds, Phoenixes, Angels, and Mythical Beast Garuda"

We were amazed by Marie Nováková's Super Angel-Mythical Beast Garuda-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Antonin Ruzicka saw it, he went mad with rage and fired a blast of darkness to kill her, but Marie Nováková fired a massive barrage of purple energy, stars, magic, reptiles, snakes, phoenixes, and angels which hit Antonin Ruzicka and was sent flying into a tree, he got back up, but now he was pissed off.

Selene Arcangela: Incredible, Marie's transformed, and by the looks of it, Antonin is in huge trouble.

Lincoln: He deserves it, after what Marie told me of what he's done, he deserves nothing but death for his crimes.

Marie Nováková: (Divine Echoing Godly Voice of The Eternal Cosmic Magicstorm Bird Summoner Mythical Beast Garuda Phoenix Angel and Divine Cosmic Eternal Cosmic Magicstorm Bird Summoner Mythical Beast Garuda Phoenix Ange Love) (Czech Accent) There's no other punishment for someone like him. Shall we, Lincoln?

Lincoln: Let's do it, Marie.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as the sword pendants on his large white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing, and he joined Marie Nováková.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth,

Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and your friends have got some nerve escaping from Hell, Antonin. What you all did in senselessly murdering innocent people in the Czech Republic seven years ago and selling your souls to The Devil for dark powers proves that you are truly irredeemable, and the only thing you deserve is death.

Lincoln and Marie Nováková went after Antonin Ruzicka who continued firing darkness blasts at them, but they dodged them, and they fired extremely powerful blasts of rainbow energy, purple energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Antonin Ruzicka, and they exploded with incredible power as they hit him.

Then, they attacked him with energy slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Marie Nováková also left many more by firing blue energy slashes with her claws, and he and Marie Nováková attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving

Antonin Ruzicka even more insane with rage than ever.

Antonin Ruzicka: (Czech Accent) YOU! YOU! (ENRAGED DEMONIC SCREAM)

Antonin Ruzicka went at them now completely blind with insane rage and fury, but Lincoln and Marie Nováková kicked him hard in the stomach and Lincoln fired blasts of magic at him and he got hit hard and he slashed at him with his massive greatsword. They also attacked him with powerful elemental and energy blasts and he got hit hard, and this was more than enough to drive Antonin Ruzicka even farther into the edges of rage and madness.

But before Antonin Ruzicka could attack them, Lincoln's large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head glowed and the four large orbiting golden rings fired red energy beams which hit Antonin Ruzicka and they sucked out his dark magic and darkness powers and Lincoln made them his own, and that left Antonin Ruzicka powerless, and then, Marie Nováková slashed off Antonin Ruzicka's demonic wings and she sliced off a demonic looking pendant from his neck and she threw it into the ground and stomped on it hard and her boot destroyed it.

Antonin Ruzicka: (Czech Accent) NO! NO! MY PENDANT!

Suddenly, Antonin Ruzicka's eyes glowed with purple light and dark smoke was coming off him, and then, he let out an unearthly scream as he was consumed by black flames and sent to The Black Gates forever. We all cheered wildly for what Marie Nováková and Lincoln did as they holstered their massive greatswords and powered down and Marie Nováková's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive purple angel wings are permanent.

Marie Nováková: (Czech Accent) Rot forever in The Black Gates, bastard. Thank you for helping me destroy Antonin Ruzicka for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Marie.

Suddenly, Marie Nováková wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Marie Nováková's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Mythical Beast Garuda flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and magic behind them and we cheered wildly. Then, Lincoln and Marie Nováková sucked in and absorbed the elemental forces and magic and they came back to us as the display vanished.

Me: That was one awesome battle, and that demonic pendant that you destroyed, it's almost like the talisman Chandler had when he made that deal with The Devil.

Marie Nováková: (Czech Accent) You are correct, J.D., that talisman Antonin Ruzicka had was the symbol of his deal with The Devil and it helped us track him and his minions down.

Nico: And when you destroyed it, it destroyed him for good, but why didn't he get sent back to Hell for good like with Chandler? (Realizes what Marie did) Wait a second, you channeled Black Gate energy into your feet, didn't you?

Lincoln: She did, and when that happened, it sent Antonin Ruzicka straight to The Black Gates for good.

Eli: Good riddance, now we're finally rid of those Satanic serial killers.

Me: Sure looks like it.

Suddenly, the spots on the Universe 666 Miracle Box on Lincoln's back began glowing.

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

Me: Uh oh! INCOMING!

Then, we saw who it was causing trouble: it was clones of Beetle Undead, Stag Beetle Undead, Spider Undead, Mantis Undead, Kerberos, Lizard Undead, Lion Undead, Boar Undead, Locust Undead, Deer Undead, Trilobite Undead, Buffalo Undead, Jaguar Undead, Scarab Undead, Armadillo Undead, Frog Undead, Pecker Undead, Whale Undead, Firefly Undead, Tortoise Undead, Bat Undead, Zebra Undead, Chameleon Undead, Human Undead, Hammerhead Undead, Dragonfly Undead, Shell Undead, Hawk Undead, Plant Undead, Moth Undead, Camel Undead, Centipede Undead, Bee Undead, Mole Undead, Rhinoceros Undead, Cobra Undead, Polarbear Undead, Jellyfish Undead, Scorpion Undead, Squid Undead, Caucasus Beetle Undead, Eagle Undead, Capricorn Undead, Giraffa Undead, Serpent Undead, Peacock Undead, Paradoxa Undead, Orchid Undead, Wolf Undead, Tarantula Undead, Tiger Undead, Elephant Undead, and Tapir Undead.

Kazuma Kenzaki: What the?! Clones of The Undead Monsters?!

Lincoln: This wasn't Universe 666 Sebastian's doing, this was the work of Mindy! She found out what I did in destroying that bug Mandy put in the World Tree Estate, so she's out for revenge.

Lincoln fired powerful rainbow energy blasts at the clones of Beetle Undead, Stag Beetle Undead, Spider Undead, Mantis Undead, Kerberos, Lizard Undead, Lion Undead, Boar Undead, Locust Undead, Deer Undead, Trilobite Undead, Buffalo Undead, Jaguar Undead, Scarab Undead, Armadillo Undead, Frog Undead, Pecker Undead, Whale Undead, Firefly Undead, Tortoise Undead, Bat Undead, Zebra Undead, Chameleon Undead, Human Undead, Hammerhead Undead, Dragonfly Undead, Shell Undead, Hawk Undead, Plant Undead, Moth Undead, Camel Undead, Centipede Undead, Bee Undead, Mole Undead, Rhinoceros Undead, Cobra Undead, Polarbear Undead, Jellyfish Undead, Scorpion Undead, Squid Undead, Caucasus Beetle Undead, Eagle Undead, Capricorn Undead, Giraffa Undead, Serpent Undead, Peacock Undead, Paradoxa Undead, Orchid Undead, Wolf Undead, Tarantula Undead, Tiger Undead, Elephant Undead, and Tapir Undead and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of Beetle Undead, Stag Beetle Undead, Spider Undead, Mantis Undead, Kerberos, Lizard Undead, Lion Undead, Boar Undead, Locust Undead, Deer Undead, Trilobite Undead, Buffalo Undead, Jaguar Undead, Scarab Undead, Armadillo Undead, Frog Undead, Pecker Undead, Whale Undead, Firefly Undead, Tortoise Undead, Bat Undead, Zebra Undead, Chameleon Undead, Human Undead, Hammerhead Undead, Dragonfly Undead, Shell Undead, Hawk Undead, Plant Undead, Moth Undead, Camel Undead, Centipede Undead, Bee Undead, Mole Undead, Rhinoceros Undead, Cobra Undead, Polarbear Undead, Jellyfish Undead, Scorpion Undead, Squid Undead, Caucasus Beetle Undead, Eagle Undead, Capricorn Undead, Giraffa Undead, Serpent Undead, Peacock Undead, Paradoxa Undead, Orchid Undead, Wolf Undead, Tarantula Undead, Tiger Undead, Elephant Undead, and Tapir Undead, and then, Lincoln began absorbing them all into his body as he assimilated all of their powers and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates.

Suddenly, Lincoln had gotten Rouse Cards with the Beetle Undead, Stag Beetle Undead, Spider Undead, Mantis Undead, Kerberos, Lizard Undead, Lion Undead, Boar Undead, Locust Undead, Deer Undead, Trilobite Undead, Buffalo Undead, Jaguar Undead, Scarab Undead, Armadillo Undead, Frog Undead, Pecker Undead, Whale Undead, Firefly Undead, Tortoise Undead, Bat Undead, Zebra Undead, Chameleon Undead, Human Undead, Hammerhead Undead, Dragonfly Undead, Shell Undead, Hawk Undead, Plant Undead, Moth Undead, Camel Undead, Centipede Undead, Bee Undead, Mole Undead, Rhinoceros Undead, Cobra Undead, Polarbear Undead, Jellyfish Undead, Scorpion Undead, Squid

Undead, Caucasus Beetle Undead, Eagle Undead, Capricorn Undead, Giraffa Undead, Serpent Undead, Peacock Undead, Paradoxa Undead, Orchid Undead, Wolf Undead, Tarantula Undead, Tiger Undead, Elephant Undead, and Tapir Undead sealed into them.

Reggie Kenzaki: Wow, that's so awesome, Lincoln! You now have Rouse Cards with the Undead sealed into them.

Lincoln: We'd gotten Rouse Cards when we started out with Evelyn's Ambassador Missions, which were imbued with the powers of The Masters of Evil.

Nico: Now, you have Rouse Cards with the Undead monsters Kazuma and his team faced, awesome!

Suddenly, we heard a very loud screech of anger.

Sam Simpson: And no doubt you've angered Mindy big time.

Me: She'll get what's coming to her tomorrow. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: Here's one that's familiar to Stella, her name is Selena Solaria, Fairy Guardian and Avatar of Solaria.

Stella: I knew you'd choose her, and this is something that all of you should also hear as well, Selena Solaria is Lincoln's Guardian Angel from Solaria and and she's an extremely powerful master of light and magic and she's far more powerful than both Lord Darkar and Valtor combined, and here's the shocker, she's my younger sister.

Me: WOW!

Nico: That's really awesome!

Musa: It sure is, and she's a member of The Fairy Guardians of The Magic Dimension and she and the others defended the realms and planets of the Magic Dimension from the dark forces of The Ancestral Witches, The Trix, Valtor, Lord Darkar, and many others for years.

Selene Emperyous: Selena Solaria came to Earth and settled in Royal Woods where she met Lincoln and she taught him everything that she knows when it comes to using music and magic, and over time, Lincoln became a powerful master of music and magic, and she hates Lisa with a blazing passion, because one time, when Selena and Lincoln were walking home from the park, that cold-blooded mad scientist brat came out of nowhere and stabbed Lincoln multiple times in the stomach with scissors and she was laughing like the insane monster she was, and that got Selena so furious, she fired a massively powerful orange magic blast that hit the ground right near Lisa's feet and sent her flying into a tree, and that made Lisa extremely furious and she tried to kill Selena, but Lincoln who made a swift recovery and his wounds sealed up charged at Lisa and he used his martial arts and he kicked Lisa's behind and took her down, and he and Selena literally kicked Lola in her butt and sent her flying back to The Loud House and when the family found out from Lincoln and Selena of what Lola did, they really tore her apart and they didn't ground her: they did something much worse, they sent her to the nuthouse for nine months. When Lisa came back, she was really horrified by what she'd seen and ran up to her room in fright. Eventually, Lisa had to work hard and she'd earned everyone's forgiveness, but the only thing she earned from Selena was nothing but hatred for she knew Lola would easily go back to the cold-blooded mad scientist that she is, and she swore if Lola ever went after her brother again, Selena would make sure that Lisa would burn for all eternity in the flames of Hell.

We gasped.

Nico: Lisa did what to Lincoln?! AND IN FULL VIEW OF THE PUBLIC?!

Luna: Yeah, it trumped all of the other horrible things Lisa's done to our bro in the past, but she's done a lot of horrible things to him before that still hadn't come close to that!

Laney: We were almost that close to trying to kill Lisa, but Mom and Dad made sure she'd learn her lesson the hard way in jail.

Luan: Lisa worked hard to earn our forgiveness, but the only thing that she earned from Selena was nothing but hatred.

Leni: She really went too far that day, and even Lincoln wouldn't forgive her that easily either.

Me: I didn't blame him though, we both know that Killjoy Huggins and Chase Young's Dark Side were to blame for Lisa easily changing back into the cold-blooded mad scientist everyone despised.

Luna: Eventually, she did earn his forgiveness, but none of his Guardian Angels would forgive her for any of her wrongdoings against him in the past, so she was still on thin ice with them.

Lincoln: Yeah, it was going to be hard though

Soon, we were getting ready for bed.

Girl Jordan: That's day 2 of our five day break.

Lily the Mermaid: Yep, and now, we got to get ready for tomorrow, we're going after Mindy in Coral Harbor, and we're going to make her suffer the same fate as her cousin, Mandy.

As soon as Lincoln's harem stepped into the room, they saw Lincoln sitting on his super extra-extra-extra large bed fit for his expanding harem and he was only in a pair of large red underwear, and when they all saw Lincoln, his harem had massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lincoln: (Seductive Voice) Like what you see, ladies?

Girl Jordan: (In Heaven) Oh yeah.

Lincoln made clones of himself and they walked up to his harem and they wrapped their abnormally massive and powerful muscular arms around their waists, which took them by surprise and brought an atomic red blush to their faces as their chests pressed against the massive pecs of Lincoln and his clones and their stomachs pressed against their eight-pack abs, which'd brought an atomic red blush to the faces of Lincoln and his clones, and they shared a deep passionate and romantic kiss as the girls placed their hands on the massive pecs of Lincoln and his clones.

Lincoln: (Seductive Voice) Hope you're all ready for one wild night.

And with one of his eleven massive and long white tails, Lincoln closed the door closed and locked the door and the barrier activated.

Lincoln: Ah, we're here in Coral Harbor, and I know what we're going to do here, not only am I going to rescue the nine girls here, but we're going to take down the mastermind behind the breakouts of the many scumbags that we've had to deal with over the past few days: Mandy's equally sadistic, snobbish, psychopathic cousin, Mindy, who's out for revenge on us for what we did in bringing Mandy down and turning her into humiliation fodder at Lynn's Table.

Me: Now that we've gotten rid of the remnants of Universe 666 Sebastian's residual darkness, along with you absorbing all of the clones of the Power Rangers' enemies along with getting rid of the seven Satanic serial killers, there's nowhere for Mindy to hide.

Nico: And nowhere for that bitch to run.

Lincoln: And I've been thinking: I did get out of line with our confrontation with Prime Kang and LEGO Kang, but I want to give Prime Kang the chance for redemption. He made J.D. the person that he is in his plan to force The Avengers into retirement 23 years ago, but that backfired when we forged our bonds with them seven years ago, and we became even more powerful than ever.

Drakus: What?! You're willing to give…?!

Suddenly, Sebastian glared at Drakus and when he saw his eyes turn blood red, that got him to stop.

Eli: Lincoln's right, we'll give Prime Kang his chance for redemption.

Nico: I agree too.

Me: Same here, and Sebastian, there was no need for you to glare at Drakus like that, I thought you two had made up.

Lincoln: Looks like they've decided to start that again. (Sighs) Better get Buster and the rest of the toons to teach those two a lesson, for Drakus: it won't be that harsh.

Nico: But, for Sebastian, because of his history with the gang from Acme Acres and The Z-Fighters, there's really gonna be no escape for him.

Sebastian Mendez: Ah drat!

Suddenly, we saw a very beautiful and super sexy girl with long blonde hair and pink hairband, dark blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful orange angel wings, she's dressed in an orange sleeveless crop top, necklace with dark blue gem for the pendant, orange skirt, white bridal gloves, orange knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with stars, sunlight, phoenixes, and angels on the coattails and on the back is the planet Solaria, and holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel, and with her are the nine girls.

Lincoln: (GASPS) Selena Solaria, Fairy Guardian and Avatar of Solaria.

Selena Solaria: That's right, and I got the girls away from Mindy, and boy is she mad!

?: (SUPER ENRAGED NTH DEGREE FUCKED UP SCREAM) YOU

GODDAMN FUCKING LOSERS! WHY CAN'T I FINALLY GET RID OF YOU ALL!? (SCREAMS)

We then saw our target, Mindy, and MAN, WAS SHE REALLY REALLY REALLY REALLY MAD NOW!

Me: OH SHIT, SHE'S MAD!

Nico: No fooling, man, did we piss her off.

Sylvester: A shame we can't put her down.

Then, Lincoln fired a rainbow energy blast that tied Mindy up in a straitjacket and was also hit with a gold energy blast giving her The Gessius Flores Vengeance Curse and sent her to Lynn's Table where she was thrown into a cell and she screamed in pure rage. We cheered as we holstered our weapons and powered down.

Lincoln: That'll teach that filthy animal a lesson she'll never forget. (To Selena Solaria) And it's so good to see you again, Selena Solaria.

Selena Solaria: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Selena Solaria and he hugged her, and Selena Solaria is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Selena Solaria: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Selena Solaria, Fairy Guardian and Avatar of Solaria, she's my Guardian Angel from Melody and she's an extremely powerful master of light and magic and she's far more powerful than both Lord Darkar and Valtor combined, and here's the shocker, she's Stella's younger sister. She's a member of The Fairy

Guardians of The Magic Dimension and she and the others defended the realms and planets of the Magic Dimension from the dark forces of The Ancestral Witches, The Trix, Valtor, Lord Darkar, and many others for years.

Selene Emperyous: Selena Solaria came to Earth and settled in Royal Woods where she met Lincoln and she taught him everything that she knows when it comes to using light and magic, and over time, Lincoln became a powerful master of light and magic.

Michelle Emperyous: And she hates Lisa with a blazing passion, because one time, when Selena and Lincoln were walking home from the park, that cold-hearted emotionless mad scientist came out of nowhere and stabbed Lincoln multiple times in the stomach with a scalpel and she was laughing like the insane monster she was, and that got Selena so furious, she fired a massively powerful orange magic blast that hit the ground right near Lisa's feet and sent her flying into a tree, and that made Lisa extremely furious and she tried to kill Selena, but Lincoln who made a swift recovery and his wounds sealed up charged at Lisa and he used his martial arts and he kicked Lisa's behind and took her down, and he and Selena literally kicked Lisa in her butt and sent her flying back to The Loud House and when the family found out from Lincoln and Selena of what Lola did, they really tore her apart and they didn't ground her: they did something much worse, they sent her to the nuthouse for nine months. When Lisa came back, she was really horrified by what she'd seen and ran up to her room in fright. Eventually, Lisa had to work hard and she'd earned everyone's forgiveness, but the only thing she earned from Selena was nothing but hatred for she knew Lisa would easily go back to the cold-hearted emotionless mad scientist that she is, and she swore if Lisa ever went after her brother again, Selena would make sure that Lisa would burn for all eternity in the flames of Hell.

Eli: We were all shocked when Selene told us that yesterday.

Selena Solaria: But, when the rumors coming out that Killjoy Huggins and Chase Young's Dark Side, the true sources of Lincoln's pain and suffering and the real reason why Lori, Lynn, Lola, Lisa, and Luan became the insufferable monsters we hated hit my ears, I was shocked.

Lincoln: You weren't the only one, when the other Guardian Angels found out, they too got pissed off big time, but we finally got rid of Principal Huggins' dark side, Killjoy Huggins, and Chase Young's Dark Side forever and ended the suffering we'd gone through, and now that you're here, Selena.

Lincoln went up to and hugged Selena Solaria in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Selena Solaria: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Selena Solaria's neck with yellow gems on the gold lightning bolts and orange crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Selena Solaria: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Selena Solaria.

Selena Solaria had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the nine girls, and when Lincoln saw them, he immediately recognized them. The nine girls are Noir, Ciel, Schnee, Flamme, Ada, Ange, Maria, Ellie, and Claudia from Synduality Noir Cour 2.

Lincoln: Oh wow, it's Noir, Ciel, Schnee, Flamme, Ada, Ange, Maria, Ellie, and Claudia from Synduality Noir Cour 2.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Noir: Yes, we're okay, thanks to you.

Then, when Noir and the other eight girls saw who it was that saved them from Mindy, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Noir, Ciel, Schnee, Flamme, Ada, Ange, Maria, Ellie, and Claudia with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villain we went after was the mastermind behind the breakouts of the many scumbags we've had to deal with over the past few days: Mandy's equally sadistic, snobbish, psychopathic cousin, Mindy, who's out for revenge on us for what we did in bringing Mandy down and turning her into humiliation fodder at Lynn's Table.

But, when Lincoln showed what we all did in beating down that heartless bitch and turning her into humiliation fodder at Lynn's Table forever, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Selena Solaria have a lot of catching up to do, now that she's back in town.

Maria: That'll teach that dumb air-headed bitch!

Me: Now, she's going to be humiliated for the rest of her life just like her cousin, she's in for some very harsh punishment from us.

Lincoln: You said it.

Nico: Speaking of punishment. Hey, Lincoln, Eli, we got a couple of nannygoats!

Eli: What?! Where?!

Nico: (Drags Drakus and Sebastian in) Here they are.

Lincoln grabs Drakus by the collar of his shirt and Eli grabs Sebastian by the collar of his coat.

Drakus and Sebastian: OH, FOR THE LOVE OF… !

Lincoln and Eli charged at each other and threw Drakus and Sebastian, and when they collided… !

BONK!

Drakus and Sebastian got their heads bashed in and they fell to the floor and got knocked out!

Leandro Chan: Maybe, that'll teach Sebastian not to get like that again, I haven't forgotten all of the times I saw that, and Drakus really needs to watch what he says..

Me: WHOA! That was a nice throw guys!

Xenia: Yeah!

Nico: You said it! OUCH! They're going to be feeling that!

After we took down Mindy and condemned her to the same humiliation as Mandy, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Selena Solaria saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Selena Solaria: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank

at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Selena, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Selena Solaria: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Selena Solaria: I knew it was only a matter of time before he told everyone that story.

Suddenly, the spots on the Universe 666 Miracle Box on Lincoln's back began glowing.

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

The spots formed a viewing window, and we saw who it was causing trouble: it was the clones of Arch Orphnoch, Rose Orphnoch, Squid Orphnoch, Dragon Orphnoch, Lobster Orphnoch, Centipede Orphnoch, Crocodile Orphnoch, Spider Orphnoch, Stingfish Orphnoch, Elephant Orphnoch,Ox Orphnoch, Mantis Orphnoch, Cactus Orphnoch, Owl Orphnoch, Scarab Orphnoch, Snail Orphnoch, Equisetum Orphnoch, Flyingfish Orphnoch, Armadillo Orphnoch, Toadstool Orphnoch, Scorpion Orphnoch, Worm Orphnoch, Sea Cucumber Orphnoch, Rabbit Orphnoch, Frog

Takumi: What the? Clones of The Orphnochs and The Orphnoch King?!

Lincoln: My clones found out that Mindy also created clones of The Kamen Riders' enemies whom we fought against, looks like her revenge has just begun.

We flew out of the World Tree Estate, and Lincoln fired powerful rainbow energy blasts at the clones of Arch Orphnoch, Rose Orphnoch, Squid Orphnoch, Dragon Orphnoch, Lobster Orphnoch, Centipede Orphnoch, Crocodile Orphnoch, Spider Orphnoch, Stingfish Orphnoch, Elephant Orphnoch,Ox Orphnoch, Mantis Orphnoch, Cactus Orphnoch, Owl Orphnoch, Scarab Orphnoch, Snail Orphnoch, Equisetum Orphnoch, Flyingfish Orphnoch, Armadillo Orphnoch, Toadstool Orphnoch, Scorpion Orphnoch, Worm Orphnoch, Sea Cucumber Orphnoch, Rabbit Orphnoch, Frog Orphnoch, Stinkbug Orphnoch, Swordfish Orphnoch, Rhinoceros Beetle Orphnoch, Stag Beetle Orphnoch, Octopus Orphnoch, Pigeon Orphnoch, Barnacle Orphnoch, Okra Orphnoch, Sloth Orphnoch, Frilled Lizard Orphnoch, Bat Orphnoch, Coral Orphnoch, Butterfly Orphnoch, Giraffe Orphnoch, Longhorn Orphnoch, Pelican Orphnoch, Wild Boar Orphnoch, Slug Orphnoch, Mole Orphnoch, Moose Orphnoch, Lion Orphnoch, Elasmotherium Orphnoch, Tiger Orphnoch, Lobster Orphnoch, Dragon Orphnoch, and Centipede Orphnoch and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of Arch Orphnoch, Rose Orphnoch, Squid Orphnoch, Dragon Orphnoch, Lobster Orphnoch, Centipede Orphnoch, Crocodile Orphnoch, Spider Orphnoch, Stingfish Orphnoch, Elephant Orphnoch,Ox Orphnoch, Mantis

Orphnoch, Cactus Orphnoch, Owl Orphnoch, Scarab Orphnoch, Snail Orphnoch, Equisetum Orphnoch, Flyingfish Orphnoch, Armadillo Orphnoch, Toadstool Orphnoch, Scorpion Orphnoch, Worm Orphnoch, Sea Cucumber Orphnoch, Rabbit Orphnoch, Frog Orphnoch, Stinkbug Orphnoch, Swordfish Orphnoch, Rhinoceros Beetle Orphnoch, Stag Beetle Orphnoch, Octopus Orphnoch, Pigeon Orphnoch, Barnacle Orphnoch, Okra Orphnoch, Sloth Orphnoch, Frilled Lizard Orphnoch, Bat Orphnoch, Coral Orphnoch, Butterfly Orphnoch, Giraffe Orphnoch, Longhorn Orphnoch, Pelican Orphnoch, Wild Boar Orphnoch, Slug Orphnoch, Mole Orphnoch, Moose Orphnoch, Lion Orphnoch, Elasmotherium Orphnoch, Tiger Orphnoch, Lobster Orphnoch, Dragon Orphnoch, and Centipede Orphnoch, and then, Lincoln began absorbing them all into his body as he assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. Suddenly, Lincoln had gotten a massive collection of Faiz Phones with the Orphnochs' insignias.

Takumi: Wow.

We returned back to The World Tree Estate and continued with our workouts.

Nico: That's it for the clones of the Orphnochs, and there's no telling what else that bitch has got up her sleeve.

Lincoln: But, now that we know she's created clones of The Kamen Riders' enemies, I'll do to them what I've done to the clones of the enemies of The Power Rangers: absorb them and assimilate their powers, abilities, and strength.

Me: And also, acquire the Legend Items with their powers, so far, you've acquired Rouse Cards, now Faiz Phones, awesome.

Lincoln: The next group of clones that come after us, I hope it's clones of The Dopants.

Bridget Branley: Oh boy, I can tell you're gonna have quite the feeding frenzy on them.

We got a shower afterwards, and then, Lincoln, Batta, Universe 666 Fugai, Universe 666 Karenbana, and Universe 666 Delia are heading to Wave Ocean.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Batta, Universe 666 Fugai, Universe 666 Karenbana, and Universe 666 Delia are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Batta, Universe 666 Fugai, Universe 666 Karenbana, and Universe 666 Delia all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Batta: Wow, so this is Wave Ocean, it sure is beautiful.

Lincoln: It sure is, Batta, and it's perfect for our first date. Shall we?

Lincoln, Batta, Universe 666 Fugai, Universe 666 Karenbana, and Universe 666 Delia dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Batta, Universe 666 Fugai, Universe 666 Karenbana, and Universe 666 Delia got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Batta, Universe 666 Fugai, Universe 666 Karenbana, and Universe 666 Delia and they hugged the girls in their abnormally massive and powerful muscular arms and Batta, Universe 666 Fugai, Universe 666 Karenbana, and Universe 666 Delia placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Batta, Universe 666 Fugai, Universe 666 Karenbana, and Universe 666 Delia as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Wave Ocean, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Batta, Universe 666 Fugai, Universe 666 Karenbana, and Universe 666 Delia with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Batta, Universe 666 Fugai, Universe 666 Karenbana, and Universe 666 Delia are in your harem, Linky.

Batta, Universe 666 Fugai, Universe 666 Karenbana, and Universe 666 Delia showed the marks Lincoln made on the right sides of their necks.

Naruto: Wow, I knew Batta, Universe 666 Fugai, Universe 666 Karenbana, and Universe 666 Delia had feelings for him, and I knew he'd mark them.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Batta, Universe 666 Fugai, Universe 666 Karenbana, and Universe 666 Delia, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled

and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later we were watching TV and Maxxine was getting really heavy. She was due anytime now.

Nico: How are you feeling Maxxine?

Maxxine: Heavy but I'll make it.

Nico: Good.

Me: She is really excited for this.

Tyranno came with an awesome Tree Star Salad with strawberries and blackberries.

Me: I didn't know she liked Tree Stars from the Great Valley.

Aylene Carter: Boy those are hard to find these days.

Lola: Yeah.

Tyranno: I gave them to her as part of a Hassleberry family recipe.

Me: Very interesting.

Maxxine: They're really good.

She ate them.

Littlefoot: Boy that is really cool that you like tree stars Maxxine.

Maxxine: It sure is.

Me: When we go to the Great Valley again we'll have you eat those more often.

Maxxine: Yeah.

I had a zap apple in my hands.

Just as Maxxine finished, I took a bite out of the Zap Apple.

CHOMP!

Maxxine screamed.

Me: (With my mouth full) HMM!?

We saw water drip down onto the floor and that could mean one thing!

Tyranno: Oh no! Is it…

Maxxine: It's time!

Me: (GULPS) Oh boy! (EATS THE APPLE FAST!) Lets get her to the hospital fast!

Nico: All right LETS GO! LETS GO! DOUBLE TIME! LETS GO!

We loaded her into Ratchet and got her to the hospital and she was rushed into the delivery room and we waited.

I was playing Go Fish with Nico and Lincoln.

Me: Hmm. (Eating another Zap Apple) Mmm.

Nico: You sure like Zap Apples don't you.

Me: I sure do. Especially when eating them raw.

Lincoln: They so say an apple a day keeps the doctor away but that is cool.

Ed: An apple a day keeps the bus driver away.

Eddy: Shut up Ed.

Maxxine screamed!

Me: Uh oh. Brace yourselves!

Maxxine: TYRANNO IF YOU GET ME PREGNANT AGAIN I WILL RIP OUT YOUR INTESTINES AND SHOVE STEAKS DOWN YOUR THROAT AND THEN FEED YOU TO AN ACTUALLY FEED YOU TO A REAL TYRANNOSAURUS!

WE GASPED!

Me: (GULPS) Oh boy I know that's the labor pains talking but man that is brutal!

Nico: No kidding.

Later her screaming stopped.

Me: She stopped.

Later she and Tyranno came out and they had 3 girls and they had ruby red hair and green eyes and they had Tyranno's strong muscles minus the strong level of power.

Me: Oh guys they are adorable.

Nico: Aww they sure are.

Tyranno: Thank you guys. Meet our daughters.

Maxxine: (Weakly) These are Amber Triassic, Nadine Jurassic and Lily Cretaceous.

Nicole: The Mesozoic Triplets. I like that.

Tyranno: Good title.

Nico: Congratulations to you guys.

We got a picture together of them and it was awesome.

* * *

We were busy taking our time off, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We may not have any main missions, but I still got to keep myself busy.

Me: That's true, we're also doing work-outs just like you, Lincoln.

Nico: We finally took care of the clones of the Power Rangers' enemies and finally destroyed all of the remnants of Universe 666 Sebastian's residual darkness, but now that we found out Mandy's cousin, Mindy, has made clones of The Kamen Riders' enemies to carry out her revenge, now she's pissed us off.

Clover: You got that right. I hope Lincoln smashes her face in when we do our next humiliation session

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

Nico: Damn, Lincoln, you really are strong just like J.D.!

Me: We did an arm-wrestling match one time and we both broke the table with our strength.

Lincoln: Yeah, we should've used a steel table for that.

Luna: No way, dude, that would've also broken apart as well with just how strong you two are.

Suddenly, we saw Anna Flores come in, but she now had an awesome new wardrobe on: a crimson red short-sleeved blouse, white frilly short-sleeved shirt, white bridal gloves, her hair's gotten longer and it's turned crimson red, crimson red skirt, and crimson red knee-high high-heeled boots with butterfly buckles, and she also had her own version of The Turtle Mace Ram Hammer, and she had fire-colored angel wings.

Anna Flores: I saw it for myself.

Me: Wow, Anna, you've gotten quite the makeover and the fire-colored angel wings are also new!

Nico: Along with your own version of The Turtle Mace Ram Hammer Flail.

Anna Flores: Thanks, Lincoln made this for me, and he helped me with this new wardrobe of mine, and the fire-colored angel wings along with my hair and eyes turning crimson red, I found out I'd gotten fire and lava powers.

Lincoln: It was so awesome, now Anna's ready to scorch down villains and make them pay.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec

glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Dog City's dangerous gangster, Baron Von Rottweiler, he's broken out of prison and he's causing trouble once more. When we saw it, we knew it meant trouble.

Lincoln: Uh oh.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is one Ace Hart isn't going to like: the person we just saw is none is none other than Dog City's dangerous gangster, Baron Von Rottweiler, he's broken out of prison and he's causing trouble once more.

We gasped.

Ace Hart: I knew Rottweiler would come back for more. Well, he's heading right for jail once more, but not before I drag him all over the city.

Anna Flores: Wait, hold on, Ace. Let me and Lincoln take this guy down, and I've got a better place to send him: straight to Vypra.

Ace Hart: Wait, that might be a bad idea, Anna. He's not like The Springfield Mafia, he'll double-cross Vypra and he also had ties to Bugsy Vile.

Rosie O'Gravy: Actually, that's a good idea, Anna. Besides, of all Dog City's crime lords, Rottweiler is one who basically has earned his title as Ace Hart's archenemy.

Lincoln: I would've thought the person who fit that is Bugsy Vile.

Nico: Well, there's that, but Bugsy's always been dishonest and a cheat, no way is Vypra going to be doing dealings with him and his crew.

Me: Yeah, they can stay in prison forever for all I care.

Nico: Until they perish, Alright, gang, let's go, we may not have any main missions today, but we better deal with Baron Von Rottweiler.

Lincoln: Yeah, we can't let Dog City's second dangerous mobster run free anymore, he's heading for The Masters of Evil's prison in their HQ.

Anna Flores: After we get through with him, he's gonna wish that he was back in prison after Vypra and the others straighten him out.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to the park, so Anna Flores and Lincoln can confront Dog City's dangerous gangster, Baron Von Rottweiler.

We arrived at the park to hunt down our target: Dog City's dangerous gangster, Baron Von Rottweiler.

Nico: We made it. Now, where's Rottweiler?

Ace Hart: He'll come, he always makes an… explosive entrance.

Lincoln: Explosive?! You don't mean…?!

?: (German Accent) Catch!

Lincoln formed a massive indestructible diamond barrier that protected all of us from a massive volley of dynamite that came flying out of nowhere, and when they hit the barrier, they exploded, but the barrier remained strong.

Ace Hart: There's no mistaking those explosives. Alright, Rottweiler, come on out, the jig is up.

A figure came out, it was Dog City's second dangerous gangster, Baron Von Rottweiler.

Ace Hart: Should've known it was you, Rottweiler, there's no mistaking the smell of explosives from anywhere.

Baron Von Rottweiler: (German Accent) Laugh while you can, Herr Hart, for soon, nothing of you will be left to bury.

Anna Flores: Oh, we'll be laughing alright… as we kick your furry butt straight to a new prison far worse than the one you were thrown into.

Suddenly, Anna Flores' crimson red eyes turned neon crimson red and she was surrounded by a crimson red energy aura with stars, fire, flames, lava, rams, turtles, phoenixes, and angels, she had her Turtle Ram Mace Hammer flail in hand, and as she approached Baron Von Rottweiler, she left crimson red energy, stars, fire, flames, lava, rams, turtles, phoenixes, and angels with every step.

Anna Flores: I honestly have no idea of how you were able to escape from prison, Rottweiler, but the jig is up, I'm gonna make sure you get sent to a prison that our… friends happen to run, and trust me, you're in for a lot worse than in Dog City's prison.

Baron Von Rottweiler: (German Accent) Never! Frau Flores promised me a reward for killing you!

We gasped, and Anna Flores and Lincoln were pissed!

Anna Flores: (ENRAGED) YOU WHAT!? YOU MADE A DEAL WITH THAT PSYCHOPATHIC BRAT!?

Hunter: (German Accent) Oh, now you've gone and done it, dummkopf!

Lincoln: Oh, that mistake's about to cost you! Now, you're getting your tail dragged all across the city and a full-on beatdown!

Nico: Making a deal with Eva Flores was a bad move, Rottweiler, now you're really heading for Hell!

Me: And it's gonna hurt bad!

Suddenly, Anna Flores was surrounded by a massive vortex of crimson red energy with stars, fire, flames, and lava surrounding the vortex, there are rams, turtles, phoenixes, and angels running and flying around the vortex, and in the vortex is a fire-colored phoenix with red eyes glaring at Baron Von Rottweiler: the eyes of pain and judgement. Then, as the vortex faded, Anna Flores emerged, but she was changed forever.

Anna Flores grew to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large crimson red orbs orbiting around her legs, she has the body of a goddess, she has yellow highlights in the bangs of her long crimson red hair and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon crimson red eyes and a crimson red energy aura with stars, flames, fire, lava, rams, turtles, phoenixes, and angels surrounding her and her immense protective blue aura had suddenly changed into an immense protective neon rainbow aura with all of the elements swirling around it, she has a ram and turtle coming out of a volcano emblazoned on her forehead and Third Eye with blue iris, she has on ram earrings with crimson red gems for eyes and holding the Star, Fire, Lava, and Eternity Kanjis in its hands and hooves, she also has a ram and turtle with crimson red gems for eyes and holding the the Star, Fire, Lava, and Eternity Kanjis in its hands and hooves for the second pendant on the bottom of her crimson red ram-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with crimson red crystal links from her merged Crystal Necklace of the Buddha and crimson gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Anna Flores has on a crimson red short-sleeved blouse, white frilly short-sleeved shirt, white bridal gloves, crimson red skirt, crimson red knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, flames, fire, lava, rams, turtles, phoenixes, and angels on the coattails, and on the back is a ram, turtle, phoenix, and angel surrounded by stars, fire, and lava. Suddenly, Anna Flores felt a sharp pain on her back, and then, her massive fire-colored angel wings with crimson red tips on the large fire-colored feathers grew much bigger for her new body and she also now has eleven massive and crimson red wolf tails with yellow tips and yellow markings, Anna Flores has on her Ring of the Phoenix with large crimson red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Anna Flores' Turtle Mace Ram Hammer Mace, massive golden greatsword, and all of the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of crimson red energy, stars, flames, fire, lava, rams, turtles, phoenixes, and angels, and when it emerged, it was transformed into Anna Flores' Cosmic Eternal Volcanic Lava Firestorm Turtle Ram Phoenix Angel Hammer Mace Flail of Cosmic Eternal Volcanic Lava Firestorm Turtle Ram Phoenix Angel Justice, it's a brand-new version of her Turtle Mace Ram Hammer Mace Flail measuring at 8'0" in length with a massive crimson red ball with gold spikes and gold chain on top of the gold ram head with its large silver horns for the hammer's sides, longer midnight black handle and four crimson red turtle heads with yellow gems for eyes and large crimson red ram head with gold gems for eyes and gold gem in its mouth for the pommel, Anna Flores has on her large gold Bracers of The Champions of The Universe with large crimson red gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold ram head with crimson red gems for eyes and large crimson red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a crimson red kanji with red flames in between the kanji below the ram, turtle, phoenix, and angel that said, "Anna Flores, Powerful Master of Fire and Lava, Volcanic Angel of Michigan, Loving

We were amazed by Anna Flores' Super Angel-Big Horn Ram-Turtle-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Baron Von Rottweiler saw it, he got out a stick of dynamite he lit and was about to throw it, but Anna Flores fired a massive barrage of crimson red energy, stars, flames, fire, lava, rams, turtles, phoenixes, and angels which hit Baron Von Rottweiler and it also caused the stick of dynamite to explode and he was sent flying into a tree, he got back up, but now he was mad.

Selene Arcangela: Incredible, Anna's transformed, and by the looks of it, Baron Von Rottweiler is in huge trouble.

Lincoln: He deserves it, we'd heard all of the things he's done in Dog City, and to find out Eva Flores made a deal with him to kill Anna and I, even behind prison, Eva Flores still finds a way to piss us all off.

Anna Flores: (Divine Echoing Godly Voice of The Eternal Volcanic Firestorm Big Horn Ram Turtle Phoenix Angel and Divine Cosmic Eternal Volcanic Firestorm Big Horn Ram Turtle Phoenix Angel Love) If she ever gets out to get revenge, we'll both make her pay dearly for what she did to Mom. Shall we, Lincoln?

Lincoln: Let's do it, Anna.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as the sword pendants on his large white and gold accented Elemental Thunderbird Choker of Eternal Love were

glowing, and he joined Anna Flores.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've got guts to escape from Dog City's prison, Rottweiler, but the jig is up. Now, we're gonna give you a major beatdown and drag your furry behind all over the city and then send you straight to Vypra mangled up and tied up in a German Pretzel hold.

and Anna Flores went after Baron Von Rottweiler who continued throwing dynamite and bombs at them, but they dodged them, and they fired extremely powerful blasts of rainbow energy, crimson red energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Antonin Ruzicka, and they exploded with incredible power as they hit him.

Then, Lincoln attacked him with energy slashes from his massive greatsword leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Anna Flores bashed him with her new mace and she also swung the hammer and sent the flail flying right at him and the spiked ball bashed him in the face, and he and Anna Flores attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts.

Baron Von Rottweiler: (German Accent) (Nervously) Is it too late to surrender?

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Begging won't get you anywhere, you mug. (CRACKS KNUCKLES)

Anna Flores: (Divine Echoing Godly Voice of The Eternal Volcanic Firestorm Big Horn Ram Turtle Phoenix Angel and Divine Cosmic Eternal Volcanic Firestorm Big Horn Ram Turtle Phoenix Angel Love) That's right, your punishment's just begun.

Then, Lincoln and Anna Flores proceeded to give Baron Von Rottweiler the nastiest beatdown of his life as the fists went flying, and then, Lincoln grabbed Rottweiler by his neck, and then… !

TWISTING SOUNDS! SCREAMS OF PAIN!

Lincoln turned Baron Von Rottweiler into a German Pretzel and made a portal leading to The Masters of Evil's HQ and tossed Rottweiler in as the portal closed. We all cheered wildly for what Anna Flores and Lincoln did as Lincoln holstered his massive greatsword and he and Anna Flores powered down and Anna Flores' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long crimson red wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive fire-colored angel wings are permanent.

Anna Flores: Hope you get a crash course in what happens when you try to cause trouble in Dog City again from The Masters of Evil. Thanks for helping me take down Rottweiler, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Anna.

Suddenly, Anna Flores wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Anna Flores' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, Big Horn Ram, and Turtle flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and lava and flames behind them and we cheered wildly. Then, Lincoln and Anna Flores sucked in and absorbed the elemental forces and fire and lava and they came back to us as the display vanished.

Me: That was one awesome battle, you guys laid quite the beatdown on Baron Von Rottweiler.

Nico: You said it, and Anna got some practice in with your new weapon that you made for her, Lincoln.

Lincoln: And it also got a major upgrade when Anna transformed, that was so awesome.

Suddenly, the spots on the Universe 666 Miracle Box on Lincoln's back began glowing.

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

Me: Uh oh! INCOMING!

Then, we saw who it was causing trouble: it was clones of all The Dopants that we'd met during the Ambassador Missions with Shotaro and his team and clones of the Dopants that my friends are the Embodiments of.

Shotaro: What the?! Are those clones of all the Dopants?!

Lincoln: Whoa! It's not only all the Dopants that you and your team battled, Shotaro, but also, clones of the Dopants that J.D.'s friends are the Embodiments of!

Their jaws dropped to the floor!

CLANG!

Eli shut their mouths.

Nico: Holy shit! That's a ton of them!

Lincoln: You said a mouthful, and I'm gonna enjoy absorbing all of them!

Lincoln fired powerful rainbow energy blasts at the clones of all The Dopants that we'd met during the Ambassador Missions with Shotaro and his team and clones of the Dopants that my friends are the Embodiments of and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of all The Dopants that we'd met during the Ambassador Missions with Shotaro and his team and clones of the Dopants that my friends are the Embodiments of, and then, Lincoln began absorbing them all into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates.

Suddenly, Lincoln had gotten Gaia Memories with all the Dopants' symbols on them, and they were all put into his Universe 666 Miracle Box with the Rouse Cards and Faiz Phones.

Shotaro: Wow, now you have Gaia Memories with all the Dopants' powers.

Lincoln: Yep, next time, I'm hoping we get to face the clones of The Phantoms Haruto and the Wizard Kamen Riders faced.

Nico: Now, that would be awesome, and with our power to absorb negative energy from negative emotions, if you absorbed them, we'd all gain an astronomical power boost that could be felt from all over the universe. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: Here's one that's familiar to Tecna: Zarya Zenith, Fairy Guardian and Avatar of Zenith.

Tecna: (British Accent) I knew you'd choose her, and this is something that all of you should also hear as well, Zarya Zenith is Lincoln's Guardian Angel from Zenith and she's an extremely powerful master of technology and magic and she's far more powerful than both Lord Darkar and Valtor combined, and here's the shocker, she's my younger sister.

Me: WOW!

Nico: That's really awesome!

Tecna: (British Accent) It sure is, and she's a member of The Fairy Guardians of The Magic Dimension and she and the others defended the realms and planets of the Magic Dimension from the dark forces of The Ancestral Witches, The Trix, Valtor, Lord Darkar, and many others for years.

Selene Emperyous: Zarya Zenith came to Earth and settled in Royal

Woods where she met Lincoln and she taught him everything that she knows when it comes to using technology and magic, and over time, Lincoln became a powerful master of technology and magic, and she hates Luan with a blazing passion, because one time, when Zarya and Lincoln were walking home from a technology convention in town, Lincoln got ambushed and hit hard by lethal pranks that were set up by that insane prankster as she came out and was about to finally kill Lincoln, and that got Zarya so furious, she fired a massively powerful purple magic and binary code blast that hit the ground right near Luan's feet and sent her flying into a tree, and that made Luan extremely furious and she tried to kill Zarya, but Lincoln who made a swift recovery and his wounds sealed up charged at Luan and he used his martial arts and he kicked Luan's behind and took her down, and he and Zarya literally kicked Luan in her butt and sent her flying back to The Loud House and when the family found out from Lincoln and Zarya of what Luan did, they really tore her apart and they didn't ground her: they did something much worse, they sent her to the Lansing Maximum Security Nuthouse for a year. When Luan came back, she was really horrified by what she'd seen and ran up to her room in fright. Eventually, Luan had to work hard and she'd earned everyone's forgiveness, but the only thing she earned from Zarya was nothing but hatred for she knew Luan would easily go back to the homicidal and insane prankster that she is, and she swore if Luan ever went after her brother again, Zarya would make sure that Luan would burn for all eternity in the flames of Hell.

We gasped.

Nico: Luan did that to Lincoln?! AND IN FULL VIEW OF THE PUBLIC?!

Luna: Yeah, it trumped all of the other horrible things Luan's done to our bro in the past, but she's done a lot of horrible things to him before that still hadn't come close to that! Even the pranks she's done to us in the past didn't come that close!

Laney: We were almost that close to trying to kill Luan, but Mom and Dad made sure she'd learn her lesson the hard way in jail.

Lori: Luan worked hard to earn our forgiveness, but the only thing that she earned from Zarya was nothing but hatred.

Leni: She really went too far that day, and even Lincoln wouldn't forgive her that easily either.

Me: I didn't blame him though, we both know that Killjoy Huggins and Chase Young's Dark Side were to blame for Luan easily changing back into the deranged homicidal prankster everyone despised.

Luna: Eventually, she did earn his forgiveness, but none of his Guardian Angels would forgive her for any of her wrongdoings against him in the past, so she was still on thin ice with them.

Lincoln: Yeah, it was going to be hard though

Soon, we were getting ready for bed.

Girl Jordan: That's day 3 of our five day break.

Lily the Mermaid: Yep, and now, we got to get ready for tomorrow, whatever Linky has planned for his rescue, it's bound to be a good one.

As soon as Lincoln's harem stepped into the room, they saw Lincoln sitting on his super extra-extra-extra large bed fit for his expanding harem and he was only in a pair of large red underwear, and when they all saw Lincoln, his harem had massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lincoln: (Seductive Voice) Like what you see, ladies?

Girl Jordan: (In Heaven) Oh yeah.

Lincoln made clones of himself and they walked up to his harem and they wrapped their abnormally massive and powerful muscular arms around their waists, which took them by surprise and brought an atomic red blush to their faces as their chests pressed against the massive pecs of Lincoln and his clones and their stomachs pressed against their eight-pack abs, which'd brought an atomic red blush to the faces of Lincoln and his clones, and they shared a deep passionate and romantic kiss as the girls placed their hands on the massive pecs of Lincoln and his clones.

Lincoln: (Seductive Voice) Hope you're all ready for one wild night.

And with one of his eleven massive and long white tails, Lincoln closed the door closed and locked the door and the barrier activated.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of Kamen Rider Wiseman/Carbuncle Phantom, Kamen Rider Sorcerer/Drake Phantom, Armadum, Medusa, Phoenix, Sora Takigawa A.K.A. Gremlin Phantom, Minotauros, Hellhound, Caitsìth, Gnome, Gargoyle, Valkyrie, Lizardman, Manticore, Hydra, Beelzebub, Weretiger, Spriggan, Legion, Bogy, Argus, Raum, Bahamut, Sylphi, Sphinx, Siren, Arachne, Khepri, Ogre, Xatan, Eel, and Gahra, and then, Lincoln began absorbing them all into his body as he and all of us assimilated all of their powers, abilities, and strength and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates.

Suddenly, Lincoln gained Wizard Rings with the faces of Kamen Rider Wiseman/Carbuncle Phantom, Kamen Rider Sorcerer/Drake Phantom, Armadum, Medusa, Phoenix, Sora Takigawa A.K.A. Gremlin Phantom, Minotauros, Hellhound, Caitsìth, Gnome, Gargoyle, Valkyrie, Lizardman, Manticore, Hydra, Beelzebub, Weretiger, Spriggan, Legion, Bogy, Argus, Raum, Bahamut, Sylphi, Sphinx, Siren, Arachne, Khepri, Ogre, Xatan, Eel, and Gahra on them and their powers, and they were put into his Universe 666 Miracle Box with the Rouse Cards, Faiz Phones, and Gaia Memories.

Haruto: Wow, now you have Wizard Rings with the powers of our old enemies.

Lincoln: Yep, and next time, I'm hoping we get to face the clones of the Zodiarts. (To Zarya Zenith) And it's so good to see you again, Zarya Zenith.

Zarya Zenith: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Zarya Zenith and he hugged her, and Zarya Zenith is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Zarya Zenith: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Zarya Zenith, Fairy Guardian and Avatar of Zenith, she's my Guardian Angel from Zenith and she's an extremely powerful master of technology and magic and she's far more powerful than both Lord Darkar and Valtor combined, and here's the shocker, she's Tecna's younger sister. She's a member of The Fairy Guardians of The Magic Dimension and she and the others defended the realms and planets of the Magic Dimension from the dark forces of The Ancestral Witches, The Trix, Valtor, Lord Darkar, and many others for years. Zarya Zenith came to Earth and settled in Royal Woods where she met me and she taught me everything that she knows when it comes to using technology and magic, and over time, I became a powerful master of technology and magic.

Michelle Emperyous: And she hates Luan with a blazing passion, because one time, when Zarya and Lincoln were walking home from a technology convention in town, Lincoln got ambushed and hit hard by lethal pranks that were set up by that insane prankster as she came out and was about to finally kill Lincoln, and that got Zarya so furious, she fired a massively powerful purple magic and binary code blast that hit the ground right near Luan's feet and sent her flying into a tree, and that made Luan extremely furious and she tried to kill Zarya, but Lincoln who made a swift recovery and his wounds sealed up charged at Luan and he used his martial arts and he kicked Luan's behind and took her down, and he and Zarya literally kicked Luan in her butt and sent her flying back to The Loud House and when the family found out from Lincoln and Zarya of what Luan did, they really tore her apart and they didn't ground her: they did something much worse, they sent her to the Lansing Maximum Security Nuthouse for a year. When Luan came back, she was really horrified by what she'd seen and ran up to her room in fright. Eventually, Luan had to work hard and she'd earned everyone's forgiveness, but the only thing she earned from Zarya was nothing but hatred for she knew Luan would easily go back to the homicidal and insane prankster that she is, and she swore if Luan ever went after her brother again, Zarya would make sure that Luan would burn for all eternity in the flames of Hell.

Eli: We were all shocked when Selene told us that yesterday.

Zarya Zenith: But, when the rumors coming out that Killjoy Huggins and Chase Young's Dark Side, the true sources of Lincoln's pain and suffering and the real reason why Lori, Lynn, Lola, Lisa, and Luan became the insufferable monsters we hated hit my ears, I was shocked.

Lincoln: You weren't the only one, when the other Guardian Angels found out, they too got pissed off big time, but we finally got rid of Principal Huggins' dark side, Killjoy Huggins, and Chase Young's Dark Side forever and ended the suffering we'd gone through, and now that you're here, Selena.

Lincoln went up to and hugged Zarya Zenith in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Zarya Zenith: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Zarya Zenith's neck with dark purple gems on the gold lightning bolts and dark purple crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Zarya Zenith: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal

Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Zarya Zenith.

Zarya Zenith had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the twelve girls, and when Lincoln saw them, he immediately recognized them. The twelve girls are Minami from Happiness Double Room, Rin Akinashi, Hina Yorozuya, Kotoko Teshigawara, Meryl Hathaway, and Iida Shiori from Criminal Border, Mami Mamiya, Yuuri Kouzu, Marin Takanashi, and Ruka Oshino from Mamiya Mami wa Iyashite Agetai, Karryn from Karryn's Prison, Utano Takayanagi and Remi Ooba from Gibo to no Yuuwaku Doukyo Seikatsu ~Tsuma no Haha wa, Gibo to wa Yobenai Bijukujo Deshita~, and Hinata Otonoha and Akari Yunami from Koe ni Koi Shite, Koikogare!

Lincoln: Oh wow, it's Minami from Happiness Double Room, Rin Akinashi, Hina Yorozuya, Kotoko Teshigawara, Meryl Hathaway, and Iida Shiori from Criminal Border, Mami Mamiya, Yuuri Kouzu, Marin Takanashi, and Ruka Oshino from Mamiya Mami wa Iyashite Agetai, Karryn from Karryn's Prison, Utano Takayanagi and Remi Ooba from Gibo to no Yuuwaku Doukyo Seikatsu ~Tsuma no Haha wa, Gibo to wa Yobenai Bijukujo Deshita~, and Hinata Otonoha and Akari Yunami from Koe ni Koi Shite, Koikogare!

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Minami: Yes, we're okay, thanks to you.

Then, when Minami and the other eleven girls saw who it was that saved them from the clones of Wiseman and his minions, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue,

Minami: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made eleven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Minami: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Minami, Rin Akinashi, Hina Yorozuya, Kotoko Teshigawara, Meryl Hathaway, Iida Shiori, Mami Mamiya, Yuuri Kouzu, Marin Takanashi, Ruka Oshino, Karryn, Utano Takayanagi, Remi Ooba, Hinata Otonoha, and Akari Yunami with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villains we went after were clones of Kamen Rider Wiseman/ Carbuncle Phantom, Kamen Rider Sorcerer/Drake Phantom, Armadum, Medusa, Phoenix, Sora Takigawa A.K.A. Gremlin Phantom, Minotauros, Hellhound, Caitsìth, Gnome, Gargoyle, Valkyrie, Lizardman, Manticore, Hydra, Beelzebub, Weretiger, Spriggan, Legion, Bogy, Argus, Raum, Bahamut, Sylphi, Sphinx, Siren, Arachne, Khepri, Ogre, Xatan, Eel, and Gahra that were also created by Mindy.

But, when Lincoln showed what we all did in beating them all down and Lincoln absorbing them and all of us assimilating their powers, abilities, and strength and sending them all to The Black Gates and getting Wizard Rings with their powers, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Zarya Zenith have a lot of catching up to do, now that she's back in town.

Then, we heard Mindy and Mandy roar with rage!

Maria: Serves you both right, bitches.

Lincoln: It just proves they're both horrible people, and they'll never

ever change.

Nico: Yeah, they both deserve to be in Hell forever when they die of old age.

Me: You said a mouthful.

---

After Lincoln absorbed the clones of Kamen Rider Wiseman/ Carbuncle Phantom, Kamen Rider Sorcerer/Drake Phantom, Armadum, Medusa, Phoenix, Sora Takigawa A.K.A. Gremlin Phantom, Minotauros, Hellhound, Caitsìth, Gnome, Gargoyle, Valkyrie, Lizardman, Manticore, Hydra, Beelzebub, Weretiger, Spriggan, Legion, Bogy, Argus, Raum, Bahamut, Sylphi, Sphinx, Siren, Arachne, Khepri, Ogre, Xatan, Eel, and Gahra, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Zarya Zenith saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Zarya Zenith: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing

900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Zarya, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Zarya Zenith: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Zarya Zenith: I knew it was only a matter of time before he told everyone that story.

Suddenly, the spots on the Universe 666 Miracle Box on Lincoln's back began glowing.

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

The spots formed a viewing window, and we saw who it was causing trouble: it was the clones of the Imagin.

Ryotaro: What the?! Clones of The Imagin?!

Lincoln: No doubt that Mindy had a hand in this as well.

We flew out of the World Tree Estate, and Lincoln fired powerful rainbow energy blasts at the clones of the Imagin and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of the Imagin, and then, Lincoln began absorbing them all into his body as he assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. Suddenly, Lincoln had gotten a massive collection of Rider Tickets with the Imagin.

Ryotaro: Impressive.

We returned back to The World Tree Estate and continued with our workouts.

Nico: That's it for the clones of the Imagin, and there's no telling what else that bitch has got up her sleeve.

Lincoln: But, now that we know she's created clones of The Kamen Riders' enemies, I'll do to them what I've done to the clones of the enemies of The Power Rangers: absorb them and assimilate their powers, abilities, and strength.

Me: And also, acquire the Legend Items with their powers, so far, you've acquired Rouse Cards, Faiz Phones, Gaia Memories, Wizard

Rings, and now, Rider Tickets, awesome.

Lincoln: The next group of clones that come after us will no doubt be the clones of The Zodiarts.

Bridget Branley: Oh boy, I can tell you're gonna have quite the feeding frenzy on them.

We got a shower afterwards, and then, Lincoln, Universe 666 Dark Queen, Ichisumi, Garden Rose Maiden, and Garden Rose Flora are heading to Bubblaine.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Dark Queen, Ichisumi, Garden Rose Maiden, and Garden Rose Flora are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Universe 666 Dark Queen, Ichisumi, Garden Rose Maiden, and Garden Rose Flora all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Garden Rose Maiden: Wow, so this is Bubblaine, it sure is beautiful.

Lincoln: It sure is, Garden Rose Maiden, and it's perfect for our first date. Shall we?

Lincoln, Universe 666 Dark Queen, Ichisumi, Garden Rose Maiden, and Garden Rose Flora dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Universe 666 Dark Queen, Ichisumi, Garden Rose Maiden, and Garden Rose Flora got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Dark Queen, Ichisumi, Garden Rose Maiden, and Garden Rose Flora and they hugged the girls in their abnormally massive and powerful muscular arms and Universe 666 Dark Queen, Ichisumi, Garden Rose Maiden, and Garden Rose Flora placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Universe 666 Dark Queen, Ichisumi, Garden Rose Maiden, and Garden Rose Flora as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Bubblaine, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Dark Queen, Ichisumi, Garden Rose Maiden, and Garden Rose Flora with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Universe 666 Dark Queen, Ichisumi, Garden Rose Maiden, and Garden Rose Flora are in your harem, Linky.

Universe 666 Dark Queen, Ichisumi, Garden Rose Maiden, and Garden Rose Flora showed the marks Lincoln made on the right sides of their necks.

Alexis: Wow, I knew Universe 666 Dark Queen, Ichisumi, Garden Rose Maiden, and Garden Rose Flora had feelings for him, and I knew he'd mark them.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Universe 666 Dark Queen, Ichisumi, Garden Rose Maiden, and Garden Rose Flora, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

We were busy taking our time off, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even

more stronger than ever and he was sweating like crazy.

Lincoln: We may not have any main missions, but I still got to keep myself busy.

Me: That's true, we're also doing work-outs just like you, Lincoln.

Nico: We finally took care of the clones of the Power Rangers' enemies and finally destroyed all of the remnants of Universe 666 Sebastian's residual darkness, but now that we found out Mandy's cousin, Mindy, has made clones of The Kamen Riders' enemies to carry out her revenge, now she's pissed us off.

Clover: You got that right. I hope Lincoln smashes her face in when we do our next humiliation session

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

Nico: Damn, Lincoln, you really are strong just like J.D.!

Me: We did an arm-wrestling match one time and we both broke the table with our strength.

Lincoln: Yeah, we should've used a steel table for that.

Luna: No way, dude, that would've also broken apart as well with just how strong you two are.

Michelle Hernandez: And Lincoln's gotten stronger many times over thanks to feeding on and absorbing the many musclebound thugs over the years, and now, he's been getting even more stronger thanks to him absorbing many powerful villains and assimilating their powers, abilities, and strength.

Laney: He's always been wanting to get stronger after everything he's been through thanks to Killjoy Huggins, Dark Chase Young, and the Dark Sides of Lori, Lynn, Lola, Lisa, Luan, and Chandler, along with his many enemies, and I didn't blame him, what they've done to him in the past can never be forgiven.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than our old enemy, Akasha, The Vampire Queen, and she's come back from the dead in search of vengeance. When we saw it, we knew it meant trouble.

Lincoln: Uh oh.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is one we're not going to like: the person we just saw is none other than our old enemy, Akasha, The Vampire Queen, and she's come back from the dead in search of vengeance.

We gasped.

Nico: Oh man, Akasha's come back for revenge?!

Me: We dealt with her two years ago, and now, she's come back again?! This isn't good.

Michelle Hernandez: I've heard about Akasha, and she is one very evil vampire, but you all have dealt with much worse vampires in the past. But, we should get rid of Akasha here and now.

Lincoln: Yeah.

Nico: We're not letting Akasha live any longer. Alright, gang, let's go, we may not have any main missions today, but we better head down and destroy Akasha for good.

Lincoln: This is one vampire who doesn't deserve to live any longer.

Michelle Hernandez: After everything she's done centuries ago, the only thing awaiting her is death.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to the park, so Michelle Hernandez and Lincoln can destroy our old enemy: Akasha, the ruthless vampire queen.

Alright, here's the match-up scene: Michelle Hernandez, Gene-Slammer of Red-Eyes Zombie Dragon and Lincoln VS. Akasha, The Vampire Queen

We arrived at the park to hunt down our target: Akasha, The Vampire Queen.

Nico: We made it. Now, where's Akasha?

Lincoln: She's here alright, I can smell her blood,

?: You will never leave here alive, you will all die here for killing me, Team Loud Phoenix Storm!

Lincoln formed a massive indestructible diamond barrier with absorption energy surrounding the barrier that protected all of us from a massive volley of darkness energy blasts that came flying out of nowhere, and when they hit the barrier, they were absorbed and flowed into us and we grew even stronger and the barrier remained strong.

Lincoln: (Catches the scent) There's no mistaking it: the smell of blood, you can come out now, Akasha, or we will force you out!

A figure came out, it was our old enemy, Akasha the Vampire Queen.

Nico: So, you've come back to get revenge, it's been two years since we killed you, Akasha.

Akasha: Laugh while you can, fool. None of you will ever leave here alive!

Michelle Hernandez: The only one not leaving here alive will be you, Akasha.

Suddenly, Michelle Hernandez' blood red eyes turned neon blood red and she was surrounded by a black and blood red energy aura with stars, darkness, blood, dark magic, black magic, Satanic Magic, demons, creatures of the night, vampire bats, zombies, dragons, phoenixes, and angels, she unholstered her massive vampire greatsword from her back, and as she approached Akasha, she left black and blood red energy, stars, darkness, blood, dark magic, black magic, Satanic Magic, demons, creatures of the night, vampire bats, zombies, dragons, phoenixes, and angels with every step.

Michelle Hernandez: No matter how many centuries had passed since you last walked the Earth, none of the vampires have ever forgotten about the horrible things you'd done back then, Akasha. But, this ends here and now, this shall be your last day you ever walk upon this earth.

Suddenly, Michelle Hernandez was surrounded by a massive vortex of black and blood red energy, stars, darkness, blood, dark magic, black magic, and Satanic Magic surrounding the vortex, there are demons, creatures of the night, vampire bats, zombies, dragons, phoenixes, angels, and Red-Eyes Zombie Dragon flying around the vortex, and in the vortex is a blood red phoenix with red eyes glaring at Akasha: the red eyes of eternal death. Then, as the vortex faded, Michelle Hernandez emerged, but she was changed forever.

We were amazed by Michelle Hernandez's Super Angel-Red-Eyes Zombie Dragon-Vampire-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Akasha saw it, she went mad and ran at Michelle to kill her, but Michelle Hernandez fired a massive barrage of black and blood red energy, stars, darkness, blood, dark magic, black magic, Satanic Magic, demons, creatures of the night, vampire bats, zombies, dragons, phoenixes, and angels which hit Akasha and she was sent flying into a tree, he got back up, but now the vampire queen was beyond enraged.

Selene Arcangela: Incredible, Michelle's transformed, and by the looks of it, Akasha is in huge trouble.

Lincoln: We dealt with her two years ago, and that was when Moonlight Raven and Ink Rose transformed, now she's gonna be dealing with a vampire far more powerful than even her.

Michelle Hernandez: (Divine Echoing Godly Voice of The Bloody Demonic Darkness Red-Eyes Zombie Dragon Vampire Phoenix Angel and Divine Cosmic Eternal Bloody Demonic Darkness Red-Eyes Zombie Dragon Vampire Phoenix Angel Love) You got that right, let's rip her apart and drink her blood, my King of The Night.

Lincoln: Let's do it, Michelle.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as the sword pendants on his large white and gold accented Elemental Thunderbird Choker of Eternal Love were

glowing, and he joined Michelle Hernandez.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You should've never come back from the dead to get revenge on us, Akasha, but like many other vampires we'd killed in the past, you just don't know when to quit. Well, then, I hope you're ready to die once more.

Lincoln and Michelle Hernandez went after Akasha, and they fired extremely powerful blasts of rainbow energy, black and blood red energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Akasha, and they exploded with incredible power as they hit her.

Then, Lincoln and Michelle Hernandez attacked her with energy slashes from their massive greatsword leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Michelle Hernandez also did the same by slashing at her with her claws, and he and Michelle Hernandez attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was enough to drive Akasha mad with rage.

Akasha let out an inhuman shriek and went after Lincoln and Michelle Hernandez in a fit of rage, but Lincoln and Michelle Hernandez fired black and blood red darkness at Akasha and they summoned zombies and vampires to attack Akasha and she was really beaten up. Then, Lincoln grabbed Akasha by the neck, and as he turned her head to her left, he sank his fangs hard into the right side of her neck and he began sucking out every last drop of her blood and he was also assimilating all of her vampire powers and draining her dry of her life force as we saw Akasha's skin dry up and the life leaving her eyes. Then, when Lincoln was done, Akasha was nothing more than a dried up corpse and he set her body on fire and sent her to The Black Gates forever. We all cheered wildly for what Michelle Hernandez and Lincoln did as they holstered their massive greatswords on their backs and powered down and Michelle Hernandez's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive midnight black angel wings are permanent.

Michelle Hernandez: Burn in Hell forever, you lifeless old fool. Thanks for helping me destroy Akasha for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Michelle.

Suddenly, Michelle Hernandez wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Michelle Hernandez's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Red Eyes Zombie Dragon flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness behind them and we cheered wildly. Then, Lincoln and Michelle Hernandez sucked in and absorbed the elemental forces and darkness and they came back to us as the display vanished.

Me: That was one awesome battle, you guys.

Natasha Hernandez: You said it, and Lincoln, you did awesome in draining her dry of every last drop of her blood.

Nico: It has been a while since you've drained any villain dry of blood.

Connor Chan: Just be glad he didn't let out a loud frightening roar, I can't forget all those times he's done that. (SHUDDERS)

Me: That's mainly a warning saying to stay out of his way or you're next on the menu.

Suddenly, the spots on the Universe 666 Miracle Box on Lincoln's back began glowing.

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

Me: Uh oh! INCOMING!

Then, we saw who it was causing trouble: it was clones of all The Zodiarts that we'd met during the Ambassador Missions with Gentaro and his team.

Gentaro: What the?! Are those clones of all the Zodiarts?!

Lincoln: Whoa!

Our jaws dropped to the floor!

CLANG!

Eli shut our mouths.

Nico: Holy shit! That's a ton of them!

Lincoln: You said a mouthful, and I'm gonna enjoy absorbing all of them!

Lincoln fired powerful rainbow energy blasts at the clones of all The Zodiarts and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of all The Zodiarts that we'd met during the Ambassador Missions with Gentaro and his team, and then, Lincoln began absorbing them all into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. Suddenly, Lincoln had gotten Astroswitches with all the Zodiarts' symbols on them, and they were all put into his Universe 666 Miracle Box with the Rouse Cards, Rider Tickets, Wizard Rings, and Faiz Phones.

Gentaro: Wow, now you have Astroswitches with all the Zodiarts' powers.

Lincoln: Yep, next time, I'm hoping we get to face the clones of the Fangires.

Nico: Now, that would be awesome, and we'd also have access to their powers as well. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: Here's one that's familiar to Layla: Andrea Andros, Fairy Guardian and Avatar of Andros.

Layla: I knew you'd choose her, and this is something that all of you should also hear as well, Andrea Andros is Lincoln's Guardian Angel from Andros and she's an extremely powerful master of water and magic and she's far more powerful than both Lord Darkar and Valtor combined, and here's the shocker, she's my younger sister.

Me: WOW!

Nico: That's really awesome!

Layla: It sure is, and she's a member of The Fairy Guardians of The Magic Dimension and she and the others defended the realms and planets of the Magic Dimension from the dark forces of The Ancestral Witches, The Trix, Valtor, Lord Darkar, and many others for years.

Selene Emperyous: Andrea Andros came to Earth and settled in Royal Woods where she met Lincoln and she taught him everything that she knows when it comes to using water and magic, and over time, Lincoln became a powerful master of water and magic, and she hates Chandler with a blazing passion, because one time, when Andrea and Lincoln were swimming in Lake Huron, Chandler was about to dump toxic waste into the waters and not only kill them but also destroy the underwater marine life there, and that got Andrea so furious, she fired a massively powerful teal blue magic and water blast that hit Chandler square right in the face and sent that dumbass flying into a tree, and that made Chandler extremely furious and he tried to kill Andrea, but Lincoln charged at Chandler and he used his martial arts and he kicked that sewage rat's behind and took him down, and he and Andrea literally kicked Chandler in his butt and sent him flying back to his and when his mom and his sister, Cheryl, found out from Lincoln and Andrea of what Chandler tried to do, they really tore him apart and Chandler got sent to reform school for a year. When Chandler came back, it only made him even more vile and even more bloodthirsty than ever, and the only thing he earned from Andrea was nothing but hatred for she knew Chandler would never change his ways and that he would still be the same annoying jerk and bloodthirsty bully that he always has been, and she swore if Chandler ever went after Lincoln again, Andrea would make sure that Chandler would burn for all eternity in the flames of Hell.

We gasped.

Nico: Oh man, I can't believe Chandler tried to dump toxic waste into Lake Huron and kill Lincoln, Andrea, and the marine life there.

Luna: Yeah, it trumped all of the other horrible things he's done to our bro in the past, but he's done a lot of horrible things to him before that still hadn't come close to that!

Laney: We were almost that close to trying to kill Chandler, but Mom and Dad told us that Mrs. Henderson handled him.

Lori: We hated him even more for that, and the only thing that he earned from Andrea was nothing but hatred.

Leni: He totes really went too far that day, and Lincoln would never forgive him.

Me: I didn't blame him though, we both know that Killjoy Huggins and Chase Young's Dark Side were to blame for that.

Luna: None of his Guardian Angels would forgive him for any of his wrongdoings against him in the past, so he was treading dangerously on thin ice with them.

Lincoln: You said a mouthful.

Soon, we were getting ready for bed.

Girl Jordan: That's day 4 of our five day break.

Lily the Mermaid: Yep, and now, we got to get ready for tomorrow, whatever Linky has planned for his rescue, it's bound to be a good one.

As soon as Lincoln's harem stepped into the room, they saw Lincoln sitting on his super extra-extra-extra large bed fit for his expanding harem and he was only in a pair of large red underwear, and when they all saw Lincoln, his harem had massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lincoln: (Seductive Voice) Like what you see, ladies?

Girl Jordan: (In Heaven) Oh yeah.

Lincoln made clones of himself and they walked up to his harem and they wrapped their abnormally massive and powerful muscular arms around their waists, which took them by surprise and brought an atomic red blush to their faces as their chests pressed against the massive pecs of Lincoln and his clones and their stomachs pressed against their eight-pack abs, which'd brought an atomic red blush to the faces of Lincoln and his clones, and they shared a deep passionate and romantic kiss as the girls placed their hands on the massive pecs of Lincoln and his clones.

Lincoln: (Seductive Voice) Hope you're all ready for one wild night.

And with one of his eleven massive and long white tails, Lincoln closed the door closed and locked the door and the barrier activated.

Lincoln: Ah, we're here in Tokyo, and I know what we're going to do here, not only am I going to rescue the twelve girls here, but we got bad news: clones of The Fangires and Legendorga were sighted, and it was due to Mindy's scheme of revenge.

Me: So, now we got the clones of the Kiva Kamen Riders to deal with.

Nico: Mindy, that bitch, she just doesn't know when to give up.

Lincoln: True, but her scheme of revenge is just going to help us even more when I absorb those clones and we assimilate all their powers, abilities, and strength.

Suddenly, we saw a very beautiful and super sexy girl with long brown hair and pink hairband, dark blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful blue angel wings, she's dressed in a teal sleeveless crop top, necklace with dark blue gem for the pendant, teal skirt, white bridal gloves, purple knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with stars, binary codes, phoenixes, and angels on the coattails and on the back is the planet Andros, and holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel, and with her are the twelve girls.

Lincoln: (GASPS) Andrea Andros, Fairy Guardian and Avatar of Andros.

Andrea Andros: That's right, and I got the girls away from those clones, but I've pissed them all off big time and they're coming after us.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of The Fangires and Legendorga, and then, Lincoln began absorbing them all into his body as he and all of us assimilated all of their powers, abilities, and strength and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates.

Suddenly, Lincoln gained Fuestles with the symbols of The Fangires and Legendorga on them and their powers, and they were put into his Universe 666 Miracle Box with the Rouse Cards, Faiz Phones, Wizard Rings, Gaia Memories, and Astroswitches.

Wataru: Wow, now you have Fuestles with the powers of our old enemies.

Lincoln: Yep, and next time, I'm hoping we get to face the clones of the Mirror Monsters. (To Andrea Andros) And it's so good to see you again, Andrea Andros.

Andrea Andros: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Andrea Andros and he hugged her, and Andrea Andros is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Andrea Andros: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Andrea Andros, Fairy Guardian and Avatar of Andros, she's my Guardian Angel from Andros and she's an extremely powerful master of water and magic and she's far more powerful than both Lord Darkar and Valtor combined, and here's the shocker, she's Layla's younger sister. She's a member of The Fairy Guardians of The Magic Dimension and she and the others defended the realms and planets of the Magic Dimension from the dark forces of The Ancestral Witches, The Trix, Valtor, Lord Darkar, and many others for years. Andrea Andros came to Earth and settled in Royal Woods where she met me and she taught me everything that she knows when it comes to using water and magic, and over time, I became a powerful master of water and magic.

Michelle Emperyous: And she hates Chandler with a blazing passion, because one time, when Andrea and Lincoln were swimming in Lake Huron, Chandler was about to dump toxic waste into the waters and not only kill them but also destroy the underwater marine life there, and that got Andrea so furious, she fired a massively powerful teal blue magic and water blast that hit Chandler square right in the face and sent that dumbass flying into a tree, and that made Chandler extremely furious and he tried to kill Andrea, but Lincoln charged at Chandler and he used his martial arts and he kicked that sewage rat's behind and took him down, and he and Andrea literally kicked Chandler in his butt and sent him flying back to his and when his mom and his sister, Cheryl, found out from Lincoln and Andrea of what Chandler tried to do, they really tore him apart and Chandler got sent to reform school for a year. Eli: We were all shocked when Selene told us that yesterday.

Andrea Andros: But, when the rumors coming out that Killjoy Huggins and Chase Young's Dark Side, the true sources of Lincoln's pain and suffering and the real reason why Lori, Lynn, Lola, Lisa, and Luan became the insufferable monsters we hated hit my ears, I was shocked.

Lincoln: You weren't the only one, when the other Guardian Angels found out, they too got pissed off big time, but we finally got rid of Principal Huggins' dark side, Killjoy Huggins, and Chase Young's Dark Side forever and ended the suffering we'd gone through, and now that you're here, Andrea.

Lincoln went up to and hugged Andrea Andros in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Andrea Andros: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Andrea Andros' neck with aqua blue gems on the gold lightning bolts and aqua blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Andrea Andros: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Andrea Andros.

Andrea Andros had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the twelve girls, and when Lincoln saw them, he immediately recognized them. The twelve girls are Aina Tachibana, Hinowa Utsumi, Aoi Ogirihata, Tomoka Akae, Saori Terahara, Aiko Fuyusaki, Hiyori Akishima, and Rin Natsumi from Garudoma -Joshiryou no Kanrinin-, Arisa Nishino, Kanade Mochizuki, and Sumika Serizawa from Harem Bitch House!, and Eri Kanan from Digimon Universe App Monsters.

Lincoln: Oh wow, it's Aina Tachibana, Hinowa Utsumi, Aoi Ogirihata, Tomoka Akae, Saori Terahara, Aiko Fuyusaki, Hiyori Akishima, and Rin Natsumi from Garudoma -Joshiryou no Kanrinin-, Arisa Nishino, Kanade Mochizuki, and Sumika Serizawa from Harem Bitch House!, and Eri Kanan from Digimon Universe App Monsters.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Aina Tachibana: Yes, we're okay, thanks to you.

Then, when Aina Tachibana and the other eleven girls saw who it was that saved them from the clones of The Fangire and Legendorga, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and

Aina Tachibana: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made eleven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Aina Tachibana: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aina Tachibana, Hinowa Utsumi, Aoi Ogirihata, Tomoka Akae, Saori Terahara, Aiko Fuyusaki, Hiyori Akishima, Rin Natsumi, Arisa Nishino, Kanade Mochizuki, Sumika Serizawa, and Eri Kanan with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villains we went after were clones of The Fangires and Legendorga that were also created by Mindy.

But, when Lincoln showed what we all did in beating them all down and Lincoln absorbing them and all of us assimilating their powers, abilities, and strength and sending them all to The Black Gates and getting Fuestles with their powers, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Andrea Andros have a lot of catching up to do, now that she's back in town.

Then, we heard Mindy and Mandy roar with rage!

Maria: Serves you both right, bitches.

Lincoln: It just proves they're both horrible people, and they'll never ever change.

Nico: Yeah, they both deserve to be in Hell forever when they die of old age.

Me: You said a mouthful.

---

After Lincoln absorbed the clones of The Fangires and Legendorga, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Andrea Andros saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Andrea Andros: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those

900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Andrea, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Andrea Andros: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Andrea Andros: I knew it was only a matter of time before he told everyone that story.

Suddenly, the spots on the Universe 666 Miracle Box on Lincoln's back began glowing.

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

The spots formed a viewing window, and we saw who it was causing trouble: it was the clones of Xaviax and his army of Mirror Monsters.

Kit: What the?! Clones of Xaviax and his army of Mirror Monsters?!

Lincoln: No doubt that Mindy had a hand in this as well.

We flew out of the World Tree Estate, and Lincoln fired powerful rainbow energy blasts at the clones of the Imagin and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of Xaviax and his army of Mirror Monsters, and then, Lincoln began absorbing them all into his body as he assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. Suddenly, Lincoln had gotten a massive collection of Advent Cards with the Mirror Monsters on them, and they were all put into his Universe 666 Miracle Box with the Rouse Cards, Rider Tickets, Wizard Rings, Astroswitches, and Faiz Phones.

Kit: Awesome.

We returned back to The World Tree Estate and continued with our workouts.

Nico: That's it for the clones of Xaviax and his Mirror Monsters and there's no telling what else that bitch has got up her sleeve.

Lincoln: But, now that we know she's created clones of The Kamen Riders' enemies, I'll do to them what I've done to the clones of the enemies of The Power Rangers: absorb them and assimilate their powers, abilities, and strength.

Me: And also, acquire the Legend Items with their powers, so far, you've acquired Rouse Cards, Faiz Phones, Gaia Memories, Wizard Rings, Rider Tickets, Astroswitches, and Advent Cards, awesome.

Lincoln: The next group of clones that come after us will no doubt be the clones of The Greeed.

Bridget Branley: Oh boy, I can tell you're gonna have quite the feeding frenzy on them.

We got a shower afterwards, and then, Lincoln, Simulator Belle, Simulator Pocahontas, Simulator Princess Aurora, and Clara & Rushka, the Ventriloduo, along with the rest of his harem are heading to Gelato Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Belle, Simulator Pocahontas, Simulator Princess Aurora, and Clara & Rushka, the Ventriloduo, along with the rest of his harem are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Belle, Simulator Pocahontas, Simulator Princess Aurora, and Clara & Rushka, the Ventriloduo all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Clara and Rushka, the Ventriloduo: Wow, so this is Bubblaine, it sure is beautiful.

Lincoln: It sure is, Clara and Rushka, and it's perfect for our first date. Shall we?

Lincoln, Simulator Belle, Simulator Pocahontas, Simulator Princess Aurora, and Clara & Rushka, the Ventriloduo, along with the rest of his harem dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Simulator Belle, Simulator Pocahontas, Simulator Princess Aurora, and Clara & Rushka, the Ventriloduo, along with the rest of his harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Belle, Simulator Pocahontas, Simulator Princess Aurora, and Clara & Rushka, the Ventriloduo, along with the rest of his harem and they hugged the girls in their abnormally massive and powerful muscular arms and Simulator Belle, Simulator Pocahontas, Simulator Princess Aurora, and Clara & Rushka, the Ventriloduo, along with the rest of his harem their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Simulator Belle, Simulator Pocahontas, Simulator Princess Aurora, and Clara & Rushka, the Ventriloduo as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Gelato Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Belle, Simulator Pocahontas, Simulator Princess Aurora, and Clara & Rushka, the Ventriloduo, with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: And now, Simulator Belle, Simulator Pocahontas, Simulator Princess Aurora, and Clara & Rushka, the Ventriloduo are in your harem, Linky.

Simulator Belle, Simulator Pocahontas, Simulator Princess Aurora, and Clara & Rushka, the Ventriloduo, showed the marks Lincoln made on the right sides of their necks.

Alexis: Wow, I knew Simulator Belle, Simulator Pocahontas, Simulator Princess Aurora, and Clara & Rushka, the Ventriloduo, had feelings for him, and I knew he'd mark them.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Belle, Simulator Pocahontas, Simulator Princess Aurora, and Clara & Rushka, the Ventriloduo,, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln

snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

At the Crystal Brighthouse in the Maretime Bay sector we were helping Sunny and friends get ready for the Equestrian version of the Harvest Day festival, Harvest and Hugs Day. Sparky put up a heart made of sticks.

Me: Boy this is really interesting. I don't think we ever celebrated Harvest and Hugs Day before.

Sunny Starscout: You guys are gonna love it.

Me: It sounds like Equestria's version of the Harvest Day Festival.

Nico: I was just about to say that.

Sunny Starscout: Yeah. When is the Harvest Day Festival?

Me: It's usually right around mid to late fall, sometime in October to Early November. It's to show our crops that we harvested over the course of the Spring and Summer and Fall and give appreciation to the bounty of the Earth.

Qin: That's right.

Daylight Starscout: But this will be so fun though. Especially since I'm with Sunny now.

Pipp then came in

Pipp Petals: All right, ponies! Mom's gonna be here for Harvest and Hugs Day any minute! We all set? Izzy! Tea!

[clinking]

She had a tea pot and cups on a flower sculpture.

Izzy Moonbow: Check!

Pipp Petals: Carrot cake!

Sunny Starscout: Check!

Zipp Storm: [dejected] Check…

They had an awesome carrot cake ready.

Pipp Petals: Ceremonial red carpet?

Hitch made sure it's perfect.

Hitch Trailblazer: Check!

Pipp Petals: Totes emotes harvest music.

[bluegrass music]

It was awesome.

Pipp Petals: Check! And Sparky, you have the honor of blowing this when Mom arrives.

Sparky Sparkeroni: [inhales, blares trumpet]

Pipp Petals: So just make sure everything's perfect, times it by a million, and then make it even more perfect than that! Okay, great!

Pipp was a nervous wreck.

Sunset Shimmer: Yeah. You're acting more nervous than Twilight when she doesn't get things done in time. No offense Twilight."

Twilight Sparkle: None taken, Sunset. I even admit how nervous I get when I can't get things done or complete them. Hehehe. Ahh. My friends called my breakdown 'Twilighting'. Even though I didn't like it at first, it still summarizes my breakdowns on who I am. Even though I find myself panicking half the time.

Rainbow Dash: Yeah it's not a pleasant sight.

Applejack: Twilight was more jumpy than a rattlesnake in a pickle barrel.

Twilight remembered her breakdowns, 'Twilighting', when something so worrying and nervous happens, like not sending a report to Celestia in time, not setting things up like a party, a festival, and answering the right questions or preparing for a quiz or getting papers done right at her school, even though those are not her proudest moments, it is who she is.

All three ponies, Sunny, Sunset and Twilight, chuckled at that, Sunset knowing Twilight well to have those breakdowns and Sunny had learned of that through her father's notes.

Me: Yeah I've seen her Twilighting happen firsthand and it was not pleasant.

Misty Brightdawn: I believe it guys.

Sunny Starscout: Pipp, why are you so nervous? It's just Queen Haven. She's been here a bunch of times.

Me: Yeah your mom has been here numerous times before.

Zipp Storm: Harvest and Hugs Day is, like, a weirdly big deal in Zephyr Heights, especially for Mom.

Me: Is it really that big Zipp?

Zipp Storm: Oh yeah.

---

It showed Young Pipp sleeping and then she woke up.

Young Pipp Petals: Huh? Aah!

Queen Haven: Who wants carrot cake?!

She saw her room FULL OF CARROT CAKES and fall stuff!

FLASHBACK ENDS

Me: Okay I stand corrected.

Sunset Shimmer: She's that excited about it?! And I thought you went overboard at times, Twilight.

Twilight Sparkle: Yeah. I'm just as surprised as myself.

Sunset Shimmer: Kinda reminds me of celebrating with Applejack's tradition during the Apple Harvest season.

She remembered her and the Rainbooms dressing up for Applejack's family traditions, which even Applejack should've explained more since she told them they didn't have to dress up, which ended up them being laughing stocks of CHS for a while, but they got payback by getting Applejack to dress up from getting laughed at by the school.

Me: (LAUGHS) I remember seeing you girls dressed up in those awesome fruit costumes and I thought you all looked great.

Applejack: (LAUGHS) Yeah we sure did.

Xenia: Yeah

Twilight Sparkle: Boy Queen Haven sure likes this holiday huh? She loves the fall season as much as Princess Celestia.

Laney: Boy no kidding

Pipp Petals: So it's got. To. Be. Perfect! Got it?!

Me: Okay okay just calm down Pipp.

Sunset slapped her in the face to snap her out of it.

Pipp Petals: Ow!

Sunset Shimmer: Get a hold of yourself, Pipp! We get it, no need to get up close and personal to us!

Pipp took a deep breath as she calmed down.

Pipp Petals: Thanks. I needed that.

Sparky Sparkeroni: [blares trumpet, blows fire]

Me: UH OH!

Sparky's dragon fire hit the red carpet, which caused it to burn up as the Mane 7 and us watched in shock as the fire then went to the other end of the carpet and into the fall decorations that hang from the ceiling with one end at the floor as the fire came into contact with. The Mane 7 still watches in shock as the fire spreads to the rest of the decorations as it burns them away, with a little piece of the fire falling on the stove, burning it up and breaking it. Another piece of the fire fell on the carrot cake, which burned it into dust.

The Mane 7 and us looked at the carrot cake in shock and worried.

Sunset Shimmer: In hindsight, asking a fire-breathing baby dragon to blow a horn before he fully mastered said fire breath was almost certainly a VERY bad idea - especially one as surprisingly powerful for his age as Sparky is.

Me: I agree.

Pipp facehoofed herself, seeing that her idea to let Sparky to use the trumpet was a bad idea, wondering how she didn't remember Sparky's dragon fire.

Me: I'm amazed that Sparky has that kind of power.

Izzy Moonbow: "Uh… don't worry. At least we still got the tea…"

She pointed to her stacks of tea sets, which fell off and spilled and a little crack as the tea pots were too heavy, with the top pot to tilted and spilled some tea out as Izzy looked on in shock, which the rest of her friends looking on with panic expression with wide eyes, with Pipp left eye twitching.

Mw: Oops.

Izzy Moonbow: Well, at least Queen Haven hasn't arrived yet. There's still time to-

DINGDONG!

But then the doorbell rings, which means Queen Haven is here as Izzy turned to he door while the others still looked on in panic

Izzy Moonbow: Okay, I've got nothin'.

Pipp Petals: Well, we're just gonna have to… PANIC! [hyperventilating]

I shook Pipp!

Me: PIPP PIPP! Get ahold of yourself!

Sunny Starscout: Pipp? Pipp! Just breathe! We can fix this! Y-You and Zipp get the door. We'll take care of everything else.

Me: Just leave this to me. (SNAPS FINGERS)

I snapped my fingers and everything was all fixed up.

Pipp Petals: Thanks J.D.

Zipp opened the doors as Queen Haven appeared with her royal guards behind her as Queen Have smiled at her daughters.

Queen Haven: "Darlings! Happy Harvest and Hugs Day!"

Zipp and Pipp looked on as the two sisters closed the doors behind them as they smiled nervously at their mother while sweating nervously.

Pipp Petals: "Welcome, Heen Quaven! Uh, I-I mean, Queen Ha- uh, Mom!"

She spattered nervously as Zipp facehoof at her sister's attempt, Queen Haven looked on in confusion as Pipp came next to her.

Pipp Petals: "Um, lovely weather we're having. Come on in.

She came in and everything was great.

Queen Haven: Oh my! Everything looks so grand and amazing.

Pipp Petals: We're so sorry, Mom! We had everything prepared, but then it caught fire, and the tea exploded, and the cake dissolved, and now we've ruined your favorite holiday!

Me: But I fixed everything with a snap of my fingers.

Nico: Yep.

Queen Haven: Pipp, my dear, calm down. You've not "ruined" anything.

Me: Really?

Queen Haven: You think I like Harvest and Hugs Day just because of a cake?

Pipp Petals: Um… kinda?

Queen Haven: Well, it is delicious, but no. Look, when I was growing up, Harvest and Hugs Day was one of the few days a year we managed to get all the family together. That's why I love it so much. Because we were always together.

Sunset Shimmer: She's right. It's not the feast, decorations or all that for Harvest & Hugs Day, it's about spending time with your friends and family and enjoying each other's company. And I remember from what Applejack told me when she's having her Apple Family reunion, that it's not the traditions or food or games they used to do, it's spending time with one another to the family and friends you spent time with.

Qin: That's right.

Queen Haven: Sunset is right. We could be eating mud pie and worm stew for all I care.

Izzy Moonbow: Now, that I can do!

Lana: Now that would be something I would love.

Me: Knowing you Lana you would love that.

Queen Haven: Come on, ponies and everyone. Let's get whatever food we can find, throw it on the table, and make some precious memories together.

[music]

Sparky Sparkeroni: [giggles]

Queen Haven: Sparky, could you do the honors and get this feast underway?

Sparky Sparkeroni: [inhales]

Mane 7: No, no, no, nooooo!

Me: Wait Sparky.

I gave the trumpet to Spike.

Me: Sparky hasn't fully mastered his fire so I'll let Spike do it.

Spike the Dragon: Thanks J.D.

He blew a fanfare and it was awesome.

We had a great feast.

Later it was time for Qin and Chris' wedding and we were having it in the park.

Nico and me were with Chris who was dressed in a blue tuxedo.

Me: Boy this is 2 weddings in one week.

Nico: No kidding.

Chris Taylor: I know.

The wedding march began and the wedding got underway. Then Qin came and she was dressed in a beautiful green wedding dress with beautiful jeweled butterflies on it. She looked do beautiful in that dress.

Nico: (In awe) Wow Qin looks so amazing in that dress.

Me: Boy no kidding Rarity really made an amazing dress.

Poromon and Manaphy were escorting her.

Chris Taylor: She sure does.

She came up to the altar and the vows were exchanged and more and then it was later made official and we were so proud of Qin and Chris. We cheered wildly for them.

We had the reception at Lynn's Table and it was fun.

---

We were busy taking our time off, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We may not have any main missions, but I still got to keep myself busy.

Me: That's true, we're also doing work-outs just like you, Lincoln.

Nico: We finally took care of the clones of the Power Rangers' enemies and finally destroyed all of the remnants of Universe 666 Sebastian's residual darkness, but now that we found out Mandy's cousin, Mindy, has made clones of The Kamen Riders' enemies to carry out her revenge, now she's pissed us off.

Clover: You got that right. I hope Lincoln smashes her face in when we do our next humiliation session.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

Nico: Damn, Lincoln, you really are strong just like J.D.!

Me: We did an arm-wrestling match one time and we both broke the table with our strength.

Lincoln: Yeah, we should've used a steel table for that.

Luna: No way, dude, that would've also broken apart as well with just how strong you two are.

Michelle Hernandez: And Lincoln's gotten stronger many times over thanks to feeding on and absorbing the many musclebound thugs over the years, and now, he's been getting even more stronger thanks to him absorbing many powerful villains and assimilating their powers, abilities, and strength.

Laney: He's always been wanting to get stronger after everything he's been through thanks to Killjoy Huggins, Dark Chase Young, and the Dark Sides of Lori, Lynn, Lola, Lisa, Luan, and Chandler, along with his many enemies, and I didn't blame him, what they've done to him in the past can never be forgiven.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Kai Yan, a major antagonist in Dragalia Lost, and he's coming to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Uh oh.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is one we're not going to like: the person we just saw is none other than Kai Yan, a major antagonist in Dragalia Lost, and he's coming to destroy us.

We gasped.

Nico: Oh boy.

Nicole: This guy is really dangerous, he's one of the Agito from Dragalia Lost. He's a Qilin with a Social Darwinist view who seeks to weed out the weak in order to facilitate the improvement and survival of the strong putting him in conflict with his arch-nemesis Luca, who oppositely aims to bring about a world where all can coexist in harmony.

Andrea Martin: And we're the same as well, we want everything and everyone to coexist in harmony and live in peace.

Lincoln: Yeah.

Nico: We're not letting that animal live any longer. Alright, gang, let's go, we may not have any main missions today, but we better head down and destroy Kai Yan for good.

Lincoln: This is one beast who doesn't deserve to live any longer.

Andrea Martin: After everything he's done, the only thing awaiting him is death.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to the park, so Andrea Martin and Lincoln can destroy Kai Yan

---

We arrived at the park to hunt down our target: Kai Yan, a major antagonist in Dragalia Lost

Nico: We made it. Now, where's Kai Yan?

Lincoln: He's here alright, I can smell his blood.

?: You will never leave here alive, you will all die here!

Suddenly, the twelve large planets and stars orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large aqua blue orbs orbiting around Girl Jordan's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eleven large gold orbs orbiting around Alex the Lion and the eight large gold orbs orbiting around Takanuva's legs, the nine large pink orbs orbiting around Rita's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our gold halos with four orbiting gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive indestructible diamond barrier with absorption energy surrounding the barrier that protected all of us from a massive volley of light and lightning blasts that came flying out of nowhere, and when they hit the barrier, they were absorbed and flowed into us and we grew even stronger and the barrier remained strong.

Lincoln: (Catches the scent) There's no mistaking the smell of blood from anywhere, you can come out now, Kai Yan, or we will force you out!

A massive muscular figure came out, it was Kai Yan, the major antagonist in Dragalia Lost.

Nico: So, that's Kai Yan, he sure looks like a dangerous individual.

Andrea Martin: Yep, but either way, he's going to die.

Suddenly, Andrea Martin's purple eyes turned neon purple and she was surrounded by a dark blue energy aura with stars, winds, birds, phoenixes, and angels, she unholstered her massive gold greatsword from her back, and as she approached Kai Yan, she left dark blue energy, stars, winds, birds, phoenixes, and angels with every step.

Andrea Martin: You have absolutely no remorse for the lives that you've taken, all life is sacred and everyone deserves to live in peace, but you, you wouldn't understand anything about peace or harmony, all you care about is war and destruction, there is no way you're going to be allowed to run free any longer, this time, you will die here and now.

Suddenly, Andrea Martin was surrounded by a massive vortex of dark blue energy with stars and winds surrounding the vortex, there are birds, phoenixes, angels, and Monstrous Bird flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Kai Yan: the red eyes of eternal death. Then, as the vortex faded, Andrea Martin emerged, but she was changed forever.

Andrea Martin grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large dark blue orbs orbiting around her legs, she has the body of a goddess, she has blood red highlights in the bangs of her long brown hair and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon purple eyes and a dark blue energy aura with stars, winds, birds, phoenixes, and angels surrounding her and her immense protective blue aura suddenly changed into an immense protective neon rainbow aura with all of the elements swirling around it, she has Monstrous Bird emblazoned on her forehead and Third Eye with dark blue iris, she has on bird earrings with dark blue gems for eyes and holding the Star, Wind, and Eternity Kanjis in its claws, she also has Monstrous Bird with dark blue gems for eyes and holding the Star, Wind, and Eternity Kanjis in its claws for the second pendant on the bottom of her dark blue eagle-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with dark blue crystal links from her merged Crystal Necklace of the Buddha and dark blue gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Andrea Martin has on a dark blue short-sleeved blouse, dark blue frilly short-sleeved shirt, white bridal gloves, dark blue skirt, dark blue knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, winds, birds, phoenixes, and angels on the coattails, and on the back is Monstrous Bird surrounded by winds. Suddenly, Andrea Martin felt a sharp pain on her back, and then, her massive blue wings with dark blue tips on the large blue feathers grew much bigger for her new body and she also now has eleven massive and brown wolf tails with dark blue tips and dark blue markings, Andrea Martin has on her Ring of the Phoenix with large dark blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Andrea Martin's massive golden greatsword and all of the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of dark blue energy, stars, winds, birds, phoenixes, and angels, and when it emerged, it was transformed into Andrea Martin's Hurricane Windstorm Monstrous Bird Eagle Phoenix Angel Greatsword of Hurricane Windstorm Monstrous Bird Eagle Phoenix Angel Justice, it's a brand-new massive greatsword with embedded dark blue gems and Monstrous Bird etched on the 7'9" massive, wide, double-edged golden blade, large gold bird heads for the crossguard, large white angel faces built into both sides of the hilt and large dark blue gems embedded in the foreheads, longer midnight black handle, four large gold bird heads with dark blue gems for eyes and on the bottom of the gold bird heads is a large gold bird dragon head with dark blue gems for eyes and large dark blue gem in its mouth for the pommel, Andrea Martin has on her large gold Bracers of The Champions of The Universe with large dark blue gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Monstrous Bird's head with dark blue gems for eyes and large dark blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Andrea Martin's Super Angel-Monstrous Bird-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Kai Yan saw it, he went mad and ran at Andrea to kill her, but Andrea Martin fired a massive barrage of dark blue energy, stars, winds, birds, phoenixes, and angels which hit Kai Yan and he was sent flying into a tree, he got back up, but now the Qilin was beyond enraged.

Selene Arcangela: Incredible, Andrea's transformed, and by the looks of it, Kai Yan is in huge trouble.

Lincoln: He more than deserves everything that he's done in trying to destroy everyone and prevent peace and harmony from being spread.

Andrea Martin: (Divine Echoing Godly Voice of The Hurricane Windstorm Sword Fury Monstrous Bird Phoenix Angel and Divine Cosmic Eternal Hurricane Windstorm Sword Fury Monstrous Bird Phoenix Angel Love) You got that right, let's take him down so you can absorb him, Lincoln.

Lincoln: Let's do it, Andrea.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as the sword pendants on his large white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing, and he joined Andrea Martin.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal

Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've got some nerve coming here to cause discord and chaos and all for your love of destruction, Kai Yan, but you realize whom you are facing off against, but that won't matter anyways because you are going to die.

Lincoln and Andrea Martin went after Kai Yan, and they fired extremely powerful blasts of rainbow energy, dark blue energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Kai Yan, and they exploded with incredible power as they hit him.

Then, Lincoln and Andrea Martin attacked him with energy slashes from their massive greatsword leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Andrea Martin also did the same by firing dark blue energy slashes from her massive greatsword, and he and Andrea Martin attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was enough to drive Kai Yan mad with rage.

Kai Yan let out a bellowing roar and went after Lincoln and Andrea Martin in a fit of rage, but Lincoln and Andrea Martin fired wind at Kai Yan and they summoned birds to attack Kai Yan and he was really scratched. But, that alone caused Kai Yan to transform into his Agito Beast form: a hulking minotaur with four horns, black and white fists, and longer hair.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Kai Yan's chest, and then, Lincoln began absorbing Kai Yan into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Kai Yan except for his clothing, and he banished Kai Yan to The Black Gates. We cheered wildly for what Andrea Martin and Lincoln did as they holstered their massive greatswords on their backs and powered down and Andrea Martin's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, eleven large dark blue orbs orbiting around her legs, and massive blue angel wings are permanent.

Andrea Martin: Burn in Hell forever, you Darwinist minded beast. Thanks for helping me destroy Kai Yan for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Andrea.

Suddenly, Andrea Martin wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Andrea Martin's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Andrea Martin flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and wind behind them and we cheered wildly. Then, Lincoln and Andrea Martin sucked in and absorbed the elemental forces and winds and they came back to us as the display vanished.

Me: That was one awesome battle, you guys, and Lincoln, you did awesome in absorbing him.

Nico: But, that's only one of the four Agito from Dragalia Lost, there's five more to go.

Lincoln: I'll be ready for them.

Suddenly, the spots on the Universe 666 Miracle Box on Lincoln's back began glowing.

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

Me: Uh oh! INCOMING!

Then, we saw who it was causing trouble: it was clones of all The Greeed that we met during Will's Ambassador Missions with Eiji and his team.

Eiji: What the?! Are those clones of all the Greeed?!

Lincoln: Whoa!

Our jaws dropped to the floor!

CLANG!

Eli shut our mouths.

Nico: Holy shit! That's a ton of them!

Lincoln: You said a mouthful, and I'm gonna enjoy absorbing all of

them!

Lincoln fired powerful rainbow energy blasts at the clones of all The Greeed and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of all the Greeed that we'd met during Will's Ambassador Missions with Eiji and his team, and then, Lincoln began absorbing them all into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. Suddenly, Lincoln had gotten OOO Medals with all the Greeed's symbols on them, and they were all put into his Universe 666 Miracle Box with the Rouse Cards, Rider Tickets, Wizard Rings, and Faiz Phones.

Eiji: Wow, now you have OOO Medals with all the Greeed's powers.

Lincoln: Yep, next time, I'm hoping we get to face the clones of the Gamma that Takeru and his team faced.

Nico: Now, that would be awesome, and we'd also have access to their powers as well. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: Here's one that's familiar to Roxy and the last Fairy Guardian and Avatar: Elena Earth, Fairy Guardian and Avatar of Earth.

Roxy: I knew you'd choose her, and this is something that all of you should also hear as well, Elena Earth is Lincoln's Guardian Angel from Earth and she's an extremely powerful master of water and magic and she's far more powerful than both Lord Darkar and Valtor combined, and here's the shocker, she's my younger sister.

Me: WOW!

Nico: That's really awesome!

Roxy: It sure is, and she's a member of The Fairy Guardians of The Magic Dimension and she and the others defended the realms and planets of the Magic Dimension from the dark forces of The Ancestral Witches, The Trix, Valtor, Lord Darkar, and many others for years.

Selene Emperyous: Elena met Lincoln and she taught him everything that she knows when it comes to using earth and magic, and over time, Lincoln became a powerful master of earth and magic, and she hates Flip with a blazing passion, because one time, when Elena and Lincoln were swimming in Lake Superior, Flip was about to dump spoiled nacho cheese into the waters and force people to give up all their money to get it clean, and that got Elena so furious, she fired a massively powerful green magic blast that hit Flip square right in the face and sent that dumbass flying into a tree, and that made Flip extremely furious and he bellowed like a bull and ran at Elena to kill her. but Lincoln charged at Flip and he used his martial arts and he kicked that mutant's three-cheeked butt and took him down, and he and Elena literally kicked Flip in his butt and sent him flying back to prison, and when everyone found out from Lincoln and Elena of what Flip tried to do, they went to the prison and really tore him apart and Flip got another Life Sentence added to the multitude of Life Sentences he'd gotten, and the only thing he earned from Elena was nothing but hatred for she knew Flip would never change his ways and that he would still be the same jerk and greedy mutant cheapskate that he always has been, and she swore if Flip ever went after Lincoln again, Elena would make sure that Flip and his family would burn for all eternity in the flames of Hell.

We gasped.

Nico: Oh man, looks like we're not the only ones who hate Flip and his family so much, they want them all to die.

Luna: Yeah, and that act that mutant tried to do trumped all of the other horrible things he's done to us, our bro, and all of Michigan and the world in the past, but he's done tons of horrible things to him before that still hadn't come close to that!

Laney: We were almost that close to trying to kill Flip big time!

Lori: We hated him even more for that, and the only thing that he earned from Elena was nothing but hatred.

Leni: He totes really went too far that day, and Lincoln would never forgive him.

Me: Same here, because I was among those who beat Flip up when we went to the prison after Lincoln and Elena

Luna: None of his Guardian Angels would forgive him for any of his wrongdoings against him in the past, so he was treading dangerously on thin ice with them.

Lincoln: You said a mouthful.

Soon, we were getting ready for bed.

Girl Jordan: That's day 5 of our five day break, and tomorrow, we're back on with our missions.

Lily the Mermaid: Yep, and we got to get ready for tomorrow, whatever Linky has planned for his rescue, it's bound to be a good one.

As soon as Lincoln's harem stepped into the room, they saw Lincoln sitting on his super extra-extra-extra large bed fit for his expanding harem and he was only in a pair of large red underwear, and when they all saw Lincoln, his harem had massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lincoln: (Seductive Voice) Like what you see, ladies?

Girl Jordan: (In Heaven) Oh yeah.

Lincoln made clones of himself and they walked up to his harem and they wrapped their abnormally massive and powerful muscular arms around their waists, which took them by surprise and brought an atomic red blush to their faces as their chests pressed against the massive pecs of Lincoln and his clones and their stomachs pressed against their eight-pack abs, which'd brought an atomic red blush to the faces of Lincoln and his clones, and they shared a deep passionate and romantic kiss as the girls placed their hands on the massive pecs of Lincoln and his clones.

Lincoln: (Seductive Voice) Hope you're all ready for one wild night.

And with one of his eleven massive and long white tails, Lincoln closed the door closed and locked the door and the barrier activated.

Me: Ngorongoro Caldera. Wow its been a while since we were here.

Lola: It sure is amazing.

Camie: I'll say!

Varie: Wow! This is awesome and beautiful.

Lola: I'll say.

Fluttershy: Oh look at all the beautiful elephants and animals here.

Qin: It sure is awesome.

Me: This was also an amazing volcano before. 3,000,000 years ago this was the tallest ever volcano on Earth before it collapsed in on itself and formed this awesome caldera.

Xenia: Wow.

Emerald Goldenbraid: It sure is awesome.

Nico: Emerald, I want to thank you, Electrocutioner and your teams for coming.

Emerald Goldenbraid: Anytime Nico. This is gonna be so fun.

Marcarita: It sure will be fun.

Nico: Marcarita, what do you like to do in your free time?

Marcarita: I haven't given it much thought. As the angel of one of the Gods of Destruction it's all about guidance and teaching them the ropes.

Me: That's understandable.

Qin: It's a big job too.

Xenia: Yeah.

Nico: You'll have time to figure it out.

Qin: Yeah.

Marcarita: I sure will.

Lola: Yeah.

Nico: Boy WHAT A SHOCKER! J.D. I can't believe it was Kang that gave you your powers.

Me: Boy no kidding there!

Nico: I hope you're not shaken up by it.

Me: Nah. If I were then I would be crying my eyes out.

Nico: Good.

Me: Besides, I got all my questions answered.

Nico: Good.

Eddy: Can you believe Poromon and Leni fought over a parking space?

Nico: I know. Over something so petty.

Me: How pathetic.

Lola: Yeah.

Xenia: No kidding.

Me: That was crazy.

Nico: I can't believe that Manaphy and Ed cheered them on.

Eddy: Yeah Lumpy was stupider than usual in that one. But then again he was always a brainless idiot!

Nico: No kidding.

May: I gave Manaphy a good talking to and told her not to do that again.

Qin: Good.

Lola: It could've been a lot worse. Leni could've tried to run Poromon over.

Leni: I would not! Besides I would never do that to someone so cute.

Lola: I said it COULD'VE been that way. But thankfully it didn't happen.

Qin: That's a relief.

Camie: Yeah. But also we've had awesome weddings too.

Me: Luna and Sam, Tyranno and Maxxine and Qin and Chris.

Qin: You got that right!

Lola: Yeah!

Nico: But Rice and the mascots saw… things!

Nicole: No fucking shit! Who in their right mind would make a Strip Club Cookie Shop!?

Xenia: A Stupid idiotic fuckfactory!

Camie: Yeah no kidding!

Lola: Even Jiraiya was there!

Nicole: I really beat the living shit out of all those perverts.

Nico: You sure did!

Nico: I think Peter Griffin tried that before.

Lola: Yeah Brian said he did.

Xenia: Wow.

Nicole: Deja-vu.

Nico: Yep. And Pipp's Harvest and Hugs Day party was a disaster.

Pipp Petals: I know.

Me: It was because Sparky accidentally ignited all of the stuff.

Sunset Shimmer: Yeah he had no mastery over his dragon fire.

Me: Oops. But I fixed everything.

Twilight Sparkle: And Pipp was suffering from a breakdown like I do. We called my breakdowns like that Twilighting and it's not pleasant.

Me: So I see.

Nico: We're here to help Eliza, right?

Me: Yes I just got this letter from her.

I pulled it out and Nico read it.

Nico: (Reading) "Guys I need your help. Me and my family are over in the Ngorongoro Crater and we got reports of poachers in the area that are trying to kill elephants for Ivory Trade. I've been getting a strange sensation too as well. I think it might be a transformation for me. But please come soon. Eliza Thornberry." Whoa this is serious.

Lola: Oh man!

Fluttershy: Kill poor elephants!?

Nico: Any bad guys we need to fight here?

Me: Poachers but that's about it.

Qin: Yep.

Camie: Yeah.

Me: Also elephant tusk ivory has been a massive and potent trade export on the Black Market for years.

Nico: Yikes. Yeah.

Xenia: It's not pretty.

Me: Poachers, if there's one thing we can't stand, it's poachers!

Nico: Yeah, they're nothing but trouble!

Fluttershy: Those meanies!

Eli: Uh oh, now they've done it!

Lincoln: Messing with animals is a big mistake, Fluttershy won't stand for that at all. Let's head down and help Eliza and her family take those poachers down.

Nico: Yep, those poachers have nowhere to run!

Lincoln: You got it.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and

our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for the poachers) AHA! Got you! I just spotted the poachers, they're 20 yards away and Eliza and her family are already fighting them!

Qin: We better get to them quick, those poachers are bound to use their weapons on them!

Lincoln: That's something we need to avoid at all costs. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on getting to Eliza and her family and stopping the poachers.

Nico: We should call the others here.

Lincoln: On it.

They all came when Lincoln sent the call.

Lori: We're here guys.

Xenia: Awesome.

Laney: It'll be awesome to see Eliza and family again.

Camie: Awesome

Emma then heard a Pokemon cry.

Emma: Hey look.

We saw a Copperajah!

Me: Hey a Copperajah. Oh and the poor thing hurt its leg.

We went over and healed it up.

Emma: Oh you poor thing. Are you okay?

Copperajah: (Hindu Accent) I'll be all right.

Emma: Let me help you.

Copperajah: Thank you.

Emma healed Copperajah.

Copperajah: Thank you.

BANG!

We heard a gunshot!

We saw Eliza, Donnie, Darwin and Debbie battling the Poachers and they had a huge herd of Elephants to confront them.

Nico: WHOA!

We went at them.

Lincoln: There they are.

Lincoln let out a lion roar, and that formed a wall of fire and lions made of pure fire jumped out and they attacked and mauled the poachers. Then, the lions of pure fire faded and we landed.

Eliza Thornberry: Nice entrance, guys.

Nico: Thank Lincoln for that one, he's wanted to try that out in case we got a poacher extermination rescue.

Lincoln: And it also gave me a chance to use the animal calls for our entrance.

Fluttershy: It was really amazing.

The poachers saw us, and they were so mad, they got out their guns and were about to fire, but bad luck: Sebastian's eyes suddenly turned blood red and the guns turned against their owners and shot them in their feet!

BANG BANG!

Blasts of energy hit the vehicle of the Poachers and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It exploded!

Blasting the Poachers onto the ground.

Nico: Hey guys!

Eliza Thornberry: You guys made it!

Me: Like we would ever miss this.

We set our sights on the poachers.

Me: You poachers are under arrest!

Poacher: DAMN IT! IF YOU STUPID HEROES HADN'T SHOWN UP, WE WOULD FINALLY BE RICH!

Lincoln: Killing elephants for their ivory tusks is considered a crime, and you're lucky we're not going to kill you. But, you'll wish we did when we hand you over to the cops, I'm sure you'll be suffering a fate far worse than getting killed by us.

Me: And we got a nice brand-new prison for poachers like you.

Nico: And we've already started sending more of your fellow poachers straight to that prison already, now it's your turn.

Poacher: WE'LL KILL YOU ALL!

Eliza Thornberry: That won't be happening.

Copperajah charged at them and rammed them down.

Me: Awesome timing guys!

Lego Medusa: This will be fun!

Lego Black Bolt nodded.

Xenia: Yeah!

We fired waves of energy and elements and blasted the Poachers all over.

The poachers charged at us as we backed away.

Lego Black Bolt: Back off.

We gasped!

Me: You are the strong silent type and only talk on certain times.

He nodded.

We went at the Poachers and I teleported and blasted the Poachers and smashed them down.

Lego Black Bolt blasted them with a powerful energy blast and smashed the Poachers down.

Lego Black Bolt: I said back off.

The result was destructive power coming at them from his voice

KRABBBBOOOOOOOOOOOMMMM!

It blew them back from the intense power!

Xenia: WHOA!

Me: Powerful!

Deadpool: That's why Black Bolt doesn't like to talk!

Nico: That is understandable!

Qin and Eli and Eliza fired waves of energy and leaf blasts.

Xenia: Take that!

Camie: Yeah!

Moondancer: Lets shine bright Kylie!

Kylie: You got it!

They fired waves of Moonlight and magic and smashed the Poachers.

Horsea squirted ink.

It got in the poachers eyes.

Nico: Oh yeah!

Suddenly, Eliza Thornberry's eyes turned neon blue and she was surrounded by a green energy aura with stars, leaves, plants, animals, phoenixes, and angels, and as she approached the poachers, she left green energy, stars, leaves, plants, animals, phoenixes, and angels with every step.

Eliza Thornberry: There's absolutely no way that I'm ever forgiving you poachers, every day, many elephants have wound up getting killed by you, so that you can collect their tusks and make money from selling them. People like you need to be locked up in prison for the rest of your lives, and that's exactly what's going to happen to you.

Suddenly, Eliza Thornberry was surrounded by a massive vortex of green energy with stars, leaves, and plants surrounding the vortex, there are animals, phoenixes, and angels flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at the poachers: the red eyes of death and judgement.

Me: Uh oh, now I know things are gonna get ugly.

Nico: Messing with Mother Nature is one thing those stupid poachers have done, and now, they're about to pay a very nasty price.

Lincoln: And that price is spending the rest of their lives in prison forever.

The poachers got mad and went charging right at us, but green energy blasts were fired out from the vortex that took on the form of animals who went charging at the poachers, and they got seriously mauled big time.

Eli: They just never give up, how stupid are those poachers?

Nico: You really don't want to know how stupid, Eli.

Then, as the vortex faded, Eliza Thornberry emerged, but she was changed forever.

Eliza Thornberry grew to 7'9" in height, she has gold bracers on her biceps and thighs and she now has eleven large green orbs orbiting around her legs, she has the body of a goddess, she has green highlights in the bangs of her long orange hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon blue eyes and a green energy aura with stars, leaves, plants, animals, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has the animals of the Animal Kingdom in a circle with a leaf in the center emblazoned on her forehead and Third Eye with green iris, she has on cheetah earrings with green crystals for eyes and holding the Nature and Eternity Kanjis in its claws, she has on her Crystal Necklace of The Buddha with green gems in the gold leaf links and green crystal links and a green elephant-shaped Element of Harmony and on the bottom of the Element of Harmony is a lion with green crystals for eyes and holding the Nature and Eternity Kanjis in its claws for the pendant and white and gold accented choker on her neck. Suddenly, Eliza Thornberry's massive greatsword and all of the greatswords and swords she has began merging together, and they were surrounded by a kaleidoscope of green energy, stars, leaves, plants, animals, phoenixes, and angels, and when it emerged, it was transformed into Eliza Thornberry's Animal Charmer Animal Kingdom Protector Jungle Fury Phoenix Angel Greatsword of Animal Charmer Animal Kingdom Protector Jungle Fury Phoenix Justice, it's a brand-new massive greatsword with embedded green gems and the animals of the Animal Kingdom etched on the 7'6" massive, wide, double-edged green blade, large green cheetah heads with yellow gems for eyes for the crossguard, large white angelic faces built into both sides of the hilt and large green gems embedded in the foreheads, longer midnight black handle, four lion heads with green gems for the eyes and on the bottom is an elephant head with green gems for the eyes and a large green gem in its mouth for the pommel. We were amazed by Eliza Thornberry's Super Angel-Animal Charmer-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when the poachers saw it, they went absolutely fucked-up ballistic and ran at her to kill her, but Lincoln put down the barrier and Eliza Thornberry fired a massive barrage of green energy, stars, leaves, plants, animals, phoenixes, and angels which hits the poachers and sent flying into another tree, they got back up, but now, they were really really REALLY PISSED OFF BEYOND IMAGINATION!

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You poachers have got some nerve showing up to cause trouble.

Me: (Divine Echoing Godly Voice of The Divine Godly Universal

Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) But, that ends here, consider your ivory operation over and say hello to a lifetime behind bars.

Lincoln, Eliza Thornberry, and I went after the poachers, and we fired extremely powerful blasts of rainbow energy, green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at the poachers, and they exploded with incredible power as they hit them.

Then, we attacked them with energy slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Eliza Thornberry, and I attacked her hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving the poachers even more insane and straight to the brink of insanity.

Poacher: YOU! YOU! (ENRANGED SCREAM)

The poachers charged right at us completely blind with homicidal rage and fury, but Nico, May, and Qin kicked them hard in the stomach and Sebastian fired blasts of Divine Darkness at them and they got hit hard and he slashed at them with his massive black greatsword. Then, Lincoln grabbed them by the waist with his eleven massive and long white wolf tails and he smashed them into the ground, and they were really getting messed up, and then, he threw them and sent them into a nearby tree.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now to teach you jerks a lesson.

Luna: Sweet Mother of Rock and Roll! Everyone, take cover!

We all screamed and ran for cover, as Lincoln roared and pounded his chest, and that summoned gorillas that trounced the poachers badly, then, he let out a lion roar and that summoned lions who mauled the poachers, then, he let out a call and that summoned skunks who sprayed them a lot, and he let out a loud elephant roar and that caused elephants to come charging at the poachers, and they got trampled and looked like pancakes.

Eli: Sheesh, I think you traumatized them, Lincoln.

Fluttershy: Goodness, those animal calls were really impressive.

Luna: That was due to his training in the jungle with his Guardian Angels, and because of it, he had gained the ability to summon animals, along with their strengths and abilities.

Nico: (WHISTLES)

Then, Lincoln hoisted them up, tied them up in rainbow energy straitjackets, and he swung his eleven massive and long white tails and sent them flying through a portal and straight to a new prison that we'd created: one meant for poachers. Everyone cheered wildly as we holstered our weapons and powered down, and Eliza Thornberry's new body, clothes, weapons, jewelry, Third Eye, large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, eleven large green orbs orbiting around her legs, and massive orange angel wings are permanent.

Eli: That's one group of poachers heading for a miserable life in prison.

Lincoln: They're never ever getting out with the security we put on the place. (To Evelyn Knudson) And it's so good to see you again, Evelyn.

Evelyn Knudson: You too, Lincoln, it's been seven years since we last met, and it's so good to see you, our sisters, Varie, and Mom and Dad again, J.D.

Me: You too, sis.

Lincoln went up to Evelyn Knudson and he hugged her, and Evelyn Knudson is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Evelyn Knudson: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed, I do, Eli. Everyone, this is Evelyn Knudson, God Sibling of Time, she's my Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful time powers and immense control over time, and she also has the power to rewind time and age villains. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of J.D., Sakura, Elaine, Helena, Sophia, Avery, Emily, Abigail, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, and Marlene, and just like J.D., Sakura, Helena, Sophia, Emily, Abigail, Avery, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Marlene, and all of us, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just Time, but also Fire, Water, Ice, Wind, Lightning, Earth, Lava, Darkness, Light, Crystals, Wood, Stars, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all.

Nicole: WHOA!

Me: Yeah, she's that powerful like us and she defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals, and if you get her mad, WATCH OUT OR THEY WILL BE AGED UNTIL THEY TURN TO DUST!

We gasped.

Nico: Oh… shit!

Lincoln: Yeah, it would be a huge mistake if anyone dared to piss her off, and now that you're here, Evelyn.

Lincoln went up to and hugged Evelyn Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Evelyn Knudson: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Evelyn Knudson's neck with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Evelyn Knudson: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Evelyn Knudson.

Evelyn Knudson had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them.

Nico: Nice job Eliza!

Eliza Thornberry: Thanks and it feels great to have those braces off too.

Nico: It sure does.

Nigel: Oh poppet you look more amazing than ever.

Marienne: You sure do Eliza. We're so proud of you.

Debbie: I'll say. Good job sis.

Eliza Thornberry: It was fun.

Me: These guys are looking at very hard time in prison.

Nico: You did good too, Copperajah.

Copperajah: Thanks. It was good and also I am a beer drinker. But I drink India beer.

Poromon: Nice! India beer is good.

Poliwag: Wow!

Eliza Thornberry: Nice. How have things been with you guys?

Me: Hectic.

Eliza Thornberry: I heard how you got your powers J.D. is all that true?

Me: 100% every word of it. Kang gave me my powers.

Nico: He sure did.

Eliza Thornberry: Wow I am amazed about that.

Nico: The whole world is.

Poromon got India Beer out.

Copperajah: Oh thanks.

Poromon popped it open and gave it to him and drank it.

Copperajah belched.

BARNEY GUMBLE BELCH!

Copperajah: Pardon me. I don't get drunk easily. I have a powerful immunity to beer.

Me: Cool.

Eliza Thornberry: That is amazing.

Me: I'll say. So what animals have you guys been seeing since we last saw each other?

Eliza Thornberry: Just last week we went to New Zealand and saw the Fairy Tern.

Me: Wow! That's a rare bird.

Nicole: It sure is.

Camie: What does it look like?

Me: Like a small version of the Arctic Tern.

I showed a picture one one and it was a black and white bird and it was pretty.

Nico: Nice.

Poliwag: And I didn't even need to do puppy eyes.

Copperajah: That trick doesn't work on me anyway.

Nico: Okay then.

Eliza Thornberry: But I'm glad you all came to help out. Those poachers are trouble.

Me: Yeah no kidding.

Nico: Now comes the fun part of this adventure too.

Maria: The Anothers.

Eli: Lets see who we got. (Concentrates) WHOA! We got Another V'Ger, James Woods, Eternal Dopant, Android 19, White Blood Cell Weirdo, Evil Plug Man and Electrocutioner.

WE GASPED!

Me: WHOA! James Woods is with you guys now?

Electrocutioner: Yep he sure is. I have a confession. James Woods is really awesome and I loved all the movies he was in and it was cool.

Qin: That's okay then.

Me: And wait the Eternal Dopant? That's cool!

Nico: Wow! Who do we call?

I pulled up a list.

Layla Chimera VS V'Ger

Sirena Serenade VS James Woods

Cindy Cosmos VS Eternal Dopant

Cubix VS Android 19

Yamiga the Cursed Sword VS White Blood Cell Weirdo

Me: Nice! And also I have someone for you to meet.

Out came Cindy Cosmos. She was a girl with Aqua Blue hair and purple eyes and had purple clothes and star wings and she had a tiara with the Cosmos Dopant on it and the same symbol on her skirt and a star sword.

Cindy Cosmos: Awesome to meet you. I'm Cindy Cosmos and I'm the Embodiment of the Cosmos Dopant. I just joined the team.

Nico: Awesome to meet you Cindy.

Eli: We also have Another Scorcher, Abomination, Toon Patrol, Wizard, Commander Ryuui and Propeller Woman.

Qin: Wow!

Nico: Ahh want to include more of them.

John Bolton: Jawsome!

Zayto: This will be fun.

Lola: Yeah.

Nico: And Troy? You, Aerrow, Lucky, Kaito, Touma and Kazuma did good against both Kangs.

Troy: Thanks! That was a super mega win.

Nico: It sure was!

Lucky: We took back the Galaxy.

Kaito: That was awesome.

Touma: And so ended the story of Chronopolis.

Camie: But it's now a separate city outside Gotham Royal York.

Nico: All the Lego Marvel Worlds are separate again though.

Me: Yeah. But that was fun.

Lola: It sure was.

Nico: Yep. Lets talk more on that later.

Eli: They should be coming.

Eli: And I sense that the Anothers minus Electrocutioner are one person.

Me: Wow. They should be coming now.

Nico: They're already here!

WE SAW ANOTHER V'GER and we saw that it was carrying Another Scorcher, Abomination, Toon Patrol, Wizard, Commander Ryuui, Propeller Woman, V'Ger, James Woods, Eternal Dopant, Android 19, White Blood Cell Weirdo and Evil Plug Man!

Me: WHOA!

Qin: Wow!

Lola: Massively huge!

Another Wizard: (In a girls voice) I think this is cool though.

Me: That voice.

They merged and reverted back and it was a girl with red hair and had red eyes and had red and green clothes and she had red angel wings and had a Christmas Tree Sword and she had a tiara with the symbol of X-Mas on it and the same symbol on her skirt.

Me: Christmas X-Mas!? Whoa!

Nico: Wow! The embodiment of a Holidays themed Dopant?

Christmas X-Mas: That's right. I am the embodiment of the X-Mas Dopant and I have all the powers of Christmas.

Me: Yep.

Nico: Christmas is 2 months away.

Christmas X-Mas: I know and it's my favorite time of the year.

Me: Yeah mine too.

Lola: Yep.

Christmas X-Mas: For me it's Christmas every day.

Timmy Turner: Just as long as it's not for everyone else. That happened to me and everyone once and I put the entire planet into gridlock.

Nico: That was crazy.

Me: Yeah. By the way is the Another Electrocutioner friendly or hostile?

Christmas X-Mas: Friendly and she is really awesome and shocking.

Nico: Whoa.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

She glowed and was separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books!

Qin: Yeah!

Nico: Take that!

Maria: (Turns Dial) CONTROL GAME 6!

She summoned Control Freak, Wolvertoon, 9-Tailed Kitsune, Negatron, Lepidopterra Queen and King Hippo!

Nico: Nice!

Xenia: Awesome.

Nico: HEY!

Nico pulled them up.

Nico: OKAY WHO'S THE WISEASS!?

Another Electrocutioner came out.

Me: Another Electrocutioner.

Qin: Whoa.

Nico: But he doesn't have super speed.

Another Electrocutioner: (In a girls voice) Not unless it's someone that does.

She reverted back and was a girl with blue hair, cerise eyes, blue clothes and blue angel wings and had a rainbow horse tail and had a tiara with the symbol of the Zap Apples on it and the same symbol on her skirt. And she had a lightning sword in her hand.

Me: Zarya Zapapple! Whoa!

Zarya Zapapple: Yep and I got you good Nico.

Nico: PULL MY PANTS DOWN WILL YA!?

Me: Nico calm down. She just likes a good prank. Also she is the embodiment of the Zapapple Dopant and she has amazing superhuman speed and also she has intensely strong rainbow lightning powers.

Nico: Whoa! That is cool.

Rainbow Dash: And you have the same awesome tail like me.

Zarya Zapapple: I got that when I took a bite out of a zapapple. It was awesome.

Kaito: (gets out Revice gear) Did Swartz promise you anything?

Zocks: (Gets out Saber gear) Because we can grant it instead.

Kaito and Zocks got a Revice and Saber Sword.

Zarya Zapapple: No he didn't. I used my speed to get out of there fast.

Nico: Wow! Fast.

Me: Yep.

Sougo: (gets out Revice Ridewatch) Applejack told us what happens when you bite a Zapapple.

Armor Time! Buddy Up! Vice!

Armor Time! Buddy Up! Revi!

Geiz: (gets out Blades Ridewatch) It's not fun.

Sougo got ReviceArmor while Geiz got BladesArmor.

Me: You get electrocuted because it's a magical defense mechanism.

Applejack: (LAUGHS) Yeah that only happens when they are not ripe.

Zarya Zapapple: I know.

Lincoln: Lets separate you first.

Lincoln fired a wave of light and separated her.

Nico: Yeah!

Lola: This is gonna be awesome.

Nico: (Gets out Electrocutioner's ridewatch) Shocking, ain't it?

May: (Gets out Boxing World's Ridewatch) This will punch your lights out!

Maria: (Gets out Universe 666 Eddie Quist's ridewatch) I'll howl with the moon!

Marcarita: (Gets out Evil Plug Man's ridewatch) This will be shocking.

They activated the ridewatches of Electrocutioner, Evil Plug Man, Boxing World, Yost Zzzax, Universe 666 Eddie Quist and Goatan and fired waves of energy and elements and blasted the Another all over.

Then Artie Ziff, Gourd, Sir Urchin & Snail Fail, Leafan, Robot Alligator and Dragar the Loathsome came.

Nico: Nice team Artie!

Artie Ziff: Thanks.

?: I'll say!

Torch Man came!

Me: Whoa! Torch Man!

Torch Man: (In a girls voice) I'm ready to burn!

Nico: Tamara Torch!? Whoa.

She reverted back and was a girl with red hair and had red eyes and fire angel wings and had orange and red clothes and had a torch symbol in the middle of her forehead and she had a fire sword.

Tamara Torch: Awesome to see you again Nico. I got this.

She fired a wave of fire and blasted the Another and I caught the Ridewatch and purified it.

Me: Oh yeah!

Maria: May, sooner or later, there's going to be someone who hits you by accident.

May: You're right on that.

But then…

BONK!

May got hit on the head by a coconut.

Patrick: DAHAHAHA! That got got hit on the head with a coconut!

Me: A monkey threw it. I saw it.

Nico: Ouch.

Qin: Yikes.

May: I'm okay!

Maria: I didn't mean a monkey!

The monkeys pouted.

Marcarita: Do you have a favorite memory of Nico?

Tamara Torch: When me and Nico found a bunch of criminals hiding in an abandoned warehouse and from over 5,000 yards away I blasted it and reduced it to rubble. It was full of nitroglycerin,

Me: WHOA! That is awesome.

Nico: Yep. It sure was.

Lola: Wow!

Nico and Tamara hugged.

Nico: I've missed you.

Tamara Torch: Same here.

We later went back home.

Tasmanian Tiger, Liu Kang, Kitana, Sonnya Blade, Jax, Kung Lao, Sub-Zero, Nightwolf, Kotal Kahn, Jade, and Sailor Valmorg are heading down to Amityville, New York, and not only is Lincoln going to rescue the seven girls here, but we got bad news: clones of The Gamma were sighted, and it was due to Mindy's scheme of revenge, so Lincoln's going to take them down and absorb them.

But, once we're done with them, we're also going after an old enemy of Nico's named Nathaniel Blakewell, a heartless asshole bully who enjoyed torturing others around him and even physically assaulted them, and like what happened to Luan with Abigail Sanchez, this jerk's the one responsible for Connor's Dark Side being born and turning him into the evil pranking genius that Nico, Mindy, Alicia, and their parents had to deal with every April 1st.

Lincoln: Oh man, we're here in Amityville, New York, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we got bad news: clones of The Gamma were sighted, and it was due to Mindy's scheme of revenge, so I'm going to take them down and absorb them.

Nico: Mindy, that bitch, she just doesn't know when to give up.

Lincoln: True, but her scheme of revenge is just going to help us even more when I absorb those clones and we assimilate all their powers, abilities, and strength. But, there's also another person that we're also going after: Nico, are you, Alicia, Mindy, and Connor familiar with someone by the name of Nathaniel Blakewell?

Nico and his siblings gasped.

Nico: Nathanial Blakewell?! That heartless fucker's here?!

Alicia: No way!

Connor Chan: No, no, that's impossible!

Me: Nico, you know who he is?!

Nico: I wish we hadn't, and you guys deserve to know the truth. Nathaniel Blakewell is a heartless asshole bully who enjoyed torturing others around him and even physically assaulted them.

Connor Chan: And it gets worse, like what happened to Luan with Abigail Sanchez, this jerk's the one responsible for Dark Connor being born and turning me into the evil pranking genius that Nico, Alicia, Mindy, Mom, and Dad to deal with every April 1st.

We gasped.

Nico: Connor, why didn't you tell us that? We would've helped you!

Connor Chan: How? Even if you, Mindy, or Alicia clobbered him, he was never going to stop, he was never… going to… !

Lincoln: (Sensed Connor's emotions already running rampant) Connor…?

Connor ran to Nico and hugged him tight as he began crying into his chest, and Nico hugged him and he was joined by Alicia, Mindy, and their parents.

Scarlett: Oh man, this is serious.

Lincoln: That brute, I can't believe he did this.

Nico was still hugging Connor, but Lincoln and I sensed it: he had rage in his heart, and so did Alicia, Mindy, their parents, and even Connor as well had rage in his heart.

Nico: (Getting Super Mad) He just crossed one fucking line too many, no one does this to my little brother and gets away with it!

Alicia: I'm gonna rip his arms off and shove 'em right up his ass for this!

Connor Chan: I'll do worse than that! (SUPER ENRAGED) I'M GONNA RIP HIS HEART OUT AND EAT IT RIGHT IN FRONT OF HIS FUCKING FACE! THEN, I'M GONNA DEVOUR HIS ORGANS ONE BY ONE! HE TURNED ME INTO THAT HOMICIDAL PRANKING MONSTER JUST SO HE CAN SEE ME KILL YOU ALL! DEATH IS THE ONLY THING THAT HE FUCKING DESERVES!

Suddenly, we saw a very beautiful and super sexy girl with long pink hair and pink hairband, dark blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful green angel wings, she's dressed in a green sleeveless crop top, necklace with dark blue gem for the pendant, green skirt, white bridal gloves, green knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with stars, nature, plants, animals, phoenixes, and angels on the coattails and on the back is the planet Earth, and holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel, and with her are the seven girls.

Lincoln: (GASPS) Elena Earth, Fairy Guardian and Avatar of Earth.

Elena Earth: That's right, and I got the girls away from those clones, but I've pissed them all off big time and they're coming after us.

Suddenly, we saw the clones of The Gamma and they were charging right at us. Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of The Gamma, and then, Lincoln began absorbing them all into his body as he and all of us assimilated all of their powers, abilities, and strength and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. Suddenly, Lincoln gained Eyecons with the symbols of The Gammas on them and their powers, and they were put into his Universe 666 Miracle Box with the Rouse Cards, Faiz Phones, Wizard Rings, Gaia Memories, Advent Cards, OOO Medals, Fuestles, and Astroswitches.

Lincoln: That's done, now we can kill Nathaniel Blakewell.

Nico: He's gonna pay for what he did!

?: YOU MOTHERFUCKING MONKEY TAILED FREAK! I'LL KILL YOU AND YOUR FUCKING FAMILY!

We then saw our target: a huge hulking male with black hair, massive muscles, and dressed only in a pair of black pants and boots, it was Nathaniel Blakewell, Nico's old enemy.

Connor Chan: You bastard! You're gonna pay for what you did to me years ago!

Sylvester: And no one will ever say a kind word at your funeral.

Nico and his siblings pulverized him bad, and Connor ripped out Nathaniel's heart in his fit of rage and ate it. Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed the stingers into Nathaniel's heartless chest, and then, Lincoln began absorbing him into his body as he and all of us assimilated his immense brute strength and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of him and he sent him and the clones of the Gamma to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: That's for what you did to Connor, and next, I'm hoping to face clones of The Megid. (To Elena Earth) And it's so good to see you again, Elena Earth.

Elena Earth: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Elena Earth and he hugged her, and Elena Earth is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Elena Earth: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met

your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Elena Earth, Fairy Guardian and Avatar of Earth, she's my Guardian Angel from Earth and she's an extremely powerful master of water and magic and she's far more powerful than both Lord Darkar and Valtor combined, and here's the shocker, she's Roxy's younger sister, and she's a member of The Fairy Guardians of The Magic Dimension and she and the others defended the realms and planets of the Magic Dimension from the dark forces of The Ancestral Witches, The Trix, Valtor, Lord Darkar, and many others for years. She and I met and she taught me everything that she knows when it comes to using earth and magic, and over time, I became a powerful master of earth and magic.

Selene Emperyous: And she hates Flip with a blazing passion, because one time, when Elena and Lincoln were swimming in Lake Superior, Flip was about to dump spoiled nacho cheese into the waters and force people to give up all their money to get it clean, and that got Elena so furious, she fired a massively powerful green magic blast that hit Flip square right in the face and sent that dumbass flying into a tree, and that made Flip extremely furious and he bellowed like a bull and ran at Elena to kill her. but Lincoln charged at Flip and he used his martial arts and he kicked that mutant's three-cheeked butt and took him down, and he and Elena literally kicked Flip in his butt and sent him flying back to prison, and when everyone found out from Lincoln and Elena of what Flip tried to do, they went to the prison and really tore him apart and Flip got another Life Sentence added to the multitude of Life Sentences he'd gotten, and the only thing he earned from Elena was nothing but hatred for she knew Flip would never change his ways and that he would still be the same jerk and greedy mutant cheapskate that he always has been, and she swore if Flip ever went after Lincoln again, Elena would make sure that Flip and his family would burn for all eternity in the flames of Hell.

Eli: We were all shocked when Selene told us that yesterday.

Elena Earth: Flip was never going to change, he was just that selfish and disgusting!

Lincoln: Well, you won't have to worry about that, when December comes, he's finally getting The Black Gates along with Xehanort and Icky Vicky, and we'll be rid of that mutant for good, and now that you're here, Elena.

Lincoln went up to and hugged Elena Earth in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Elena Earth: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Elena Earth's neck with pink gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Elena Earth: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Elena Earth.

Elena Earth had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the seven girls, and when Lincoln saw them, he immediately recognized them. The seven girls are Beatrice Lambert, Kotou Ayane, Mizuchi Momoka, Mizuchi Mone, Otosumi Youko, Sakurako Rokuhira, and Yoshisuzu Reiko from Anata dake Konbanwa.

Lincoln: Oh wow, it's Beatrice Lambert, Kotou Ayane, Mizuchi Momoka, Mizuchi Mone, Otosumi Youko, Sakurako Rokuhira, and Yoshisuzu Reiko from Anata dake Konbanwa.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Beatrice Lambert: Yes, we're okay, thanks to you.

Then, when Beatrice Lambert and the other six girls saw who it was that saved them from the clones of The Gamma and Nathaniel Blakewell, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero and God, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, tattoo of a pepper with fire surrounding it on his broad left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Beatrice Lambert: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Beatrice Lambert: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Beatrice Lambert, Kotou Ayane, Mizuchi Momoka, Mizuchi Mone, Otosumi Youko, Sakurako Rokuhira, and Yoshisuzu Reiko with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental

Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villains we went after were clones of The Gamma that were also created by Mindy, along with an old enemy of Nico's named Nathaniel Blakewell and that he was the one who caused Dark Connor to be born in Connor.

But, when Lincoln showed what we all did in beating them all down and Lincoln absorbing them and all of us assimilating their powers, abilities, and strength and sending them all to The Black Gates and getting Fuestles with their powers, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Elena Earth have a lot of catching up to do, now that she's back in town.

Then, we heard Mindy and Mandy roar with rage!

Maria: Serves you both right, bitches.

Lincoln: It just proves they're both horrible people, and they'll never ever change.

Nico: Yeah, they both deserve to be in Hell forever when they die of old age, and Connor's finally free of that asshole for good.

Me: You said a mouthful.

---

After Lincoln absorbed Nathaniel Blakewell and the clones of The Gamma, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Elena Earth saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Elena Earth: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Elena, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Elena Earth: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to

become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Elena Earth: I knew it was only a matter of time before he told everyone that story.

Suddenly, the spots on the Universe 666 Miracle Box on Lincoln's back began glowing.

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

The spots formed a viewing window, and we saw who it was causing trouble: it was the clones of Storious, Legeiel, Zooous, Daichi Kamijo, Desast, New Sophia, Spider Megid, Golem Megid, Ari Megid, Kirigirisu Megid, Hanzaki Megid, Piranha Megid, Medusa Megid, Ahiru Megid, Goblin Megid, Yeti Megid, Ousama Megid, Charybdis Megid, Neko Megid, and Amanojaku Megid.

Touma: What the?! Clones of Storious and his army of Megid?!

Lincoln: No doubt that Mindy had a hand in this as well.

We flew out of the World Tree Estate, and Lincoln fired powerful rainbow energy blasts at the clones of Storious, Legeiel, Zooous, Daichi Kamijo, Desast, New Sophia, Spider Megid, Golem Megid, Ari Megid, Kirigirisu Megid, Hanzaki Megid, Piranha Megid, Medusa Megid, Ahiru Megid, Goblin Megid, Yeti Megid, Ousama Megid, Charybdis Megid, Neko Megid, and Amanojaku Megid and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of Storious, Legeiel, Zooous, Daichi Kamijo, Desast, New Sophia, Spider Megid, Golem Megid, Ari Megid, Kirigirisu Megid, Hanzaki Megid, Piranha Megid, Medusa Megid, Ahiru Megid, Goblin Megid, Yeti Megid, Ousama Megid, Charybdis Megid, Neko Megid, and Amanojaku Megid, and then, Lincoln began absorbing them all into his body as he assimilated all of their powers, strength, and abilities and his

abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. Suddenly, Lincoln had gotten a massive collection of Wonder Ride Books, and they were all put into his Universe 666 Miracle Box with the Rouse Cards, Faiz Phones, Wizard Rings, Gaia Memories, Advent Cards, OOO Medals, Fuestles, Eyecons, and Astroswitches.

Touma: Awesome.

We returned back to The World Tree Estate and continued with our workouts.

Nico: That's it for the clones of Storious and the Megid and there's no telling what else that bitch has got up her sleeve.

Lincoln: But, now that we know she's created clones of The Kamen Riders' enemies, I'll do to them what I've done to the clones of the enemies of The Power Rangers: absorb them and assimilate their powers, abilities, and strength.

Me: And also, acquire the Legend Items with their powers, so far, you've acquired Rouse Cards, Faiz Phones, Gaia Memories, Wizard Rings, Rider Tickets, Astroswitches, Wonder Ride Books, OOO Medals, and Advent Cards, awesome.

Lincoln: The next group of clones that come after us will no doubt be the clones of The Lords.

Bridget Branley: Oh boy, I can tell you're gonna have quite the feeding frenzy on them.

We got a shower afterwards, and then, Lincoln, Odessa "Dez" Stone A.K.A. Junker Queen, Simulator Carly Carmine, Simulator Misty Tredwell, Zuki Atamo A.K.A. Dr. Atamo, Miyu Patra A.K.A. Papyra, Trip the Sungazer, Molly, Lupe the Wolf, and Claire Wheeler are heading to Sirena Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Odessa "Dez" Stone A.K.A. Junker Queen, Simulator Carly Carmine, Simulator Misty Tredwell, Zuki Atamo A.K.A. Dr. Atamo, Miyu Patra A.K.A. Papyra, Trip the Sungazer, Molly, Lupe the Wolf, and Claire Wheeler are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Odessa "Dez" Stone A.K.A. Junker Queen, Simulator Carly Carmine, Simulator Misty Tredwell, Zuki Atamo A.K.A. Dr. Atamo, Miyu Patra A.K.A. Papyra, Trip the Sungazer, Molly, Lupe the Wolf, and Claire Wheeler all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Lupe the Wolf: Wow, so this is Sirena Beach, it sure is beautiful.

Lincoln: It sure is, Lupe, and it's perfect for our first date. Shall we?

Lincoln, Odessa "Dez" Stone A.K.A. Junker Queen, Simulator Carly Carmine, Simulator Misty Tredwell, Zuki Atamo A.K.A. Dr. Atamo, Miyu Patra A.K.A. Papyra, Trip the Sungazer, Molly, Lupe the Wolf, and Claire Wheeler dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Odessa "Dez" Stone A.K.A. Junker Queen, Simulator Carly Carmine, Simulator Misty Tredwell, Zuki Atamo

A.K.A. Dr. Atamo, Miyu Patra A.K.A. Papyra, Trip the Sungazer, Molly, Lupe the Wolf, and Claire Wheeler got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Odessa "Dez" Stone A.K.A. Junker Queen, Simulator Carly Carmine, Simulator Misty Tredwell, Zuki Atamo A.K.A. Dr. Atamo, Miyu Patra A.K.A. Papyra, Trip the Sungazer, Molly, Lupe the Wolf, and Claire Wheeler and they hugged the girls in their abnormally massive and powerful muscular arms and Odessa "Dez" Stone A.K.A. Junker Queen, Simulator Carly Carmine, Simulator Misty Tredwell, Zuki Atamo A.K.A. Dr. Atamo, Miyu Patra A.K.A. Papyra, Trip the Sungazer, Molly, Lupe the Wolf, and Claire Wheeler placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Odessa "Dez" Stone A.K.A. Junker Queen, Simulator Carly Carmine, Simulator Misty Tredwell, Zuki Atamo A.K.A. Dr. Atamo, Miyu Patra A.K.A. Papyra, Trip the Sungazer, Molly, Lupe the Wolf, and Claire Wheeler as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Odessa "Dez" Stone A.K.A. Junker Queen, Simulator Carly Carmine, Simulator Misty Tredwell, Zuki Atamo A.K.A. Dr. Atamo, Miyu Patra A.K.A. Papyra, Trip the Sungazer, Molly, Lupe the Wolf, and Claire Wheeler with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, and now, Odessa "Dez" Stone A.K.A. Junker Queen, Simulator Carly Carmine, Simulator Misty Tredwell, Zuki Atamo A.K.A. Dr. Atamo, Miyu Patra A.K.A. Papyra, Trip the Sungazer, Molly, Lupe the Wolf, and Claire Wheeler are in your harem, Linky.

Odessa "Dez" Stone A.K.A. Junker Queen, Simulator Carly Carmine, Simulator Misty Tredwell, Zuki Atamo A.K.A. Dr. Atamo, Miyu Patra A.K.A. Papyra, Trip the Sungazer, Molly, Lupe the Wolf, and Claire Wheeler showed the marks Lincoln made on the right sides of their necks.

Sonic: Wow, I knew Odessa "Dez" Stone A.K.A. Junker Queen, Simulator Carly Carmine, Simulator Misty Tredwell, Zuki Atamo A.K.A. Dr. Atamo, Miyu Patra A.K.A. Papyra, Trip the Sungazer, Molly, Lupe the Wolf, and Claire Wheeler had feelings for him ever since I introduced Trip and Lupe to them and he also brought Molly back from the dead, and I knew he'd mark them.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Odessa "Dez" Stone A.K.A. Junker Queen, Simulator Carly Carmine, Simulator Misty Tredwell, Zuki Atamo A.K.A. Dr. Atamo, Miyu Patra A.K.A. Papyra, Trip the Sungazer, Molly, Lupe the Wolf, and Claire Wheeler, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant,

but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Galaxy 2 adventure.

Nico: Stone Cyclone Galaxy is next.

Nicole: Whoa that one is REALLY Tricky!

Nico: Yp.

Maxxine: Me and Rice will go next.

Eon Kid: I'll go too.

Sougo: Same with me.

Nico: Okay.

They went in and simulator activated and they were at STONE CYCLONE GALAXY!

Nico: WHOA!

Rice: Wow! This is tricky!

Nico: Any tips Nicole?

Nicole: (On the radio) Well just one. Don't get squished by the Thwomps and all that.

They saw rolling crushing blocks too.

Nico: Oh yeah.

Nicole: And you got to get to the star at the end.

Nico: Okay.

?: We'll help with that.

2 figures came. 1 was a girl with blue hair and blue eyes and she had blue angel wings and had blue clothes and a tiara with the symbol of the Lightsworn monsters on it and she had the same symbol on her skirt and she had a white blade lightsaber. And the 2nd girl was one with red hair, red eyes and had red angel wings and had red clothes and had a tiara with the symbol of Drill Man on it and she had a Mega Drill Magisword.

Lily Lightsworn: Lily Lightsworn, Embodiment of the Lightsworn Monsters.

Dana Drill: And Dana Drill Embodiment of Drill Man.

Maxxine: Dana!?

Rice: Wow!

Dana Drill: Maxxine and Rice!

She went over and hugged them.

Dana Drill: Its been a while.

Nico: At what point in time did you meet them?

Dana Drill: When I was having dinner with them at Nanette's restaurant.

Nico: Cool.

Lily Lightsworn: Hate to kill the mood but we got a level to complete.

Nico: Sorry. Lets go.

They were off and Goombas were coming at them.

Nico: (Gets out Electrocutioner and Dr. Viktor's Ridewatches) You're in for a shock!

He activated them and fired waves of lightning and blasted them!

Sougo: HENSHIN!

He turned into Kamen Rider Zi-O!

Marty turned into Eon Kid!

They fired waves of energy and blasted the Goombas.

Rice and Maxxine fired waves of energy and blasted the Goombas all over.

Lily Lightsworn and Dana Drill fired light and drill blasts and blasted the Goombas. Then they saw the star.

Nico: There it is!

They went and got it!

YOU GOT A STAR!

Nico: YEAH!

Dana Drill: That was fun!

They all high five.

Nico: Tell me more about how you met Rice and Maxxine. Was it before or after their first Gene Slammed transformations?

Dana Drill: Oh it was after and when I heard about what happened I was floored. But it was amazing that happened to them. They got these amazing powers from it.

Nico: It sure is.

Lily Lightsworn: I agree there.

Nico: How did you meet?

Dana Drill: I met Maxxine and Rice at the mall and they both are awesome.

Nico: Nice.

Rice: We became great friends and shopping buddies after that.

Nico: Cool cool.

Lily Lightsworn: That is awesome.

Nico: Would you 2 like to join the team?

Dana Drill: We would be honored.

They left the simulator and we cheered wildly for them.

The mascots were in the kitchen making an awesome looking cake.

Bonnie Terrez: That's a Nice cake.

Poromon: Thanks. It's our apology cake for Leni.

Manaphy: Yeah.

Bonnie Terrez: Aww that is thoughtful.

Poliwag: It sure is.

Brittney: (To Poromon) Don't you mean YOUR apology cake?

Poromon: That's right but we made it for us all.

Brittney: Oh.

They finished and brought it out for Leni.

Poromon: Leni, I really am sorry for that fuss over the parking space.

Leni: Oh it's totes okay Poromon. And that cake looks amazing.

Poromon: We made it for me to give you.

Leni: Oh it's totes great.

They got to having some and it was a really good strawberry mint cake.

Dead End: Does it taste bad?

Leni: No it's totes delicious!

Kronk: Boy you said it!

Poromon: Glad you guys like it.

Kup: You guys should be proud of yourselves.

Poromon: We did it out of love.

Xenia: Yeah.

Camie: It was awesome.

Lola: Yeah.

At night The mascots were walking outside. They were walking home after seeing an awesome movie.

Poromon: That movie was awesome!

Poliwag: Too bad those blockhead critics ruined another one! Nimrods!

Manaphy: Yeah like J.D. said they wouldn't know a good movie if it bit them in their asses!

Horsea: Yeah!

They were walking. But little did they know that they were being followed by a very unusual foe.

Horsea: What was the movie again?

Poromon: Cars: Night of the Horror Car. It was funny and a parody of the movie The Car.

Horsea: Cool!

Poromon: Yeah but it had a more hilarious take on the movie from 1977.

Horsea: Oh.

Poliwag: Is someone following us?

They heard a car coming.

But they looked and they saw that it was an all too familiar black car and it was a 1938 Hearse and it had BLOOD ON ITS FRONT GRATE AND IT HAD A MALICIOUS SMILE AND IT WAS LAUGHING MALICIOUSLY!

The MASCOTS SCREAMED AND RAN FAST IN FRIGHT!

THEY CAME BACK TO THE ESTATE!

We were watching TV and then the Mascots came in and they were shaking!

Me: (GASP) OH MAN! Guys what happened!?

May: You all look like you've seen a ghost!

Nico: What happened guys!? Did the movie scare you?

Maria: Yeah.

Horsea: It wasn't the movie. It was THE CAR IS BACK! THE CAR IS BACK! WE'RE ALL GOING TO DIE!

Nico: What car?

Horsea: THE HAUNTED CAR! THE HAUNTED CAR!

Shaggy: THE HAUNTED CAR!? ZOINKS!

Me: The Haunted Car!?

I went and looked and sure enough the haunted 1938 Hearse is back and haunting the city! But this time it was covered in blood and had a malicious grin on it!

Me: They're right!

Cree Lincoln: Nico, is anyone going to shine today?

Nico: Kylie and Moondancer.

Moondancer: Oh yeah!

Kylie: Awesome!

Moondancer: Looks like this is a job for some Ghostbuster power!

Me: YEAH! Lincoln, Clyde, gear up for this too.

Lincoln: You got it!

They went and did so.

Clyde and Lincoln, Ronnie Anne and Syd donned their Ghostbusting tools too!

Nico: Cool uniforms guys.

Lincoln: Thanks. We're ghost hunters for the Academy of Really Good Ghost Hunters or A.R.G.G.H.!

(THUNDERCLAP)

Me: Lincoln got me into that when I first moved in and it's really fun.

Clyde: Oh yeah!

Me: Since we're dealing with a haunted car and ghosts we might as well make this fit.

Xenia: Nice.

Nico: That is awesome.

Horsea: (Crying) THE CAR WON'T STOP UNTIL WE'RE DEAD!

THE CAR WON'T STOP UNTIL WE'RE DEAD! (CRYING HYSTERICALLY)

Maria: HORSEA Get ahold of yourself!

Manaphy: (Crying) THE CAR WON'T STOP UNTIL WE'RE DEAD!

Daggett: Get ahold of yourself you spootheads! (SLAPPING THE MASCOTS) SLAP! SLAPPITY SLAP! (Tickles them) TICKLE!

Manaphy: Okay okay okay sorry!

Horsea hugged Maria and Manaphy did the same for May.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than The Haunted Car, it's come back from the dead and it scared the Mascots even worse than ever. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than The Haunted Car, it's come back from the dead and it scared the Mascots even worse than ever.

Me: I think we already found out about that Lincoln because it's why the Mascots are scared shitless.

Nico: He sure is. Lincoln, where's The Haunted Car?

Lincoln: It's heading northeast, and heading right for us!

Nico: No doubt after the Mascots. Alright, team, let's head on out and trash that haunted scrap heap!

Me: No one scares our mascots and gets away with it!

Winter Icyin: (British Accent) Uh… , J.D.?

Lincoln: We know you scared them after they hypnotized me into drinking beer, Winter, but you had your reason for that.

Me: But this is totally different.

The previous group came.

Grizzly: Can me, Top, Gearhead, Dark Turtles, Abra Kadabra, Trapster, Ragdoll. Batroc the Leaper, Whiteout and Evil Green Ranger go with you guys?

Dark Mikey: (to the mascots) You guys okay?

Nico: In order, yes you guys can come with us and no the Mascots are NOT okay. They are scared out of their wits.

Me: Their old haunted nemesis, the Haunted Car is back with a vengeance.

Dark Raph: WHAT!? Oh man! We saw NUMEROUS bodies on the road that were all completely squished into roadkill.

We gasped!

Nico: Oh man!

Me: The Haunted Car did this. I don't think this is the work of Princess's great great grandfather. This must be the work of someone else.

Nico: But it might be the Haunted Car from Goosebumps.

Me: What?! But that can't be. We faced that one years ago. She should be in the darkness of Hell forever.

Qin: Or in the Afterlife altogether.

Xenia: Weird.

Nico: It might be possessed by a different spirit. A far more evil one.

Me: That is more logical.

Qin: Yeah.

Xenia: Either way we got ourselves an evil car to take down and banish to the Black Gayes.

Varie: And fast before it traumatizes the Mascots to death.

Magmon: Nico, which gene-slammer do you think you'll meet next?

Nico: Fuse Man next.

Me: Shocking.

Qin: Nice.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Mephala from the Elder Scrolls series, the Daedric Prince of Lies, secrets and manipulation, strongly associated with spiders, assassination and politics, and she's come to destroy us all. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone none of us are ever going to like: the figure we saw is none other than Mephala, The Daedric Prince of Lies, secrets and manipulation, strongly associated with spiders, assassination and politics, and she's come to destroy us all.

We gasped.

Nicole: Oh man, I should've known we'd be facing one of the Daedric Princes sooner or later.

Yuri Kozukata: This'll be much different than facing the ghosts at Mt. Hikami, but let me and Lincoln be the ones to take down Mephala.

Nicole: Are you sure, Yuri? Like you said, this is much different than dealing with ghosts, and in your case, the ghosts of Mt. Hikami.

Yuri Kozukata: Yes, I'm sure.

Lincoln: Okay, Yuri.

Nico: We hope that she doesn't have the ability to summon ghosts, because if she does, then, you'll need to use The Camera Obscura. Alright, gang, let's go, we've got a Haunted Car to trash!

Lincoln: That haunted automobile's gonna pay for scaring the mascots like that, and once we get done with that haunted automobile, you're next, Mephala.

Yuri Kozukata: What you've done can never be forgiven, Mephala. I'll make sure that you never hurt another innocent soul with your lies again.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to destroy The Haunted Car, and once we do that, Yuri Kozukata and Lincoln are going to destroy Mephala, The Daedric Prince of Lies.

We went down to the surface to face the Haunted Car.

We got to the surface.

Top: Why couldn't it have been a BMW!?

Me: I don't think a ghost would want to ruin a very expensive car like

that.

Nico: Yeah. So it went with a car from the dead.

Xenia: Like an old junkyard car.

Nico: Yep.

Varie: Yeah.

Nico: Finding it at night is not going to be easy. But with the lights in the city on it will be easy.

We walked around a saw TONS of cars all smashed into scrap metal.

Tyzonn: There's a lot of car accidents here.

Me: These are no accidents. This car is REALLY out to destroy many people's cars and their lives.

Camie: Yeah.

Gearhead: Think there's still enough of these cars for me to use?

Nico: Yeah there are.

We saw some cars intact.

Gearhead: Good.

Bad Juju: Are any people still alive?

Dark Raph: I'll help get them out if there are!

Nico: Lets keep an eye out.

We looked around.

We kept our eyes peeled for anything.

Camie: Hmm. Nothing yet.

Dark Leo: Wait. I see a few people injured.

Dark Don: Let's help them out!

We went and did so.

Varie: I'll have the medical units come.

Nico: Okay.

But then we saw a threatening message on a wooden fence written in blood.

Me: Look there.

Nico: (Reading) "I have returned for revenge on you J.D. Knudson and you will pay for ripping my throat open. Signed Seymour Whittle"

I GASPED WHEN I HEARD THAT NAME!

Me: Seymour Whittle!? Oh man! Not him!

Grounder: Never heard that name before.

CLANG!

Scratch hit him on the head.

Nico: Oh man! I've heard that name! He is said to be the most evil serial killer ever known that was wanted in 15 states for the murders of 231 people.

Me: Worse than that! He is also the very monster that murdered my friend Caitlyn Lawrence and I killed him by ripping his throat open back when we were in preschool!

EVERYONE GASPED!

Caitlyn Lawrence: I remember him! I was killed by him!

Abra Kadabra: Well, I didn't see this coming.

Me: He must be the one that is in the car!

Nico: I remember hearing how bad that devastated J.D. when Caitlyn was killed back then. That was terrible!

Me: It was. But now I see why. He came back from Hell to get revenge on me. In the form of a car.

Yamato Man: The Haunted Car to be precise.

Qin: Yeah.

Lola: So we have a deranged serial killer here!

Xenia: Yeah. In the form of a car.

Trapster: How do we stop him?

Brittney: I may have an idea. I'll exorcise the spirit out of the car and then it will bring him back and then we can hit him hard with everything we got.

Nico: I like it.

Xenia: Good idea.

Me: Yeah. Then I can deliver some pain on him.

Caitlyn Laurence: Count me in too. It's payback time for killing me!

Aria Blaze: First, what's the best way to stop a car?

Me: Hmm. (Gets an idea) I got an idea. We'll use a giant wall made of solid Neutronium.

Nico: Good idea.

Xenia: That will be cool to see.

Ragdoll: Can you translate for those of us who aren't smart like Lisa? No offense.

Lisa Loud: None taken.

Me: Sure. We lure the car and have it crash into the huge wall we make.

Nico: Then we get the spirit out and smash him into pulp.

Ragdoll: Oh I get it! And then we banish him to the Black Gates.

Me: Bingo.

CRASH!

We then heard a crash.

Cozy Glow: Looks like the car's caused another… accident.

Starlight Glimmer: Actually that was me. I slipped and crashed into a garbage can.

Me: Oops. False alarm.

Nico: But we'll set up our trap.

Eli: And we better make it fast. He's coming quick.

Batroc: Not if we make some roadblocks.

Qin: We will. Lets get to work.

Nico: Right.

I made my huge Neutronium wall and made it invisible so it wouldn't know where it is.

Xenia: There.

Camie: Our trap is set.

Babs seed: And now, we wait.

Me: Yep.

We waited.

Whiteout: I hear the sound of an engine.

Me: It's coming!

Nico: Hide! Wait for the signal.

We hid and then we saw THE CAR! It was coming fast!

But then…

CRASH!

The Car hit the wall!

Car: OUCH!

Ash: Entrance time!

We went at it.

Then the car groaned. The spirits of cars flew in and then they swirled around it and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

A massive fiery explosion blasted off above it and a phoenix cry was heard and then we came out and landed.

Me: Seymour Wittle! You're going back to hell where you belong!

The Haunted Car drove at the mascots.

Horsea: (crying) THE CAR WON'T STOP UNTIL WE'RE DEAD!

Evil Green Ranger: Hang on!

He grabbed the mascots and jumped and then the car crashed into the wall again!

SMASH!

Car: OUCH!

The car was mad!

Haunted Car: You're roadkill! You hear me!?

Nico: Loud and clear!

I fired a blast of energy and it hit then exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The car was really getting pissed!

Car: YOU KILLED ME J.D.! AND NOW I'M GOING TO RETURN THE FAVOR!

Caitlyn Lawrence: That was awful you killed me!

It saw Caitlyn and GASPED IN SHOCK!

Car: BUT YOU! I KILLED YOU!

---

Mr. Mechanau like all other mutants was created in the result of a chemical accident. Before the events of the series he was captured by Time Force and frozen in the Cryo-Prison. In the 21st century he was taken by Frax. Frax betrayed Ransik and began his own quest of creating a robot empire. Frax released Mr. Mechanau. Mechanau was a powerful mutant. He had telekinetic powers and telepathy. He could control humans' mind. Mechanau disguised himself as a salesman in the gymnastic room. He sold the special juice that transformed the people into Frax's mindless slaves. However Wes and Jen discovered the mutant's plan and entered the mutant's gym undercover. Mechanau proves to be too powerful for the Rangers, so Circuit called the Strata Cycle. With the Strata Cycle, Wes defeats Mr. Mechanau. So Mr. Mechanau removed his DNA Patch and enlarged himself. In his giant size, Mechanau battles the Shadow Force Megazord Mode Blue and Q-Rex. Mr. Mechanau was too powerful for the Megazords, until Wes blasts him with Shadow Force Megazord Saber. Mr. Mechanau was finally defeated and frozen with a Time Target Attack.

Lincoln fired a massive rainbow energy blast that hit The Haunted Car and destroyed what was left of it. Suddenly, we saw the evil spirit of Seymour Wittie come out of the remains of the car and went after us, but Yuri Kozukata got out The Camera Obscura, and when it came close, she hit the shutter button, and the blast hit the ghost and it screamed in pain, as it twisted and turned into a black flame and was sent to The Black Gates.

Nico: Whoa, so that was…?!

Nicole: The Camera Obscura, it has the power not only to photograph images of The Other Side and The Netherworld, but it also has the power to exorcise and capture ghosts.

Me: That thing really is a powerful weapon.

Lincoln: And deadly, I was told overexposure to The Camera Obscura has led those who don't have a Sixth Sense to commit suicide and wind up getting dragged to The Netherworld.

Nico: So, only someone with a Sixth Sense can use it and overexposure leads to those who don't have a Sixth Sense to commit suicide and get dragged to The Netherworld, that's really dark. But, either way, at least, we're rid of The Haunted Car for good.

Lincoln: You said it, now there's only one last thing to do and one last loose end to tie up: Mephala, The Daedric Prince of Lies.

?: All in this world shall be consumed by paranoia and deceit!

Suddenly, the twelve large planets and stars orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around

Lincoln formed a massive indestructible diamond barrier with absorption energy surrounding the barrier that protected all of us from a massive volley of darkness blasts that came flying out of nowhere, and when they hit the barrier, they were absorbed and flowed into us and we grew even stronger and the barrier remained strong.

Lincoln: (Catches the scent) There's no mistaking the smell of blood from anywhere, come out from the shadows, Mephala, or we will force you out.

A figure emerged from the darkness, and it was none other than Mephala, The Daedric Prince of Lies.

Mara: Mephala. I should've known that you'd show up here, Daedric Prince of Lies.

Mephala: You fools, none of you shall leave here alive. With all of you dead, all shall be consumed by lies and paranoia, and death and destruction will overtake this pathetic world.

Yuri Kozukata: That will never happen, as long as we're here.

Suddenly, Yuri Kozukata's brown eyes turn neon brown and she was surrounded by an orange and white energy aura with stars, light, ghosts, phoenixes, and angels, and as she approached Mephala, she left orange and white energy, stars, light, ghosts, phoenixes, and angels with every step.

Yuri Kozukata: I will never forgive you for all of the pain and suffering you'd wrought by spreading lies and deceit among innocent people for your amusement, Mephala, for what you've done, you will pay the price for your crimes.

Suddenly, Yuri Kozukata was surrounded by a massive vortex of orange and white energy with stars and light surrounding the vortex, there are ghosts, phoenixes, and angels flying around the vortex, and in the vortex is a brown phoenix with red eyes glaring at Mephala: the red eyes of death. Then, as the vortex faded, Yuri Kozukata emerged, but she was changed forever.

Yuri Kozukata grew to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large orange and white orbs orbiting around her legs, she has the body of a goddess, she has orange highlights in the bangs of her long auburn brown hair and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon brown eyes and an orange and white energy aura with stars, light, ghosts, phoenixes, and angels surrounding her and her immense protective blue aura suddenly changed into an immense protective neon rainbow aura with all of the elements swirling around it, she has a flower with a ghost emblazoned on her forehead and Third Eye with dark blue iris, she has on angel earrings with orange gems for eyes and holding the Star, Light, Dark, and Eternity Kanjis in its hands, she also has an angel with orange gems for eyes and holding the Star, Light, Dark, and Eternity Kanjis in its hands for the second pendant on the bottom of her orange angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with dark blue crystal links from her merged Crystal Necklace of the Buddha and dark blue gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Yuri Kozukata has on her signature white and orange shirt with sun-pattern recall the Dark Sun opening at the front to recall the Camera Obscura, shorts that go up to her thighs, black socks, black ankle-length boots, and long sleeveless white trenchcoat with stars, light, ghosts, phoenixes, and angels on the coattails, and on the back is The Dark Sun surrounded by ghosts. Suddenly, Yuri Kozukata felt a sharp pain on her back, and then, massive auburn brown angel wings with orange tips on the large auburn brown feathers grew and sprouted out of her back and she also now has eleven massive and long auburn brown wolf tails with orange tips and orange markings, Yuri Kozukata has on her Ring of the Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Yuri Kozukata's massive golden greatsword and all of the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of orange and white energy, stars, light, ghosts, phoenixes, and angels, and when it emerged, it was transformed into Yuri Kozukata's Solar Light Haunting Dark Sun Phoenix Angel Greatsword of Solar Light Haunting Dark Sun Phoenix Angel Justice, it's a brand-new massive greatsword with embedded orange and white gems and a spider lily etched on the 7'9" massive, wide, double-edged golden blade, large gold angel heads for the crossguard, large white angel faces built into both sides of the hilt and large orange gems embedded in the foreheads, longer midnight black handle, four large gold angel heads with orange gems for eyes and on the bottom of the gold angel heads is a large gold angel head with orange gems for eyes and large orange blue gem in its mouth for the pommel, Yuri Kozukata has on her large gold Bracers of The Champions of The Universe with large orange gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with gold angel head with orange gems for eyes and large orange gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Yuri Kozukata's Super Angel-Shadow Psychic-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Mephala saw it, he went mad and ran at Yuri to kill her, but Yuri Kozukata fired a massive barrage of orange and white energy, stars, light, ghosts, phoenixes, and angels which hit Mephala and she was sent flying into a tree, she got back up, but The Daedric Prince of Lies was beyond enraged.

Selene Arcangela: Oh man, Yuri Kozukata's transformed!

Lincoln: Yuri went through a lot from losing her family in an accident to the nightmares at Mt. Hikami that led to her lifting the curse and allowing Ose Kurosawa to finally move on to the other side along with all those who died when they reached the mountain.

Yuri Kozukata: (Divine Echoing Godly Voice of The Shadow Psychic Ghost Exorcist Dark Sun Eternal Sunlight Phoenix Angel and Divine Cosmic Eternal Shadow Psychic Ghost Exorcist Dark Sun Eternal Sunlight Phoenix Angel Love) I'd been through a lot, and now, I've transformed.

Lincoln: You sure have, Yuri. Now, let's get rid of Mephala.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm

Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as the sword pendants on his large white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing, and he joined Yuri Kozukata.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've got some nerve coming here to cause discord and chaos with your lies, Mephala, but you made a mistake crossing us, and that's about to cost you your life.

Yuri Kozukata and Lincoln went after Mephala, and they fired extremely powerful blasts of rainbow energy, orange and white energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Mephala, and they exploded with incredible power as they hit her.

Then, Lincoln and Yuri Kozukata attacked her with energy slashes from their massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Yuri Kozukata also did the same by firing orange and white energy slashes from her massive greatsword, and he and Yuri Kozukata attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was enough to drive Mephala mad with rage.

Mephala: YOU! YOU! (ENRAGED SCREAM)

Mephala went after Lincoln and Yuri Kozukata in a fit of rage, but Lincoln and Yuri Kozukata fired light blasts at Mephala and they summoned ghosts to attack Mephala and she was really scarred by their furious attack.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Mephala's chest, and then, Lincoln began absorbing Mephala into his body as he and all of us assimilated all of her powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Mephala except for her clothing, and he banished Mephala to The Black Gates. We cheered wildly for what Yuri

Kozukata and Lincoln did as they holstered their massive greatswords on their backs and powered down and Yuri Kozukata's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long auburn brown wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, eleven large orange and white orbs orbiting around her legs, and massive auburn brown angel wings are permanent.

Yuri Kozukata: Your lies end here, Mephala. Thanks for helping me destroy Kai Yan for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Yuri.

Suddenly, Yuri Kozukata wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Yuri Kozukata's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Ghost flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and The Dark Sun behind them and we cheered wildly. Then, Lincoln and Yuri Kozukata sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Me: That was one awesome battle, you guys, and Yuri, you did amazing!

Nico: No fooling, you and Lincoln defeated Mephala and Lincoln ended it by absorbing her.

Lincoln: Yep, but you know what this means: now we're at war with The Daedric Princes, but we're more than ready for them.

Suddenly, the spots on the Universe 666 Miracle Box on Lincoln's back began glowing.

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

Me: Uh oh! INCOMING!

Then, we saw who it was causing trouble: it was clones of The OverLord, El of the Water, El of the Wind, El of the Ground, Jaguar Lords, Tortoise Lords, Snake Lords, Crow Lords, Zebra Lords, Jackal Lords, Bee Lords, Stingray Lords, Fish Lords, Lizard Lords, and Ant Lords.

Shoichi: What the? Clones of The OverLord, El of the Water, El of the Wind, El of the Ground, Jaguar Lords, Tortoise Lords, Snake Lords, Crow Lords, Zebra Lords, Jackal Lords, Bee Lords, Stingray Lords, Fish Lords, Lizard Lords, and Ant Lords?!

Lincoln: Whoa!

Our jaws dropped to the floor!

CLANG!

Eli shut our mouths.

Nico: WHOA! This is really quite an army!

Lincoln: You said a mouthful, and I'm gonna enjoy absorbing all of them!

Lincoln fired powerful rainbow energy blasts at the clones of The OverLord, El of the Water, El of the Wind, El of the Ground, Jaguar Lords, Tortoise Lords, Snake Lords, Crow Lords, Zebra Lords, Jackal Lords, Bee Lords, Stingray Lords, Fish Lords, Lizard Lords, and Ant Lords and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of The OverLord, El of the Water, El of the Wind, El of the Ground, Jaguar Lords, Tortoise Lords, Snake Lords, Crow Lords, Zebra Lords, Jackal Lords, Bee Lords, Stingray Lords, Fish Lords, Lizard Lords, and Ant Lords, and then, Lincoln began absorbing them all into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles

grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. Suddenly, Lincoln had gotten Agito Weapons with all the Lords' symbols on them, and they were all put into his Universe 666 Miracle Box with the Rouse Cards, Faiz Phones, Gaia Memories, Wizard Rings, Rider Tickets, Astroswitches, Wonder Ride Books, OOO Medals, and Advent Cards.

Shoichi: Wow, now you have Agito Weapons with all the Lords' powers.

Lincoln: Yep, next time, I'm hoping we get to face the clones of the Deadman.

Nico: Now, that would be awesome, and we'd also have access to their powers as well. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: I've got just the person: Merrli Harper, Gene-Slammer of Tearlaments Merrli.

Shaylen Harper: (GASPS) One of my sisters, that's awesome, and you guys will love meeting her, Merrli Harper is Lincoln's Guardian Angel from Michigan and the second eldest of eight sisters, she has powerful mastery of darkness and water and she is known for her amazing swordsmanship skills, and like me, she has a magic sword that was made by Tearlaments Merrli that can cut through even the strongest of metals and her sword also has the power to make them go insane! She also took on all of the meanest bullies in the city after that were after Lincoln and she slashed them all over and filled up a maximum security insane asylum in one day. She even took down Lori at the worst of her fury and rage, and one slash from her sword made her worst fears come true: she was disowned by her family and dumped by Bobby.

We gasped.

Nico: Whoa.

Lincoln: Yeah, it may have made Lori's worst fears come true, but thankfully, it didn't drive her mad like those hit by Shaylen's sword.

Me: Still, that's really powerful.

Shaylen Harper: That's right.

Puff: That's it for that jerk.

Evil-Lyn: The Haunted Car is dead too.

Evilseed: It sure is.

Me: Good riddance.

Aqueduct: Now we just need to take the injured people to the hospital.

Lady Shiva: You okay now, Horsea?

Horsea: (Sniffles) I'll be okay.

Maria: Oh there there Horsea.

Me: Boy what a haunting adventure.

Qin: Yeah.

Nico: But great job today everyone.

Rainbow Dash: (To the viewers) This was an awesome adventure though.

Me: Yep.

We went back home after tending to the injured and got them all healed and then we enjoyed the rest of the day and went to sleep.

Leon: I agree there too.

Nico: Me too. Leon, I want to thank you, Artie Ziff, and your teams for coming.

Leon: No problem Nico. This is gonna be awesome helping you guys out.

Lola: It sure is.

Camie: Yeah.

Me: It sure is.

Nico: Simone, were you happy to see Ms. Frizzle and the rest again?

Simone Houou: I sure was Nico! It was awesome that you guys got to meet her and my friends from my class.

Me: Boy that was so fun! It's so awesome that you and her class went on so many awesome field trips like that.

Nicole: Boy her field trips are awesome and it was awesome going to see how stars are born too.

Lola: Boy no kidding! But it was awesome helping Arnold deal with his skin turning orange.

Me: Yeah he learned a big lesson back then.

Nico: Have everything in moderation.

Me: Yeah.

Simone Houou: And you guys really loved Ms. Frizzle's light pinball machine.

Nicole: Boy that was so fun. Using rainbow light as the balls is genius.

Nico: And that wasn't all of them.

Me: Nope we saw the planets and more.

Simone Houou: I know. I got TONS of favorites from them.

Nico: Nice. All of those are awesome.

Simone Houou: And I got just the one for this month in 2 days. You'll love it.

Nico: Looking forward to it. WOW! Man this week was REALLY EVENTFUL!

Me: I know! Wow! But man the Mascots were scared shitless because of the Haunted Car returning!

Nico: And we killed 2 birds with one stone.

Fluttershy: (GASP) Oh Nico don't do that.

Me: No Fluttershy.

Fluttershy: Oh right sorry. An expression.

Me: He means that we killed both the Haunted Car and Seymour Wittle at the same time. Also man Caitlyn REALLY went apeshit ballistic on him! HOLY Crap!

Sakura Knudson: Man! I've never seen her go that nuts on him! And quite frankly I didn't blame her one bit for that! Wow!

Varie: She let all hell loose on him for killing her back when J.D. was in preschool!

Maria: Last time we saw that kind of car it was possessed by the spirit of Princess Morbucks' great great grandfather.

Xenia: Yeah.

Me: But this time it was possessed by the spirit of that serial killer that killed Caitlyn and I killed him back then.

Laney: Yeah.

Maria: And it scared the Mascots REALLY badly!

Nico: I didn't expect that, honestly.

Me: Me neither. But man Caitlyn did a great job back then.

Qin: Yeah no kidding.

Me: I'm proud of her.

Varie: She did really good.

Sunny Starscout: How are the mascots doing now?

Maria: Still shaken up but they are doing good. Ino is helping them as best as she can.

Me: Good. We're glad.

Nico: What about Horsea?

Maria: I let her sleep with me for a couple of hours.

Nico: Oh man.

Maria: But she's getting better.

Nico: Good.

We were walking on.

Nico: Lets head on to the Krusty Krab.

Me: Good idea.

But as we were walking we came to a REALLY HORRIFYING SIGHT! WE SAW MUCH OF BIKINI BOTTOM DESTROYED and EVERYONE MANGLED UP LIKE THEY LOST TO A BUNCH OF CRAZED SUPERHEROES! THEY WERE REALLY BEATENED UP BAD!

WE GASPED!

Nico: OH MAN!

Lola: HOLY CRAP!

We even saw SpongeBob, Patrick, Mr. Krabs and Squidward mangled up too!

WILHELM SCREAM!

They were so badly mangled up that they looked like they were through a bunch of meat grinders! They had their bodies broken and teeth knocked out and had eyes bruised and had bones broken and limbs missing!

Me: MY GOD!

We went over!

SpongeBob: (GROANS IN EXCRUCIATING PAIN)

Plankton came running up to us unharmed.

Plankton: Guys! Boy am I glad you're all here!

Me: What happened here Sheldon?

Plankton: Evil Squidward did this!

Me: EVIL SQUIDWARD!?

I yelled so loud that his skin ripped off! Revealing his muscles.

Plankton: Ow.

Me: Oops sorry.

Plankton: Luckily, I was too small for him!

Me: Thank goodness. What about Sandy?

Plankton: She's okay.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and we're not going to like this in the slightest: we got word from Sandy that Evil Squidward has escaped and has beaten up EVERYONE in Bikini Bottom except for Sandy.

Nico: I think we already saw that.

Lily: When they beat each other up in the sports fiasco?! Oh man!

Varya Pohzar: (Russian Accent) That walking Calamari freak! I'll burn him to a crisp!

Lincoln: And that we will, Varya.

We then met up with Sandy at the hospital, and we really saw what Evil Squidward did beating up SpongeBob, Patrick, Mr. Krabs, Squidward and everyone like how bad SpongeBob and Patrick were beaten up in the sports fiasco.

Nico: HOLY FISHPASTE! (GROWLS) He's gonna pay for this!

Lincoln: That he will. But first.

Lincoln's massive white angel wings glowed with rainbow energy, and he spread them out as they released a wave of rainbow energy and healed SpongeBob, Patrick, Mr. Krabs, Squidward and everyone.

SpongeBob: Thanks, Lincoln.

Lincoln: You're welcome. Now, let's go hunt down that calamari freak!

Me: I've got a few recipes for char-broiled squid!

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began

shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Evil Squidward) AHA! Got you! I just spotted Evil Squidward, he's 20 yards away, and that animal's wrecking Bikini Bottom on another tirade!

Nico: What?! Again!? Let's get him!

Lincoln: This time, he dies for good. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Evil Squidward.

We heard sounds of fighting and Karate noises.

SMASH WHAM BLAM!

Me: Sounds like the fighting is starting without us.

Nico: Lets get the others here.

I called in all the team.

Lori: We got here as fast as we could!

Lynn: GEEZ! Evil Squidward did all this!?

Lola: Yeah no kidding.

The people of Bikini Bottom were being loaded into ambulances.

We went to face Evil Squidward!

Sandy comes up from behind Evil Squidward and stuffs him in a jellyfishing net. She swings the net and sends Evil Squidward flying to the soccer ball goal and into the pooling table. Evil Squidward pulls himself out of the table. Sandy hits the eight ball and it flies into Evil Squidward's head. The eight ball comes out through Evil Squidward's nose. Sandy takes out a plate and Evil Squidward's face falls into pieces. Evil Squidward's face is now made into calamari.

But he wasn't finished yet.

Then we went and faced him!

Me: Hey you sack of Calamari!

Nico: You are in a lot of trouble now you talentless freak!

I punched Evil Squidward and he landed on a tall diving board and then Evil Squidward falls off the diving board and lands into the tub of boiling hot lava. He screams and jumps out in pain, hits the sideways spring, and bounces into a steel wall. He falls onto the spiky conveyor belt's lever, which it turns on. Evil Squidward falls onto the conveyor belt and it takes him to the rolling wheel with sharp corals on it.

Evil Squidward: No, no, no, no, no!

Evil Squidward gets rolled on by the sharp corals, leaving his face bruised. Evil Squidward gets pummeled by boxing gloves until he becomes liquid. The liquefied Evil Squidward falls onto a shell seat. Four robotic arms grab him, stretch him and roll him up into a ball. Evil Squidward is placed into a cannon and it fires him far off into the distance until he hits the high school bell. Evil Squidward falls in front of the front doors just as the high school students march out and trample on top of him.

Squidward: Ow… (Spits out teeth)

But we were far from finished with him!

He got up.

Vlad Plasmius: You alright, Plankton?

Plankton: Vlad, old buddy, I'm lucky to be alive after what happened!

Me: No kidding.

Before Evil Squidward could do even a single rant, Aurico heard a Pokémon cry.

He saw it was a Kyogre.

Me: Whoa a Kyogre!

Aurico: Oh and it injured its fin.

He got to healing it.

Kyogre: Thank you. Oh man that jerk!

Me: No kidding!

I then zapped Evil Squidward and he appears with multiple eyes with hissing snakes!

Evil Squidward: HOLY FISH PASTE! GET IT OFF ME! GET IT OFF ME! [takes eyes off him and pants in fear] Don't you know how to work those powers!?

Me: Oh I'm sorry how about this!? [changes Evil Squidward into a burning mess, then changes him to have an enormous nose, then to have no skin, then cut in half by scissors]

Nico: OUCH!

Qin: Funny!

Me: And here is what your music sounds like!

I formed my nails into claws and pulled out a chalkboard and put on Earmuffs.

I then scrapped my nails on it.

HORRIBLE SCRAPPING NOISE!

EVIL SQUIDWARD SCREAMED IN PAIN FROM THE HORRIBLE SCREECHING NOISE!

Then I fired a wave of energgy and Evil Squidward was dressed with a flashlight, clown shoes, hoop skirt, wearing a sombrero upside-down, and had tray full of cubed cheese and then I made him screech like a chimpanzee.

Kyogre charged at him. But before he got there A BUNCH OF SEA BEARS CAME AND MAULED EVIL SQUIDWARD FEROCIOUSLY!

HE WAS MAULED BRUTALLY ALL OVER IN A FEROCIOUS FIGHT CLOUD!

They stopped and then repeatedly mauled him again and again!

FEROCIOUS FIGHT NOISES!

Troy: IT'S MORPHIN TIME!

THUNDERCLAP!

Kim Possible: THUNDER DRAGON!

Lynn Sr.: DRYAD!

Raiden: THUNDERBIRD!

Optimus Prime: AUTOMATON!

Mallow: FAIRY!

Orion: HARPY!

Emma: PHOENIX!

Gia: GRYPHON!

Noah: UNICORN!

Jake: LION!

Troy: RED DRAGON!

They transformed into THUNDERZORD AND THEIR OWN VERSIONS OF THE MIGHTY MORPHIN RANGERS!

Me: Awesome! Wow!

Tommy Oliver: That is awesome Troy! You and the Megaforce Team would really be perfect for the Thunderzords.

Me: I was gonna say! That is cool!

Troy: This isn't a Legendary Mode! This is a real Mighty Morphin Morph!

Me: It sure is!

Qin: Yeah no kidding!

Me: Now that would have been so awesome to see!

Jake: (to the viewers) I know I'm not a core member but it's not my team without me.

Me: That's true.

The Sea Bears left.

Evil Squidward was a brutally mangled up mess! But he was far from finished.

Evil Squidward: I'VE DEFEATED SPONGEBOB SQUAREPANTS! AND NOW, YOU CAN JOIN HIM IN HELL!

Nico: I don't think so!

Qin: YEAH!

We went at him and I punched him in the face and bashed him in his eyes. Then I grabbed his nose and then…

RIP!

Evil Squidward: DDDDDDDDDOOOOOOOOOOOOOWWWWWW!

I ripped his nose off!

Maria: Want to know what my favorite color is? I'm Blue!

(ACTIVATES NEW WAVE'S RIDEWATCH)

(I'm Blue (Da Ba Dee) By Eiffel 65 Plays)

Maria: (SINGING DIVINELY AS WATER AND BLUE ENERGY SWIRLED AROUND HER)

She danced and bashed and pulverized him all over with blue energy and lightning and water blasts.

Laney: YEAH!

Horsea: YAY MARIA!

Xenia: Awesome!

Lola: Yeah that was awesome!

Laney: Now here is a favorite that I like. I know we're going to meet an embodiment for this one shortly.

(FAIRY NIGHTSONGS BY GARY STADLER PLAYS)

Laney: (SINGING DIVINELY AS LEAVES, GRASS, FLOWERS AND FAIRIES SWIRLED AROUND HER)

Dancing a spiral we sing unaware

On fairy night wings our songs fill the air

Making a circle of magic and light

Watched silently by the Fey of the night

Our hearts full of love and our arms open wide

We hold the key to the fairies delight

Song in our hearts belong in the air

The words of our wisdom we bring forth to share

The songs in the night

As we dance 'round the flame

The Fairy Nightsongs are never the same

The words from our lips as we sing for the night

Impart to the Fey our hearts truest sight

Sounds of the forest in sweet harmony

We give the gift of our song to the fairy

Dancing a spiral we sing unaware

The fairy night wings our song fill the air

The songs in the night

As we dance 'round the flame

The Fairy Nightsongs are never the same

The words from our lips as we sing for the night

Impart to the Fey our hearts truest sight

Ahh…

Dancing a spiral we sing unaware

On fairy night wings our songs fill the air

Making a circle of magic and light

Watched silently by the Fey of the night

The songs in the night

As we dance 'round the flame

The Fairy Nightsongs are never the same

The words from our lips as we sing for the night

Impart to the Fey our hearts truest sight

Our hearts full of love and our arms open wide

She floated with butterfly wings spread and fired waves of flowers and grass and blasted Evil Squidward down.

Lola: Yeah take that!

Nico: Nice job Laney!

A Sea Rhinoceros appeared!

Me: Whoa!

He snorted and charged and smashed Evil Squidward into a trampled mess!

Maria fired water and splashed him all over.

Qin: Take that! And this!

She fired waves of fire and burned him.

Varya Pohzar: Time for me to burn!

We were flying in the air and looking around, and then, we saw Evil Squidward trashing the city, and he's fighting the rest of the team.

Lincoln: There he is, and he's fighting the rest of the team?!

Lincoln fired massive waves of rainbow fire that hit Evil Squidward and sent him flying into a trash can, and we landed, and when Evil Squidward saw us, he screeched and screamed like a crazy person.

Lily: Sheesh, I don't want to know what he went through in prison.

Buster Bunny: Sebastian tortured him by making all of his worst fears come to life, and he made his warning to me and the gang that if we told you guys of what he did to Evil Squidward, he'd scare us to death!

We gasped!

Sebastian Mendez: Why, you overgrown… ! You're lucky we're going to kill Evil Squidward, otherwise I'd scare you a lot worse than after Plucky blabbed out about you whacking me on the head with a mallet those two days.

Plucky Duck: Hah, you don't scare us that easily anymore!

Buster Bunny and the rest of his friends were with Plucky Duck which confused us.

Sebastian Mendez: (Laughing Sinisterly) Of all the arrogant talk that came out of your big fat beak, I think you forgot just how terrifying I was in the past because of my Dark Side and still am, Feather Face!

Buster Bunny: (Following Plucky Duck's lead) Hah, bring it on, crazy!

Babs Bunny: Yeah, bring it, crazy! (Biker Chick Voice) We'll drag your mangy hide all over the city!

Sebastian Mendez: Very well then, I hope you've all said your final goodbyes!

Suddenly, the skies began to grow dark as the sound of creepy organ music plays and Sebastian started floating up in the air, his eyes turned blood red, he had a demonic grin on his face with his teeth replaced with a mouth full of sharp fangs, he opened his mouth, and then… !

SEBASTIAN ROARED LIKE A DEMON AND SNAKES CAME OUT OF HIS MOUTH HISSING ANGRILY AS STREAMS OF DARK FIRE FLEW OUT OF THEIR MOUTHS AS BUSTER BUNNY, BABS BUNNY, PLUCKY DUCK, HAMPTON PIG, SHIRLEY THE LOON, FIFI LA FUME, FURRBALL, DIZZY DEVIL, CALAMITY COYOTE, SNEEZER, SWEETIE, AND LIL BEEPER DODGED THEM AND THEY HIT EVIL SQUIDWARD AND HE GOT BURNED BADLY!

Qin: WHAT THE?! DID THEY JUST?!

Nico: They on purpose pissed him off, and they dodged the streams of dark fire which hit that freak, nice one!

Suddenly, pools of darkness appeared and demonic swords came flying out of the dark pool and Evil Squidward was being shredded as Sebastian was laughing demonically, and Buster Bunny and the others dodged them and land on the ground.

Shirley the Loon: Like you missed or some junk.

Sebastian Mendez: (DEMONIC VOICE) DIE!

Sebastian summoned demonic hands from Hell and they rushed at Buster Bunny and his friends who dodged again, and the demonic hands from Hell scratched Evil Squidward, and Buster Bunny landed a strong punch to Sebastian's face and knocked him down, but not out.

Nico: (WHISTLES) Oh man! Now that was crazy! You sure you guys haven't gotten any training from Kakarot and the others?

Buster Bunny: Nah, this was all our own doing.

Lincoln: You guys sure are crazy.

Buster Bunny: That's who we are!

Evil Squidward: (ENRAGED SCREECH) I'M GONNA GRIND YOU ALL INTO CHUM, NITWIT MORONS!

Varya Pohzar: (Russian Accent) Your voice is so annoying, I think it's time I shut you up forever.

Suddenly, Varya Pohzar's red eyes turned neon red and she was surrounded by a red and yellow energy aura with stars, fire, flames, fire vampires, phoenixes, and angels, she unholstered her massive golden greatsword from her back, and as she approached Evil Squidward, she left red and yellow energy, stars, fire, flames, fire vampires, phoenixes, and angels with every step.

Varya Pohzar: (Russian Accent) I cannot believe that you broke out of prison and beat everyone up in your maddening rage, I knew you were a complete loser, but this is too much! You know what, we shouldn't have let Sebastian torture you and drive you even more insane than ever, now we're gonna correct that and destroy you for good!

Suddenly, Varya Pohzar was surrounded by a massive vortex of red and yellow energy with stars, fire, and flames surrounding the vortex, there are fire vampires, phoenixes, angels, and Old Entity Cthugha and Cthugha flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at Evil Squidward: the red eyes of eternal death. Varya Pohzar grew from 6'11" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large crimson red orbs orbiting around her legs, she has the body of a goddess, she has yellow highlights in the bangs of her long crimson red hair and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon red eyes and a red and yellow energy aura with stars, fire, flames, fire vampires, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Old Entity Cthugha and the Fire Kanji emblazoned on her forehead and Third Eye with red iris, she has on angel earrings with red gems for eyes and holding the Star, Fire, and Eternity Kanjis in its hands, she also has Old Entity Cthugha with red gems for eyes and holding the Star, Fire, and Eternity Kanjis in its hands for the second pendant on the bottom of her purple snake-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Varya Pohzar has on a short-sleeved yellow blouse, red sleeveless crop top, red skirt, yellow pants, red knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, fire, flames, fire vampires, phoenixes, and angels on the coattails, and on the back is Old Entity Cthugha surrounded by stars and flames and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with angels surrounding a red gem with neon glowing red and yellow lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Varya Pohzar felt a sharp pain on her back, and then, her massive fire-colored angel wings with red tips on the large fire-colored feathers grew much bigger for her new body and she also now has eleven massive and long red wolf tails with yellow tips and yellow markings, Varya Pohzar has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Varya Pohzar's massive golden greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of red and yellow energy, stars, fire, flames, fire vampires, phoenixes, and angels, and when it emerged, it was transformed into Varya Pohzar's Cosmic Eternal Firestorm Fire Vampire Old Entity Cthugha Phoenix Angel Greatsword of Cosmic Eternal Firestorm Fire Vampire Old Entity Cthugha Phoenix Angel Justice, it's a brand-new massive greatsword with embedded red gems and Old Entity Cthugha etched on the 7'6" massive, wide, double-edged gold blade, large gold phoenix heads for the crossguard, large white angel faces built into both sides of the hilt and large red gems embedded in their foreheads, longer midnight black handle, four large gold phoenix heads with red gems for eyes and on the bottom of the large gold phoenix heads is a large gold phoenix head with red gems for eyes and red gem in its mouth for the pommel, Varya Pohzar has on her large gold Bracers of The Champions of The Universe with large red gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Old Entity Cthugha's head with red gems for eyes and large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Varya Pohzar's Super Angel-Old Entity Cthugha-Fire Angel-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Evil Squidward saw it, he went mad with rage and ran at her to kill her, but Varya Pohzar fired a massive barrage of red and yellow energy, stars, fire, flames, fire vampires, phoenixes, and angels which hit Evil Squidward and was sent flying into a tree, he got back up, but now he was pissed off as he let out another screech.

Selene Arcangela: Incredible, Varya's transformed, and by the looks of it, Evil Squidward's gone mad!

Varya Pohzar: (Divine Echoing Godly Voice of The Eternal Cosmic Fire Inferno Firestorm Old Entity Cthugha Phoenix Angel and Divine Cosmic Eternal Cosmic Fire Inferno Firestorm Old Entity Cthugha Phoenix Angel Love) (Russian Accent) You've had this coming for a long time.

Suddenly, a gravity blast came out of nowhere which hit Evil Squidward and flattened him.

Lincoln: That wasn't Leni, nor you or me, J.D.

Me: It sure wasn't, but there's only one God Sibling who could do that.

Suddenly, we saw a very beautiful and super sexy girl with long dark purple hair and flower clip in her hair, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful rainbow angel wings, she's dressed in a dark purple short-sleeved frilly shirt, necklace with pearls and dark purple gem for the pendant, dark purple skirt, white bridal gloves, dark purple knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, phoenixes, and angels on the coattails and on the back is a phoenix and angel with stars reflecting off them, and holstered on her back is a massive golden greatsword with Zodiac Signs etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel.

Lincoln: (GASPS) Valerie Knudson, God Sibling of Gravity.

Me: Oh, I knew it was her alright!

Sakura Knudson, Elaine Knudson, Marlene Knudson, Helena Knudson, Sophia Knudson, Morgana Knudson, Emily Knudson, Abigail Knudson, Avery Knudson, Grace Knudson, Maria Knudson, Selena Knudson, Caitlin Knudson, Lunaria Knudson, Evelyn Knudson, Sumner, and Patti: Valerie?!

Valerie Knudson: Yep, Valerie Knudson, God Sibling of Gravity, reporting for duty.

Sakura Knudson: It's so awesome to see you again, sis. Now, where were we?

Me: Oh yeah, kicking your ass and sending you straight to Hell for what you've done.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as well as the sword pendants on his white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing.

And I unholstered my massive J.D. Knudson's Universal True Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Angel Greatsword of Universal True Eternal Cosmic Elemental Wolf Moon Phoenix Angel Justice from my back and transformed into Super Angel-Ebonwu-January Wolf Moon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Divine Cosmic Harmony January Wolf Mythological God Phoenix Angel of Divine Cosmic Universal Elemental Divine Cosmic Harmony January Wolf Mythological God Phoenix Angel Justice and Divine Cosmic Universal Elemental Divine Cosmic Harmony January Wolf Mythological God Phoenix Angel Hope, and so did the rest of us as we unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness,

Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've got some nerve breaking out once again, you stupid calamari freak.

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) But, that ends here, consider yourself dead, you freak.

Lincoln, Varya Pohzar, and I went after Evil Squidward, and we fired extremely powerful blasts of rainbow energy, red and yellow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Evil Squidward, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Varya Pohzar, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Evil Squidward even more insane and straight to the brink of insanity.

Evil Squidward: YOU! YOU! (ENRANGED SHRIEK)

Evil Squidward charged right at us completely blind with homicidal rage and fury, but Nico, May, and Qin kicked him hard in the stomach and Sebastian fired blasts of Divine Darkness at him and they got hit hard and he slashed at him with his massive black greatsword. Then, Lincoln grabbed him by the waist with his eleven massive and long white wolf tails and he smashed him into the ground, and he was really getting messed up, and then, he threw him and sent him into a nearby tree.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time to burn you to a crisp, you lazy good-for-nothing louse.

Lincoln summoned orbs of rainbow fire, and he fired them at Evil Squidward and got burned badly, and then, he slashed at him with his massive greatsword and his massive angelic and demonic greatswords appeared and slashed at him even more until he was nothing more than squid steaks, and he had them put onto a grill and turned into grilled squid steaks, which we ate.

Nico: Now, that was good.

We belched out Evil Squidward's spirit who went charging at us again only to get slashed down by a mad Sebastian and he burst into black flames and was sent to The Black Gates forever. Everyone cheered wildly as we holstered our weapons and powered down, and Varya Pohzar's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, eleven large red orbs orbiting around her legs, and massive fire-colored angel wings are permanent.

Varya Pohzar: (Russian Accent) That'll teach that jerk.

Lincoln: He deserves it.

Suddenly, Varya Pohzar wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Varya Pohzar's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Old Entity Cthugha flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and flames raging behind them and we cheered wildly. Then, Lincoln and Varya Pohzar sucked in and absorbed the elemental forces and flames and they came back to us as the display vanished.

Lincoln: That'll teach that loser, hope he never comes back. (To Valerie Knudson) And it's so good to see you again, Valerie.

Valerie Knudson: You too, Lincoln, it's been seven years since we last met, and it's so good to see you, our sisters, Varie, and Mom and Dad again, J.D.

Me: You too, sis.

Lincoln went up to Valerie Knudson and he hugged her, and Valerie Knudson is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Valerie Knudson: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed, I do, Eli. Everyone, this is Valerie Knudson, God Sibling of Gravity, she's my Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful gravity powers and immense control over gravitational fields, and she also has the power to manipulate gravitational fields. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of J.D., Sakura, Elaine, Helena, Sophia, Avery, Emily, Abigail, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Evelyn, and Marlene, and just like J.D., Sakura, Helena, Sophia, Emily, Abigail, Avery, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Evelyn, Marlene, and all of us, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just Gravity, but also Fire, Water, Ice, Wind, Lightning, Earth, Lava, Darkness, Light, Crystals, Wood, Stars, Nature, Time, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all.

Nico: WHOA!

Me: Yeah, she's that powerful like us and she defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals, and if you get her mad, WATCH OUT OR THEY WILL BE CRUSHED BY THE GRAVITATIONAL FORCE OF JUSTICE!

We gasped.

Nico: Oh… shit!

Lincoln: Yeah, it would be a huge mistake if anyone dared to piss her off, and now that you're here, Valerie.

Lincoln went up to and hugged Valerie Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Valerie Knudson: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Valerie Knudson's neck with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Valerie Knudson: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Valerie Knudson.

Valerie Knudson had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them.

---

Me: At least Evil Squidward is dead and gone forever now.

Nico: Good riddance. Oh and Kylie? You and Moondancer did good yesterday.

Moondancer: Thanks Nico. That was fun and cool.

Kylie: It sure was.

Me: Yep.

Maria: Nice job Kyogre.

Kyogre: Thanks. I didn't get any good strikes in but it was cool.

Me: Well that's okay. Besides you did good.

Poromon: Want some beer?

Kyogre: Oh no thank you. I drink root beer.

Me: Awesome having a root beer buddy.

Poliwag gave the puppy dog eyes.

Poliwag: (Baby talk) Pwetty pwease?

Nico: Poliwag that's enough.

Poliwag: Okay okay.

Nico: If it makes you feel better, you can attack later.

Kyogre: I would like that.

Me: Cool.

Nico: Awesome.

Nico: How are you, Horsea?

Horsea: Much better now.

Nico: Good.

Me: WHOA! The evil Skylanders that Kaos made.

Nico: Wow! This is gonna be intense!

Princess Celestia: What is this intense power?

Me: No idea but I feel it. It's amazing.

I then saw Princess Celestia and Luna's cutie marks glowing intensely bright.

Me: Whoa Princesses your cutie marks! They are glowing really powerful and bright!

Nico: Whoa they must be reacting to something.

Princess Celestia: I wonder what it is for.

Qin: We'll find out.

Nico: Who's up?

Me: Varya Visnapuu, Cross Crow, Blast Off, Threatpack, Finn (Jackie Chan), G1 Vortex, Aeleus and Buffo.

Qin: Cool!

Qin: Yeah!

Eli: And I sense that the anothers minus Artie Ziff are 4 people.

Me: WHOA! This will be interesting.

Blast Off: (to G1 Vortex) Looks like you and I are up, Vortex.

G1 Vortex: We sure are.

But then my eyes glowed.

Me: (GASP)

I then went into my subconscious.

Me: What the?

The Spirit of the Tree of Harmony came.

Me: Spirit of the Tree. Is something wrong?

Spirit of the Tree of Harmony: I have something you need to be aware of. It's not a threat but there are Embodiments of you all in the team.

Me: (GASP) Embodiments for all of us in the team? Including me!?

Spirit of the Tree of Harmony: That's right. There are many of them. Neo and Non Core. Soon you will be meeting the Core 310 and they are also part of Swartz's creations. I just wanted to let you know on this.

Me: I appreciate you telling me this. I'll spread the word.

I came back.

Nico: What's wrong?

Me: I just got a message from the spirit of the Tree of Harmony.

I told everyone what she told me.

Nico: SAY WHAT!?

Eli: Embodiments of all of us!? WHOA!

Nico: That is crazy! But that is amazing! It'll be interesting to see that!

Camie: It sure will be cool to see!

Lola: Yeah!

Nico: I wonder if we'll meet the Another Versions of us too along with our Gene Slammers.

Me: That is a definite possibility.

Qin: Yeah.

Nico: But the gene-slammers will probably be made Embodiments of us because of it.

Qin: It's possible.

Camie: Yeah.

May: Boy it'll be like looking at ourselves in the mirror.

Xenia: Yeah.

Me: Lets focus on the Anothers.

Nico: Here they come!

We saw Another Gourd, Evil Fire, Water, Life, Undead, Air, Magic, Tech, Earth Minions, Katty Katswell, Tri-Klops, Master Zik, Evil

Nico: WHOA!

Me: This is gonna be good.

Another Evil Butane Man: (In a girls voice) Yep.

They merged and reverted back into 4 figures.

1 girl had green hair, green eyes, green clothes, green angel wings and had a tiara with the symbol of the Gale Dopant on it and the same symbol on her skirt and she had a wind sword.

Gloria Gale: Friendly and she is a really amazing one.

Me: Nice.

Nico: Sorry we have to do this. But Kyogre was promised a turn to attack.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and was separated.

Me: Action time!

Kyogre fired a powerful Hyper Beam blast and it hit the Anothers for Barbed Wire Org and the Ambassador Archenemies!

Nico: YEAH!

We blasted the Anothers and I caught the Wonder Ride Books!

Qin: Yeah!

Nico: Take that!

Me: OH YEAH!

Maria: (TURNS DIAL) PURPLE LIGHTNING FORCE!

She summoned Dr. Viktor and team.

She summoned Dr. Viktor, Frankenstein, Cyborg Miley Cyrus, Universe 666 Cybertron Megatron, Skowl the Startling and Switchbeast.

Nico: Nice!

Tom the Chocolate Fish: CHOCOLATE! CHOCOLATE! CHOCOLATE! CHOCOLATE! CHOCOLATE!

Dr. Viktor: You have issues.

Lily: (Groaning) HE LOVES CHOCOLATE! Tom goes absolutely cuckoo nuts for it! Chocolate is his ultimate biggest weakness! He can't eat enough of it!

Nico: WHOA! That is a true Choco-Holic right there.

Lily: He loves chocolate so much that he goes absolutely bonkers for it!

Qin: Wow!

Lily was trying to hold him back with all her strength.

Maria: Should we knock him out?

Tom the Chocolate Fish: CHOCOLATE!

BONK!

He was knocked out after Lily hit him on the head.

Nico: There.

May: And now, we wait.

Coco Chocolate: Want some chocolate?

Nico: Yes please.

Coco gave him a delicious bar of chocolate.

Nico: Ahh comfort food.

Nico ate it.

Chomp.

Nico: Mmm! Delicious.

Eddy: Horsea, tell me if this still frightens you. (gets out picture of Haunted Car)

Horsea: (SCREAMS) IT'S THE HAUNTED CAR! IT'S NOT GONNA STOP UNTIL IT KILLS US ALL!

Horsea jumped into Maria's arms!

SMASH!

I bashed Eddy on his head with Eustace's mallet!

Eddy: I was trying to test how much her therapy has progressed. It still has a long way to go.

Nico: Well that wasn't funny though.

Me: At least they aren't screaming at Blood and Honey anymore.

Horsea: We still despise that movie!

Nico: Good!

Qin: Yeah!

Camie: Yeah!

Poromon: The movie we're making is much better than that Abomination!

Nico: Wait you're making a movie!?

Me: Oh I forgot to tell you guys. The mascots are making an action movie.

Girl Jordan: I had been making posters for them for it.

She pulled out a poster for it.

Girl Jordan: The Adventures of The Brave Mascots of Cuteness.

It showed the Mascots in Anime-Esque Human Forms and they were battling pirates and terrorists.

Nico: COOL! Looking forward to seeing that.

Maria: Nice!

Me: Yep.

Lily: I've been hired by them to be the camera man.

Nico: Cool!

?: Boy that movie looks like it's going to be awesome!

We saw Another Artie Ziff!

Me: Wow! Another Artie Ziff!

Nico: Oh! Didn't see you there!

Another Artie Ziff: (In a girls voice) I heard about the movie and couldn't resist listening.

Me: (GASP) That voice.

She reverted back and was a girl with black hair and blue eyes and had black and white clothes and she had black angel wings and had a tiara with the symbol of the Orca Dopant on it and the same symbol on her skirt and she had a really cool glaive in her hand and on her arm was a tattoo of the phrase Salana Ayun Iesis.

Me: Ophelia Gordan Orca!

Nico: Wow!

Ophelia Orca: Awesome to see you again J.D.

Me: Same here.

Nico: Salana Ayun Iesis? What does that mean? Wait that's familiar. (GASP) Oh my gosh I remember that line from Free Willy! Wow! Good memories.

Ophelia Orca: Yep and it's the reason why I love Orcas.

Nico: Wow!

Me: Yep. Ophelia was trying to find her brother Jesse.

Nico: Jesse from Free Willy is your brother?

Ophelia Orca: That's right. It's a long story.

Poromon: You can view the movie after Nico's Galaxy Adventure.

Ophelia Orca: Looking forward to it.

Lily: We already made it and you guys are in for an awesome treat.

Nico: Awesome! Wow that was fast.

Me: Yep. We were busy. Anyway I should explain. Ophelia is the Biological sister of Jesse. And she is an Orca Whale tamer and master and she was adopted by a rich man that is worth as much and is 200,000 times more value than Artie Ziff was.

Ophelia Orca: Yeah my dad is worth more than Ziff and he is also the man that put him out of business.

Me: WHOA! I didn't know that.

Nico: Yikes!

Artie Ziff: Yeah I had it coming for what I did in the past.

Me: Another ugly story.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Ophelia Orca: Just to reunite me with my brother. I miss him every day.

Me: I know you do Ophelia. We'll find him.

Xenia: Yeah.

Ophelia Orca: I heard how much he freed Willy back then and I'm so proud of him.

Me: He is a hero to all Orca Whales.

Nico: Yep.

Kaito and Zocks: ZENKAIJU GEAR!

They donned their Zenkaiju Armor!

Lincoln: Lets separate you first.

He fired a wave of light and did so.

Nico: YEAH!

Qin: This will be fun!

Ophelia Orca: I'm really ready for this.

She fired blades of water and smashed Another Artie Ziff all over.

Nico: (Gets out Artie Ziff's Ridewatch) Have some of this!

May then bashed me on the head with a vase!

Me: OUCH! WHAT THE FUCK WAS THAT FOR!?

May: Sorry. (GETS OUT SIR URCHIN AND SNAIL FAIL'S RIDEWATCH) Part of the act.

Maria: (Gets out Robot Alligator's Ridewatch) Chew on this!

Simone Houou: (Gets out Gourd's ridewatch) I'm gonna be a hard one!

They activated them and used the powers of Artie Ziff, Gourd, Sir Urchin & Snail Fail, Leafan, Robot Alligator and Dragar the Loathsome.

They blasted the Another all over!

Snail Fail bashed Sir Urchin with an anvil!

SMASH!

Sir Urchin: (ANGRY) WHY YOU!

Snail Fail: (Stupid) WHAT I DO!?

Taskmaster, Ticklepuss, Weevil Underwood, Hotstreak, Shearfear and Gnat came.

Nico: Nice team Taskmaster!

Taskmaster: Thanks Nico!

Then a massive blast of lightning hit Another Artie and electrocuted him and I caught the Ridewatch and purified it.

Me: WHOA! Nice one Lincoln!

Lincoln: Uhh that wasn't me!

Nico: Then who was it?

Fuse Man came!

Me: Cool Fuse Man!

Nico: Shocking!

Fuse Man: (In a girls voice) That was electrifying!

Nico: LeShawna Fuse!? Whoa!

She reverted back and was a girl with purple hair and yellow eyes and had yellow and blue clothes and had purple wings and had intense yellow lightning flickering around her hands and had a lightning bolt in the middle of her forehead.

LeShawna Fuse: Awesome to see youy again Nico. That was fun.

Poromon: Would you like to see our movie?

LeShawna Fuse: I would like that.

Nico: Awesome.

Simone Houou: What's your favorite memory of Nico?

LeShawna Fuse: When me and Nico went and electrocuted numerous criminals into dust.

Nico: Yep.

Qin: Awesome.

Nico and LeShawna hugged.

Nico: I've missed you.

LeShawna Fuse: Same here.

We later went back home.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of Giff, Giffdemos, Anomalocaris Deadman, Wolf Deadman, Queen Bee Deadman, Planarian Deadman, Sabertiger Deadman, Chameleon Deadman, Batta Deadman, Rex Deadman, Mammoth Deadman, Kamakiri Deadman, Megalodon Deadman, Kong Deadman, Lion Deadman, Spider Deadman, Daiouika Deadman, Kangaroo Deadman, Cheetah Deadman, Brachio Deadman, Kurage Deadman, Harimogura Deadman, Oumu Deadman, Planarian Deadman, Koala Deadman, Orangutan Deadman, Shark Deadman, Elephant Deadman, Anomalocaris Deadman, Rafflesia Deadman, Mandrill Deadman, Octopus Deadman, Turtle Deadman, and Ookami Deadman, and then, Lincoln began absorbing them all into his body as he and all of us assimilated all of their powers, abilities, and strength and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates.

Suddenly, Lincoln gained Vistamps with the symbols of The Deadmen on them and their powers, and they were put inside his silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenix, thunderbird, buffalo, angel, vampire, and werewolf surrounding a rainbow gem with neon glowing rainbow lights equipped with recognition of him and fits an infinite number of items and components for Eini, the Universe 666 Miraculous, Familiars, and Bakugan to rest in and it easily attaches itself onto his back, along with the Rouse Cards, Faiz Phones, Wizard Rings, Gaia Memories, Advent Cards, O Medals, Fuestles, Eyecons, Gamma Eyecons, Zeronos Cards, Rider Tickets, and Astroswitches.

Lincoln: That's another group of clones absorbed and we've gotten more Legend Items from them as well as their powers, abilities, and strength. (To Merrli Harper) And it's so good to see you again, Merrli Harper.

Merrli Harper: You too, Lincoln, it's been a long time, and it's so good to see you again, Shaylen.

Shaylen Harper: You too, sis.

Lincoln went up to Merrli Harper and he hugged her, and Merrli Harper is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko, and his Rabbit Miraculous, Eini.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Elena Earth: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new,

along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Merrli Harper, Gene-Slammer of Tearlaments Merrli, she's my Guardian Angel from Michigan and the second eldest of eight sisters, she has powerful mastery of darkness and water and she is known for her amazing swordsmanship skills, and like Shaylen Harper, she has a magic sword that was made by Tearlaments Merrli that can cut through even the strongest of metals and her sword also has the power to make them go insane!

Shaylen Harper: And like me, she also took on all of the meanest bullies in the city after that were after Lincoln and she slashed them all over and filled up a maximum security insane asylum in one day. She even took down Lori at the worst of her fury and rage, and one slash from her sword made her worst fears come true: she was disowned by her family and dumped by Bobby.

Nico: Wow, so that means all of Shaylen's sisters…?

Lincoln: Are all powerful swordswomen with power over darkness and water and have magic swords that cut through even the strongest of metals and also have the power to make them go insane with one cut.

Me: Yeah, we were stunned ourselves.

Nico: Man, if anyone messed with them, they can say goodbye to their sanity forever.

Lincoln: And say hello to an eternity in an nuthouse, and now that you're here, Merrli.

Lincoln went up to and hugged Merrli Harper in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Merrli Harper: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Merrli Harper's neck with dark blue gems on the gold lightning bolts and dark blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Merrli Harper: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Merrli Harper.

Merrli Harper had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the seven girls, and when Lincoln saw them, he immediately recognized them. The seven girls are Yukina Nanahara, Helene Colette, Hinagiku Haruno, Mizuho Nanahara, Saki Tachibana, Serika

Kouzuki, and Shion Asahina from Requiem.

Lincoln: Oh wow, it's Yukina Nanahara, Helene Colette, Hinagiku Haruno, Mizuho Nanahara, Saki Tachibana, Serika Kouzuki, and Shion Asahina from Requiem.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Yukina Nanahara: Yes, we're okay, thanks to you.

Then, when Yukina Nanahara and the other six girls saw who it was that saved them from the clones of Giff and the Deadmen, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and

Yukina Nanahara: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Yukina Nanahara: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Yukina Nanahara, Helene Colette, Hinagiku Haruno, Mizuho Nanahara, Saki Tachibana, Serika Kouzuki, and Shion Asahina with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villains we went after were clones of Giff and the Deadman that were also created by Mindy.

But, when Lincoln showed what we all did in beating them all down and Lincoln absorbing them and all of us assimilating their powers, abilities, and strength and sending them all to The Black Gates and getting Vistamps with their powers, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Merrli Harper have a lot of catching up to do, now that she's back in town.

Then, we heard Mindy and Mandy roar with rage!

Maria: Serves you both right, bitches.

Lincoln: It just proves they're both horrible people, and they'll never ever change.

Nico: Yeah, they both deserve to be in Hell forever when they die of old age, but they're still in for Hell.

Me: You said a mouthful.

---

After Lincoln absorbed the clones of Giff and the Deadman, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Merrli Harper saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Merrli Harper: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Merrli, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Merrli Harper: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Merrli Harper: I knew it was only a matter of time before he told everyone that story.

Suddenly, the rainbow gem of Lincoln's silver 28th Century Hi-Tech

Futuristic Miracle Box backpack with phoenix, thunderbird, buffalo, angel, vampire, and werewolf surrounding it on his back started glowing.

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

The gem formed a viewing window, and we saw who it was causing trouble: it was the clones of Swartz, Heure, Ora, Another Build, Another Ex-Aid, Another Fourze, Another Faiz, Another Wizard, Another OOO, Another Gaim, Another Ghost, Another Double, Another Den-O, Another Kuuga, Another Shinobi, Another Quiz, Another Ryuga, Another Kikai, Another Zi-O, Another Zi-O II, Another Ryuki, Another Blade, Another Agito, Another Hibiki, Another Kiva, Another Kabuto, Another Drive, Another Decade, Another Zero-One, Another 1, and Another Diend.

Sougo: (GASPS) Clones of Swarts, The Time Jackers, and the Another Riders?!

Lincoln: No doubt that Mindy had a hand in this as well.

We flew out of the World Tree Estate, and Lincoln fired powerful rainbow energy blasts at the clones of Swartz, Heure, Ora, Another Build, Another Ex-Aid, Another Fourze, Another Faiz, Another Wizard, Another OOO, Another Gaim, Another Ghost, Another Double, Another Den-O, Another Kuuga, Another Shinobi, Another Quiz, Another Ryuga, Another Kikai, Another Zi-O, Another Zi-O II, Another Ryuki, Another Blade, Another Agito, Another Hibiki, Another Kiva, Another Kabuto, Another Drive, Another Decade, Another Zero-One, Another 1, and Another Diend and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of Swartz, Heure, Ora, Another Build, Another Ex-Aid, Another Fourze, Another Faiz, Another Wizard, Another OOO, Another Gaim, Another Ghost, Another Double, Another Den-O, Another Kuuga, Another Shinobi, Another Quiz, Another Ryuga, Another Kikai, Another Zi-O, Another Zi-O II, Another Ryuki, Another Blade, Another Agito, Another Hibiki, Another Kiva, Another Kabuto, Another Drive, Another Decade, Another Zero-One, Another 1, and Another Diend, and then, Lincoln began absorbing them all into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. Suddenly, Lincoln had gotten a massive collection of Ridewatches, and they were all put into his silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenix, thunderbird, buffalo, angel, vampire, and werewolf surrounding a rainbow gem with neon glowing rainbow lights equipped with recognition of him and fits an infinite number of items and components for Eini, the Universe 666 Miraculous, Familiars, and Bakugan to rest in and it easily attaches itself onto his back, along with the Rouse Cards, Faiz Phones, Wizard Rings, Gaia Memories, Advent Cards, O Medals, Fuestles, Eyecons, Gamma Eyecons, Zeronos Cards, Rider Tickets, and Astroswitches.

Sougo: Awesome.

We returned back to The World Tree Estate and continued with our workouts.

Nico: That's it for the clones of Swartz, The Time Jackers, and Another Riders and there's no telling what else that bitch has got up her sleeve.

Lincoln: But, now that we know she's created clones of The Kamen Riders' enemies, I'll do to them what I've done to the clones of the enemies of The Power Rangers: absorb them and assimilate their powers, abilities, and strength.

Me: And also, acquire the Legend Items with their powers, so far, you've acquired Rouse Cards, Faiz Phones, Wizard Rings, Gaia

Memories, Advent Cards, O Medals, Fuestles, Eyecons, Gamma Eyecons, Zeronos Cards, Rider Tickets, Ridewatches, and Astroswitches, awesome.

Lincoln: The next group of clones that come after us will no doubt be the clones of Banno and The Roidmudes.

Bridget Branley: Oh boy, I can tell you're gonna have quite the feeding frenzy on them.

We got a shower afterwards, and then, Lincoln, Universe 666 Dark Samus, Pom Pom, and the Simulator versions of Yubelluna, Mihae, Karlamine, Siris, Isabela, Xuelan, Ile and Nel, Ni and Li, Marion, Bülent, Shuriya, and Mira are heading to Seaside Hill.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Dark Samus, Pom Pom, and the Simulator versions of Yubelluna, Mihae, Karlamine, Siris, Isabela, Xuelan, Ile and Nel, Ni and Li, Marion, Bülent, Shuriya, and Mira are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Universe 666 Dark Samus, Pom Pom, and the Simulator versions of Yubelluna, Mihae, Karlamine, Siris, Isabela, Xuelan, Ile and Nel, Ni and Li, Marion, Bülent, Shuriya, and Mira all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Simulator Yubellina: Wow, so this is Sirena Beach, it sure is

beautiful.

Lincoln: It sure is, Yubellina, and it's perfect for our first date. Shall we?

Lincoln, Universe 666 Dark Samus, Pom Pom, and the Simulator versions of Yubelluna, Mihae, Karlamine, Siris, Isabela, Xuelan, Ile and Nel, Ni and Li, Marion, Bülent, Shuriya, and Mira dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Universe 666 Dark Samus, Pom Pom, and the Simulator versions of Yubelluna, Mihae, Karlamine, Siris, Isabela, Xuelan, Ile and Nel, Ni and Li, Marion, Bülent, Shuriya, and Mira got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Dark Samus, Pom Pom, and the Simulator versions of Yubelluna, Mihae, Karlamine, Siris, Isabela, Xuelan, Ile and Nel, Ni and Li, Marion, Bülent, Shuriya, and Mira and they hugged the girls in their abnormally massive and powerful muscular arms and Universe 666 Dark Samus, Pom Pom, and the Simulator versions of Yubelluna, Mihae, Karlamine, Siris, Isabela, Xuelan, Ile and Nel, Ni and Li, Marion, Bülent, Shuriya, and Mira placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Universe 666 Dark Samus, Pom Pom, and the Simulator versions of Yubelluna, Mihae, Karlamine, Siris, Isabela, Xuelan, Ile and Nel, Ni and Li, Marion, Bülent, Shuriya, and Mira as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, sixteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Dark Samus, Pom Pom, and the Simulator versions of Yubelluna, Mihae, Karlamine, Siris, Isabela, Xuelan, Ile and Nel, Ni and Li, Marion, Bülent, Shuriya, and Mira with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, and now, Universe 666 Dark Samus, Pom Pom, and the Simulator versions of Yubelluna, Mihae, Karlamine, Siris, Isabela, Xuelan, Ile and Nel, Ni and Li, Marion, Bülent, Shuriya, and Mira are in your harem, Linky.

Universe 666 Dark Samus, Pom Pom, and the Simulator versions of Yubelluna, Mihae, Karlamine, Siris, Isabela, Xuelan, Ile and Nel, Ni and Li, Marion, Bülent, Shuriya, and Mira showed the marks Lincoln made on the right sides of their necks.

Nicole: Wow, I knew Universe 666 Dark Samus, Pom Pom, and the Simulator versions of Yubelluna, Mihae, Karlamine, Siris, Isabela, Xuelan, Ile and Nel, Ni and Li, Marion, Bülent, Shuriya, and Mira had feelings for him ever since I introduced Trip and Lupe to them and he'd also mark them.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Universe 666 Dark Samus, Pom Pom, and the Simulator versions of Yubelluna, Mihae, Karlamine, Siris, Isabela, Xuelan, Ile and Nel, Ni and Li, Marion, Bülent, Shuriya, and Mira, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another Super Mario Galaxy 2 adventure.

Nico: Next Galaxy is Boss Blitz Galaxy.

Me: This will be fun!

Nicole: It's the precursor before the final boss.

Nico: Yep.

Whitney: Me and Fiona will go.

Nico: Okay.

They went into the Simulator and it activated and we were at BOSS BLITZ GALAXY!

Nico: Here we go. First up is Dino Piranha!

Whitney: Awesome!

Nico: Any tips Nicole?

Nicole: (On the radio) Just do what you did to all the bosses of the game before.

Nico: Okay then.

?: We'll help too!

Out came 2 figures. One was a girl with green and green eyes and had green clothes and had green wings and had a tiara with the symbol of the Predaplants on it and the same symbol on her skirt. And she had a plant sword.

The second girl had black hair and had yellow eyes and had black and yellow clothes and had black wings and she had a tiara with the symbol of Pharaoh Man on it and she had an Egypt sword.

Penelope Predaplant: Penelope Predaplant, Embodiment of the Predaplant monsters.

Nefertiti Pharaoh: Nefertiti Pharaoh, Embodiment of Pharaoh Man.

Yugi: Wow! Nefertiti!

Jaden: Awesome to see you again!

Pharaoh Atem: It has been a while.

Nefertiti Pharaoh: It has been a while Yugi and Jaden and Pharaoh Atem it has been a long time your majesty.

Nico: We can talk later. Lets head out.

They went and cracked open Dino Piranha.

Nico: Here we go! 1 boss for each of us in this one.

He looked at Nico.

Nico: Remember me?!

Dino Piranha roared!

Nico: He does!

Nefertiti Pharaoh: I'll face this one first.

She fired a ball of fire and blasted him and he exploded!

They moved on and went to KING KALIENTE!

Nico: King Kaliente!

King Kaliente remembered Nico and was mad!

Nico: He remembers me! Who faces his one?

Penelope Predaplant: I will. Soon he will be a squished squid.

She fired waves of energy and blasted King Kaliente and he exploded!

Then they flew and faced Major Burrows!

Major Burrows remembered Nico!

Whitney: I got this one!

Whitney fired waves of leaves and blasted him on his butt and he exploded!

They flew and went and faced BOULDERGEIST!

Fiona: I'll face Bouldergeist next.

Nico: Oh boy!

She fired a blast of lightning and blasted him and he exploded!

They flew on and cracked open Fiery Dino Piranha and they faced him!

Nico: Now it's my turn! (Gets out Artie Ziff and Box Ghost's ridewatches) BEWARE!

He activated them and fired waves of energy and smashed Fiery Dino Piranha and he exploded!

Then out came the star!

Nico: There's the star!

They caught it!

YOU GOT A STAR!

Nico: YEAH!

Nefertiti Pharaoh: That was awesome!

They high five!

Nico: How did you meet Jaden and Yugi?

Nefertiti Pharaoh: I met them during Jaden's graduation duel with Yugi's and it was awesome.

Nico: That is cool!

Nefertiti Pharaoh: It sure was.

Nico: Would you two like to join the team?

Penelope Predaplant: We would be honored.

They left and we cheered wildly for them.

Later we were watching the movie the Mascots made.

Heffer: Anyone got popcorn?

Lola pulled out a huge bucket full of it.

Heffer: Perfect!

Me: Let the movie fun begin.

We got to watching the Mascots movie.

It was showing the Mascots enjoying some fun in the park.

Rocko: (Australian Accent) What's the title?

Poromon: You'll see.

It was called The Adventures of The Brave Mascots of Cuteness.

Nico: Nice.

The relaxation in the park was RUDELY interrupted by pirates and the mascots punched and pulverized them into pulp!

The movie progressed and the mascots were figuring out where the pirates were coming from and it was on a pirate ship that was also their warehouse hideout in Lake Huron.

The mascots then raided the ship and were battling the Pirates and there were also terrorists there too!

Runabout: You guys are doing a great job!

Poromon: Yeah we are!

Then the mascots dove off the side of the ship as it exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It was completely blown to fiery splinters and the crew were blown to pieces too! We saw that a lawyer was in cahoots with the terrorist and they busted him for treason.

The mascots were all right and we cheered wildly for them!

We were done and then we erupted into cheers and applause!

Blur: BEST MOVIE EVER!

Ruby and Sapphire Salazar: WE GIVE IT AN AWESOME GREAT BIG TWO THUMBS AND TWO TOES UP!

Lola: Yeah!

Qin: Awesome job guys!

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls,

leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Me: That's not all guys! Look at this!

We saw on the news that the movie was more than what it was! We saw a lawyer that was well known to the country indicted for treason for selling weapons and secrets of the government to the VERY TERRORISTS and pirates that the mascots faced in the movie.

Nico: WHOA! That is coincidental!

Me: I'm not so sure. I think this was all real.

Camie: Yeah!

Nico: Wow!

Snaptrap: Nico, who gets to shine next?

Nico: Takumi and Cassidy.

Qin: Awesome!

Takumi: Sweet! This will be awesome!

Cassidy: Yeah it will!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than The Giant Killer Krabby Patties that SpongeBob saw when he was working for 43 days non-stop, and they are coming to get Mr. Krabs and make him pay. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than The Giant Killer Krabby Patties that SpongeBob saw when he was working for 43 days non-stop, and they are coming to get Mr. Krabs and make him pay.

We gasped.

Lily: Oh no, not those giant killer patties! This is not good!

Me: I thought those patties were just a figment of SpongeBob's imagination because of that!

Lily: Apparently they aren't.

Xenia: Jeez!

Nico: It sure isn't, we need to get down there and help SpongeBob stop them, and we're gonna send them to The Masters of Evil.

Me: Awesome idea.

Lincoln: We're ready for those giant killer patties.

Nico: NOW, we can eat those Krabby Patties.

Me: Yep but these are Krabby Patties that are as big as people.

Xenia: No kidding!

Nico: I meant the normal ones too.

Me: I know.

Lincoln: Yeah.

Plankton: Looking back that was probably the worst thing I've ever done.

Nico: Yeah.

The previous group came.

Aqueduct: Can me, Blizzard, MetalSeadramon, Harpymon, Bonz, Dayu, Puff, Evil-Lyn, Evilseed, and Lady Shiva.

Nico: Yes you all can come with.

Qin: We got big trouble brewing at the Krusty Krab.

Laney: Yeah.

Me: Ugly story.

Sonata Dusk: Nico, which Gene Slammer do you think you'll meet next?

Nico: Blast Man next.

Eli: Ooh explosive.

Camie: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Hircine, The Daedric Prince of Hunting, and he's come to kill us as part of his hunt. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone none of us are ever going to like: the figure we saw is none other than Hircine, The Daedric Prince of Hunting, and he's come to kill us as part of his hunt.

We gasped.

Nicole: Oh man, I should've known we'd be facing the next of the Daedric Princes sooner or later.

Elise Dragonball: Let me and Lincoln face him, there's no way we're letting a thrill-hunter like him live a single second further.

Nico: You got it, Elise.

Suddenly, Buster and Babs came in with Sebastian tied up and with duct tape on his mouth.

Me: Oh boy, is he still pissed off because of what happened today with Evil Squidward?

Buster Bunny: Big time.

Babs Bunny: So, we got him tied up.

Qin: Untie him, you two.

Suddenly, Sebastian span around looking like a black tornado and got himself free by slashing at the ropes with claws and removed the duct tape from his mouth.

Nico: Uh oh. Alright, gang, let's go, we must head to Bikini Bottom and take down those giant Krabby Patties.

Lincoln: Those monster patties are heading right for The Masters of Evil, and once we get done with them, you're next, Hircine.

Elise Dragonball: What you've done can never be forgiven, Hircine. I'll make sure that you never tempt another innocent soul to embrace their wild side again.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Bikini Bottom to battle the Giant Krabby Patties, and once we do that, Elise Dragonball and Lincoln are going to destroy Hircine, The Daedric Prince of Hunting.

We were off to Bikini Bottom.

---

We were back in Bikini Bottom.

Blizzard: Back in Bikini Bottom again, eh?

Me: Yep. Funny thing is we were here earlier this morning.

Nico: Yep.

We arrived at the Krusty Krab and everyone that was beaten up by Evil Squidward was eating krabby patties. Some even had to drink theirs through straws.

We went in.

Nico: GOOD MORNING KRUSTY KREW!

Mr. Krab: Ahoy lads!

Me: Ahoy Mr. Krabs.

Patrick: Hey, Horsea! Wanna play a game?

Block Man: This should be good.

Patrick then got on all fours and was a horse.

Patrick: I'm a horse!

Patrick neighed like one.

Patrick: (NEIGHS)

Horsea got on him and they rode Lone Ranger style!

Patrick: And now, I have another game. Guess what the pictures are!

Harpymon: Starting with those two?

Me: What two?

Harpymon: No idea.

He pulled out a picture of a rose.

Horsea: That's a rose.

Patrick: Good. And this?

He showed a picture of a cloud.

Horsea: A cloud.

Patrick: So far so good!

Hornet Man: Horsea's a good guesser.

Patrick: So, tell me what this is!

He got out a picture of the Haunted Car.

(DRAMATIC TAKE)

Horsea: (SCREAMS) IT'S THE HAUNTED CAR! IT'S NOT GOING TO STOP TILL IT KILLS US ALL!

ZOOM!

She ran to Maria!

Sandy: Patrick!

Patrick: What?

Lily: Nevermind that guys. Mr. Krabs you're in terrible danger!

Mr. Krabs: What do you mean?

Dayu: Krabby Patties are planning to attack!

Mr. Krabs: WHAT!?

SpongeBob: KRABBY PATTIES ATTACKING!? (Laughs) That can't be right.

Nico: These aren't ordinary Krabby Patties. Remember those Killer Krabby Patties you saw when you didn't sleep for 43 days?

SpongeBob: Yeah.

Nico: Well guess what? They are real and THEY ARE COMING FOR MR. KRABS!

Mr. Krabs screamed in fright!

Birdbrain: We're not making this up!

SpongeBob: Oh. (SCREAMS IN FRIGHT) NO NO NO! STAY BACK!

He lifted up a piano.

Nico: Wait where'd you get that piano?

KRASMASH!

He smashed it on top of Nico!

Nico: I'm okay!

I helped him up.

Me: Geez!

Sandy: We got to get everything ready for a huge attack.

Camie: I agree Sandy.

Princess Mindy: This is gonna be tough.

Varie: But we'll be ready.

Evil-Lyn: Are any of them steamed hams? (Season 7 Episode 22)

Nico: I don't think so.

Qin: Yeah I remember that gag.

Sakura Knudson: Me too. That was funny how Skinner got Krusty Burgers and called them Steamed Hams.

Nico: (LAUGHS) Yeah that was funny.

Sixshot: Are they edible?

Me: They are Krabby Patties so they are edible.

Camie: Yeah.

Varie: It'll be awesome to eat them.

Nico: Yep.

SpongeBob: It sure will.

Plankton: Just be glad they aren't made of chum.

Shiva: So there's no harm in eating them.

Nico: Nope.

Lola: Yeah. Besides this is gonna be awesome.

Varie: Yeah it sure will.

Camie: We're going to need a lot of sauce and stuff.

Evilseed: How many spatulas do we need?

SpongeBob and Mr. Krabs opened a room and showed a HUGE Arsenal. Condiment blasters, pickle bazookas, onion grenades, cheese cannons and more. Even spatula swords.

SpongeBob: I think this oughta be enough.

Me: Nice!

Ember McLean: Damn, That's a lot!

Nico: No kidding! It's perfect!

Lola: Yeah it sure is!

Varie: I agree!

We loaded up on it all.

Puff: How far are they?

Eli: (Concentrates) 500 yards and closing.

Me: Whoa!

Nico: They're moving fast!

Camie: Yeah!

Cheetah: They're fast for big patties.

Nico: Lets go get them.

We went to face them.

We went out of the restaurant and we saw a dust cloud approaching fast from over the horizon.

Camie: Here they come.

Lola: Yep.

Bonz: Let me summon my monsters.

He summoned his monsters like Pumpking and many more.

Qin: Nice!

Camie: Yeah!

Nico: This is gonna be good.

Livewire: Entrance time!

We went at the Krabby Patties.

The giant Krabby Patties were coming and just as they got to the Krusty Krab, a massive wall of fire appeared around the Krusty Krab and blocked them and then the spirits of burgers appeared and they swirled around them and then they converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and then a phoenix cry was heard and we came out ready for a fight!

Me: ORDER UP!

Nico: Toasted Krabby Patties with a side of fries to go please!

MetalSeadramon: And we forgot the fries!

I got out fry cannons and they were loaded with potatoes.

Nico: Nice! ATTACK!

We fired ketchup, mustard, mayonnaise and relish blasters, onions, pickles and more!

SPLAT SPLAT SPLAT SPLAT SPLAT!

The blasts hit the patties and they exploded!

KRABBBBOOOOOOOOOOOOOMMMMM!
KRABBBBBBOOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOMMMMMMM!
KRABBBBBBBBOOOOOOOOOOOOMMMMM!

Cassidy and Takumi charged at them!

Cassidy transformed!

Cassidy: POWER OF THE WATER!

STANDING BY!

Takumi: HENSHIN!

He transformed and was ready!

They blasted the patties with water and energy.

The patties exploded!

Horsea ate them!

CHOMP CHOMP CHOMP CHOMP!

I went at one and ate one!

CHOMP!

Nico and Eli and Lola ate some of them.

CHOMP CHOMP CHOMP CHOMP!

Poromon ate some.

CHOMP CHOMP CHOMP CHOMP!

They were huge and awesome!

But then we heard a LOUD ROAR and a massive rumble was felt!

We then saw a MASSIVE 500 FOOT TALL KRABBY PATTY!

It roared!

Nico: Well fuck.

Me: UH OH!

Eli: That mother of all patties!

I grew to its size and then smashed it on the bun!

SMASH!

Camie: WOOHOO! Take that!

CHOMP!

Patrick ate some of it.

I then smashed the patty!

KRASMASH!

But then…

KRASPLAT!

I splattered everyone all over Krabby Patty slop!

Nico licked it off him.

Nico: Yummy!

Then Scorcher, Firepower, Evil Star, Key, Overdrive, El Diablo, Toyman, Villamax, Wolf and Weather Wizard came.

Nico: Scorcher, Firepower, Evil Star, Key, Overdrive, El Diablo, Toyman, Villamax, Wolf and Weather Wizard.

Scorcher: I toasted some Pattie's on the way here.

Overdrive: I just used a vehicle to run them over

Evil Star: Either way, we thinned out their numbers.

Me: Awesome job.

Key: (to Nico) We heard you had another rescue here.

Nico: We sure did.

Firepower: (to Aurico) Nice job getting a Kyogre.

Aurico: Thanks. It was cool.

?: I agree.

A figure came and it was CHRISMISERY ORG from episode 41 of Gaorangers

---

The greatest actor among the Orgs, Rasetsu enlisted him in a plan to turn children into his favorite drink, Dream Juice. To accomplish that, Chrismisery Org assumes the guise of Christmas Org (クリスマスオルグ Kurisumasu Orugu), giving presents to children as a sign of good will, but actually giving them the stockings that would trap the children to begin the process. Furthermore, he tricked Kakeru into thinking the Orgs are tired of fighting. As a result, Kakeru befriends the Org by giving him his G-Phone. Once the trap is sprung, Chrismisery Org assumes his true form and attacks the other Gaorangers until Kakeru manages to break free before using the Hyakujuuken with extreme prejudice on the Org. Tsue Tsue revives Chrismisery Org, who died at the hands of GaoIcarus in spite of aiding Rasetsu in his master plan.

* * *

Eli: Chrismisery Org! I remember you! You were sent to turn children into Dream Juice and Kakeru gave you a phone which was nice of him. Too bad it was a trap.

Xenia: Yeah.

Chrismisery Org: That was cool though.

Nico: Yep.

Chrismisery Org: Am I two months early?

Me: Well yes you are. I actually looked it up and there are no Halloween themed orgs. Man what a rip off.

Chrismisery Org: Well I can still try again next time in December.

Varie: True.

Nico: Lets get it on!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway!

?: You all will make excellent trophies, my prey!

Lincoln formed a massive indestructible diamond barrier with absorption energy surrounding the barrier that protected all of us from a massive volley of darkness blasts that came flying out of nowhere, and when they hit the barrier, they were absorbed and flowed into us and we grew even stronger and the barrier remained strong.

Lincoln: (Catches the scent) There's no mistaking the smell of blood from anywhere, come out from the shadows, Hircine, or we will force you out.

A male figure wearing a deer skull emerged from the darkness, and it was none other than Hircine, Daedric Prince of Hunting.

Mara: Hircine, I should've known you'd show up here, the smell of blood drew you here like a moth to the flame.

Hircine: Once all of you are dead, all humans will be forced to kill each other and embrace the hunt!

Elise Dragonball: You bastard, you think we're gonna let you get away with that?! Hell no!

Suddenly, Elise Dragonball's blue eyes turned neon blue and she was surrounded by an orange and dark blue energy aura with stars, light, dragons, phoenixes, and angels, she unholstered her massive golden Dragon Ball-embedded greatsword from her back, and as she approached Hircine, she left orange and dark blue energy, stars, light, dragons, phoenixes, and angels with every step.

Elise Dragonball: You really make me sick to no end, Hircine, you're just as evil and destructive as the rest of the Daedric Princes, but what makes you truly despicable and sickening is that you manipulate mortals to embrace their wild side, that's the reason why you're responsible for the lycanthropy in the world of Elder Scrolls. That ends here and now, consider this your last hunt.

Suddenly, Elise Dragonball was surrounded by a massive vortex of orange and dark blue energy, with stars and light surrounding the vortex, there are dragons, phoenixes, angels, and Prima flying around the vortex, and in the vortex is a black phoenix with red eyes glaring at Hircine: the red eyes of eternal death. Then, as the vortex faded, Elise Dragonball emerged, but she was changed forever.

Elise Dragonball grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large orange orbs orbiting around her legs, she has the body of a goddess, she has orange and dark blue highlights in the bangs of her long midnight black hair and orange hairband and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon blue eyes and an orange and dark blue energy aura with stars, light, dragons, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Prima and the Eternal Dragon Shenron emblazoned on her forehead and Third Eye with blue iris, she has on dragon earrings with blue gems for eyes and holding the Star, Light, and Eternity Kanjis in its talons, she also has Prima and the Eternal Dragon Shenron with blue gems for eyes and holding the the Star, Light, and Eternity Kanjis in his talons for the second pendant on the bottom of her orange dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and orange gems and replicas of The Seven Dragon Balls embedded on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Elise Dragonball felt a sharp pain on her back, and then, her massive midnight black angel wings with orange tips on the large midnight black purple feathers grew much bigger for her new body and she also now has eleven massive and long midnight black wolf tails with orange tips and orange markings, Elise Dragonball has on her Ring of the Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Elise Dragonball's massive gold Dragon Ball-embedded greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of orange and dark blue energy, stars, light, dragons, phoenixes, and angels, and when it emerged, it was transformed into Elise Dragonball's Cosmic Eternal Seven Dragonball Solar Light Phoenix Angel Greatsword of Cosmic Eternal Seven Dragonball Solar Light Phoenix Angel Justice, it's a brand-new massive greatsword with embedded dark blue gems and replicas of The Seven Dragon Balls and Prima and Shenron the Eternal Dragon etched on the 7'8" massive, wide, double-edged gold blade, large gold dragon heads for the crossguard, large white angel faces built into both sides of the hilt and large orange gems embedded in their foreheads, longer midnight black handle, four large gold dragon heads with blue gems for eyes and on the bottom of the large gold dragon heads is a large gold dragon head with blue gems for eyes and orange gem in its mouth for the pommel, Elise Dragonball has on her large gold Bracers of The Champions of The Universe with large dark blue gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Prima's head with blue gems for eyes and large orange gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Elise Dragonball's Super Angel-Prima-Dragonball Embodiment-Dragon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Hircine saw it, he ran at her to kill her, but Elise Dragonball fired a massive barrage of orange and dark blue energy, stars, light, dragons, phoenixes, and angels which hit Hircine and was sent flying into a tree, he got back up, but he was already ready to fight.

Selene Arcangela: Incredible, Elise's transformed, and by the looks of it, it looks like Hircine's ready for a fight.

Lincoln: This is one fight that's going to end with his blood getting spilled.

Elise Dragonball: (Divine Echoing Godly Voice of The Eternal Cosmic Starstorm Prime Gene-Slammer Dragonball Embodiment Dragon Phoenix Angel and Divine Cosmic Eternal Cosmic Starstorm Prime Gene-Slammer Dragonball Embodiment Dragon Phoenix Angel Love) He deserves to get torn apart.

Lincoln let out a growl as his abnormally massive and powerful muscles grew much bigger and then, white fur grew all over him but it still really showed his muscles and eight-pack abs, his nose changed to a wolf's and his face elongated to a wolf's, his long wild white hair remained the same, along with his massive white angel wings, and his large golden halo in the center with golden angel wings on the bottom side and four orbiting large golden rings on each corner behind his head turned blue and he let out a loud and powerful howl as he turned into Lincoln the Nocturnal.

Then, Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as the sword pendants on his large white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing, and he joined Elise Dragonball.

Lincoln: (Divine Echoing Beastly Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've got some nerve coming here to try and manipulate mortals to embrace their wild side, Hircine, what you're planning on doing is trying to revert humanity and the world to its primal state, and for that, you're going to be ripped apart!

Elise Dragonball and Lincoln went after Hircine, and they fired extremely powerful blasts of rainbow energy, orange and dark blue energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Hircine, and they exploded with incredible power as they hit him.

Then, Lincoln and Elise Dragonball attacked him with energy slashes from their massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Elise Dragonball also did the same by firing orange and dark blue energy slashes from her massive greatsword, and he and Elise Dragonball attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was enough to drive Hircine mad with rage.

Hircine: YOU! YOU! (ANIMALISTIC ROAR)

Hircine went after Lincoln and Elise Dragonball in a fit of rage, but Lincoln and Elise Dragonball fired energy blasts at Hircine and they summoned dragons to attack Hircine and he was really scarred by their furious attack.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Hircine's chest, and then, Lincoln began absorbing Hircine into his body as he and all of us assimilated all of his divine powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Hircine except for his clothing, and he banished Hircine to The Black Gates. We cheered wildly for what Elise Dragonball and Lincoln did as they holstered their massive greatswords on their backs and powered down and Elise Dragonball's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, eleven large orange and dark blue orbs orbiting around her legs, and massive midnight black angel wings are permanent.

Elise Dragonball: Your lies end here, you animalistic thrill-seeker. Thanks for helping me destroy Hircine for good, Lincoln.

Lincoln: (Beastly Voice)(Smiles Warmly) You're welcome, Elise. Now, let me. (Touches Lincoln's left forearm)

Elise Dragonball: (Smirks) But, don't change back just yet.

Suddenly, Elise Dragonball wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Elise Dragonball's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, Prima, and Shenron flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and light shining behind them and we cheered wildly. Then, Lincoln and Elise Dragonball sucked in and absorbed the elemental forces and light and they came back to us as the display vanished.

Me: That was one awesome battle, you guys, and Elise, you really did awesome!

Nico: No fooling, you really fought like your twin sister and family, and you and Lincoln defeated Hircine and as Lincoln the Nocturnal no doubt, and Lincoln ended it by absorbing him.

Lincoln: (Beastly Voice) Yep, but The Daedric Princes aren't giving up that easily.

Suddenly, the rainbow gem of Lincoln's silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenix, thunderbird, buffalo, angel, vampire, and werewolf surrounding it on his back started glowing

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

Me: Uh oh! INCOMING!

Then, we saw who it was causing trouble: it was clones of Tenjuro Banno and all of the Roidmudes.

Shinnosuke: What the? Clones of Banno and all of the Roidmudes?!

Lincoln: Whoa!

Our jaws dropped to the floor!

CLANG!

Eli shut our mouths.

Nico: WHOA! This is really quite an army!

Lincoln: You said a mouthful, and I'm gonna enjoy absorbing all of them!

Lincoln fired powerful rainbow energy blasts at the clones of Tenjuro Banno and all of the Roidmudes and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers which opened into large suctions, and one by one, he latched them into the clones of Tenjuro Banno and all of the Roidmudes, and then, Lincoln began absorbing them all into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. Suddenly, Lincoln had gotten Shift Cars, Signal Bikes, and Viral Cores with all the Roidmudes' symbols on them, and they were all put into his silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenix, thunderbird, buffalo, angel, vampire, and werewolf surrounding a rainbow gem with neon glowing rainbow lights equipped with recognition of him and fits an infinite number of items and components for Eini, the Universe 666 Miraculous, Familiars, and Bakugan to rest in and it easily attaches itself onto his back, along with the Rouse Cards, Faiz Phones, Wizard Rings, Gaia Memories, Advent Cards, O Medals, Fuestles, Eyecons, Gamma Eyecons, Zeronos Cards, Rider Tickets, Vistamps, and Astroswitches.

Shinnosuke: Wow, now you have Shift Cars, Signal Bikes, and Viral Cores with all of the Roidmudes' powers.

Lincoln: Yep, next time, I'm hoping we get to face the clones of the Yggdrasill Corporation.

Nico: Now, that would be awesome, and we'd also have access to their powers as well. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: I've got just the person: Reinoheart Harper, Gene-Slammer of Tearlaments Reinoheart.

Shaylen Harper: (GASPS) One of my sisters, that's awesome, and you guys will love meeting her, Reinoheart Harper is Lincoln's Guardian Angel from Michigan and the third of eight sisters, she has powerful mastery of darkness and water and she is known for her amazing swordsmanship skills, and like Shaylen Harper, she has a magic sword that was made by Tearlaments Reinoheart that can cut through even the strongest of metals and her sword also has the power to make them go insane! She also took on all of the meanest bullies in the city after that were after Lincoln and she slashed them all over and filled up a maximum security insane asylum in one day. She even took down Lisa at the worst of her fury and rage, and one slash from her sword made her worst fears come true: she was disowned by her family and was forever blacklisted by the entire science community and thrown in a nuthouse for the criminally insane.

We gasped.

Nico: Whoa.

Lincoln: Yeah, it may have made Lisa's worst fears come true, but thankfully, it didn't drive her mad like those hit by Shaylen's sword.

Me: Still, that's really powerful.

Shaylen Harper: That's right.

El Diablo: I roasted some.

Weather Wizard: I destroyed some with a thunder storm.

Toyman: Either way, they're dealt with.

Villamax: Anyone still hungry?

Wolf: (laughs) Because I'm hungry like the WOLF!

Nico: (LAUGHS) Hey good one! But we got lots of patties to eat!

Qin: We can make all kinds of Krabby Patty foods.

Nico: Yep. Great job today everyone.

SpongeBob: (To the viewers) This was a fun adventure.

Nico: Yep.

We went and cleaned up everything and then went back home and enjoyed ourselves for the rest of the day and went to sleep.

# SquidBob TentaclePants

This chapter is based on the SpongeBob Squarepants episode SquidBob TentaclePants. But this one will have a surprisng twist.

---

In the early morning hours at 2:00 AM, Lincoln had a dream, and he saw a figure who was hiding out and living in Cheep Cheep Lagoon (Mario Kart 7). But, it was no ordinary figure, it was Misty "Mirage" the Electric Eel, daughter of Lincoln's future wife, Punk Shock. Lincoln woke up from the dream, but he wasn't the only one, Punk Shock, Stephanie "Thunderblast" the Anglerfish, Hammer Lad, Manta Stingray, Cala Mia, Ariel Van Der Zee, Music Dolphin, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We sure did, Lincoln.

Punk Shock: And not only that, it also means that we found out where my daughter is at. Any ideas where exactly?

Me: She's at Cheep Cheep Lagoon.

Nico: The third race course of the Mushroom Cup in Mario Kart 7? Oh, god no!

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring her to the Estate.

Black Alpha: We're on it, Lincoln.

Lincoln, Black Alpha, Punk Shock, Stephanie "Thunderblast" the Anglerfish, Manta Stingray, Cala Mia, Ariel Van Der Zee, Music Dolphin Me, and Nico were heading to Cheep Cheep Lagoon. Until.

Krassplash!

A figure jumped out of the water and landed on dry land, revealing a young 13-years-old Electric Eel/Human Girl who has light blue skin, fish-like ears, melon pink eyes, and short blonde hair. She also has pointy spikes on the forehead, blue nails on the fingertips, and an eel-like tail on the rear. She wears a blue scarf that can conduct electricity causing it to levitate and become rapturous, a blue half-sleeved shirt, a white pleated mini-skirt, white socks, and Blue Mary Jane shoes. She wields a tan purple and yellow unique crossbow with fish scales of the bow on the mechanical blaster called the Scale-Fin Crossbow. It was Misty "Mirage" the Electric Eel.

Misty "Mirage" the Electric Eel: Woo-Hoo-Hoooo! That felt good! Gets the electric pumping, you know? Dang! I've been shocked up with these Cheep Cheeps, y'all. I can't tell you how old it gets. "Mirage, stay hidden! Mirage, don't draw any attention to yourself! Mirage, big is just a movie! You'll never be a real girl!" But that was fun, guys. You're fun, y'all.

She got us all wet and get annoyed.

Misty "Mirage" the Electric Eel: Oh, right. This is probably a lot for you guys, huh?

Music Dolphin: (Points his bident at her) Back off!

Misty "Mirage" the Electric Eel: Hey, Hey, whoa-whoa-whoa, What's with the aggression? I thought after the dramatic interest we were friends! What are you all gonna hit me?

Hammer Lad: Maybe.

Misty "Mirage" the Electric Eel: It's like that? (She displayed her nails at Hammer Lad which began to show blue electricity and grow them longer. We were shocked at her Blue Electric Nail ability except for Hammer Lad and Black Alpha whom they didn't flinch but keep a strict look but impressive of her ability) Hmm, tough one. I like that. (Ceasing her action of the glowing nails shrunk back to normal size) I like it a lot.

Cala Mia: What are you? Some sort of lizard with electric powers or something?

Misty "Mirage" the Electric Eel: Closed, girl. I'm an electric eel.

Hammer Lad: Like an Cyber Dragon Herz?

Misty "Mirage" the Electric Eel: Cyber Dragon Herz? The Machine-Effect type Monster? Look at this face! (Puts her fist at Hammer Lad) The name's Misty the Electric Eel A.K.A. Mirage!

Hammer Lad: What are you doing?

Misty "Mirage" the Electric Eel: Fist bumping you, of course. C'mon! Gimme a little-gimme a little-gimme a little tap. Gimme a little tap. (Hammer Lad rolled his eyes and fist bumped her) There ya go, now we're friends! So, what brings you all here?

Lincoln: Glad you ask. I'm Lincoln Loud of Team Loud Phoenix Storm, and this is the dark knight and leader of the Heroic Elementals, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know too well.

Then, Punk Shock came out, and when Misty "Mirage" the Electric Eel saw her, she was stunned.

Misty "Mirage" the Electric Eel: Mother?

Punk Shock: I'm here, my little Eel.

Misty "Mirage" the Electric Eel, ran up to Punk Shock, and they hugged, and they cried tears of happiness, and we looked on at the scene. Lincoln joined in on the hug, along with me, Nico, Black Alpha, Stephanie "Thunderblast" the Anglerfish, Hammer Lad, Manta Stingray, Cala Mia, Ariel Van der Zee, and Music Dolphin.

Lincoln: And there's something you three should know, Punk Shock, your mother is one of my many future wives.

Misty "Mirage" the Electric Eel: Does that means… you're my father.

Lincoln smiled, and that filled Misty "Mirage" the Electric Eel with joy, as he picked her up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Misty "Mirage" the Electric Eel to the rest of his siblings, who are now her aunts. We were proud of what Lincoln did in reuniting Punk Shock with her daughter, and Misty "Mirage" the Electric Eel now has a loving, strong, brave, and caring father in her life.

Me: Ahh Paris. Love it.

Qin: Love coming here.

Xenia: Me too. So awesome.

Lola: It sure is.

Varie: Paris is such an awesome city to come to.

Marinette: It's the home of me and my friends and it's always fun.

Camie: It sure is.

Nico: Yeah I love it.

Taskmaster: I agree there.

Brody: Same here.

Nico: Brody I want to thank you, Taskmaster and your teams for coming.

Brody: Aw it's no problem Nico.

Ayla: This will be fun.

Nico: Ayla what do you like to do in your free time?

Ayla: I like to help my brother Link with his training and all that. It's fun.

Xenia: That's sweet.

Nicole: Thank goodness you guys will never have to deal with Ganon or anyone like him again.

Camie: Yeah. I hate Ganondorf.

Me: He was pure evil.

Xenia: Yep.

Ayla: Yeah no kidding. I'm glad Ganon is gone too.

Nicole: So is all of Hyrule.

Qin: But it was awesome destroying him.

Laney: It sure was.

Nico: Good riddance. One version of Ganon being destroyed is enough.

Lola: Yeah.

Nico: When we first fought him, we locked him in a containment card

Ayla: You sure did.

Xenia: Yeah that was awesome.

Lola: It sure was.

Nico: Yep.

Qin: Yeah.

Me: Man yesterday was crazy funny.

Lola: Yeah it sure was.

Lana: Those were huge Krabby Patties!

Nico burped.

Nico: Oh pardon me.

Me: Still full from all that.

Lola: Yeah.

Qin: Yeah but man those were huge patties.

Lily: And all because SpongeBob thought them up while in a sleep deprived state.

Nico: You got sauce all over us.

Me: Sorry about that.

Qin: It was still tasty though.

Lola: Yeah.

Lily: Yep.

Eddy burped.

Eddy: Excuse me.

Leni: That was fun though.

Qin: Yeah.

Nico: Nothing being in good old Paris.

Marinette: Yep. Home.

Lola: So awesome.

Me: Better get my game face on! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

Qin: Yeah!

Nico: Hold on. We don't even know if there's any trouble.

Me: Sorry. Just getting ready in case there is.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and we're not going to like this in the slightest: we got word that another clone of Horrificator has been sighted here and is causing havoc.

We gasped.

Nico: What the?! Didn't you already absorb a clone of Horrificator along with the other clones of the Akumatized Villains?

Lincoln: I did, and this one wasn't a result of Universe 666 Sebastian's residual darkness since we got got rid of all remnants of his Residual Darkness when I absorbed all of the clones of the Akumatized Villains and clones of the Power Rangers' enemies.

Me: Which means someone else must've had a hand in this.

Nico: The only way to find out is for Lincoln to absorb the clone.

Lindsey Oropendola: After we pulverize him.

Lincoln then called the rest of the team who heard the situation from him.

Lori: I literally can't believe there's another clone of Horrificator running loose, when we find the one responsible for it, that person's getting turned into a human pretzel.

Me: Without a doubt.

Qin: You got that right!

Venom: We've been itching for a second round!

Qin: Now that is gonna be good.

Lola: It sure is.

Girl Jordan: I agree there.

Right heard a Pokemon cry.

He saw that it was a Vivillon. It was a Garden Class one.

Right: Oh a Vivillon.

Me: Oh the poor thing and it hurt its wing.

Vivillon: Ow and it hurts.

Right: We'll help you.

Right healed it up.

Vivillon: Oh thank you.

It can fly again

Right: Are you alright?

Vivillon: Yeah thanks to you.

Varie: Awesome.

We then heard a roar!

Me: What was that?

We then saw people running and then we saw a figure and it was EDVARD THING!

Me: WHAT THE FUCKING HELL!?

Kate Lloyd: OH MAN! Edvard!

Qin: Just like when we battled him in Thule Station!

Venom: Wait. What's going on here?

Me: Some monsters we faced and our deepest fears!

I fired a massive wave of fire and incinerated the Edvard Thing!

Nico: Horrificator has the power to bring our fears to life.

Marinette: Even though Horrificator was a monster it didn't have that power when we first battled it.

Venom: Wonder why it didn't use that power when we fought it back in 2019?

Me: Probably because he might have been holding back or was not given the chance to do so.

Camie: Yeah.

Then out came a GREEN JELLY MONSTER! It splattered Courtney all over with it!

SPLAT!

Courtney: (SCREAMS) GREEN JELLY! (SCREAMING AND FLAILING HER ARMS AROUND LIKE A MANIAC) GET IT OFF ME! GET IT OFF ME!

Laney and Lola held her and Maria washed it off.

Camie: What's gotten into Courtney?

Me: She is terrified of Green Apple Flavored Jelly. It looks like snot to her and scares the shit out of her.

Camie: Oh.

Courtney: Yeah sorry about that.

Gabriel: To answer your question, it was more focused on fighting you guys.

Nico: That makes sense.

Me: Gabriel I thought of a really awesome Akuma idea for Ronnie Anne. THE MAD TAMALE!

Maria fired a wave of water and drenched the monster and melted it.

Gabriel: Really!?

Me: Yep.

I pulled out my sketch book and it showed Ronnie Anne as a NUCLEAR HOT Tamale throwing maniac that makes people's mouths explode into intense fire and they scream in pain!

Gabriel: (LAUGHS) Hey that's a good one.

Ronnie Anne: That's perfect for me.

Nico: Keep an eye out for the Horrificator. It could be anywhere!

Camie: What does it look like?

Me: A three eyed red and purple monster.

Nico: Yep.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Horrificator Clone) AHA! Got you! I just spotted the Horrificator clone, he's 20 yards away, and he's causing havoc on Paris!

Nico: What?! Let's get him!

Lincoln: He won't get away from us. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs,

and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on the Horrificator Clone.

We went to find it.

Nico: Well, Horrificator has been this way.

And then, we saw the Horrificator clone, and it was really causing havoc.

Lincoln: There he is.

Lincoln fired massive waves of rainbow fire that hit the Horrificator clone and sent him flying into a wall, and we landed, and when the Horrificator clone saw us, he screeched and screamed in pure rage.

Horrificator Clone: YOU DARE TO GET IN MY WAY?! I SHALL KILL YOU ALL FOR THE MASTER!

Me: Your master's long dead, you mindless construct!

Horrificator Clone: No, I serve my new master!

Buster Bunny fired an energy blast at a bush, and it forced out another figure: it was none other than Evil Montana Max, and he was really out for revenge!

Nico: The evil version of Montana Max! But, how… !

Lincoln: It's because of Universe 666 Sebastian, and this was before he finally came after us, he freed Evil Montana Max, but that idiot had forgotten one thing: the curse we put on him, should he dare to escape, he'll be killed and sent to The Black Gates.

Suddenly, we saw a bloody inverted pentagram appear on Evil Montana Max's forehead.

Sebastian Mendez: Now, I know how Universe 666 Sebastian was able to help him get past the curse: he used his Infernal Darkness. But, it won't help for much longer.

Lincoln used the same technique he used on Universe 666 Sebastian and fired a beam of light which hit Evil Montana Max and it removed the last trace of Universe 666 Sebastian's Infernal Darkness and the bloody inverted pentagram on Evil Montana Max's forehead disappeared.

Evil Montana Max: YOU RASSING FRASSING STUPID HEROES, I'LL KILL YOU ALL!

Me: Do you kiss your mother with that mouth or use it to wipe her ass!

Lincoln: (Smirks) Too bad you won't get that chance.

Suddenly, Evil Montana Max felt his heart beating fast and his veins glowing red and he was groaning in pain: it was the death curse we put on him a year ago, it was now taking effect. Then, he let out a scream of pain and agony as the death curse reached his heart, and a shadowy hand grabbed it and squeezed and crushed it, and it killed Evil Montana Max and he turned to dust and was banished to

The Black Gates.

When the Horrificator clone saw it, he went berserk!

Horrificator Clone: WHAT DID YOU DO TO MY MASTER?!

Lindsey Oropendola: He got what he deserved, and you're about to get the exact same treatment from us.

Marinette: Lets get it on! TIKKI! SPOTS ON! HA!

She transformed into Ladybug!

Adrien: PLAGG CLAWS ON!

He turned into CAT NOIR!

Qin: Oh yeah!

Venom and Horrificator charged at each other.

Venom then punched him down!

KRASMASH!

Venom knocked down the clone.

Venom: We remember you! Prepare for the biggest asskicking of your fucking life!

Horrificator clone: I haven't forgotten you! Lets see what you fear.

In the school library, a librarian was listening to 'Adele' on a pair of 'Beats' headphones and was busy checking out books into the computer to notice that Venom and Horrificator busted in through the wall and began fighting as well as tearing up the library and throwing things at each other. The librarian then finished checking out the last book, took her bagged lunch and went out of the library, not bothering looking behind her to see the fight taking place.

She was too oblivious to see what was going on.

Twilight Sparkle: THE LIBRARY!

Venom threw Horrificator out and he followed him!

I snapped my fingers and fixed the place as if nothing never happened.

Horrificator fires a blob of goop from its mouth at Venom, slowing him for a while.

Me: Top this nightmare! NIGHTMARE STYLE NINJA ART: CARNAGE OF THE NIGHTMARE SHARK!

I fired a wave of darkness and it formed into a horrifying shark and it roared ferociously and mauled the Horrificator all over.

Horrificator licks Venom with her sticky tongue.

Venom: Okay you are disgusting! Only WE can do that!

He smashed her into the ground.

Horrificator then summoned a clone of 2021 Cletus Kasady!

Me: UH OH! Bad move there!

Girl Jordan didn't get scared! SHE GOT NUCLEAR MAD!

Girl Jordan: (GROWLS FEROCIOUSLY) YOU ARE A FUCKING NIGHTMARE!

2021 Kasady: You are a cancer to anyone who ever loved you, Jordan. Deceived your trusting fiancé, and no wonder daddy could never look at you the same way after you killed his wife, your mother, just by being born!

Girl Jordan: YOU'RE A FUCKING LIAR!

Catherine Kasady Carnage: AND YOU ARE NEVER GOING TO BE MY FATHER!

Me: You're still just as fucked up as ever you motherfucking son of a fucking bitch!

I punched 2021 Kasady in the face and smashed him down.

Horrificator roars loudly at Venom. But its roars didn't make him flinch.

Venom: You call that a roar?

VENOM ROARED MUCH MORE FEROCIOUSLY!

CATHERINE KASADY CARNAGE REALLY WAS PUNCHING HER SO-CALLED FATHER ALL OVER IN THE FACE!

POW POW POW POW POW POW POW POW POW POW POW POW POW POW POW POW POW POW POW POW POW POW POW POW!

She roared as she was punching him!

Catherine punched him in his face and kicked him in the crotch and smashed him into the wall!

Catherine Kasady Carnage: I WILL ALWAYS FUCKING HATE AND LOATHE YOU FOR WHO YOU ARE "DAD"!

Me: Take that you psychotic PISSANT!

Girl Jordan: YOU'RE THE CANCER YOU MOTHERFUCKER!

Horrificator traps Venom in a cocoon of goop.

Ben turned into Goop!

Goop: (GURGLING VOICE) GOOP!

He fired waves of slime and freed him.

Horrificator fired threw goop and it hit my face and went into my mouth. IT LEFT A REALLY DISGUSTING TASTE!

Me: EW! (SPITS) BLECH! THAT IS SO DISGUSTING!

Venom punched Horrificator down!

Horrificator then summoned a clone of Slappy!

Me: UH OH!

Nico smirked and punched Slappy without a second thought!

KRABLAM!

He was reduced to sawdust in an instant!

May: Nice one!

POW!

Girl Jordan punched 2021 Kasady in the face and then Catherine grabbed him in a hold and then…

CRUNCH!

SHE SNAPPED HIS NECK!

He was dead in an instant!

Then Horrificator summoned a clone of Scarecrow!

Me: Bad move there!

Scarecrow: Now you will show me what you fear!

Me: How about a little fire SCARECROW!?

I formed a ball of fire in my hand and threw it and incinerated him into nothing!

Vivillon charged at her.

Vivillon: Take this!

She fired a wave of energy and blasted Horrificator!

Qin fired waves of fire and blasted Horrificator all over.

Horrificator then summoned a clone of LORD HIGH EXECUTIONER!

Me: ANOTHER Bad move buddy!

Qin smirked and then…

KRABLAM!

She punched him so hard in his face and smashed his entire head clear off! Decapitating him!

Blood splattered all over! YUCK!

Jason: IT'S MORPHIN TIME!

Jason and the first ten rangers transformed!

Jason: TYRANNOSAURUS!

Aurico: RED AQUITAR RANGER POWER!

Tommy Oliver: ZEO RANGER V! RED!

Lindsey Oropendola: Time for my turn to shine!

Suddenly, Lindsey Oropendola's pink eyes turned neon pink and she was surrounded by a pink energy aura with stars, water, ocean waves, darkness, mucus yolks, phoenixes, and angels, she unholstered her massive Mucus Yolk's Maelstrom Darkness Aqua Grudge Greatsword of Darkness Maelstrom Grudge Justice from her back, and as she approached the Horrificator clone, she left pink energy, stars, water, ocean waves, darkness, mucus yolks,

phoenixes, and angels with every step.

Lindsey Oropendola: Even though you're just a clone of the real Horrificator, you're still as bad as he is, but both your masters, the arrogant evil-tempered brat and the demonic deranged monster, are both dead. Now, it's your turn, you will be joining them in death and you will never rise again.

Suddenly, Lindsey Oropendola was surrounded by a massive vortex of pink energy with stars, water, ocean waves, and darkness surrounding the vortex, there are mucus yolks, phoenixes, angels, and Mucus Yolk flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at the Horrificator clone: the red eyes of eternal death. Then, as the vortex faded, Lindsey Oropendola emerged, but she was changed forever.

Lindsey Oropendola grew from 7'5" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large pink orbs orbiting around her legs, she has the body of a goddess, she has purple highlights in the bangs of her long pink hair and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon pink eyes and a pink energy aura with stars, water, ocean waves, darkness, mucus yolks, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Mucus Yolk emblazoned on her forehead and Third Eye with red iris, she has on angel earrings with pink gems for eyes and holding the Star, Water, Dark, and Eternity Kanjis in its hands, she also has Mucus Yolk with red gems for eyes and holding the Star, Water, Dark, and Eternity Kanjis in its body for the second pendant on the bottom of her pink angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Lindsey Oropendola felt a sharp pain on her back, and then, her massive pink angel wings with purple tips on the large pink feathers grew much bigger for her new body and she also now has eleven massive and long pink wolf tails with purple tips and purple markings, Lindsey Oropendola has on her Ring of the Phoenix with large pink gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Lindsey Oropendola's massive Mucus Yolk's Maelstrom Darkness Aqua Grudge Greatsword of Darkness Maelstrom Grudge Justice, golden greatsword, and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of pink energy, stars, water, ocean waves, darkness, mucus yolks, phoenixes, and angels, and when it emerged, it was transformed into Lindsey Oropendola's Cosmic Eternal Maelstrom Darkness Aqua Grudge Mucus Yolk Phoenix Angel Greatsword of Cosmic Eternal Maelstrom Darkness Aqua Grudge Mucus Yolk Phoenix Angel Justice, it's a brand-new massive greatsword with embedded pink gems and Mucus Yolk etched on the 7'6" massive, wide, double-edged gold blade, large gold phoenix heads for the crossguard, large white angel faces built into both sides of the hilt and large pink gems embedded in their foreheads, longer midnight black handle, four large gold phoenix heads with pink gems for eyes and on the bottom of the large gold phoenix heads is a large gold phoenix head with pink gems for eyes and pink gem in its mouth for the pommel, Lindsey Oropendola has on her large gold Bracers of The Champions of The Universe with large red gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Mucus Yolk's head with pink gems for eyes and large pink gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal

We were amazed by Lindsey Oropendola's Super Angel-Mucus Yolk-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when the Horrificator clone saw it, he went mad with rage and ran at her to kill her, but Lindsey Oropendola fired a massive barrage of pink energy, stars, water, ocean waves, darkness, mucus yolks, phoenixes, and angels which hit the Horrificator clone and was sent flying into a tree, he got back up, but now he was pissed off as he let out another roar of rage.

Selene Arcangela: Incredible, Lindsey's transformed, and by the looks of it, the Horrificator clone's gone mad!

Lindsey Oropendola: (Divine Echoing Godly Voice of The Eternal Cosmic Tragic Darkness Water Maelstrom Mucus Yolk Phoenix Angel and Divine Cosmic Eternal Cosmic Tragic Darkness Water Maelstrom Mucus Yolk Phoenix Angel Love) You've had this coming for a long time.

Suddenly, a green energy blast came out of nowhere which hit the Horrificator clone.

Lincoln: That wasn't Laney, nor you or me, J.D.

Me: It sure wasn't, but there's only one God Sibling who could do that.

Suddenly, we saw a very beautiful and super sexy girl with long green hair and flower clip in her hair, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful rainbow angel wings, she's dressed in a green short-sleeved frilly shirt, necklace with pearls and emerald gem for the pendant, green skirt, white bridal gloves, green knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, phoenixes, and angels on the coattails and on the back is a phoenix and angel with stars reflecting off them, and holstered on her back is a massive golden greatsword with Zodiac Signs etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel.

Lincoln: (GASPS) Gianna Knudson, God Sibling of Nature.

Me: Oh, I knew it was her alright!

Sakura Knudson, Elaine Knudson, Marlene Knudson, Helena Knudson, Sophia Knudson, Morgana Knudson, Emily Knudson, Abigail Knudson, Avery Knudson, Grace Knudson, Maria Knudson, Selena Knudson, Caitlin Knudson, Lunaria Knudson, Evelyn Knudson, Valerie Knudson, Sumner, and Patti: Gianna?!

Gianna Knudson: Yep, Gianna Knudson, God Sibling of Nature, reporting for duty.

Sakura Knudson: It's so awesome to see you again, sis. Now, where were we?

Me: Oh yeah, kicking your ass and sending you straight to Hell for what you've done.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I admit even I was stunned to find out that Evil Montana Max was your new master, but now, he's dead and gone forever.

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination,

Lincoln, Lindsey Oropendola, and I went after the Horrificator clone, and we fired extremely powerful blasts of rainbow energy, pink energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at the Horrificator clone, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Lindsey Oropendola, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving the Horrificator clone even more insane and straight to the brink of insanity.

Horrificator Clone: YOU! YOU! (ENRANGED SHRIEK)

The Horrificator clone charged right at us completely blind with homicidal rage and fury, but Nico, May, and Qin kicked him hard in the stomach and Sebastian fired blasts of Divine Darkness at him and they got hit hard and he slashed at him with his massive black greatsword. Then, Lincoln grabbed him by the waist with his eleven massive and long white wolf tails and he smashed him into the ground, and he was really getting messed up, and then, he threw him and sent him into a nearby tree.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And now, for the feast.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into the clone of Horrificator, and then, Lincoln began absorbing him into his body as he and all of us assimilated all of their powers, abilities, and strength and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of him, and he sent him to The Black Gates. Everyone cheered wildly as we holstered our weapons and powered down, and Lindsey Oropendola's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long pink wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, eleven large pink orbs orbiting around her legs, and massive pink angel wings are permanent.

Lindsey Oropendola: That'll teach that monstrous fear monster.

Lincoln: He deserves it, along with Evil Montana Max.

Suddenly, Lindsey Oropendola wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Lindsey Oropendola's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Mucus Yolk flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and ocean waves and darkness raging behind them and we cheered wildly. Then, Lincoln and Lindsey Oropendola sucked in and absorbed the elemental forces and ocean waves and darkness and they came back to us as the display vanished.

Lincoln: That's yet another Akumatized Villain clone absorbed and we also got rid of Evil Montana Max as well. (To Gianna Knudson) And it's so good to see you again, Gianna.

Gianna Knudson: You too, Lincoln, it's been seven years since we last met, and it's so good to see you, our sisters, Varie, and Mom and Dad again, J.D.

Me: You too, sis.

Lincoln went up to Gianna Knudson and he hugged her, and Gianna Knudson is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Gianna Knudson: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed, I do, Eli. Everyone, this is Gianna Knudson, God Sibling of Nature, she's my Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful nature powers and immense control over the forces of nature. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of J.D., Sakura, Elaine, Helena, Sophia, Avery, Emily, Abigail, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Evelyn, Marlene, and Valerie, and just like J.D., Sakura, Helena, Sophia, Emily, Abigail, Avery, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Marlene, Valerie, and all of us, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just Nature, but also Fire, Water, Ice, Wind, Lightning, Earth, Lava, Darkness, Light, Crystals, Wood, Stars, Time, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all.

Nico: WHOA!

Me: Yeah, she's that powerful like us and she defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals, and if you get her mad, WATCH OUT OR THEY WILL FACE MOTHER NATURE'S RAGE AND FURY!

We gasped.

Nico: Oh… shit!

Lincoln: Yeah, it would be a huge mistake if anyone dared to piss her off, and now that you're here, Gianna.

Lincoln went up to and hugged Gianna Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Gianna Knudson: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Gianna Knudson's neck with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Gianna Knudson: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Gianna Knudson.

Gianna Knudson had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them.

Venom roared to the heavens in victory!

Venom: WE ARE VENOM!

Qin: YEAH!

Nico: OH YEAH! FEAR THE LETHAL PROTECTOR!

Venom: Sorry guys.

Me: Ah no worries.

Cassidy: Thanks Nico. It was fun.

Poromon: That works.

Vivillon: Good.

Poliwag: (Does Puppy Dog Eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Camie: Why would he do that?

Me: Well we helped Shaggy get his fortune from his ancestral uncle Colonel Beauregard who was a Confederate Soldier in the American Civil War. Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Down beneath the earth you go

She glowed and was separated.

Me: Action time!

We fired waves of energy and elements and blasted the Anothers and smashed them down.

I caught the Wonder Ride books.

Maria: (TURNS DIAL) BOX GHOST FORCE!

She summoned Box Ghost, Superfriends Scarecrow, Byruit, Dark Troll, Jake Steele/Fred Flintstone and Gravitational Spring!

Qin: Awesome!

Nico: And now we wait.

Me: I hope this one doesn't have a massive craving for chocolate.

Tom the chocolate fish: (OFFSCREEN) (INSANE SCREAMING) CHOCOLATE!

Qin: Uh oh.

Nico: For God's sake!

Me: Sheesh buddy get a life!

Xenia: That guy has LOTS OF ISSUES! Especially when it comes to chocolate.

Varie: No kidding.

But then we smelled a very amazing fragrance. We smelled the scent of 1,000,000 roses.

Me: Whoa do you guys smell that?

Nico: (Sniffs) Wow! That smells like a lot of roses.

Xenia: Pretty!

Camie: Fragrant. Smells like a rose flower grove times 100-fold.

Nico: Yeah!

Manaphy: It's so beautiful!

Sammie (Rocket Power): Roses? I'm allergic to roses! (SNEEZING UNCONTROLLABLY)

He was sneezing like a bat out of hell!

Stacy Bolton: Oh guys I forgot to mention that Sammie can't be anywhere near roses. He sneezes uncontrollably whenever he's around them.

Me: Uh oh.

Nico: We'll get you home.

Varie: I will do that.

Varie took him back and then came back.

Varie: Okay he'll be out of commission.

Me: Man I HATE rose allergies. Reminds me of a story from my childhood.

Sakura Knudson: That was my favorite too. Robert the Rose Horse.

Nico: I remember that one!

Maria: Me too!

Laney: Good times.

Lana: Yeah.

Qin: That was awesome.

Me: Yep. Look!

We saw ANOTHER TASKMASTER!

Me: Wow! The smell of roses coming off this one is amazing.

Another Taskmaster: (In a girls voice) It sure is.

Me: (GASP) That voice,

She reverted back and was a girl with red hair, green eyes, red clothes and red rose petal angel wings and she had a tiara with the symbol of the Rose Dopant on it and the same symbol on her skirt and she had a Rose Staff.

Me: Rika Rose! Wow!

Rika Rose: Awesome to see you again J.D.

Me: You too.

Lola: Wow! You must wear a lot of really nice perfume that smells like roses!

Rika Rose: (LAUGHS) Everyone thinks I wear awesome perfume like that. But it's because of my powers as Embodiment of the Rose Dopant.

Me: Yeah she as the Embodiment of the Rose Dopant smells like 1,000,000 roses and her fragrance is really powerful. But not those with rose allergies. Also she has a very powerful photographic memory and can copy powers and use them in rose form. She can fire rose fire, rose energy and more

Nico: WHOA! That is awesome!

Taskmaster: That is every way like me but in forms of flowers.

Nico: It sure is Tony.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Rika Rose: Actually no he didn't. I used my rose scent on him and found out that he was allergic to roses. He never even knew he had Rose Allergies.

Sakura Knudson: That explains why I found him sneezing uncontrollably and was swollen like a balloon.

Nico: YUCK!

Laney: Hope that doesn't happen to Sammie.

Stacy Bolton: Only when he touches roses. Not the smell.

Nico: Oh.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju armor!

Lincoln: Lets separate you first.

He fired a wave of light and did so.

Rika Rose: Wow! Awesome!

Rika fired waves of red fire and blasted the Another.

Nico: YEAH!

Nico: (Gets out Taskmaster's ridewatch) Time to copy new moves!

May: I SUMMON GREAT MOTH!

She summoned Great Moth!

Nico: Nice!

May: (Gets out Weevil's ridewatch) This is gonna be one that makes you buggy!

Maria: (Get out Shearfear's ridewatch) I'm ready for this!

Ayla: (Gets out Ticklepuss' ridewatch) (Taunting Singing) I know where you're ticklish! HA HA HAHAHA!

They activated the ridewatches of Taskmaster, Ticklepuss, Weevil Underwood, Hotstreak, Shearfear and Gnat and they fired waves of energy and elements and Nico used Taskmaster's powers and Another Taskmaster had the powers of NUMEROUS ANOTHERS WE NEVER faced before and he got all those.

Then Frozen Fright, Volcano Man (Mega Man), Clown (Johnny Bravo), Ghost of Captain Cutler, Toxic Horror and Louie PoisonSea came.

Me: COOL! So you and your team are next Frozen Fright?

Frozen Fright: Yep. We sure are. And also Volcano Man here is brand new. He is Zipporwhill's archenemy.

Me: Nice!

Nico: Awesome! So Apple Bloom and her group are next!

Apple Bloom: All right!

Applejack: YEEHAW! This is gonna be amazing to see!

Nico: You should be proud.

Apple Bloom: Oh I am. This is gonna be so fun!

Me: Yeah it is! Many more where that came from.

?: I agree there!

But then…

KRABBBBBBBOOOOOOOOOOOOOOOMMMMM!

A bomb hit Another Taskmaster and exploded!

He was blasted down and then I caught the Ridewatch and purified it.

Me: WHOA!

Blast Man came.

Me: Whoa Blast Man! Awesome!

Nico: Explosive!

Blast Man: (In a girls voice) That was awesome.

Nico: Becca Dynamite! Whoa!

She reverted back and was a girl with black hair and had blue eyes and red angel wings and had blue clothes and her sword looked like a stick of dynamite. And she had a symbol in the middle of her forehead that looked like a dynamite stick exploding.

Becca Dynamite: That was awesome and fun. Awesome to see you again Nico.

Nico: Same here.

Becca Dynamite: And it's always fun to go out with a bang!

She threw a stick of dynamite and it hit May and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

It exploded and burned her all over!

May: Ow.

Me: Ouch.

May: I'm being hit again!

Becca Dynamite: Like my ancestor Grandma Dynamite said, nothing hurts worse than being blown sky high by dynamite.

Nico: I'll say! Wait your ancestor was Grandma Dynamite?!

Becca Dynamite: Yep. She may have been a bank robber in Bedrock. But today her descendant is a hero.

Nico: Nice!

Ayla: What's your favorite memory of Nico?

Becca Dynamite: When me and Nico killed numerous mob members in a warehouse. I've always been a Blow Stuff Up First and Never Ask Any Questions girl.

Nico: It's true.

Qin: Yep.

Nico and Becca hugged.

Nico: I've missed you.

Becca Dynamite: Same here.

Nico then smelled smoke.

He looked and saw FIRECRACKERS IN HIS PANTS!

They went off and popped all over him!

POP POP POP POP POP POP!

Maria splashed him with water!

Nico: VERY FUNNY!

We later went back home.

Nico: That Mindy really is such a bitch.

Me: Even worse than Mandy.

Lincoln: But, it's going to end the same, I'm gonna absorb the clones of the Inves and The Yggdrasill Corporation.

Jayden: Someday, we'll need to find out just how Mindy created the clones of all the Kamen Riders' enemies.

Me: I was about to say, Jayden. There's no way Mindy was able to create the clones of all the Kamen Riders' enemies, only Universe 666 Sebastian had that kind of power, but now, he's dead and gone for good, along with his residual darkness.

Lincoln: (GASPS) Reinoheart Harper, Gene-Slammer of Tearlaments Reinoheart.

Reinoheart Harper: That's right, and I got the girls away from those clones, but I've pissed them all off big time and they're coming after us.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of the Inves and Yggdrasil Corporation, and then, Lincoln began absorbing them all into his body as he and all of us assimilated all of their powers, abilities, and strength and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates.

Suddenly, Lincoln gained Lockseeds with the powers of the Inves, and they were put into his silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenix, thunderbird, buffalo, angel, vampire, and werewolf surrounding a rainbow gem with neon glowing rainbow lights equipped with recognition of him and fits an infinite number of items and components for Eini, the Universe 666 Miraculous, Familiars, and Bakugan to rest in on his back, along with the Rouse Cards, Faiz Phones, Wizard Rings, Gaia Memories, Advent Cards, O Medals, Fuestles, Eyecons, Gamma Eyecons, Zeronos Cards, Rider Tickets, Vistamps, Shift Cars, Signal Bikes, Viral Cores, and Astroswitches.

Lincoln: That's another group of clones absorbed and we've gotten more Legend Items from them as well as their powers, abilities, and strength. (To Reinoheart Harper) And it's so good to see you again, Reinoheart Harper.

Reinoheart Harper: You too, Lincoln, it's been a long time, and it's so good to see you again, Shaylen.

Shaylen Harper: You too, sis.

Lincoln went up to Reinoheart Harper and he hugged her, and Reinoheart Harper is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Reinoheart Harper: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Reinoheart Harper, Gene-Slammer of Tearlaments Reinoheart, she's my Guardian Angel from Michigan and the third of eight sisters, she has powerful mastery of darkness and water and she is known for her amazing swordsmanship skills, and like Shaylen Harper, she has a magic sword that was made by

Tearlaments Reinoheart that can cut through even the strongest of metals and her sword also has the power to make them go insane!

Shaylen Harper: And like me, she also took on all of the meanest bullies in the city after that were after Lincoln and she slashed them all over and filled up a maximum security insane asylum in one day. She even took down Lisa at the worst of her fury and rage, and one slash from her sword made her worst fears come true: she was disowned by her family and was forever blacklisted by the entire science community and thrown in a nuthouse for the criminally insane.

Nico: Wow, so that means all of Shaylen's sisters…?

Lincoln: Are all powerful swordswomen with power over darkness and water and have magic swords that cut through even the strongest of metals and also have the power to make them go insane with one cut.

Me: Yeah, we were stunned ourselves.

Nico: Man, if anyone messed with them, they can say goodbye to their sanity forever.

Lincoln: And say hello to an eternity in an nuthouse, and now that you're here, Reinoheart.

Lincoln went up to and hugged Reinoheart Harper in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Reinoheart Harper: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Reinoheart Harper's neck with dark blue gems on the gold lightning bolts and dark blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Reinoheart Harper: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Reinoheart Harper.

Reinoheart Harper had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the five girls, and when Lincoln saw them, he immediately recognized them. The five girls are Ayane Kimishima, Mifuyu Tachibana, Mir Ayane Kimishima, Mifuyu Tachibana, Miruru Sugimoto, Reina Kazami, and Yuika Kimishima from Pachinko Sexy Reaction.

Lincoln: Oh wow, it's Ayane Kimishima, Mifuyu Tachibana, Miruru Sugimoto, Reina Kazami, and Yuika Kimishima from Pachinko Sexy Reaction.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Ayane Kimishima: Yes, we're okay, thanks to you.

Then, when Ayane Kimishima and the other four girls saw who it was that saved them from the clones of the Inves and Yggdrasil Corporation, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero and God, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, tattoo of a pepper with fire surrounding it on his broad left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Ayane Kimishima: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Ayane Kimishima: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ayane Kimishima, Mifuyu Tachibana, Miruru Sugimoto, Reina Kazami, and Yuika Kimishima with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villains we went after were clones of the Inves and Yggdrasil Corporation that were also created by Mindy.

But, when Lincoln showed what we all did in beating them all down and Lincoln absorbing them and all of us assimilating their powers, abilities, and strength and sending them all to The Black Gates and getting Lockseeds with their powers, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Reinoheart Harper have a lot of catching up to do, now that she's back in town.

Then, we heard Mindy and Mandy roar with rage!

Maria: Serves you both right, bitches.

Lincoln: It just proves they're both horrible people, and they'll never ever change.

Nico: Yeah, they both deserve to be in Hell forever when they die of old age, but they're still in for Hell.

Me: You said a mouthful.

* * *

After Lincoln absorbed the clones of the Inves and Yggdrasil Corporation, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Reinoheart Harper saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Reinoheart Harper: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect

us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Reinoheart, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Reinoheart Harper: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Reinoheart Harper: I knew it was only a matter of time before he told everyone that story.

Suddenly, the rainbow gem of Lincoln's silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenix, thunderbird, buffalo, angel, vampire, and werewolf surrounding it on his back started glowing.

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

The gem formed a viewing window, and we saw who it was causing trouble: it was the clones of Evolto, Fang Smash, Needle Smash, Strong Smash, Burn Smash, Flying Smash, Mirage Smash, Square Smash, Press Smash, Ice Smash, Stretch Smash, Strong Smash Hazard, Press Smash Hazard, Stretch Smash Hazard, Flying

Smash Hazard, Castle Hard/Hazard Smash, Stag Hard/Hazard Smash, Owl Hard/Hazard Smash, Press Clone Smash, Stretch Clone Smash, Strong Clone Smash, Flying Clone Smash, Owl Lost Smash, Stag Lost Smash, Castle Lost Smash, CD Lost Smash, Scissors Lost Smash, and Zebra Lost Smash.

Sento: What the?! Clones of Evolt and his minions?!

Lincoln: No doubt that Mindy had a hand in this as well.

We flew out of the World Tree Estate, and Lincoln fired powerful rainbow energy blasts at the clones of Evolto, Fang Smash, Needle Smash, Strong Smash, Burn Smash, Flying Smash, Mirage Smash, Square Smash, Press Smash, Ice Smash, Stretch Smash, Strong Smash Hazard, Press Smash Hazard, Stretch Smash Hazard, Flying Smash Hazard, Castle Hard/Hazard Smash, Stag Hard/Hazard Smash, Owl Hard/Hazard Smash, Press Clone Smash, Stretch Clone Smash, Strong Clone Smash, Flying Clone Smash, Owl Lost Smash, Stag Lost Smash, Castle Lost Smash, CD Lost Smash, Scissors Lost Smash, and Zebra Lost Smash and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of Evolto, Fang Smash, Needle Smash, Strong Smash, Burn Smash, Flying Smash, Mirage Smash, Square Smash, Press Smash, Ice Smash, Stretch Smash, Strong Smash Hazard, Press Smash Hazard, Stretch Smash Hazard, Flying Smash Hazard, Castle Hard/Hazard Smash, Stag Hard/Hazard Smash, Owl Hard/Hazard Smash, Press Clone Smash, Stretch Clone Smash, Strong Clone Smash, Flying Clone Smash, Owl Lost Smash, Stag Lost Smash, Castle Lost Smash, CD Lost Smash, Scissors Lost Smash, and Zebra Lost Smash, and then, Lincoln began absorbing them all into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. Suddenly, Lincoln gained Fullbottles and Sclashjellies, and they were put into his silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenix, thunderbird, buffalo, angel, vampire, and werewolf surrounding a rainbow gem with neon glowing rainbow lights equipped with recognition of him and fits an infinite number of items and components for Eini, the Universe 666 Miraculous, Familiars, and Bakugan to rest in on his back, along with the Rouse Cards, Faiz Phones, Wizard Rings, Gaia Memories, Advent Cards, O Medals, Fuestles, Eyecons, Gamma Eyecons, Lockseeds, Zeronos Cards, Rider Tickets, Vistamps, Shift Cars, Signal Bikes, Viral Cores, and Astroswitches.

Sento: Awesome.

We returned back to The World Tree Estate and continued with our workouts.

Nico: That's it for the clones of Evolt and his minions and there's no telling what else that bitch has got up her sleeve.

Lincoln: But, now that we know she's created clones of The Kamen Riders' enemies, I'll do to them what I've done to the clones of the enemies of The Power Rangers: absorb them and assimilate their powers, abilities, and strength.

Me: And also, acquire the Legend Items with their powers, so far, you've acquired Rouse Cards, Faiz Phones, Wizard Rings, Gaia Memories, Advent Cards, O Medals, Fuestles, Eyecons, Gamma Eyecons, Lockseeds, Zeronos Cards, Rider Tickets, Vistamps, Shift Cars, Signal Bikes, Viral Cores, Fullbottles, Sclashjellies, and Astroswitches, awesome.

Lincoln: The next group of clones that come after us will no doubt be the clones of Masamune Dan and his minions.

Bridget Branley: Oh boy, I can tell you're gonna have quite the feeding frenzy on them.

We got a shower afterwards, and then, Lincoln, Nathalie Sancoeur, and the Simulator versions of Daphne Blake and Velma Dinkley are heading to Shangri-Spa.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Nathalie Sancoeur and the Simulator versions of Daphne Blake and Velma Dinkley are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Nathalie Sancoeur, and the Simulator versions of Daphne Blake and Velma Dinkley all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Nathalie: Wow, so this is Sirena Beach, it sure is beautiful.

Lincoln: It sure is, Nathalie, and it's perfect for our first date. Shall we?

Lincoln, Nathalie Sancoeur, and the Simulator versions of Daphne Blake and Velma Dinkley went first to the Spring of Purification and they wound up getting a full-on body massage from Lincoln and they in turn gave him a body massage as well. Then, they went to The Spring of Bliss and they wound up getting a full-on body massage from Lincoln and they in turn gave him a body massage as well, Then, they went to The Spring of Sanctuary and they wound up getting a full-on body massage from Lincoln and they in turn gave him a body massage as well. Then, they went to The Spring of Jungle Mist and they wound up getting a full-on body massage from Lincoln and they in turn gave him a body massage as well, and finally, they went to The Spring of Rainbows and they wound up getting a full-on body massage from Lincoln and they in turn gave him a body massage as well, along with diving into its waters.

Then, they went to a work-out area, and Nathalie Sancoeur, and the Simulator versions of Daphne Blake and Velma Dinkley got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Nathalie Sancoeur and the Simulator versions of Daphne Blake and Velma Dinkley and they hugged the girls in their abnormally massive and powerful muscular arms and Nathalie Sancoeur and the Simulator versions of Daphne Blake and Velma Dinkley placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Nathalie Sancoeur and the Simulator versions of Daphne Blake and Velma Dinkley as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Shangri-Spa, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Nathalie Sancoeur and the Simulator versions of Daphne Blake and Velma Dinkley with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, and now, Nathalie Sancoeur and the Simulator versions of Daphne Blake and Velma Dinkley are in your harem, Linky.

Nathalie Sancoeur, and the Simulator versions of Daphne Blake and Velma Dinkley showed the marks Lincoln made on the right sides of their necks.

Marinette: We knew that Nathalie had feelings for him, and now, she's part of his harem, and Daphne and Velma did the honors of introducing their Simulator Counterparts to him.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Nathalie Sancoeur and the Simulator versions of Daphne Blake and Velma Dinkley, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for Another awesome Super Mario Galaxy 2 adventure!

Nico: Flip Out Galaxy is next.

Qin: Whoa that one is tricky.

Nico: Yep.

Alexis: Me and Tea will go next.

Tea: This is gonna be awesome!

They went in and the Simulator activated and they were at FLIP OUT GALAXY!

Nico: Any tips Nicole?

Nicole: (On the radio) Well this one is VERY TRICKY. When Mario used the Star Spin, the walls would change. Red to blue and vice-versa.

Nico: Yeah.

Nicole: You just have to get to the top and smash the crystal the star is in.

Nico: Okay.

?: And we'll help you get there.

They saw 2 girls. 1 had blue hair and blue eyes and had blue angel wings and had blue clothes and she had a tiara with the symbol for the White Night monsters on it and she had the same symbol on her skirt and she had an ice sword.

The 2nd girl had green hair and green eyes and green clothes and had green angel wings and she had a tiara with the symbol of Toad Man on it.

Sacajawea Hvitnatt: Sacajawea Hvitnatt, Embodiment of the White Night.

Tiara Toad: And I'm Tiara Toad, Embodiment of Toad Man.

Nico: Awesome to meet you girls!

Courtney: Awesome! Tiara!

Megan: Awesome!

Tiara Toad: Wow! Courtney and Megan. Its been a while.

Nico: We can find out more later. Lets go get that star.

They were off.

Alexis: I summon White Night Dragon!

Tea: I summon Magician of Faith!

They were summoned and ready!

Tea: Lets keep our eye out for any Goombas!

Nico: Right!

Then as they got close to the top they saw NUMEROUS Goombas.

Nico: There they are!

Tea: Here we go!

Nico: (Gets out Taskmaster and Sportsmaster's Ridewatches) Time for some Mercenary Action!

He activated them and blasted the Goombas with energy blasts.

Alexis and White Night Dragon and Tea and Magician of Faith fired waves of ice, fire and magic and blasted the Goombas all over.

Sacajawea and Tiara fired waves of ice fire and acid rain and destroyed the Goombas.

They then smashed open the crystal with the star in it.

It was freed!

Nico: Yeah!

They went and got it!

YOU GOT A STAR!

Nico: WOOHOO!

Sacajawea Hvitnatt: That was fun!

They all high five!

Nico: How did you meet Megan and Courtney?

Tiara Toad: I met Megan when I helped her and Kevin take down the Wet Bandits. It's how I helped her confirm that her brother had a hand in stopping them and I got her to change her view.

Megan: It's true. I then started to see my brother in a new light because of her.

Tiara Toad: Yep. And I met Courtney when she was flushed all the way over in the Yukon because of Billy McLean. I found her and took her to my cabin and nursed her back to health. It wasn't easy but it was awesome. We became good friends.

Courtney: It's true. It was hard but it was awesome.

Nico: That is cool. Would you two like to join the team?

Tiara toad: We would be honored.

They left and we cheered wildly for them.

---

Later we were walking to the movie theater and Poliwag and Horsea were blindfolded.

Poliwag: I have a feeling this will be fun.

Horsea: It sure will be awesome.

Nico: You guys are going to love it.

Me: Yep.

Kronk came.

Kronk: Where are you two headed?

Me: It's a surprise date Kronk.

We arrived at the movie theater.

Me: Here we are.

Poliwag: Wow! The movie theater!

Xenia: Yep.

Nico: We're going to see the Avengers Infinity Wars double Feature for both Infinity Wars and Endgame.

Horsea: Wow! This is gonna be fun!

Me: Yep and I invited the former members of the Legion of Doom to watch too.

Grodd: This will be fun guys.

Nico: Yep.

We bought our tickets and the snacks and food. We went to the movie theater it was in.

Nico: We're about to see what would've happened if we didn't stop Thanos.

Wendy Storious: Yeah.

Me: Here we go.

The movie started

*SPOILER ALERT*

---

Having acquired the Power Stone-one of six Infinity Stones-from the planet Xandar, Thanos and his lieutenants-Ebony Maw, Cull Obsidian, Proxima Midnight, and Corvus Glaive-intercept the spaceship carrying the survivors of Asgard's destruction. After subduing Thor, Thanos extracts the Space Stone from the Tesseract, overpowers the Hulk, and kills Loki. Thanos also kills Heimdall after he sends Hulk to Earth using the Bifröst. Thanos and his lieutenants leave, destroying the ship.

Hulk crash-lands in the Sanctum Sanctorum in New York City, reverting to the form of Bruce Banner. He warns Stephen Strange and Wong about Thanos's plan to destroy half of all life in the universe, and they recruit Tony Stark. Maw and Obsidian arrive to retrieve the Time Stone from Strange, drawing Peter Parker's attention. Maw, unable to take the Time Stone due to Strange's enchantment, captures him. Stark and Parker sneak aboard Maw's spaceship while Wong stays behind to guard the Sanctum.

The Guardians of the Galaxy respond to the Asgardian ship's distress call and rescue Thor. Thor surmises that Thanos is after the Reality Stone, which Taneleer Tivan possesses on Knowhere. He travels with Rocket and Groot to Nidavellir to enlist the dwarf king Eitri's aid in creating the battle-axe Stormbreaker. Peter Quill, Gamora, Drax, and Mantis travel to Knowhere, finding Thanos already has the Reality Stone. Thanos kidnaps Gamora, who discloses the Soul Stone's location to save Nebula from torture. On Vormir, the Stone's keeper, Red Skull, tells Thanos that he can only acquire it by sacrificing someone he loves. Thanos sacrifices Gamora, earning the Stone.

In Edinburgh, Midnight and Glaive ambush Wanda Maximoff and Vision to retrieve the Mind Stone in Vision's forehead. Steve Rogers, Natasha Romanoff, and Sam Wilson rescue them and they take shelter with James Rhodes and Banner at the Avengers Compound. Vision asks Wanda to destroy him and the Mind Stone to keep it from Thanos, but Wanda refuses. Rogers suggests they travel to Wakanda, which he believes has the resources to remove the Stone without killing Vision.

Nebula escapes captivity and asks the remaining Guardians to meet her on Thanos's destroyed homeworld, Titan. Stark and Parker kill Maw and rescue Strange. The trio crash-lands on Titan, where they meet Quill, Drax, and Mantis. Using the Time Stone, Strange views millions of possible futures, seeing only one in which the Avengers win. The group formulates a plan to subdue Thanos and remove the Infinity Gauntlet, with which he safely houses and wields the Stones. Thanos appears, justifying his plans as necessary to guarantee the survival of an overpopulated universe. Nebula arrives soon after and helps the others subdue Thanos, but then deduces that Thanos has killed Gamora. Enraged, Quill attacks Thanos, inadvertently allowing him to break the group's hold and overpower them. Thanos grievously wounds Stark, but Strange offers the Time Stone in exchange for sparing Stark's life.

In Wakanda, Rogers reunites with Bucky Barnes before Thanos' army invades. The Avengers, along with T'Challa and the Wakandan forces, mount a defense while Shuri works to extract the Mind Stone from Vision. Unable to summon the Hulk after losing to Thanos, Banner fights in Stark's Hulkbuster armor. Thor, Rocket, and Groot arrive to reinforce the Avengers. Together they kill Midnight, Obsidian, and Glaive, and rout Thanos's army. Shuri cannot complete the extraction before Thanos himself arrives on the field, slowed only briefly by Banner, Rogers, T'Challa, Wilson, Rhodes, Barnes, Okoye, Romanoff, and Groot. Vision convinces a reluctant Wanda to destroy him and the Mind Stone, but Thanos uses the Time Stone to reverse her actions, rip the stone from Vision's forehead, and complete the Gauntlet. Although Thor severely wounds Thanos with Stormbreaker, Thanos activates the completed Gauntlet by snapping his fingers before teleporting away.

Half of all life across the universe disintegrates, including Barnes, T'Challa, Groot, Wanda, Wilson, Mantis, Drax, Quill, Strange, Parker, Maria Hill, and Nick Fury, the last of whom sends an emergency signal on a modified pager before disintegrating. Stark and Nebula remain stranded on Titan while Banner, M'Baku, Okoye, Rhodes, Rocket, Rogers, Romanoff, and Thor are left on the Wakandan battlefield. Meanwhile, Thanos watches a sunrise on a remote planet.

WE WERE SHOCKED AND FLOORED AND THEN MOST OF US WERE CRYING OUR EYES OUT!

During the break as we were in the hall, NICO WAS BAWLING HIS

EYES OUT! HE WAS CRYING HARD AS JETS OF TEARS WERE FLOWING INTO A WASHTUB!

Nico: (BAWLING HYSTERICALLY)

Me: (CRYING) THAT WAS HORRIBLE!

Varie and Cassidy comforted me.

Me: (CRYING) All those people! GONE!

Camie: It'll be all right J.D. But you didn't let that happen right?

Me: (Sniffles) Yeah we didn't! But that was awful!

Nico WAS REALLY CRYING HARD! HE WAS CRYING HYSTERICALLY!

Grodd patted his back.

Grodd: I'm sorry Nico. I'm sorry.

NICO'S EYES POPPED OUT AND WAILED SCREAMINGLY AS HUGE JETS OF TEARS POURED OUT OF HIS EYES LIKE FOUNTAINS

Kairi Yano:… fuck.

Me: (CRYING)

Misty Tredwell hugged me.

Misty Tredwell: It'll be okay J.D. The important thing is it didn't happen.

Poromon: Good thing we got the Infinity Stones first.

Me: (Sniffles) You're right on that.

Qin: Yeah.

Later we got to watching Endgame.

*SPOILER ALERT*

---

In 2018, twenty-three days after Thanos erased half of all life in the universe, Carol Danvers rescues Tony Stark and Nebula from deep space and they reunite with the remaining Avengers-Bruce Banner, Steve Rogers, Thor, Natasha Romanoff, and James Rhodes-and Rocket on Earth. Locating Thanos on an uninhabited planet, they plan to use the Infinity Stones to reverse his actions, but discover Thanos has already destroyed them to prevent further use. Enraged, Thor decapitates Thanos.

Five years later, Scott Lang escapes from the Quantum Realm. Reaching the Avengers Compound, he explains that he experienced only five hours while trapped. Theorizing that the Quantum Realm allows time travel, they ask a reluctant Stark to help them retrieve the Stones from the past to reverse the actions of Thanos in the present. Stark, Rocket, and Banner, who has since merged his intelligence with the Hulk's strength, build a time machine. Banner notes that altering the past does not affect their present; any changes create alternate realities. Banner and Rocket travel to Norway, where they visit the Asgardian refugees' settlement New Asgard and recruit an overweight and despondent Thor. In Tokyo, Romanoff recruits Clint Barton, who became a vigilante after his family was erased during the execution of Thanos' plan.

Banner, Lang, Rogers, and Stark time-travel to New York City during Loki's attack in 2012. At the Sanctum Sanctorum, Banner convinces the Ancient One to give him the Time Stone after promising to return the various Stones to their proper points in time. At Stark Tower, Rogers retrieves the Mind Stone from Hydra sleeper agents, but Stark and Lang's attempt to steal the Space Stone fails, allowing 2012-Loki to escape with it. Rogers and Stark travel to Camp Lehigh in 1970, where Stark obtains an earlier version of the Space Stone and encounters his father, Howard. Rogers steals Pym Particles from Hank Pym to return to the present and spies his lost love, Peggy Carter.

Meanwhile, Rocket and Thor travel to Asgard in 2013; Rocket extracts the Reality Stone from Jane Foster, while Thor gets encouragement from his mother, Frigga, and retrieves his old hammer, Mjolnir. Barton, Romanoff, Nebula, and Rhodes travel to 2014; Nebula and Rhodes go to Morag and steal the Power Stone before Peter Quill can, while Barton and Romanoff travel to Vormir. The Soul Stone's keeper, Red Skull, reveals it can only be acquired by sacrificing a loved one. Romanoff sacrifices herself, allowing Barton to get the Stone. Rhodes and Nebula attempt to return to their own time, but Nebula is incapacitated when her cybernetic implants link with her past self, allowing 2014-Thanos to learn of his future self's success and the Avengers' attempt to undo it. 2014-Thanos sends 2014-Nebula forward in time to prepare for his arrival.

Reuniting in the present, the Avengers place the Stones into a gauntlet that Stark, Banner, and Rocket have built. Banner, who has the most resistance to their radiation, uses the gauntlet to undo every one of Thanos' disintegrations. Meanwhile, 2014-Nebula, impersonating her future self, uses the time machine to transport 2014-Thanos and his warship to the present, which he then uses to destroy the Avengers Compound. Present-day Nebula convinces 2014-Gamora to betray Thanos, but is unable to convince 2014-Nebula and kills her. Thanos overpowers Stark, Thor, and a Mjolnir-wielding Rogers and summons his army to retrieve the Stones, intent on using them to destroy the universe and create a new one. A restored Stephen Strange arrives with other sorcerers, the restored Avengers and Guardians of the Galaxy, the Ravagers, and the armies of Wakanda and Asgard to fight Thanos' army. Danvers also arrives and destroys Thanos's warship, but Thanos overpowers her and seizes the gauntlet. Stark steals the Stones and uses them to disintegrate Thanos and his army, but mortally wounds himself as he does so.

Following Stark's funeral, Thor appoints Valkyrie as the new king of New Asgard and joins the Guardians. Rogers returns the Stones and Mjolnir to their proper timelines and remains in the past to live with Carter. In the present, an elderly Rogers passes his shield to Sam Wilson.

We were in awe about the AWESOME EPIC BATTLE! Then we saw Iron Man snap Thanos and his army out of existence permanently and man it was EPIC! WHEN THAT WAS DONE WE CHEERED WILDLY! THE NIGHTMARE WAS OVER! Later we got done with the movies and we cheered wildly even more!

Me: THAT WAS SO EPIC!

Xenia: YEAH IT WAS!

Nico: WOOHOO! Sad in the first movie and then EPIC AND AWESOME in the next!

Grodd: That was so awesome!

Iron Man: Not for me!

Me: No but you came back Tony. At least it wasn't you that used the Infinity Stones in our battle.

Nico: Yeah that's true.

Shade: Yeah.

Black Widow: But thank goodness we stopped all of that from happening!

Nick Fury: Yeah but that was scary seeing all that!

Lola: No kidding there!

Loki: It's a good thing I was defeated before Thanos!

Lola: I agree Loki.

Wendy Storious: But that was still an epic battle you all did back then.

Me: It was Wendy.

Poliwag: Yeah.

Me: Lets just say that when we battled Thanos we prevented LOTS and LOTS of shit from happening and stopped him from doing the absolute worst.

Nico: Amen to that!

May: All because we found the stones first.

Nico: That is for sure.

Me: Yep.

I unsheathed my sword.

Me: And now they are part of my sword.

Nico: Yep.

Captain Cold: Boy that was really awesome though!

Toyman: It sure was!

Poliwag: It was awesome! J.D. thanks for taking me and Horsea on this date.

Me: Aw it was nothing.

Horsea: (SINISTER SMIRK) Now to give you your just reward!

Me: Later.

POOF!

I poofed away.

Joe Swanson: Boy Nico you really took the deaths in that movie really hard didn't you?

Nico: I sure did.

Joe Swanson: I don't blame you. I don't even want to know if I would've turned to dust here if Thanos won.

Nico: Me neither.

Qin: Yeah.

At the Crystal Brighthouse in the Maretime Bay sector I was sitting on the couch watching a movie. I didn't feel like giving a fun chase.

Sunny Starscout: Boy you really cried hard huh J.D.?

Me: Yeah I sure did. I'm sorry Sunny but it was just so sad seeing all those people die in that movie.

Pipp Petals: Boy that was awful though.

Kira KingOhger: Awesome to see you J.D.

Faye Fairy: May we sit with you?

Me: Sure.

They sat with me and we got to watching a movie.

Poliwag: Where is he?!

Nico: No idea.

Eli: He's over at the Crystal Brighthouse.

Nico: Oh didn't want to give us a fun chase. I guess all that crying took it out of him.

Camie: Yeah.

Nightbird: You can still tickle him though

Nico: He might still be upset about what we saw in Infinity War. Lets just let him regain his composure.

Nightbird: You're right.

They went to where I was.

At the Crystal Brighthouse we were watching a documentary on the world of the Invisible.

Faye Fairy: That is so cool that Kirlian Auras are made that way.

Me: It sure is. I think it's amazing. Fascinated me for years how that happens.

Kira KingOhger: Me too.

Zinnia Zyuohger: I liked learning about how light works. That was awesome.

Me: It sure is.

Gloria Gaoranger: That is awesome seeing how a strobe light can do that to fast movements.

Me: I know. That was so cool to see that in action. Especially with a firecracker and a drop of milk.

Tamara ToQger: No kidding.

Everyone came.

Arcee: Hey. How are you feeling?

Me: Oh hey guys. Just watching one of my favorite documentaries. I'm feeling better now.

Nico: Good. Oh sorry I don't believe we met.

Me: Nico these are Faye Fairy, Kira KingOhger, Tamara ToQger, Zinnia Zyuohger and Gloria Gaoranger. They are the embodiments of the Fairy Dopant and the King Ohger, ToQger, Zyuohger and Gaoranger Dopants.

Nico: Wow awesome to meet you girls.

Kira KingOhger: You too Nico. We comforted J.D. and helped him get better.

Zinnia Zyuohger: I am a zoologist and I study about animals and I love working in the zoo.

Gloria Gaoranger: I work as an Animal Conservationist and help animals in need. It's fun.

Faye Fairy: And I am a master of fairies and I know so many of them and I have all the powers of fairies. It's cool.

Nico: Awesome! Kira we met the King Ohgers on one of our previous missions a while back.

Kira KingOhger: I heard about that. And Gira Husty and his team are all looking forward to joining all of you later on.

Nico: Cool cool.

Me: I'm looking forward to that too.

Poliwag: We still must punish you though!

Me: I know. Sorry I couldn't give you a good chase though.

Nico: Hey it's okay. You feeling better though?

Me: Question is are you? You took seeing all those people dying REALLY HARD.

Nico: Hey, I still am. But I've learned to move past it!

Me: Good. I'm glad and yes I'm feeling better. Hold on.

I put a blindfold on.

Me: Okay mascots come and get me.

Horsea: With pleasure!

Mascots: CUTIE TICKLE RETRIBUTION!

They jumped me and knocked me down!

CRASH!

THEY THEN TICKLED ME!

Me: (LAUGHING HYSTERICALLY)

HAHAHAHAHAAHAHAHAHAHAHAHAHA!

Nico: (LAUGHS) That's funny.

Poromon: SAY IT!

Me: (LAUGHING)

Horsea: SAY IT!

Me: (LAUGHING) NEVER!

Eddy: I'll save you J.D.! (Shows Haunted Car Picture)

Mascots: (SCREAMS!) IT'S GOING TO KILL US ALL!

I got up.

Me: Thanks Eddy.

Eddy: No prob.

Me: That was awesome.

Lola: Yeah.

We later went back were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Nico got off the phone.

Nico: Guys, that was Squidward. You're not gonna believe what happened.

Qin: What happened?

Nico: I have a feeling he'll tell us when we get there.

The previous group came.

Overdrive: Can me, Scorcher, Firepower, Evil Star, Key, El Diablo, Toyman, Villamax, Wolf and Weather Wizard go with you guys? And what vehicle can I use?

Nico: In order, yes you all can come with and plenty of boats. We're going to Bikini Bottom.

Qin: Yep.

Lola: This will be fun.

Demolishor : Boss, which Gene Slammer do you think you'll meet next?

Nico: Block Man next.

Qin: Cool!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Molag Bal, Daedric Prince of Domination, and he's come to kill us. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone none of us are ever going to like: the figure we saw is none other than Molag Bal, Daedric Prince of Domination, and he's come to kill us.

We gasped.

Nicole: Oh man, The Daedric Prince of Domination?! Of all the Daedric Princes, Molag Bal is one of the worst!

Melanie Martinez: Let me and Lincoln face him, there's no way we're letting that Satanic Warlord get away with his life.

Lincoln: That's right, he deserves to pay for everything he's done.

Nico: Lets head to Bikini Bottom.

Melanie Martinez: What you've done can never be forgiven, Molag

Bal. I'll make sure that you never corrupt another innocent soul ever again!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Bikini Bottom.

We were off.

(4 HOURS EARLIER)

[In a dream Squidward was having we see a concert with Dream Squidward having blonde hair and playing the clarinet while the crowd is cheering for him.]

Tina-Fran: Squidward, we love you!

Audience Member #2: I love you, Squidward. You're my favorite! [Dream Squidward laughs as he does a crowd surf. The alarm goes off, and Squidward wakes up from his dream.]

Squidward: Alright, alright. Time for another hideous day at work. Ahh, just hang in there, gorgeous. [Plays a few notes on his clarinet] Your star will shine at the clarinet recital tonight. [laughs]

SpongeBob: Time for another glorious day at work. [winks at his tie, the tie winks back] Good morning, Squidward! [walks down the street with Squidward] And isn't it a lovely morning? Why are you playing the clarinet on your way to work?

Squidward: I'm practicing for my clarinet recital. Soon, all of Bikini Bottom will recognize the talent that is Squidward Tentacles. Goodbye, SpongeBoob.

SpongeBob: See ya at the Krusty Krab, Squidwart. Hey, Sandy, what's this?

Sandy: Well, this here is my new matter transporter. It can move things from one place to another in the blink of an eye.

SpongeBob: Ooh, that sounds fancy.

Sandy: Let me show you how it works. [puts an apple in the transporter]

SpongeBob: Whoa! [apple disappears] Where'd it go?

Sandy: Just where you think it would be. [apple appears on Mrs. Puff's desk]

Mrs. Puff: Oh!

SpongeBob: Uh-oh, I'm late for work. Do you think your machine can zap me over to the Krusty Krab?

Sandy: I always did want to try a critter. Sure, why not? Get in there, SpongeBob.

SpongeBob: Whoo-hoo! [goes into transporter]

Sandy: Hold on tight.

SpongeBob: [transporter starts] Gee, Sandy, this sure feels…

Squidward: [walking up to the Krusty Krab] Well, here we go again. [as he reaches for the door, SpongeBob appears and Squidward's arm is attached through SpongeBob's body]

SpongeBob: Hey, Squidward! [laughs. Sandy's remote is going haywire]

Sandy: What's going on with this thing? [SpongeBob and Squidward get transported back to Sandy's machine] What in tarnation?

PRESENT TIME

We were at Bikini Bottom.

Scorcher: Good old Bikini Bottom.

Me: Yep.

Nico: Hey there's Sandy.

We saw her with her awesome Matter Transporter.

Me: Sandy?

Sandy: Howdy guys.[gasps. SpongeBob and Squidward are mutated into one body]

Me: WHAT THE FUCK!?

SpongeBob: Hi, Sandy!

Squidward: I'm not sure what it is, but something seems different about me.

SpongeBob: Yeah, me too.

Squidward: Hey, what are you doing with my hand? What am I doing with your hand? Ahh! What is this? We're all mixed up together. [tries to detach himself, but fails] This is horrible! I have my clarinet recital tonight!

Me: SOMETHING REALLY WENT WRONG!

SpongeBob: Oh, it's not so bad, Squidward. Now we can be best buddies and do everything together, forever.

Squidward: [screams] Sandy, was this your doing? You've got to get us separated!

Icepick: You guys wanna tell us WHAT THE FUCK IS GOING ON?!

Me: SpongeBob and Squidward fused together!?

Qin: This is crazy!

Sandy: Well, I wish I knew how.

Squidward: Well, you have to do something! I can't stay stuck to him!

Sandy: Hmmm, I wonder what would happen if I tried zapping you back in the transporter.

Squidward: Uhh, yeah, yeah, yeah, good idea. Let's try it.

Sandy: Well, here goes nothing. [transports to Bikini Bottom Elementary]

Mable: All right, children. Today's Timmy's birthday. You know what that means. Ready, Timmy? [opens present. SpongeBob and Squidward rise up from the box, still mutated together. Mable screams as SpongeBob and Squidward get transported again]

me: OKAY THAT was horrible!

Doctor: Congratulations, Mrs. Smith. You gave birth to a healthy baby boy.

Mrs. Smith: May I see my baby?

Doctor: Of course. [baby appears as SpongeBob & Squidward mutated into one body again. Mrs. Smith screams as they are transported again]

Nico: THAT WOULD BE A HORRIBLE BABY!

One-Eyed Monster: I've been in love with you ever since I first laid my eye on you. [both monsters kiss. SpongeBob and Squidward appear between them] Hey, baby, what's your name? [SpongeBob and Squidward get transported again. The lady monster slaps the one-eyed monster's face and leaves]

Eli: NOW I've seen everything!

Squidward: It's no use, Sandy. We're still the same.

Sandy: Well, that's a darn shame.

Qin: This is a nightmare.

Sandy: You know what, I was working on the blueprints for a new invention. But it's still in the embryonic stage.

Squidward: Try anything! I cannot go to my clarinet recital like this.

Sandy: I'll continue working on it. In the meantime, you boys keep your head up.

Me: Lets see what caused Sandy's machine to malfunction like this.

I went and looked in it.

I looked and saw something.

Me: AHA!

I pulled out something and it was a GREMLIN! It was THE GREMLIN from the cartoon Falling Hare!

---

The Gremlin is the main antagonist of the Looney Tunes episode "Falling Hare".

He is first seen passing by Bugs Bunny to blow up a warplane's missile while the latter was laughing at the idea that Gremlins are real until he notices the Gremlin trying to blow up a missile with a mallet, unaware of his true intentions.

When Bugs asked the Gremlin "what's all the hubbub bub?", the Gremlin replied that blockbuser buster bombs aka warplane missiles won't go off unless he hits them just right with his mallet, to which Bugs decided to help, still unaware of the Gremlin's true intentions.

When Bugs finally realized what the Gremlin was up to after trying to blow up the missile himself with the latter's mallet, he asked the audience if that little man he encountered was a Gremlin.

---

Me: Here's the culprit!

Nico: WHOA!

Bugs Bunny: That Gremlin! Why that little!?

Lincoln: This is one of my premonitions. Nico, everyone, we've got a seriously huge emergency. I just had a vision about this and I saw who it was that we're going to confront today, it's none other than The Gremlin from Falling Hare, he caused Sandy's molecular transporter to malfunction and it caused SpongeBob and Squidward to turn into SquidBob TentaclePants.

We gasped.

Me: Oh shit!

Bugs Bunny: What?! That little stinker that tried to sabotage the B-52 Bomber?! He's causing trouble again!?

Buster Bunny: And we hadn't forgotten about the trouble those Gremlins caused with earthquakes although it was the doing of Monty stealing their huge gold nugget, but this is too much! Now, they've messed with our friends! Now, it's personal!

Me: Big time. We're gonna teach these little stinkers a lesson!

Alana Monroe: We're never forgiving them!

Trouble Busters: TIME FOR THE TROUBLE BUSTERS!

Nico: Let's fix Sandy's machine, and get SpongeBob and Squidward back to normal, and then, we're getting after the Gremlins and flatten those stinkers!

Lincoln: And send them to Vypra, she'll teach them a lesson they'll never forget.

Me: Big time!

SpongeBob: Together forever.

Squidward: Misery.

Trent: Oh Nico, who gets to shine today?

Nico: The Cutie Mark Crusaders and Natsumi.

Natsumi: All right!

Cutie Mark Crusaders: CUTIE MARK CRUSADERS SHINE TODAY! YAY!

Apple Bloom: This is gonna be so fun!

They high five!

Xenia: Yeah!

Applejack: YEEHAW! Y'all are gonna do great girls.

Gremlin: I'm going to make you wish you were never born.

Me: You want to bet on that you little pipsqueak?

Gremlin: I sabotaged the machine and made SpongeBob and Squidward like this! Now I will get all my friends and make your lives a nightmare!

Me: Oh yeah? Come and try it then. Stealing your gold will be the least of your worries.

Evil Star: Lets kick him far away to give him a head start.

Me: Good idea.

I then rolled him into a ball and then…

KICK!

I kicked him far and sent him a long ways away!

Nico: Take that! Nice kick.

Skullgrin: Now to focus on this problem.

Nico: Lets head to the Krusty Krab and help there.

Later, SpongeBob and Squidward are riding a bike to work.

We were following them.

Squidward: SpongeBob, hasn't anyone taught you how to ride a bike?

SpongeBob: Don't worry, I'll drive.

Squidward: [Squidward's head bumps against the wheel of the bike] Ow, ow, ow. SpongeBob! Ow, ow, ow, ow, ow. [both enter the Krusty Krab riding the bike. The bike crashes into the boat and they fly through the kitchen window]

We walk in too.

Customer #1: I gotta lay off the hot sauce.

CRASH!

Mr. Krabs: [enters kitchen] What in blazes is going on in here?

SpongeBob: Oh, hi, Mr. Krabs.

Mr. Krabs: What are you two doing laying around? Get to work.

Squidward: If you say so. [as they stand up, Mr. Krabs freaks out]

Mr. Krabs: Egad! What happened to ya?

Me: Really ugly story Mr. Krabs.

Lily: Yeah it involves a gremlin and Sandy's transporter she built.

Me: These little guys.

I showed a picture of a gremlin.

Mr. Krabs: Great Sulfur Pits of Davy Jones Locker! They really exist lads?

Me: Yep.

Toyman: We're working on a solution.

Me: Lisa, Dexter and Sandy are working on it now.

Mr. Krabs: Okay lads.

Fangry: In the meantime, we'd like some patties.

Me: Good idea. All that crying from those movies made me hungry.

Nico: Me too.

We got some patties.

SpongeBob: You guys were crying?

Me: Oh right we hadn't told you. We watched a double feature of Avengers Infinity Wars and Endgame and we cried REALLY HARD at Infinity Wars.

Nico: Yeah that was sad.

SpongeBob: Aww you poor guys.

Squidward: Sorry you had to see all that guys.

Lily: I'll get us some patties guys.

Lily went and got us patties.

We were later eating.

Me: (Eating a Krabby Patty) Mmm!

I put hot sauce on it and it was good.

Sandy, Lisa and Dexter came in with a ray they are working on.

Squidward: Sandy! Sandy! Please tell me you've figured out a way to separate us.

Sandy: Say hello to the 'Molecular Separator Ray'.

Me: Interesting.

Squidward: Hello, Molecular Separator Ray. Well, let's get on with it. My clarinet recital is later tonight.

Lisa Loud: Squidward you need patience.

Sandy: Uhh, well, we're not quite done with it yet.

Squidward: What'd you say?

Sandy: We're still putting it together. At best we're have it ready, uhh, the day after tomorrow? Maybe? [Squidward pushes Sandy's air helmet]

Squidward: What?! Day after tomorrow?! No, No, No, No, No, No, No, No, No! I have a performance tonight! I can't be stuck to that yellow freak! [SpongeBob smiles] Sandy, please, you've got to do it before the show!

Sandy: Well, uhh, I suppose… I'll have it ready before you go on.

Me: We better hurry guys.

Dexter: Agreed.

Wolf: What's the worst that can happen?

Lily: I don't think I want to know.

Natilee: Well in the end, THIS might happen.

She showed a sketch of Patrick, Sandy, Mr. Krabs, Mrs. Puff, Pearl, SpongeBob, and Squidward deformed and misshapen into a liquid ball of the fused characters!

WE GASPED!

Nico: OH YUCK!

Wolf: I don't think that's what I meant but yeah that is gross.

Bomb Burst: Lets try and avoid that.

Qin: Right.

We were eating.

Me: Mmm.

Old Man Jenkins: You are a disgusting freak. And you smell bad! I may not smell but you two are disgusting!

Me: No one asked you Old Man Jenkins!

Xenia: Jerk.

Sandy: Okay it's ready!

Nico: Okay!

Sandy: One blast of this Molecular Separator Ray and you'll be separated for good.

Weather Wizard: Everyone take a step back!

Me: Fire!

Sandy blasts the ray at Squidward and SpongeBob and it separates them.

Me: Hey it works!

Nico: Way to go Sandy!

We later went to the recital.

Announcer: Ladies and gentlefish, Bikini Bottom's Community Rec Center is proud to present: Squidward Tentacles. [curtain rises to Squidward. Squidward starts playing and everyone begins to hate it]

Evelyn: Honey, I'm scared. [the crowd continues to hate Squidward playing the clarinet]

Squidward: [plays clarinet off-key making SpongeBob cheer for him, but the audience hates it as they block their ears, Old Man Jenkins faints off his chair]

Mary: I think I'm going to be sick! [Squidward blows his clarinet at Billy, which blows his skin off and shows his skeleton]

Then EVERYONE STARTED PELTING SQUIDWARD WITH FRUIT, VEGETABLES AND EGGS!

Slog: We can fix this!

SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT!

The crowd was really smashing Squidward all over!

Me: I got an idea!

I called THE FLYING DUTCHMAN!

LIGHTNING STRIKES!

Flying Dutchman: ENOUGH!

The crowd gasped!

LIGHTHOUSE FOGHORN!

Everyone gasps as glowing green smoke comes into the stage. A glowing green figure appears, it turns out to be the Flying Dutchman! He does an evil laugh, making everyone scream in terror.

EVERYONE WAS SCARED OF HIM!

Flying Dutchman: You oughta be sent to Davy Jones Locker for making Squidward a talentless loser! He has magnificent art and deserves to be treated with respect as much as anyone else does!

Villamax: Just be glad you didn't see SquidBob!

Flying Dutchman: Let me make one thing clear to ya, you big crybabies! This hatred of Squidward has gone on long enough! What ye have been doing to him over the years has gone on for far too long! Every year before Team Loud Phoenix Storm came it was making him into a person that hates his art, made him a waste of space, make his dancing look like someone stepped on a bunch of tacks. But ye need to show him some love!

I then looked at his clarinet.

Me: Hmm. Aha! Here's the culprit on his clarinet.

I found a broken wooden reed.

I replaced it and made it new.

Me: There.

Sea Clamp:… say what?!

Flying Dutchman: Yes Sea Clamp I was watching everyone unjustly humiliate and call Squidward a pathetic waste of space and make fun of him.

Lily: And I have a confession.

She pulled out a picture of Squidward with muscles lifting a sea bear.

Lily: I love Squidward's art and I don't care what some people say about it!

The crowd screamed seeing that one and their eyes bursted into flames!

Flying Dutchman: QUIET!

HE YELLED AND BLASTED THE CROWD WITH GREEN FIRE FROM HIS MOUTH!

El Diablo: He was talking about the broken reed!

Me: I knew that! Try it now.

He tried his clarinet and it was better than ever and it sounded divine.

Squidward: It's much better! Thank you J.D.

Me: No problem.

Flying Dutchman: It does sound better than ever. But what the people have done to Squidward needs to change now! OR ELSE I WILL MAKE SURE THEY ARE SENT TO DAVY JONES LOCKER FOR ETERNITY!

Me: And he is not bluffing you boneheads!

They agreed to do so.

Me: Good.

Numbuh 274: Oh, did you get rid of the perfume section?

Flying Dutchman: Aye I did. Made it a raw sewage and rotten cheese of torture tunnel.

Me: That's… better?

Qin: Yeah.

Key:… Who wants to go after the gremlin?

Me: I do.

But then we heard a roar and then a TRIO OF SEA BEARS CAME! They roared and then went at Squidward and jumped on him and mauled him all over! THEY REALLY SAVAGELY TORE INTO HIM!

Edzilla roared at them and the Sea Bears ran.

Me: There.

But Squidward was mauled and ripped apart. Worse than the Sushimaker.

Nico: Ouch.

Everyone came and apologized to Squidward for everything he was and more.

Eli: Gremlins incoming!

We saw a massive bunch of them coming towards the stage!

Sheep Man: Entrance time!

We went at them!

The gremllins were ready to bash anyone that got in their way. Then the spirits of the sea came and they swirled around them and then converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above them and then a phoenix cry was heard and then we came out.

Me: Okay you mischief making buttslobberers it's time for your days of destruction to be over!

Gremlin: We'll see about that!

Firepower: Someone hit them with a Sponge Blast!

We fired waves of sponges and blasted them with explosive sponges.

Xenia: Whoa explosive sponges! Wow!

Natsumi and the Cutie Mark Crusaders charged at them.

Apple Bloom: CHARGE CRUSADERS!

Natsumi: HYAH!

They fired laser blasts at the Gremlins and blasted them all over the place!

The laser blasts all hit the gremlins and blasted them all over.

Sandy: NO ONE MESSES WITH MY INVENTIONS!

She smashed the gremlins with powerful Karate chops!

Sandy: HYAH!

SMASH! WHAM! BLAM!

Bugs Bunny: This is for making me look like a fool!

WHAM WHAM WHAM WHAM!

He bashed them on their heads with a wrench!

Poromon got onto a slingshot.

Laney: FIRE!

He fired and blasted the Gremlins all over!

Poliwag got into the slingshot.

He fired and smashed the Gremlins down.

BOWLING CRASH!

Plucky: THIS IS FOR TRYING TO USE US AS PIÑATAS!

He fired waves of energy and blasted the Gremlins!

Hampton: YEAH!

He fired more waves of energy and blasted the gremlins left and right.

Manaphy got into the slingshot and fired and she blasted the gremlins left and right.

Nico: Take that you Gremlin Buttchewers!

WHAM! WHAM WHAM WHAM!

The gremlins ran at us and bashed the ground as they ran at us and we felt tiny rumbles.

Horsea got into the slingshot and she fired and blasted the Gremlins with a Hyper Beam blast and they were burned all over!

Qin: TAKE THAT!

Lola: Yeah!

Lola and Qin fired waves of fire and energy and blasted the Gremlins.

Gremlin: You are freaks!

Me: Back at ya jerk!

Poromon loaded a beer bottle onto the slingshot and fired and he smashed the gremlins on it!

SMASH SMASH SMASH SMASH!

He fired waves of beer bottles all over.

Me: But Blizzard you already had your turn.

Blizzard: I know that. But it wouldn't be complete without me.

Me: Oh.

Beetle: So that's how Squidward and Spongebob fused.

Cad Bane: That explains a lot.

Me: Yep.

Nico: You don't want to know how it could've continued!

Boomerang: (shrugs) (Australian Accent) I'll take your word for it.

Titanium Man: (to Nico) We heard you fought a Horrificator clone.

Nico: We sure did.

Runt: (to Right) Nice job getting Vivillion

Lunk: You earned it.

Right: Oh I will.

A figure came out and it was BALD LOSER from episode 31 of Ninja

Blake Bradley: Bald Loser!

Bald Loser: Been a while Blake!

Me: I remember you! But it's too bad it was only video footage of you. You were sent to destroy the rangers.

Bald Loser: I know! Man it's a darn shame I didn't have my own adventure.

Me: I know! What a rip!

Bald Loser: Yeah.

Qin: Yeah.

Bald Loser: Hey good job destroying Lothor.

Me: You have no idea how long I've been wanting to rip his ass in two like that. The wait was worth it.

Bald Loser: It sure was.

Bald Loser: You can say this is my first personal battle here.

Lily: That'll teach those mischief makers! And stay away from our friends!

Nico: Vypra will make sure those Gremlins are taught some manners!

Lincoln: Now, there's only one last thing to do and one last loose end to tie up: Molag Bal, The Daedric Prince of Domination.

?: All of mankind will bow before me and all shall offer me their souls!

Lincoln formed a massive indestructible diamond barrier with absorption energy surrounding the barrier that protected all of us from a massive volley of darkness blasts that came flying out of nowhere, and when they hit the barrier, they were absorbed and flowed into us and we grew even stronger and the barrier remained strong.

Lincoln: (Catches the scent) There's no mistaking the smell of blood from anywhere, come out from the shadows, Molag Bal, or we will force you out.

A massive vampiric figure emerged from the darkness, and it was none other than Molag Bal, The Daedric Prince of Domination.

Mara: Molag Bal, I should've known you'd show up here.

Molag Bal: All of humanity will bow before me, and so will all of you.

Melanie Martinez: As if! No one will ever bow before you!

Suddenly, Melanie Martinez's blue eyes turned neon blue and she was surrounded by a black and blue energy aura with stars, water, ocean waves, dumbbells, phoenixes, and angels, she unholstered her massive golden greatsword from her back, and as she approached Molag Bal, she left black and blue energy, stars, water, ocean waves, dumbbells, phoenixes, and angels with every step.

Melanie Martinez: You really make me sick to no end, Molag Bal, you are literally the most evil and destructive of all the seventeen Daedric Princes, but what makes you truly despicable and sickening is that you corrupt mortals and force them to submit to you so you can collect their souls. That ends here and now, this is where you die.

Suddenly, Melanie Martinez was surrounded by a massive vortex of black and blue energy, with stars, water, ocean waves, and dumbbells surrounding the vortex, there are phoenixes, angels, and Muscle Medic flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Molag Bal: the red eyes of eternal death. Then, as the vortex faded, Melanie Martinez emerged, but she was changed forever.

Melanie Martinez grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large black and blue orbs orbiting around her legs, she has the body of a goddess, she has blue highlights in the bangs of her long midnight black hair and purple hairband and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon blue eyes and a black and blue energy aura with stars, water, ocean waves, dumbbells, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Muscle Medic emblazoned on her forehead and Third Eye with blue iris, she has on phoenix earrings with blue gems for eyes and holding the Star, Water, and Eternity Kanjis in its talons, she also has Muscle Medic with blue gems for eyes and holding the the Star, Water, and Eternity Kanjis in his hands for the second pendant on the bottom of her blue phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with blue links from her merged Crystal Necklace of the Buddha and blue gems embedded on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Melanie Martinez has on a sleeveless black tank top, black shorts, black knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, water, ocean waves, dumbbells, phoenixes, and angels on the coattails, and on the back is Muscle Medic surrounded by stars, water, and dumbbells and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with angels surrounding a blue gem with neon glowing blue lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Melanie Martinez felt a sharp pain on her back, and then, her massive midnight black angel wings with ocean blue tips on the large midnight black feathers grew much bigger for her new body and she also now has eleven massive and long midnight black wolf tails with ocean blue tips and ocean blue markings, Melanie Martinez has on her Ring of the Phoenix with large ocean blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Melanie Martinez's massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of black and blue energy, stars, water, ocean waves, dumbbells, phoenixes, and angels, and when it emerged, it was transformed into Melanie Martinez's Cosmic Eternal Oceanic Water Maelstrom Bodybuilder Muscle Medic Phoenix Angel Greatsword of Cosmic Eternal Oceanic Water Maelstrom Bodybuilder Muscle Medic Phoenix Angel Justice, it's a brand-new massive greatsword with embedded blue gems and Muscle Medic etched on the 7'8" massive, wide, double-edged gold blade, large gold dragon heads for the crossguard, large white angel faces built into both sides of the hilt and large blue gems embedded in their foreheads, longer midnight black handle, four large gold dragon heads with blue gems for eyes and on the bottom of the large gold dragon heads is a large gold dragon head with blue gems for eyes and blue gem in its mouth for the pommel, Melanie Martinez has on her large gold Bracers of The Champions of The Universe with large blue gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Muscle Medic's head with blue gems for eyes and large blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Melanie Martinez's Super Angel-Muscle Medic-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Molag Bal saw it, he fell into a rage and ran at her to kill her, but Melanie Martinez fired a massive barrage of black and blue energy, stars, water, ocean waves, dumbbells, phoenixes, and angels which hit Molag Bal and he was sent flying into a coral reef, he got back up, but he was already pissed off.

Selene Arcangela: Oh boy, Melanie Martinez has transformed, and she's about to deal some serious pain to Molag Bal.

Lincoln: Messing with our bodybuilding Guardian Angel is basically a death sentence to someone like him.

Melanie Martinez: (Divine Echoing Godly Voice of The Eternal Cosmic Water Muscle Maelstrom Bodybuilder Muscle Medic Phoenix Angel and Divine Cosmic Eternal Cosmic Water Muscle Maelstrom Bodybuilder Muscle Medic Phoenix Angel Love) He deserves to get flattened and beaten to a bloody stain.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as the sword pendants on his large white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing, and he joined Melanie Martinez.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've got some nerve coming here to try and corrupt mortals so that you can harvest their souls and bring them under your power, Molag Bal, and for that, you're going to be flattened and torn apart!

Melanie Martinez and Lincoln went after Molag Bal, and they fired extremely powerful blasts of rainbow energy, black and blue energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Molag Bal, and they exploded with incredible power as they hit him.

Then, Lincoln and Melanie Martinez attacked him with energy slashes from their massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Melanie Martinez also did the same by firing orange and dark blue energy slashes from her massive greatsword, and he and Melanie Martinez attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and this was enough to drive Molag Bal mad with rage.

Molag Bal: YOU! YOU! (ANIMALISTIC ROAR)

Molag Bal went after Lincoln and Melanie Martinez in a fit of rage, but Lincoln and Melanie Martinez fired dumbbell-shaped energy blasts at Molag Bal and they summoned dragons to attack Molag Bal and he was really scarred by their furious attack.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Molag Bal's chest, and then, Lincoln began absorbing Molag Bal into his body as he and all of us assimilated all of his divine powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Molag Bal except for his loincloth, and he banished Molag Bal to The Black Gates. We cheered wildly for what Melanie Martinez and Lincoln did as they holstered their massive greatswords on their backs and powered down and Melanie Martinez's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, eleven large black and blue orbs orbiting around her legs, and massive midnight black angel wings are permanent.

Melanie Martinez: Your corruption and enslavement of mortals end here, you Satanic warlord. Thanks for helping me destroy Molag Bal for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Melanie.

Suddenly, Melanie Martinez wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Melanie Martinez's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Muscle Medic flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and water and ocean waves raging behind them and we cheered wildly. Then, Lincoln and Melanie Martinez sucked in and absorbed the elemental forces and water and ocean waves and they came back to us as the display vanished.

Me: That was one awesome battle, you guys, and Melanie, you really did awesome!

Nico: No fooling, you and Lincoln smashed him really hard into the ground, those muscles of yours definitely weren't just for show, and you and Lincoln defeated him, and Lincoln ended it by absorbing him.

Lincoln: Yep, but The Daedric Princes aren't giving up that easily.

Suddenly, the rainbow gem of Lincoln's silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenix, thunderbird, buffalo, angel, vampire, and werewolf surrounding it on his back started glowing

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

Me: Uh oh! INCOMING!

Then, we saw who it was causing trouble: it was clones of Kamen Rider Cronus and all of the Bugsters.

Shinnosuke: What the? Clones of Masamune Dan and all of the Bugsters?!

Lincoln: Whoa!

Our jaws dropped to the floor!

CLANG!

Eli shut our mouths.

Nico: WHOA! This is really quite an army!

Lincoln: You said a mouthful, and I'm gonna enjoy absorbing all of them!

Lincoln fired powerful rainbow energy blasts at the clones of Kamen

Rider Cronus and all of the Bugsters and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of Kamen Rider Cronus and all of the Bugsters, and then, Lincoln began absorbing them all into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. Suddenly, Lincoln gained Rider Gashats, and they were put into his silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenix, thunderbird, buffalo, angel, vampire, and werewolf surrounding a rainbow gem with neon glowing rainbow lights equipped with recognition of him and fits an infinite number of items and components for Eini, the Universe 666 Miraculous, Familiars, and Bakugan to rest in on his back, along with the Rouse Cards, Faiz Phones, Wizard Rings, Gaia Memories, Advent Cards, O Medals, Fuestles, Eyecons, Gamma Eyecons, Lockseeds, Zeronos Cards, Rider Tickets, Vistamps, Shift Cars, Signal Bikes, Viral Cores, Fullbottles and Sclashjellies, and Astroswitches.

Emu: Wow, now you have Rider Gashats with all of the Bugsters' powers.

Lincoln: Yep, next time, I'm hoping we get to face the clones of Ark and the Magia.

Nico: Now, that would be awesome, and we'd also have access to their powers as well. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: I've got just the person: Kashtira Harper, Gene-Slammer of Tearlaments Kashtira.

Shaylen Harper: (GASPS) One of my sisters, that's awesome, and you guys will love meeting her, Kashtira Harper is Lincoln's Guardian Angel from Michigan and the fourth of eight sisters, she has powerful mastery of darkness and water and she is known for her amazing swordsmanship skills, and like Shaylen Harper, she has a magic sword that was made by Tearlaments Kashtira that can cut through even the strongest of metals and her sword also has the power to make them go insane! She also took on all of the meanest bullies in the city after that were after Lincoln and she slashed them all over and filled up a maximum security insane asylum in one day. She even took down Lola at the worst of her fury and rage, and one slash from her sword made her worst fears come true: she was disowned by her family and banned from all pageants for life and thrown in prison.

We gasped.

Nico: Whoa.

Lincoln: Yeah, it may have made Lola's worst fears come true, but thankfully, it didn't drive her mad like those hit by Shaylen's sword.

Me: Still, that's really powerful.

Shaylen Harper: That's right.

Cheshire: That ends another adventure in Bikini Bottom.

Multiple Man: One that couldn't ended messy.

Me: Yeah.

Silver Samurai: Oh, no argument here.

Squidward: Thanks for what you did for me, guys.

Whiplash: No prob, Squidward.

Qin: It was our pleasure.

Major Disastor: Your clarinet should be playing beautifully now.

Rotwood: I, for one, am happy for you, Squidward.

Squidward: Thanks guys. I'm glad my clarinet is fixed. I completely forgot that the reed has to be replaced every now and then.

Me: No worries.

Pinkie Pie: Ah no biggie wiggie. Besides now people will start respecting you.

Then the people of Bikini Bottom started lining up to Squidward and they had apology baskets.

Me: Whoa look at all the people with baskets.

Squidward: Guess the talk we had worked.

Nico: Yep. Great job today everyone.

SpongeBob: (To the viewers) (LAUGHS) This was a great adventure for us.

Me: It sure was.

We later went back home and enjoyed the rest of the day and went to sleep.

This chapter is a crazy one.

---

It was a beautiful fall day and I was reading the paper at the estate and eating sausages and toast with pancakes.

Me: Hmm. So far everything is quiet and peaceful.

Nico: Yep.

Eli: Yeah.

Me: (Eating sausages) Mmm.

Then the phone rang.

Simone Houou: Oh I'll get it.

Simone went to the phone.

Simone Houou: (Answers) Team Loud Phoenix Storm Estate, Simone Houou Speaking.

Tim was on the horn.

Tim: Simone it's Tim!

Simone: Oh hey Tim! How have things been?

Tim: We need your help. We need to get some honey from my grandfather's farm and fast! All the honey we had was destroyed.

Simone Houou: Oh no! I have a feeling I know what's about to happen. We'll be right over. See you shortly. Bye.

She hung up.

Simone Houou: We need to head over to the Walkerville sector.

She told us everything.

Me: Oh man! We better see what's up.

Nico: Right! Rescue team lets move out!

We were off!

We arrived at the school.

Me: We got here as fast as we could Tim.

Nico: Yeah. We heard that you are in need of more honey.

Simone Houou: And it sounds like you need it pronto.

Tim: Yep. So you know what we're going to do? We're going to convince Ms. Frizzle to take us to my grandpa's bee farm! I've got to get more honey!

Applejack: Well don't you fret. We'll gladly help y'all out.

Apple Bloom: Yeah it'll be great to help.

Then we heard buzzing coming from the beehive model and then it moved and out popped Ms. Frizzle with the top as a hat.

Ms. Frizzle: Hive alive class!

All: Ms. Frizzle!

Me: Awesome entrance.

Ms. Frizzle: Did somebody call me honey?

Carlos: Not me Ms. Frizzle.

Wanda: Uh uh!

Tim: No way.

Simone Houou: Awesome to see you again Ms. Frizzle. We answered Tim's call. He needs honey from his grandpa for a delivery.

Tim: Yeah. We were talking about going to my grandpas bee farm to get more honey from his bees because the jars broke and the honey went down the drain.

Simone Houou: He's very frantic about this.

Phoebe: Ms. Frizzle? Um I don't think it's right to just take honey from the bees.

Tim: But Phoebe if we don't take honey from the bees where are we supposed to get it?

Me: Tim is right and I learned that honey is a very important part of humanities survival. Without honey we wouldn't be here.

Phoebe: Wow. I didn't know.

Me: There are lots of things about bees that make them part of nature.

Phoebe: I didn't know about that. But we can't take it from the bees!

Tim: Of course we can! That's why they make it so we can take it!

Phoebe: and what makes you so sure!?

Fluttershy: Phoebe your heart is in the right place but you need to see it for yourself to be sure.

Ms. Frizzle was in a light.

Ms. Frizzle: To take honey from bees or not to take honey from bees? That is the question.

Laney: Like something out of Hamlet.

Phoebe: So what is the answer Ms. Frizzle?

Simone Houou: Looks like we're going to go to the source. To the bus?

Ms. Frizzle: To the bus!

We were off.

We were flying alongside the bus.

Me: Boy smell that autumn air.

Nico: Oh yeah!

Kids: (Singing) A honeying we will go! A honeying we will go! High ho the dairy oh a honeying we will go!

Ms. Frizzle: (Inhales) Ah don't you just love it when you get that nip in the air.

Keisha: No doubt about it. Winter is on its way.

Me: Yep in just a couple more months.

Nico: Look there.

Keisha: The farmers are harvesting the last of the corn before the winter comes.

We saw the farms harvesting the last of the corn.

Carlos: The cold must be catching. Even the squirrels are going nuts.

Luan: (LAUGHS) That is Nutty! (LAUGHS)

Eddy: (LAUGHS) Good one!

Ms. Frizzle: And today is our last chance this year to see all these beautiful flowers before the cold finishes them off.

Me: It's a darn shame to see that.

We then took a right down another road.

Tim: Wait Ms. Frizzle! This isn't the way to my grandpa's bee farm!

Ms. Frizzle: Who said anything about going to your Grandpa's bee farm.

Arnold: I knew it! This is a field trip!

Simone Houou: Just like old times!

We arrived at a field.

Ms. Frizzle: That's right Arnold! A trip to a field. Isn't it beautiful?

Me: Wow! What a beautiful field.

Tim: It's great Ms. Frizzle. But why look at flowers when all we need is honey?

Me: Because without flowers there wouldn't be any honey. No pun intended.

A bee flew in.

Tim: YIKES! Another bee!

Me: That's one of the reasons why we're here too.

Ralphie: Where there's a honeybee there's bound to be a hive.

Me: Yep.

Tim: You're right! And where there's a beehive there's bound to be honey! Follow that bee!

We followed the bee and then Tim tripped and everyone fell on top.

Fluttershy: Oh goodness. Are you all okay?

Dorothy Ann: we're okay.

Qin: We lost sight of the bee.

Me: Tartarsauce.

A whistle was heard.

Ms. Frizzle: All aboard the Bee-Line express!

The bus turned into a giant bee!

Lola: Okay that is cool!

The bus flew in and we got sucked in by a vacuum.

Ms. Frizzle: Time to buzz off bus.

The bus flew.

Tim: How are we gonna find the hive?

A radio satellite on the bus picked up something. It sounded like hundreds of bees buzzing.

Dorothy Ann: Listen. It sounds like a lot of bees.

Me: That is defintely a hive.

Carlos: It's getting louder.

Me: Wait look there!

I pointed to a tree.

Wanda: Hive at 5! Hive at 5!

I looked and saw a hive in a tree. Lots of bees were going into it.

Me: That's a hive all right.

Nico: Good eye!

We went over to it.

Ralphie: There must be a gazillion bees in there.

Fluttershy: Let me see.

Fluttershy looked.

Fluttershy: Amazing. Hello bees. Sorry to disturb you all. But we just want to look and see what you all are doing.

The bees understood.

She came back.

Fluttershy: It was amazing to see.

Me: Wow.

Phoebe: Even if we could get it out, we can't take honey from that hive. It belongs to the bees.

Tim: But what good is it doing the bees Phoebe?

Phoebe: I don't know. But they must use it for something or else why would they make it?

Xenia: Finding out is easy but getting close is the hard part.

Nico: I agree. Getting stung by bees hurts like the dickens.

Eli: He's right. It HURTS Really bad!

We went back to the bus.

Me: We're going to need to think on this.

Wanda: Too bad we're not one of those bees. Then they would leave us alone.

Me: Hey that's a good idea.

Ms. Frizzle: Dynamic deduction!

Arnold: (Fearful) Wanda quick! Take it back!

Ms. Frizzle: Oh Bee calm Arnold. Wanda's made a most Bee-fitting suggestion.

Arnold: I knew I should have stayed home today.

Me, Simone and Fluttershy went outside.

Ms. Frizzle: Go on Liz. Do your bees wax.

She went and pressed the bee button and then we heard sounds of pain and all that and then we saw the bus spit out numerous bees. They all had bee bodies and their human heads and they had bee antennae.

Me: WHOA!

Phoebe: Hey look. We're bees!

Me: That is so cool!

Fluttershy: Oh you guys look really adorable as bees.

Simone Houou: (LAUGHS) Just like when I first turned into one.

Me: Wow how do you all feel?

Arnold: Weird but this is amazing.

Twilight Sparkle: Boy this is really amazing.

Lincoln: I always wondered what it would be like to be a bee.

Laney: Me too! This is amazing!

Lola: Yeah! This is awesome!

Rita: I feel so bee-fitting!

WE LAUGHED!

Me: (LAUGHS) Good one Ms. Rita.

Luan: (LAUGHS) Good one mom!

Carlos: Yeah and you're a Phoe-bee! (LAUGHS) And you're a Frizz-bee!

Ms. Frizzle laughed.

All: Carlos!

We laughed!

Me: (LAUGHS) Hey those were good ones.

Luan: (LAUGHS) Good one Carlos!

Simone Houou: Awesome.

Nico: But it feels really cool being a bee.

Qin: It sure is.

Tim: Come on guys, it's time to take chances and make mistakes!

Arnold: And get stung. I'm not going.

Wanda: Chill Arnold it's perfectly safe. We're one of them now.

Ms. Frizzle: Well not yet you're not. Hit it Liz!

She pulled a lever and out came a bottle of perfume?

Me: You're not going to get sprayed with perfume are you?

Mrs. Frizzle: Nope.

Then Liz sprayed them and they were covered in a pink mist.

Nico: What the!?

Varie: (COUGHS)

Wanda: Hey what is this stuff!?

Carlos: I'm soaked!

Ms. Frizzle: It's Eau De Hive. A Pheromone actually. Now we not only look like bees. We (Sniffs) Smell like bees.

Me: Oh right all insects recognize each other via scent.

Ms. Frizzle: That's right. Hold down the bus Liz we're going in.

Tim: To the Hive!

They went to the hive!

They went into the hive and it was cool.

We saw honeycomb structures and they had their larvae and storage pods for honey.

Me: Wow look at that.

We saw the bees Sharing with the kids.

Ralphie tasted some stuff.

Ralphie: (Gulps) Hey! This stuff is terrific. It's sweet and delicious.

Tim: What's Ralphie doing?

Dorothy Ann: According to my research, every bee has a proboscus. It's kind of like a tongue that they use to gather food and share with one another.

Carlos: Yum! What is it? Where did they get it?

Keisha: Hey! I bet it's flower nectar. Remember back when we went inside the flower in Mr. Seedplot's garden and we saw the bees drinking up all the nectar.

Simone Houou: I remember that. That was so fun to see. We discovered how Photosynthesis works.

Fluttershy: That is amazing.

Wanda: So is that nectar that they are upchucking into these honeycomb cells?

We saw them putting nectar in them.

Ms. Frizzle: Taste it and see.

Wanda did so.

Wanda: It IS nectar.

Me: That's how honey starts guys. It starts from flowers.

Keisha: There may be nectar in that cell. (Tastes honey) But there's honey in this one. Mmm mmm!

Ralphie: So where does the honey come from?

Carlos: Look at this! It looks like these bees are stirring the nectar.

Phoebe: And these bees are fanning the cells with their wings.

Tim: Nectar is thin and watery right?

Ralphie: (Slurping honey) Mmm. But honey is thick and syrupy.

Tim: Well maybe the bees fan and stir the nectar to evaporate the water. That would make it thicker wouldn't it.

Ms. Frizzle: Bees-eye Tim! Honey is made from thickened nectar!

Ralphie: But nectar is seriously yummy as it is. Why turn it into honey?

Keisha: I bet it lasts longer when it's thicker. Like my grandma's strawberry preserves. (Dreamy) Yum.

We saw them mixing honey for their larva and making honey for many of themselves. We then decided to find some flowers.

Wanda: There's some flowers over there!

We found some chrysanthemums.

Wanda: Yahoo!

But the flowers were sucked dry.

Nico: We'll have to find some flowers that haven't been touched.

Me: Right. We better split up.

We went out to find some flowers.

We went to find some flowers and found nothing so far.

But then we smelled something.

Me: Wait I know that smell.

Lisa Loud: That appears to be Solidago altissima.

Nico: Goldenrod.

We saw a massive grove of Goldenrod.

Fluttershy: Wow! That is a lot of goldenrod.

Tim: Nectar city! Start gathering.

Nico: Right!

They went to gather.

We gathered as much nectar as we could.

We then went back to the hive.

Nico: Boy this is gonna take a while.

We then saw a black bear!

Me: Whoa!

Ms. Frizzle: I believe that was an ursus americanus.

Me: A Black Bear.

We got them back to the hive and filled up only a few cells.

Me: Honey making is not as easy as it looks.

Tim: We got to move back and forth until we have filled up enough of the hive. Come on!

But then..

CRASH!

The bear busted open the hive!

The kids screamed!

Fluttershy: Mr. Bear!

Fluttershy used her stare on the bear.

Fluttershy: Those are my friends in that hive now please leave and go somewhere else for honey!

The bear left.

Nico: Nice save Fluttershy!

Lincoln: Way to go Flutters!

Simone Houou: That was great!

Arnold: It sure was!

Nico: Now lets get to having the bees head to those flowers.

We later learned so much about how bees communicate and it was by dancing. We lead them to the goldenrod flowers and it was amazing.

Then we decided to make our own honey. The bus turned into a beehive!

Tim: All right find those flowers!

They were off and they gathered nectar like you wouldn't believe and it was amazing. They went back and forth all over and made LOTS OF HONEY!

Tim: And what do we have?

All: HONEY HONEY AND MORE HONEY! YAHOO!

Me: Boy that was awesome!

Nico: Apple Bloom, I want to thank you, Frozen Fright, and your teams for coming.

Apple Bloom: Not a problem Nico. This is gonna be fun.

Zipporwhill: (Latin American Accent) I'm really excited for this too guys.

Qin: We all are.

Applejack: I'm really proud of my sister for getting her team.

Nico: Zipporwhill, what do you like to do in your free time?

Zipporwhill: Well I like to play with my dog Ripley. He and I love each other.

Nico: Aww.

Me: Zipporwhill found him when he was a little guy and it was how she got her cutie mark.

Zipporwhill: It's true.

Nico: So awesome.

Qin: It sure is.

Nico: Can we see him someday?

Zipporwhill: I would be glad to show him to you all.

Xenia: Awesome.

Phoebe: We heard about your adventures in Bikini Bottom guys.

Lola: Yeah our latest one was dealing with a gremlin that fused

Squidward and SpongeBob together.

Camie: It was a wonky adventure.

Nico: Yeah.

Eli: Yeah.

Nico: We call that SquidBob Tentaclepants.

Lola: That was a crazy one!

Varie: But that name is funny.

Lily: SpongeBob liked being stuck to Squidward but Squidward didn't.

Nico: Yeah no kidding.

Me: And he had a clarinet recital that night.

Nico: Sandy got them separated.

Xenia: She sure did. Thanks to the help of Lisa and Dexter.

Camie: Yep.

Wanda: Boy that must've been crazy though.

Me: It was. But everyone HATED the recital. They booed him all over and pelted Squidward with rotten fruit and vegetables.

Nico: Yeah.

Me: But I found the culprit that was making Squidward's clarinet playing terrible. It was a broken reed. And also the Flying Dutchman came and threatened the people with Davy Jones Locker forever if they didn't shape up.

Nico: And then we fought the gremlin.

Tim: A gremlin?

Me: Yep. A gremlin. It was a nasty little guy. It was the very one that gave Bugs Bunny a hard time.

Lola: Yeah. It was funny but crazy.

Varie: Yep.

Lincoln: It was fun though.

Me: Yep. Nico how did you and everyone liked being turned into bees?

Nico: It was really cool!

Camie: I thought it was fun.

Eli: It was cool seeing what it was like.

Simone Houou: That was awesome seeing you all as bees.

Nico: Look on the bright side, Tim. At least we didn't have to steal any honey from your grandpa

Me: That's right. We made our own honey.

Tim: Which was even better.

Fluttershy: Phoebe's judgement to not take honey from the bees was one of good meret. She had a good heart for that.

Phoebe: Thanks Fluttershy. That was true.

Xenia: Even though bees make honey are are beneficial to our survival it's best to make our own honey from them.

Qin: Yeah that is true.

Phoebe: You're right on that. But it was cool seeing bees in action like this.

Qin: Yeah.

Nico: And Natsumi? You and the Cutie Mark Crusaders did good

yesterday.

Natsumi: Thanks Nico. It was fun and awesome.

Camie: It sure was.

Hitch Trailblazer: That was awesome for them.

Lola: Yep.

Apple Bloom: It sure was.

Nico: I don't sense any baddies here though.

Qin: Darn.

Nico: That's okay. We needed a break anyway.

Simone Houou: Yeah.

?: Aw man, I was hoping we'd thrash some villains running loose.

Suddenly, we saw a very beautiful and super sexy girl with long blood red hair and flower clip in her hair, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful rainbow angel wings, she's dressed in a blood red short-sleeved frilly shirt, necklace with pearls and red gem for the pendant, blood red skirt, white bridal gloves, green knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, phoenixes, and angels on the coattails and on the back is a phoenix and angel with stars reflecting off them, and holstered on her back is a massive golden greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel.

Lincoln: (GASPS) Arlene Knudson, God Sibling of Blood.

Me: Oh, I knew we'd also run into her.

Sakura Knudson, Elaine Knudson, Marlene Knudson, Helena Knudson, Sophia Knudson, Morgana Knudson, Emily Knudson, Abigail Knudson, Avery Knudson, Grace Knudson, Maria Knudson, Selena Knudson, Caitlin Knudson, Lunaria Knudson, Evelyn Knudson, Valerie Knudson, Gianna Knudson, Sumner, and Patti: Arlene?!

Arlene Knudson: Yep, Arlene Knudson, God Sibling of Blood, reporting for duty.

Sakura Knudson: It's so awesome to see you again, sis.

Lincoln: Even though we have no villains we're going after, it's still good to see you again, Arlene.

Arlene Knudson: You too, Lincoln, it's been seven years since we last met, and it's so good to see you, our sisters, Varie, and Mom and Dad again, J.D.

Me: You too, sis.

Lincoln went up to Arlene Knudson and he hugged her, and Arlene Knudson is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Arlene Knudson: Holy crap, you sure have, you've really really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed, I do, Eli. Everyone, this is Arlene Knudson, God Sibling of Blood, she's my Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful blood powers and immense control over blood and she also has the power to assimilate the powers of villains through devouring blood and she can even rip their blood out of their bodies. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of J.D., Sakura, Elaine, Helena, Sophia, Avery, Emily, Abigail, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Evelyn, Marlene, Gianna, and Valerie, and just like J.D., Sakura, Helena, Sophia, Emily, Abigail, Avery, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Marlene, Valerie, Gianna and all of us, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just Blood, but also Fire, Water, Ice, Wind, Lightning, Earth, Lava, Darkness, Light, Crystals, Wood, Stars, Time, Gravity, Nature, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all.

Nico: WHOA!

Me: Yeah, she's that powerful like us and she defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals, and if you get her mad, WATCH OUT OR THERE WILL BE BLOOD!

We gasped.

Nico: Holy… shit!

Lincoln: Yeah, it would be a huge mistake if anyone dared to piss her off, and now that you're here, Arlene.

Lincoln went up to and hugged Arlene Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Arlene Knudson: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Arlene Knudson's neck with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Arlene Knudson: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Arlene Knudson.

Arlene Knudson had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them.

Sarah then heard a Pokemon cry.

Sarah: Hey look.

We saw a Leafeon!

Me: Cool a Leafeon!

Phoebe: Oh the poor thing. It really hurt itself.

Me: Oh.

We got to healing it up.

Leafeon: Thank you. I brushed myself up against nasty thorn bushes.

Lola: Ouch.

Xenia: Yikes.

Sarah: Are you okay now?

Leafeon: I sure am.

Dorothy Ann: That's good she is.

Qin: Yeah.

Poromon: Thank goodness.

Manaphy: Yeah.

Poromon: Would you care for some beer?

Leafeon: Oh no I only drink tea.

Me: Tea is good.

Poliwag did the puppy eyes.

Poliwag: (Baby talk) Pwetty pwease?

Nico: Poliwag that's enough.

Poliwag: Okay okay.

Right: Well, since there are no baddies right now, I'll try some honey.

Me: Good idea. This is the honey we made.

I opened a jar and I put some on my finger and man was it TASTY!

Me: (Slurps) Oh wow! We made some REALLY good honey!

Poromon tried some honey.

Poromon: Yummy! Awesome honey!

Nico: We made some good honey.

Camie: It sure is. (Slurps)

Lola: Yeah it sure is.

Carlos: At least it's not related to Blood and Honey.

Me: That's true.

Poromon: No kidding.

Me: How come you guys aren't yelling Look At It every time someone mentions it?

Poromon: Deadpool killed the mood.

Deadpool: I DID NOT! (To the viewers) You guys don't think me and my counterparts ruined that do you?

Jamesdean5842: Well it was something that the mascots have always been known for.

Pormon: On second thought, you really want to see how that movie was horrible?! (shows Carlos the trailer) THEN LOOK AT IT! IT'S UGLY, ISN'T IT?!

Jamesdean5842: NOW THAT'S MORE LIKE IT!

Carlos: (SCREAMS) Okay okay! But that's more like it guys.

Me: Glad you guys are back to doing that.

Poromon: You guys have us back into it.

Camie: Good.

Poliwag: (Shows Tim Trailer) LOOK AT IT!

Tim: YIKES!

Mascots: LOOK AT IT! LOOK AT IT! LOOK AT IT! LOOK AT IT! WE WANT ALL OF YOU TO LOOK AT IT!

The class screamed.

Nico: (LAUGHS) Welcome back guys to that guys.

Camie: Yeah!

Horsea: Feels great to be back into that!

Manaphy: Yep.

Dorothy Ann: I'm glad you sued the creators of that!

Nico: We are too.

Kase: I never once thought that movie was scary. Even though I hated it.

Xenia: Yeah Kase saw that movie and she HATED it.

Tim: How much money did you guys gets from the trial?

Nico: $500,000,000,000,000,000.00

Me: It was a well deserved lawsuit. And we absolutely made sure that movie was never to be shown anywhere.

Kase: It's true.

Tim: Wow!

Lola: Yeah.

Eddy: Alright, Horsea. Lets check up on your progress. (Shows her Haunted Car picture)

He showed a picture of Luan in bikini as a swimsuit model.

Horsea: Wow! Luan you look great in a bikini!

Eddy looked.

Eddy: Oops! (Laughs nervously) Wrong picture.

Luan blushed.

Eddy showed the right picture.

Horsea: GAH!

Horsea jumped into Maria's arms.

Horsea: Still scares me.

Me: Well at least she's not as scared of it as much as she was before.

Nico: Yeah.

Eddy: Huh. She's not repeating the same thing.

Nico: Yeah.

Qin: That's good.

Horsea ate some honey.

Horsea: Delicious!

Lola: It sure is.

Arlene Knudson: Boy it sure is. (Eating honey) Delicious honey.

Camie: It sure is. (Slurps)

Fluttershy: It sure is tasty.

Poliwag ate some honey.

Poliwag: Delicious.

Lincoln: Fluttershy did great to scare that bear away to prevent him from hurting us.

Xenia: She sure did.

Lola: I agree there. That was cool seeing how bees make honey.

Me: Yep.

Right: Shame we didn't get to morph.

Deadpool: You're gonna need to do that later.

Me: Yeah besides this was still fun though.

Nico: It sure was. But we still have to fight the anothers.

Lola: Yeah we sure do.

Eli: Lets see. (Concentrates) Whoa! We have Another Frozen Fright, Volcano Man,

Ghost of Captain Cutler, Clown (Johnny Bravo), Toxic Horror and Louie PoisonSea, Vorash, Serris, Nightmare (Metroid), Neo Ridley, Groganch, Titanium Man, Crimson Dynamo, Heatstroke, Yost Venom, Teruteru Hanamura and Dreadtrux!

Me: Wow! Mostly creatures from Metroid!

Xenia: Wow!

Nicole: Boy those were hard bosses from Metroid Other M and Fusion.

Me: Lets see. Yenfei, Sakura Hanma, Sabrina, Nilou and lets see.

I got an idea.

Me: I have one! I summon KURIKARA DIVINCARNATE!

In a swirl of fire and a red dragon came Kurikara Divincarnate!

Camie: Awesome!

Kurikara Divincarnate: I'm ready for this.

Eli: And I sense the anothers minus Frozen Fright are one person.

Qin: Wow!

Me: This will be fun.

Nico: There they are!

We saw Another Volcano Man, Ghost of Captain Cutler, Clown (Johnny Bravo), Toxic Horror and Louie PoisonSea, Vorash, Serris, Nightmare (Metroid), Neo Ridley, Groganch, Titanium Man, Crimson Dynamo, Heatstroke, Yost Venom, Teruteru Hanamura and Dreadtrux!

Nico: Whoa!

Me: This is gonna be awesome.

Another Volcano Man: (In a girls voice) This is gonna be so fun.

Me: (GASP) That voice.

They merged and she reverted back and it was a girl with purple hair and she had rainbow streaks in her braided hair and she had blue eyes and orange and purple clothes and had yellow angel wings and had a tiara with Sunny Starscout's cutie mark on it and the same symbol on her skirt and she had Twilight Sparkle's sword in her hand and she had a book bag with the Elements of Harmony symbol on and also on her vest was the Anti-Opaline symbol. And she had Sunny's tail too.

Me: Solaria Starscout - Embodiment of Sunny Starscout.

Solaria Starscout: Awesome to see you again J.D.

Me: Same here. Solaria is the embodiment of Sunny Starscout and she is the Avatar of the Legacy of Twilight Sparkle and friends. She is also as powerful as Opaline times 100,000,000.

Nico: WHOA! That is amazing!

Varie: Yeah!

Sunny Starscout: Boy it sure is! And it's an honor to meet you Solaria.

Solaria Starscout: Same here Sunny.

Me: By the way is the Another Frozen Fright friendly or hostile?

Solaria Starscout: Friendly but you guys are probably not going to like the smell she has.

Me: Uh oh.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated.

Me: Action time!

We fired waves of energy and elements and blasted the Anothers

and smashed them down.

I caught the Wonder Ride books.

Me: Awesome!

Maria: (TURNS DIAL) SPORTS STAR 6!

She summoned Sportsmaster, Thunderhoof, Elephanko, Pinface, Tennis World and Wildcard.

Nico: Awesome!

Me: Honey is just as good as chocolate.

Tom the Chocolate Fish: (OFFSCREEN) (INSANE SCREAMING) CHOCOLATE!

Me: Oy vey!

Sportsmaster: How can he even hear us out here?!

Me: No idea. But he is funny.

Camie: Yep.

Lola: Yeah.

Varie: I do like chocolate and honey.

Nico: Me too.

But then we smelled a REALLY NASTY AND FOUL ODOR!

Me: (Sniffs)

SEAL BARKS!

Me: OH GOOD GOD!

Nico: WHAT THE HECK IS THAT HORRIBLE SMELL!?

Varie: OH MAN!

Me: It smells worse than Lori's farts!

Lori: (offscreen) I HEARD THAT!

Nico: GROSS!

Qin: UCH! It smells like a rotten pile of meat!

Me: Wait rotten meat. Oh man!

Nico: Oh boy.

Me: There!

We saw Another Frozen Fright!

Frozen Fright: Whoa now who is that good looking guy?

Me: Another you.

Xenia: Yep.

Nico: And you are?

Another Frozen Fright: (In a girls voice) Sorry about the stench.

Me: (Gasp) That voice.

She reverted back and was a girl with black hair and red eyes and had green tropical clothes on and she had red rose petal angel wings and she had a tiara with the symbol of the Rafflesia Dopant on it and the same symbol on her skirt and she had a rainbow thunder sword iin her hand and she smelled horrible like a thousand shit piles!

Me: Rhonda Rafflesia!? Whoa!

Rhonda Rafflesia: Awesome to see you again J.D.

Me: Same here. Rhonda is the embodiment of the Rafflesia Dopant and don't let her name fool you. As the embodiment of that she smells like the Rafflesia Flower, the largest ever flower in the world and she smells like the stench of rotten meat.

Nico: YUCK!

Me: She also has the powers of the Rafflesia plant and also has ice powers.

Frozen Fright: Just like me.

Nico: Wow!

Kaito: (gets out Hurricanger gear) Did Swartz promise you anything?

Zocks: (gets out Gaoranger gear) Because we can grant it instead.

Kaito got a Ninja Storm Sword and Zocks got a Wild Force Sword.

Rhonda Rafflesia: No he didn't. And for good reason.

Me: He was in a hurry to send you out because of your overwhelming stench.

Rhonda Rafflesia: Yeah it made him throw up.

Nico: Yuck.

Sougo: (gets out Ninja Storm Ridewatch) I bet you smell bad then Lori's farts.

Geiz: (gets out Wild Force Ridewatch) Or Spongebob's… sundae.

Sougo got NinjaStormRedArmor while Geiz got WildForceRedArmor

Rhonda Rafflesia: Oh I smell worse than those combined.

Me: Oh boy.

Zocks and Kaito: Zenkaiju Gear!

They donned their Zenkaiju armor!

Qin: Oh yeah!

Lincoln: Lets separate you first.

Lincoln fired a wave of light and separated her.

Me: Awesome.

Nico: (Gets out Frozen Fright's ridewatch) Time for a chilly reception!

May: (Gets out the Ghost of Captain Cutler's ridewatch) Time for a watery grave!

Maria: (Gets out Toxic Horror's ridewatch) Time for some pain and radiation!

Zipporwhill: (Gets out Volcano Man's ridewatch) I'm ready for some fun!

They activated the ridewatches of Frozen Fright, Volcano Man, Ghost of Captain Cutler, Clown (Johnny Bravo), Toxic Horror and Louie PoisonSea and fired waves of energy and elements and blasted the Another all over.

Then Thunder Terror, Mr. Pig, Bobby Barrows, Nyssa Al Ghul, Tigress and Lady Viper of HYDRA came.

Nico: Nice team Thunder Terror!

Thunder Terror: Thanks Nico! Bobby Barrows is gonna be Snips' archenemy.

Xenia: Awesome!

Varie: Cool!

Nico: This will be interesting and cool.

Me: Yep.

But then massive blocks flew in and smashed the Another and I caught the Ridewatch and purified it.

Me: Awesome!

Nico: Who did that?

?: Me.

Block Man came.

Me: Block Man! Awesome!

Block Man: (In a girl's voice) That was so awesome!

Nico: Bailey Block!? Whoa!

She reverted back and was a girl with aqua blue hair and blue eyes and she had aqua blue clothes and blue angel wings and brown gloves and she had the symbol of Block Man in the middle of her forehead.

Nico: Awesome!

Bailey Block: Awesome to see you again Nico and you too Qin. All of you.

Qin: Same here Bailey wow!

May: Yeah!

Qin: I didn't get hit!

May: I think you mean I didn't get hit.

Qin: Oops sorry.

Nico: No worries.

May: But still! I didn't get hit!

Nico: Nope.

Bailey Block: May always got hit a lot didn't she?

Nico: Yeah no kidding.

Zipporwhill: Do you have a favorite memory of Nico?

Bailey Block: I sure do. My favorite is when me and Nico went to build a huge pyramid amusement park for Las Vegas and then we saw a mob run gang attacking another hotel and we went over and bashed and smashed them.

Nico: Yep.

Me: That is awesome! I hope they learned a big lesson.

Phoebe: Never mess with you guys.

Nico: Yep.

Carlos: They sure got the Blockbuster! (LAUGHS)

Kids: CARLOS!

We laughed!

Luan: (LAUGHS) That was a good one Carlos.

Eddy: (LAUGHS) Yeah it was!

Nico: Yeah!

Nico and Bailey hugged.

Nico: I've missed you.

Bailey Block: Same here.

We later went back home.

Nico: Figures that bitch also created clones of Ark and the Magia.

Me: Yep, but we're doing an awesome job in pissing her and Mandy off big time with you absorbing them and assimilating all their powers, abilities, and strength.

Lincoln: And we only got two more sets of clones of the Kamen Riders' enemies for me to absorb: the clones of the Jyamoto and Malgam.

Apple Bloom: Uh oh, we may be dealing with those clones very soon as well.

Eli: Once that happens, Mindy and Mandy will officially lose their minds.

Lincoln: (GASPS) Kashtira Harper, Gene-Slammer of Tearlaments Kashtira.

Kashtira Harper: That's right, and I got the girls away from those clones, but I've pissed them all off big time and they're coming after us.

Then, Lincoln turned the tips of his tails into Cell's Stingers which opened up into large suckers, and one by one, he latched them onto the heads of the clones of Ark and the Magia, and then, Lincoln began sucking them in and absorbing them all into his body as he and all of us assimilated all of their powers, abilities, and strength and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, he sent all of their souls to The Black Gates.

Suddenly, Lincoln gained Progrisekeys and Zetsumerisekeys with the powers of Ark and the Magia, and they were put into his silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenix, thunderbird, buffalo, angel, vampire, and werewolf surrounding a rainbow gem with neon glowing rainbow lights equipped with recognition of him and fits an infinite number of items and components for Eini, the Universe 666 Miraculous, Familiars, and Bakugan to rest in on his back, along with the along with the Rouse Cards, Faiz Phones, Wizard Rings, Gaia Memories, Advent Cards, O Medals, Fuestles, Eyecons, Gamma Eyecons, Lockseeds, Zeronos Cards, Rider Tickets, Vistamps, Shift Cars, Signal Bikes, Viral Cores, Fullbottles and Sclashjellies, Rider Gashats, and Astroswitches.

Lincoln: That's another group of clones absorbed and we've gotten more Legend Items from them as well as their powers, abilities, and strength. (To Kashtira Harper) And it's so good to see you again, Kashtira Harper.

Kashtira Harper: You too, Lincoln, it's been a long time, and it's so good to see you again, Shaylen.

Shaylen Harper: You too, sis.

Lincoln went up to Kashtira Harper and he hugged her, and Kashtira Harper is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Kashtira Harper: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Kashtira Harper, Gene-Slammer of Tearlaments Kashtira, she's my Guardian Angel from Michigan and the fourth of eight sisters, she has powerful mastery of darkness and water and she is known for her amazing swordsmanship skills, and like Shaylen Harper, she has a magic sword that was made by Tearlaments Kashtira that can cut through even the strongest of metals and her sword also has the power to make them go insane!

Shaylen Harper: And like me, she also took on all of the meanest bullies in the city after that were after Lincoln and she slashed them all over and filled up a maximum security insane asylum in one day. She even took down Lola at the worst of her fury and rage, and one slash from her sword made her worst fears come true: she was disowned by her family and banned from all pageants for life and thrown in prison.

Nico: Wow, so that means all of Shaylen's sisters…?

Lincoln: Are all powerful swordswomen with power over darkness and water and have magic swords that cut through even the strongest of metals and also have the power to make them go insane with one cut.

Me: Yeah, we were stunned ourselves.

Nico: Man, if anyone messed with them, they can say goodbye to their sanity forever.

Lincoln: And say hello to an eternity in an nuthouse, and now that you're here, Kashtira.

Lincoln went up to and hugged Kashtira Harper in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Kashtira Harper: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Kashtira Harper's neck with dark blue gems on the gold lightning bolts and dark blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Kashtira Harper: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Kashtira Harper.

Kashtira Harper had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the eight girls, and when Lincoln saw them, he immediately recognized them. The eight girls are Etsuko Oomiya, Kirara Hoshino, Natsuki

Okada, Sayuri Yoshida, Yumika, Rumi, Reiko Hagawa, and Miyabi from Animahjong X.

Lincoln: Oh wow, it's Etsuko Oomiya, Kirara Hoshino, Natsuki Okada, Sayuri Yoshida, Yumika, Rumi, Reiko Hagawa, and Miyabi from Animahjong X.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Etsuko Oomiya: Yes, we're okay, thanks to you.

Etsuko Oomiya: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Etsuko Oomiya: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Etsuko Oomiya, Kirara Hoshino, Natsuki Okada, Sayuri Yoshida, Yumika, Rumi, Reiko Hagawa, and Miyabi with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villains we went after were clones of Ark and the Magia that were also created by Mindy.

But, when Lincoln showed what we all did in beating them all down and Lincoln absorbing them and all of us assimilating their powers, abilities, and strength and sending them all to The Black Gates and getting Progrisekeys and Zetsumerisekeys, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Kashtira Harper have a lot of catching up to do, now that she's back in town.

Then, we heard Mindy and Mandy roar with rage!

Maria: Serves you both right, bitches.

Lincoln: It just proves they're both horrible people, and they'll never ever change.

Nico: Yeah, they both deserve to be in Hell forever when they die of old age, but they're still in for Hell.

Me: You said a mouthful.

* * *

After Lincoln absorbed the clones of Ark and the Magia, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Kashtira Harper saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Kashtira Harper: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Kashtira, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Kashtira Harper: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the

really big, really strong, and really powerful man we know today.

Kashtira Harper: I knew it was only a matter of time before he told everyone that story.

Suddenly, the rainbow gem of Lincoln's silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenix, thunderbird, buffalo, angel, vampire, and werewolf surrounding it on his back started glowing.

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

The gem formed a viewing window, and we saw who it was causing trouble: it was the clones of the Jyamoto and Jyamoto Grand Prix.

Nico: What the?! Clones of the Jyamoto and Jyamoto Grand Prix?!

Lincoln: No doubt that Mindy had a hand in this as well.

We flew out of the World Tree Estate, and Lincoln fired powerful rainbow energy blasts at the clones of the Jyamoto and Jyamoto Grand Prix and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of the Jyamoto and Jyamoto Grand Prix, and then, Lincoln began absorbing them all into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. Suddenly, Lincoln gained Raise Buckles with the powers of the Jyamoto and Jyamoto Grand Prix, and they were put into his silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenix, thunderbird, buffalo, angel, vampire, and werewolf surrounding a rainbow gem with neon glowing rainbow lights equipped with recognition of him and fits an infinite number of items and components for Eini, the Universe 666 Miraculous, Familiars, and Bakugan to rest in on his back, along with the Rouse Cards, Faiz Phones, Wizard Rings, Gaia Memories, Advent Cards, O Medals, Fuestles, Eyecons, Gamma Eyecons, Lockseeds, Zeronos Cards, Rider Tickets, Vistamps, Shift Cars, Signal Bikes, Viral Cores, Progrisekeys and Zetsumerisekeys, Fullbottles and Sclashjellies, Rider Gashats, and Astroswitches.

Nico: Awesome. Now, we got Raise Buckles.

We returned back to The World Tree Estate and continued with our workouts.

Nico: That's it for the clones of the Jyamoto and the Jyamoto Grand Prix and there's no telling what else that bitch has got up her sleeve.

Lincoln: But, now that we know she's created clones of The Kamen Riders' enemies, I'll do to them what I've done to the clones of the enemies of The Power Rangers: absorb them and assimilate their powers, abilities, and strength.

Me: And also, acquire the Legend Items with their powers, so far, you've acquired Rouse Cards, Faiz Phones, Wizard Rings, Gaia Memories, Advent Cards, O Medals, Fuestles, Eyecons, Gamma Eyecons, Lockseeds, Zeronos Cards, Rider Tickets, Vistamps, Shift Cars, Signal Bikes, Viral Cores, Progrisekeys and Zetsumerisekeys, Fullbottles and Sclashjellies, Rider Gashats, Raise Buckles, and Astroswitches, awesome.

Lincoln: The next group of clones that come after us will no doubt be the clones of the Malgam.

Bridget Branley: Oh boy, I can tell you're gonna have quite the feeding frenzy on them.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later we were walkiing around the city on patrol.

Lyra Heartstrings: What to do today?

Me: Looks like everything is quiet though.

Nico: You know it was awesome how we would wind up on patrol and battle Hitotsuki monsters.

Xenia: I know. I miss that.

Taro: Me too.

Haruka: Are you kidding?! Yeah, I liked fighting them. But now, we don't have to worry about their hosts causing trouble!

Nico: I know! But it was still awesome though.

Me: Gabriel showed us Taro's Hitotsuki form Avataroki but that was a stage show exclusive form.

Eli: Yeah that would be so cool if we fought that one for real.

Me: That's the only one we have left to make the 46 years complete. King Ohger was a freebie.

Nico: Yep.

Haruka: Enough about the Hitotsukis! Let's head on over to Applejack's.

Me: Yeah she said she has something fun for all of us.

We were walking and then we saw Taro.

Me: Oh Taro good we found you.

Taro: I bet. Do you guys think I'm powerful?

Me: Well yeah we do. Why do you ask?

Taro: Well I've been feeling like a second wheel to you.

Me: What do you mean?

Nico: What are you talking about? Of course you're powerful. Heck, you even helped out against 2099 Hobgoblin.

2099 Spiderman: Especially with that laugh off

Nico: Yeah that was great!

Taro: Well I'm glad you think so because it makes me feel less powerful! There should be room for another leader around HERE AND THAT IS GOING TO BE ME!

Me: Uh oh! Here it comes!

He was enveloped in a ring of energy with the Donbrothers symbol on it and he turned into the Donbrothers themed Hitotsuki, AVATAROKI!

Great King Enma (閻魔大王 Enma Daiō) is a judge coming from the depths of Hell. He put Taro Momoi on a trial, as god-themed Hitotsuki called Avataroki (暴太郎鬼 Abatarōki, lit. Violent Boy Demon).

He came from the depths of Hell and put Taro Momoi on a trial, for him to "atone for his sins". He gave the Donbrothers a total of three sessions, with a break, to make a verdict as lawyers. However, despite the discharges, Enma decided to defeat the Donbrothers by his own hands, treating them as guilty, as Avataroki. Trying to make the heroes fall in the depths of Hell, Enma eventually, along with the Hell Anoni, was defeated by the Donbrothers.

WE GASPED!

Me: WHOA! Avataroki!

Nico: NOT AGAIN!

Xenia: This is gonna be rough!

Nico: Taro, lets just calm down!

Me: Lets not settle this here.

I snapped my fingers and we were on Glaren.

Me: There. Lets separate you first.

I fired a wave of light and he was separated from Avataroki!

Taro: (Groans) What happened?

Me: Uhh I don't know. You had a breakdown and you turned into HIM!

He saw Avataroki!

Avataroki: I turned into him!?

Me: For real this time! Not because of Gabriel!

The 2nd figure was a girl with black hair and dark grey clothes and she had black angel wings and had a tiara with the symbol of Dust Man on it.

Tara Donbrothers: Tara Donbrothers, Embodiment of the Donbrothers Dopant.

Dina Dust: Dina Dust, Embodiment of Dust Man.

Ilana: Dina! Wow!

Starfire: Oh Dina glorious! You are looking awesome!

Dina Dust: Awesome to see you again Starfire and Ilana. Its been a while. We can catch up later.

Tara Donbrothers: We saw your battle with Avataroki J.D. That was awesome!

Me: Thanks Tara. Shall we all finish this guy together?

Taro: With pleasure!

Me: Here we go!

I formed a Solar System and Universe Spirit Bomb for the Donbrothers.

The rangers and everyone held hands.

The solar system and the universe and symbols of the rangers and elements and our cutie marks formed.

Tara, Me, Nico, Lyra and the Donbrothers: UNIVERSE SPIRIT BOMB OF FRIENDSHIP!

We threw it and it hit Avataroki and exploded!

EXTREMELY MASSIVE AND INCREDIBLE UNBELIEVABLE EXPLOSION!

He was obliterated and I caught the gear and purified it!

Me: Awesome! Avataroki and the Hitotsuki you All have failed this universe!

We were back home!

Nico: YEAH! That was awesome!

Titanium Man: (Russian Accent) That was amazing comrades!

Multiple Man: Wow! No kidding! Well done!

Me: Thanks guys!

Maria: How did you meet Ilana and Starfire?

Dina Dust: I met Ilana in school as they were having Dodgeball class and I helped Ilana and her brother Lance win and it was fun.

Ilana: She is an amazing dodgeball star like J.D.

Me: Wow!

Dina Dust: And I met Starfire when she was fighting her sister Blackfire and I flew up and helped her bring her to justice.

Blackfire: Boy I remember that! That was intense. She is quite the fighter like me.

Starfire: That was amazing.

Me: Wow it sure was!

Nico: Would you 2 like to join the team?

Tara Donbrothers: We would be honored.

Me: Awesome.

Applejack: Now we can head to Sweet Apple Acres.

We were off.

Me: Boy Avataroki put up an amazing challenge! It's a darn shame he wasn't the primary target for Lyra's big day mission.

Xenia: Yeah that would have been awesome!

Nico: I know! That would have been much better.

Lyra Heartstrings: That would have been a fun one.

We saw a bunch of us there.

Astrotrain: What kept you guys?

Me: Sorry we're late guys. Got sidetracked by an unexpected development.

We told them everything.

Pear Butter: Oh man! Taro ACTUALLY Turned into Avataroki!?

Nico: Yep. That was an epic battle!

Tara Donbrothers: It sure was! But it was awesome that J.D. made that into an awesome battle.

Me: It was epic.

Pear Butter: Awesome you made that an epic one.

Me: Yep.

Nico: Anyway, Applejack, what are we here for?

Applejack: Now we can show y'all how to make cider.

Me: Awesome.

Applejack took a bunch of huge tubs and filled them with zap apples and apples each.

Applejack: We're going to show y'all how to make cider.

Granny Smith: You guys are going to love it.

Me: Looking forward to seeing this.

Apple Bloom: It's really fun.

We saw them squish apples and Zap Apples in the tubs with their feet and how they poured it into jugs.

Nico: Wow just like how they squish grapes for wine.

Camie: Yeah.

Apple Bloom: Yeah it's fun and great for everyone and everypony.

Nico: It sure is.

Maria: Lets get started!

I was squishing apples and so was Nico.

Me: Cider making is fun.

Qin: And tasty.

Nico: It sure is.

Applejack: It's always a blast. Especially when we have our Cider Making parties. Well, aside from when the Flim Flam brothers make their appearance.

Twilight Sparkle: Huh?

Nico: The Flim Flam Brothers? What do they do to you guys during that time?

Applejack: They make it a tradition to swindle my family at the Harvest and Cider-Making Party. One year, they took all our ladders in the middle of the party.

They replaced all their latters with toilet paper ladders.

Applejack: [voiceover] We had to improvise.

They had to hop on each others shoulders. Didn't work well.

Applejack: [voiceover] Another year, they de-bottomed our baskets.

They cut off the bottoms of the baskets which really pissed off Applejack!

Applejack: [voiceover] Last year, they gave Apple Bloom a pet worm.

Apple Bloom LOVED That worm.

[pop music]

They frolicked through fields of flowers, drank milkshakes and even swung on the tire swing.

It was so adorable.

But the apples were infested with worms unfortunately.

Applejack: Colonel Wigglesworth and all his friends ate up every apple we had.

Eddy: Boy those 2 REALLY Are in EVERY Way like me. so much that it's scary.

Nico: No kidding Eddy. Like we always knew during the 20 Days of Darkness that those 2 remind you of them no matter what.

Eddy: Yep.

Springer: Tara, tell us more about yourself.

Tara Donbrothers: Well I am the ultimate Super Sentai Super Fan.

She pulled out a photo album and showed us her entire collection of Super Sentai and Power Rangers toys, comics and merchandise ever.

Me: Whoa look at all that stuff.

Tara Donbrothers: For over 10 years I saved up all my allowances that I got from numerous jobs and stuff like helping my friends and neighbors and my job at Lynn's Table and collected EVERY Single piece of Power Rangers and Super Sentai merchandise ever.

Nico: Wow! That is cool! Wait you work at Lynn's Table?

Tara Donbrothers: I started working there the very minute it opened up.

Me: I don't think we ever saw you because you know how busy we are.

Tara Donbrothers: I know. But I have my entire collection complete now. Now my main mission as Embodiment of the Donbrothers Dopant is to help you guys.

Me: Awesome. We're honored to have you with us.

Applejack: We sure are.

We later got the Apple Cider finished.

Nico: Is it done?

Me: Yep. Just add cinnamon, boil, strain and it's ready.

Nico: Nice.

We then got some to drink.

We got to drinking.

Me: Ahh. Delicious.

Laney drank some Zap apple cider.

Laney: Yummy!

Poromon: I want to try!

He drank some and man was it good.

Poromon: Yummy!

Me: Boy we made really awesome honey and now Cider.

Boomerang: That is amazing you mates were bees.

Simone Houou: It sure was awesome.

Fluttershy: That was so fun.

Twilight Sparkle: (LAUGHS) That was fun.

We had great apple cider.

Twilight Sparkle: Delicious.

---

We were back home and we were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with

ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Impact Man: Nico, who gets to shine today?

Nico: Lyra and Taro.

Lyra: Boy talk about coincidental!

Sweetie Drops: But I'm really happy for you!

Taro: Same here! It'll be fun sis!

Lyra Heartstrings: You got that right.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than a bunch of Sea Bears, and they're on the rampage because of eating Poison Sea Urchin Honey. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than a bunch of Sea Bears, and they're on the rampage because of eating Poison Sea Urchin Honey.

We gasped.

Me: Oh shit! This is gonna be like something out of Cocaine Bear!

Nico: Minus the cocaine. But, this is still really really bad, we're gonna need you and Fluttershy for this one, Lincoln, we need you guys to, God Forgive me for saying it, we need you two to use The Stare on them.

Fluttershy and Lincoln nodded.

Lori, Lynn, Lola, Lisa, and Luan freaked out and jumped onto the ceiling and held onto it.

Sebastian Mendez: Ugh, not this again, Lori, you, Lynn, Lola, Lisa, and Luan, you five get down from the ceiling right this minute!

Mr. Coconuts: (Luan throwing her voice) You ain't getting us down, bub!

Sebastian Mendez: Get down from the ceiling right now or I will unleash untold Hell on you!

Me: Sebastian enough!

That caused Lori, Lynn, Lola, Lisa, and Luan to freak out and jump off the ceiling and landed on the floor.

Lynn: Okay, I think its safe to say that we now find Sebastian as even more scarier than The Stare!

Nico: He's always been terrifying. Anyways, let's head down to Bikini Bottom and take care of those rampaging sea bears.

Lincoln: And there's no doubt we'll be using The Stare on them.

Nico: I agree. We may need it.

Boomerang: And me and the group came a while back. But we still got to ask the question mates.

Dixie: That's right.

Boomerang: Anyway, can me, Beetle, Cad Bane, Titanium Man, Cheshire, Multiple Man, Silver Samurai, Whiplash, Major Disastor and Six Gum Gang go with you guys?

Goof: Sorry. But it's mandatory.

Nico: I know it's mandatory but yes you all can come with.

Dixie: That was an amazing battle with Avataroki.

Me: It sure was!

Cad Bane: But I thought you guys were done with them?

Me: Well we had Avataroki left. And we never got the chance to face that one. Gabriel showed us that one during the rescue where we faced Lila.

Nico: Yep. We never saw that one because it was Stage Show Exclusive.

Taro: It sure was awesome though.

Dixie: I can tell. But it was fun.

Dust Man: Nico, which Gene Slammer of me and my fellow Robot Masters do you think you'll meet next? And it's an honor to meet you, Dina

Dina Dust: Same here to you Dust Man.

Nico: And also we'll meet Bounce Man next.

Me: Ooh that one is gonna be fun.

Luan: It will BOUNCE out of this place! (LAUGHS) Get it?

WE LAUGHED!

Eddy: (LAUGHS) Good one!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Malacath, Daedric Prince and Patron God of the Orsimer and he's come to kill us. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone none of us are ever going to like: the figure we saw is none other than Malacath, Daedric Prince and Patron God of the Orsimer, and he's come to kill us.

We gasped.

Nicole: Oh man, Malacath, Daedric Prince and Patron God of the Orsimer?! Of all the Daedric Princes, Malacath, Daedric Prince and Patron God of the Orsimer, is the most violent ever!

Marlene Woodpecker: Let me and Lincoln face him, there's no way we're letting that barbarian get away with his life.

Lincoln: That's right, he deserves to pay for everything he's done.

Nico: You got that right. Alright, gang, let's go, we're heading to Bikini Bottom to cool down a bunch of rampaging Sea Bears.

Lincoln: This is gonna be one very dangerous battle, but we have to save Bikini Bottom and everyone from them, and once we do that, you're next, Malacath.

Marlene Woodpecker: What you've done can never be forgiven, Malacath. I'll make sure that you never harm another innocent soul ever again!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Bikini Bottom to battle rampaging Sea Bears who ate Poison Sea Urchin Honey, and once we do that, Marlene Woodpecker and Lincoln are going to destroy Malacath, Daedric Prince and Patron God of the Orsimer.

We were off to Bikini Bottom

---

We arrived in Bikini Bottom.

French Narrator: (French Accent) Ahh the sea. So fascinating. So wonderful. Here we see Bikini Bottom, teaming with life. Home of one of my favorite creatures, SpongeBob Squarepants. Yes of course he lives in a pineapple you silly.

We arrived at SpongeBob's house.

Beetle: Everything's fine so far.

Lunk: That's what it looks like.

SpongeBob: Psst?

We looked and saw on top of SpongeBob's house SpongeBob, Patrick, Squidward, Sandy, Mr. Krabs, Larry, Plankton, Pearl, Mrs. Puff, Karen, Mermaid Man, Barnacle Boy, Mindy, Squilliam and Bubble Buddy.

SpongeBob: Up here guys!

Me: Are you guys hiding?

Pearl: We sure are.

Dive Man: Wanna come with us?

SpongeBob: Well okay.

They went with us.

We went into Bikini Bottom and then we were greeted by a BLOODBATH! We saw numerous fish broken and mangled up all over the place!

Me: HOLY CRAP!

Xenia: Jumpin Jellyfish!

The fish were FEROCIOUSLY AND SAVAGELY DISMEMBERED ALIVE!

Nico: Those sea bears REALLY did a number on them!

We saw EVERY SINGLE FISH in Bikini Bottom BRUTALLY Ripped to shreds! Doctors, police, firefighters, men, women, children, even thugs all over and criminals and muscle men were all ripped apart!

Cheshire: What the fuck?!

Runt: What did this?!

Me: Sea Bears what else!

Qin: Good grief!

Squidward: There would have to have been lots of Sea Bears to cause this kind of dismemberment!

Xenia: No kidding!

Plankton: This is something I would have done to get the formula but not this time.

Me: Yeah!

I saw a yellow slime on the ground.

I put some of the slime on the ground in a dish.

Me: This slime might have something to do with it.

Fire Man: Maybe some pollution?

Me: Lets find out.

I then ran some tests on it.

Me: It's jellyfish honey but it's also been spiked with Poison Sea Urchin venom.

Lincoln: Just like in my premonition.

Qin: Yeah.

Me: Poison Sea Urchin Venom is in every way like cocaine. But it comes from Poison Sea Urchins. Poison Sea Urchins are like Poison Oak or Poison Ivy on the outside. But this Cocaine stuff they had is from their spit.

Nico: Yuck! Wonder why the Sea Bears didn't spit this stuff out?

Eli: Good question.

Me: Well according to this it's tasteless and odorless and can easily be masked by stuff like honey.

Nico: Weird.

Laney: Very weird.

Me: But in sea bears it causes hallucinogenic effects.

Lola: Weird and crazy!

Sandy: No wonder the Sea Bears went on a nasty rampage! They are as wild as a rattlesnake in a catnip factory!

American Dad Roger Smith: Cocaine?! I want some!

Silver Samurai: YOU would!

Wilbur: If you can get close.

BLAM!

I punched Roger in the face.

Me: Roger this is serious! This is not Cocaine here. This is Poison Sea Urchin Venom. It's completely different.

Nico: Roger need I remind you that you are already on enough thin ice as it is with having Steve go through that fake Hogwarts fiasco!

American Dad Roger Smith: No need to remind me.

Hak Foo: I think that was back in 2020 3 years ago.

Nico: Yes it was Hak Foo.

Me: Lets just focus.

Nico: Sorry.

Laney: Wonder what they saw that lead them to mutilate and dismember everyone in the city?

Lola: Probably everyone dressed up in all the stuff that Sea Bears hate.

Squidward: Like what I did.

Lunk: What? No. No way they're THAT stupid.

Maria: Lunk! I WAS MAULED BY A MUTANT BEAR DOING THE SAME THING!

Squidward: I DID THE SAME THING TOO!

Lunk: What happened?

SpongeBob: These are the things that set Sea Bears off. Don't play the clarinet.

Lunk: Okay what else?

SpongeBob: Never wave your flashlight back and forth really fast.

Patrick: Flashlights are their natural prey.

Lunk: You're kidding.

SpongeBob: Don't stomp around. They take that as a challenge.

Patrick: Yeah.

Lunk: [writes on notepad] Go on.

SpongeBob: Don't ever eat cheese.

Lunk: Sliced or cubed?

SpongeBob: [whispers with Patrick] Cubed; sliced is fine.

Lunk: Yeah, yeah, and? I'm listening

SpongeBob: Never wear a sombrero…

Patrick:… in a goofy fashion!

SpongeBob: Or clown shoes.

Patrick: Or a hoop skirt.

SpongeBob: And never…

Patrick: Ever…

SpongeBob: Ever…

Patrick: Duh!

Both: Screech like a chimpanzee!

Qin: There are LOTS of things that set a sea bear off!

Lynn: Yeah! A similar incident happened to Maria. Also Like this one time, I met this guy at Dairyland a while back who knew this guy's cousin who met face to face with the bear, and he barely made it out alive! He lost both of his arms and a leg!

Lori: (gasps) You're right!

Me: HOLY SHIT!

Beelzemon: There's no way the people here did ALL that!

Nico: No cocaine causes people to do crazy things! Remember how I was with magic mushrooms? I saw things that weren't there and did all kinds of fucked up things.

Me: It's true.

Beelzemon: Oh I stand corrected!

Me: The Sea Bears imagined all that even though the people weren't wearing or doing any of that.

Major Disaster: And now, they're lurking about somewhere ready to kill us!

Nico: Yep.

Qin: This is gonna be rough!

Me: Connor, you and the rangers better morph just in case.

They nodded.

Connor McKnight: DINO THUNDER POWER UP! HA!

Jack Landors: SPD EMERGENCY!

Devon: I've been waiting for this!

Me: Yep.

Lola: Sea bears are fish that have piranha bodies and bear heads right?

Me: Yeah.

Lola: Are they Sun Bear heads?

Me: No grizzly bears. Why do you ask?

Lola: I was just curious.

Qin: Okay.

Weather Vane: Right now, I'm wishing they're sun bears!

Me: Me too!

Qin: Yeah!

Me: At least we're not battling a bunch of rabid Sea Rhinoceroses.

Nico: No kidding.

Whiplash: We should get moving before they claim more victims!

Nico: Right!

We got a move on.

Eli was using the force to find them and Lana used her nose to smell for them.

Nico: There's probably a bunch of people hiding in the Krusty Krab.

Mr. Krabs: Good idea lad. I had the place fortified with me security system against attacks like that.

Dragon (Skunk Fu): Should we find them?

Me: I think we already did! Look!

We saw the Krusty Krab protected in a metal shield and we saw NUMEROUS SEA BEARS with ferocious red eyes and they were foaming at the mouth and clawing at the metal and roaring ferociously! WE HEARD NUMEROUS PEOPLE INSIDE SCREAMING THEIR LUNGS OUT!

Multiple Man: I'm gonna need to clone an army!

He made over 10,000 of himself!

Nico: Entrance time!

We went at the sea bears!

The sea bears roared and then the spirits of bears appeared and they swirled around them and they converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above them and a phoenix cry was heard and we came out.

Me: Okay you sea bears! Time for you to lighten up!

The sea bears roared!

Edzilla: (ROARS FEROCIOUSLY!)

The Sea Bears ran at Lady Deathstrike!

She then slashed them all over and kicked them in their faces and knocked them down!

Mystique turned into a SMOKING HOT BIKINI BEAR!

Mystique: (Seductive voice) Hey big boys.

The sea bears had hearts in their eyes and had steamhorns tooting from their ears.

Then she bashed their faces in and smashed them down.

Titanium Man: Didn't expect that.

Nico: Funny. But Mystique is a shapeshifter after all.

We fired waves of energy and elements and blasted the Sea Bears all over.

Taro and Lyra charged and smashed the Sea Bears all over.

Zhalia: Leafeon, go for it!

Leafeon: Gladly!

Leafeon fired a wave of energy and blasted down the sea bears.

Squidward: Take this you morons! Scare me!

I SCARED SQUIDWARD WITH ME RIPPING MY HEAD OFF AND BLOODTHIRSTY SUCKER MOUTH TENTICLES POPPED OUT OF MY NECK AND ROARED FEROCIOUSLY!

SQUIDWARD SCREAMED IN FRIGHT AND SPRAYED INK ALL OVER THE SEA BEARS!

Nico: (In fright) OKAY I'm going to need some serious therapy after seeing that!

I put my head back on.

Me: He said to scare him!

One Sea Bear grabbed Horsea and was about to eat her.

Cad Bane: Oh no!

Horsea: TAKE THIS!

She squirted ink in the bears face!

Poromon: Take this! (ECHOING) LIGHTNING JAVELIN!

He fired waves of lightning and electrocuted the sea bears!

Nico: Yeah!

Maria: Are you okay Horsea?

Horsea: Yep!

Maria: Good.

Poromon: What you STUPID SEA BEARS NEED IS TO SEE WHAT THE SCARIEST MOVIE IS EVER! (SHOWS THE TRAILER) HERE! LOOK AT IT! IT'S AWFUL ISN'T IT!

Nico: We also took care of putting the Poison Sea Urchin Honey where none of them will find it.

Lincoln: Yeah, we don't want a repeat of what we saw today. Now, there's one last thing to do and one last loose end to tie up: Malacath, Daedric Prince and Patron God of the Orsimer.

?: All of you shall be sacrificed to keep the Orcs safe!

Lincoln formed a massive indestructible diamond barrier with absorption energy surrounding the barrier that protected all of us from a massive wave of Earth that came from nowhere and hit the barrier, but it stood strong and absorbed the rocks from the wave.

Lincoln: (Catches the scent) There's no mistaking the smell of blood from anywhere, come out from the shadows, Malacath, or we will force you out.

A massive figure emerged from the darkness, and it was none other than Malacath, Daedric Prince and Patron God of the Orsimer.

Mara: Malacath, I should've known you'd be the next to show up here.

Marlene Woodpecker: And there's no way we're letting you run free any longer, you big palooka!

Suddenly, Marlene Woodpecker's green eyes turned neon green and she was surrounded by a red and blue energy aura with stars, leaves, trees, plants, woodpeckers, phoenixes, and angels, she unholstered her massive golden greatsword from her back, and as she approached Malacath, she left red and blue energy, stars, leaves, trees, plants, woodpeckers, phoenixes, and angels with every step.

Marlene Woodpecker: Even though you've done things to ensure the Orcs' survival, those very things had meant that many other warriors wound up getting killed by them in the process, that's something I can't forgive, you big brute, and for that, I'll tear you to shreds.

Suddenly, Marlene Woodpecker was surrounded by a massive vortex of red and blue energy with stars, leaves, trees, and plants surrounding the vortex, there are woodpeckers, phoenixes, angels, and Woody Woodpecker flying around the vortex, and in the vortex is a green phoenix with red eyes glaring at Malacath: the red eyes of eternal death. Then, as the vortex faded, Marlene Woodpecker emerged, but she was changed forever.

We were amazed by Marlene Woodpecker's Super Angel-Woodpecker-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Malacath saw it, he fell into a rage and ran at her to kill her, but Marlene Woodpecker fired a massive barrage of red and blue energy, stars, leaves, trees, plants, woodpeckers, phoenixes, and angels which hit Malacath and he was sent flying into a coral reef, he got back up, but he was already pissed off.

Selene Arcangela: Oh boy, oh man, Marlene's transformed, and I just know that she's gonna use all of Woody's tricks and antics on him!

Lincoln: Yeah, but of course, now that she's really mad at Malacath, this is gonna get ugly!

Marlene Woodpecker and Lincoln went after Malacath, and they fired extremely powerful blasts of rainbow energy, red and blue energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Malacath, and they exploded with incredible power as they hit him.

Then, Lincoln and Marlene Woodpecker attacked him with energy slashes from their massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Marlene Woodpecker also did the same by firing red and blue energy slashes from her massive greatsword, and he and Marlene Woodpecker attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and this was enough to drive Malacath mad with rage.

Malacath: YOU! YOU! (ANIMALISTIC ROAR)

Malacath went after Lincoln and Marlene Woodpecker in a fit of rage, but Lincoln and Marlene Woodpecker fired energy blasts at Malacath and they summoned woodpeckers to attack Malacath and he was really scarred by their furious attack.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Malacath's chest, and then, Lincoln began absorbing Malacath into his body as he and all of us assimilated all of his divine powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Malacath except for his loincloth, and he banished Malacath to The Black Gates. We cheered wildly for what Marlene

Woodpecker and Lincoln did as they holstered their massive greatswords on their backs and powered down and Marlene Woodpecker's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long red wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, eleven large red and blue orbs orbiting around her legs, and massive blue angel wings are permanent.

Marlene Woodpecker: Your days of killing people to help preserve the survival of the Orcs end here and now. Thanks for helping me destroy Malacath for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Marlene.

Suddenly, Marlene Woodpecker wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Marlene Woodpecker's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Woody Woodpecker flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and trees behind them and we cheered wildly. Then, Lincoln and Marlene Woodpecker sucked in and absorbed the elemental forces and trees and they came back to us as the display vanished.

Me: That was one awesome battle, you guys, and Marlene, you really did awesome!

Nico: No fooling, you and Lincoln smashed him really hard into the ground, and you really are just like Woody, and you and Lincoln defeated him, and Lincoln ended it by absorbing him.

Lincoln: Yep, but The Daedric Princes aren't giving up that easily.

Suddenly, the rainbow gem of Lincoln's silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenix, thunderbird, buffalo, angel, vampire, and werewolf surrounding it on his back started glowing

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

Me: Uh oh! INCOMING!

Then, we saw who it was causing trouble: it was clones of all the Malgam.

Nico: What the? Clones of all The Malgam?!

Lincoln: Whoa!

Our jaws dropped to the floor!

CLANG!

Eli shut our mouths.

Nico: WHOA! This is really quite an army!

Lincoln: You said a mouthful, and I'm gonna enjoy absorbing all of them!

Lincoln fired powerful rainbow energy blasts at the clones of all the Malgam and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of all the Malgam, and then, Lincoln began absorbing them all into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. Suddenly, Lincoln gained Ride Chemy Cards and Rider Cards and they were put into his silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenix, thunderbird, buffalo, angel, vampire, and werewolf surrounding a rainbow gem with neon glowing rainbow lights equipped with recognition of him and fits an infinite number of items and components for Eini, the Universe 666 Miraculous, Familiars, and Bakugan to rest in on his back, along with the Rouse Cards, Faiz Phones, Wizard Rings, Gaia Memories, Advent Cards, O Medals, Fuestles, Eyecons, Gamma Eyecons, Lockseeds, Zeronos Cards, Rider Tickets, Vistamps, Shift Cars, Signal Bikes, Viral Cores, Progrisekeys and Zetsumerisekeys, Fullbottles and Sclashjellies, Rider Gashats and Energy Items, Raise Buckles, and Astroswitches.

Tsukasa: Wow, now you have Ride Chemy Cards and Rider Cards?!

Lincoln: Yep, now we all have Legend Items with the powers of the Kamen Riders' enemies from the Hesei Era, and next time, I'm hoping we get to face the clones of Takeshi's enemies.

Nico: Whoa! Now, that would be awesome, and we'd also have access to their powers as well. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: I've got just the person: Kaleida Harper, Gene-Slammer of Tearlaments Kaleido-Heart.

Shaylen Harper: (GASPS) One of my sisters, that's awesome, and you guys will love meeting her, Kaleida Harper is Lincoln's Guardian Angel from Michigan and the fifth of eight sisters, she has powerful mastery of darkness and water and she is known for her amazing swordsmanship skills, and like Shaylen Harper, she has a magic sword that was made by Tearlaments Kaleido-Heart that can cut through even the strongest of metals and her sword also has the power to make them go insane! She also took on all of the meanest bullies in the city after that were after Lincoln and she slashed them all over and filled up a maximum security insane asylum in one day. She even took down Luan at the worst of her fury and rage, and one slash from her sword made her worst fears come true: she was disowned by her family and thrown in a nuthouse for the rest of her life.

We gasped.

Nico: Whoa.

Lincoln: Yeah, it may have made Luan's worst fears come true, but thankfully, it didn't drive her mad like those hit by Shaylen's sword.

Me: Still, that's really powerful.

Shaylen Harper: That's right.

And we're going to meet Kaleida Harper, Gene-Slammer of Tearlaments Kaleido-Heart, she's Lincoln's Guardian Angel from Michigan and the fifth of eight sisters, she has powerful mastery of darkness and water and she is known for her amazing swordsmanship skills, and like Shaylen Harper, she has a magic sword that was made by Tearlaments Kaleido-Heart that can cut through even the strongest of metals and her sword also has the power to make them go insane! She also took on all of the meanest bullies in the city after that were after Lincoln and she slashed them all over and filled up a maximum security insane asylum in one day. She even took down Luan at the worst of her fury and rage, and one slash from her sword made her worst fears come true: she was disowned by her family and thrown in a nuthouse for the rest of her life.

Next up is the anniversary of the battle of Team Dark Phoenix Storm and how we saved the world.

See you next time

Me: I have a feeling this food planet will be awesome.

Xenia: As long as it's not a gross one.

Lana: If it's gross you know I'll love it.

Camie: Yeah you sure will Lana.

Varie: It'll be fun though nonetheless.

Nico: It sure will.

Sweetie Belle: Boy this is gonna be a really awesome and fun one.

Xenia: It sure is.

Nico: Sweetie Belle, I want to thank you, Thunder Terror, and your teams for coming.

Sweetie Belle: No problem Nico! This is gonna be so fun and awesome.

Rarity: It sure will be and I'm so proud of you Sweetie Belle.

Sweetie Belle: Thanks Rarity.

Minuette: This is gonna be so fun!

Twilight Sparkle: It sure will be awesome.

Nico: Minuette, what do you like to do in your free time?

Minuette: Well I like to work as a dentist.

Nico: A dentist is good.

Minuette: Yeah.

Rita: Minuette helps me out at the dentist office and she is a great assistant for me.

Lincoln: That is awesome.

Nico: It sure is. Make those pearly whites nice and clean.

Minuette: (LAUGHS) I will.

Nico: Does Knightbrace help out?

Minuette: I don't think he does. But I'm not sure.

Qin: Well I'm sure there are other dentists out there willing to help.

Nico: I agree.

Lola: Yeah.

Nico: Geez yesterday was wacko!

Lola: No kidding! Those Sea Bears mauled everyone!

Camie: They sure did!

Sweetie Belle: That was brutal!

Maria: One almost ate Horsea!

Qin: Yeah no kidding!

Varie: But those Sea Bears really made a mess of things.

Camie: But at least Horsea fought back.

Maria: She sure did.

Laney: Yep.

Nico: Is she okay now?

Maria: Yep. She's over that. Still got problems with the haunted car though.

Lola: Oh boy.

Xenia: Yeah.

Lily: All the citizens of Bikini Bottom are okay too.

Nico: That's good.

Qin: Yeah thank goodness.

Nico: Now, we just have normal sea bears, which are still dangerous.

Me: And will rip you to shreds at any given thought if you do the things they hate.

Lily: But they still love tummy tickles. SpongeBob showed me that they calm down when you tickle their tummies. They love that.

Nico: (LAUGHS) That is cute.

Camie: It sure is.

Nico: Yeah.

Maria: We're here.

We saw that it was a planet that looking golden yellow in appearance.

Nico: Wow. Looks like a desert planet from up here.

Qin: It sure does.

We flew down to the planet and then we landed and we saw that it was A CHEESE PLANET!

Me: WHOA! It's a (SNIFFS) (GAGS) A STINKY CHEESE PLANET!

It was a world made entirely out of the STINKIEST CHEESES IN THE WORLD!

Maria: I'm NOT EATING THIS!

Lana: (SNIFFS) Oh wow! I love this planet!

Lana ate some cheese!

Lana: Hey! This is awesome cheese! (With her mouth full) Especially the Limburger!

May: You can eat this if you want, Lana.

Nico: For me it's cheese nonetheless. (Eating cheese) Mmm! Not bad.

Qin: Now your breath is going to smell like the rear end of a cow!

Maria: You two can eat all that!

Laney: (COUGHS AND GAGS) MAN THIS IS WORSE THAN THE SMELL OF MUNG'S CLABBAGE COBBLER! (GAGS VIOLENTLY)

Lana: Aww come on guys! It's not so bad.

Lola: Yeah for you! The girl that eats trash hoagies!

Lana: (BELCHES) You guys just got to step out off your comfort zones.

May: No thanks!

Leni: Like this planet smells totes worse than Ed's feet.

Qin: I'LL SAY! (COUGHS AND GAGS)

Me: At least we're not on a planet made of onions.

Nico: Yeah that is true. (BELCHES)

Lily: Can you imagine if we were on a Stinkweed planet?

Eddy: Don't jinx it.

Lily: Sorry.

Minuette: (GAGS AND COUGHS) OH GOOD GRIEF! Mr. Pig it smells worse than you!

Mr. Pig: I've smelled worse than this.

Laney: (GAGS AND COUGHS) IT SMELLS WORSE THAN PUMBAA'S FARTS!

Camie: (GAGS AND COUGHS) IT SMELLS LIKE FILTHY MUCK AND PATRICK COMBINED!

Eddy: No kidding! GEEZ and I thought Ed smelled just as bad!

Luan: He should doesn't smell Gouda! (LAUGHS) Get it? But seriously this place REEKS!

Lily: No kidding!

Lincoln: Okay, guys, we've got ourselves a huge emergency, and we're not going to like this in the slightest: we got word that rotten imaginary friend, Bendy, is here, and he wants revenge on us!

We gasped.

Me: Why, that little… !

Nico: That little monster! He's gonna pay for this, and he chose a really stinky place to hide out at.

We had put on our 28th Century Exopacks on since we were on a planet of REALLY STINKY CHEESES!

Me: I forgot we had these.

Lincoln: Yeah. But, still, that's not going to stop us, we're going after that rotten Imaginary Friend and take him down!

Lincoln then called the rest of the team who also had on their 28th Century Exopacks and they heard the situation from him.

Lori: I literally can't believe that rotten good-for-nothing imaginary friend's here!

Frankie Foster: He's not getting away with this, I'm gonna make him pay.

Nico: Without a doubt, Frankie.

Ed: A planet made of stinky cheese! This is really cool!

Eddy: Shut up Ed.

Kairi Yano then heard a Pokemon cry.

He saw that it was a Liepard!

Me: Hey a Liepard.

Kairi Yano: Oh and the poor thing is hurt.

Liepard: It's not me that's hurt! It's my nose! This place smells horrible!

Nico: Are you sure you're not hurt?

Liepard: It's just my nose! It hurts from the stench!

Dudley Puppy: I DON'T BLAME YOU ONE BIT! IT SMELLS WORSE THAN SNAPTRAP'S BUTT AS HE IS DRIVING A GARBAGE TRAIN DRIVING THROUGH ATLANTIC CITY! (GAGS AND COUGHS)

Kitty pat him on the back.

Laney: If Snaptrap heard you say that he would he infuriated.

We laughed!

Nico: (LAUGHS) Yeah!

Bart: This plays smells worse than Homer.

Homer: WHY YOU LITTLE!?

He strangled Bart!

Lily tazed Homer.

Kairi Yano: Wanna stay with me?

Liepard: I would like that.

Nico: Cool.

Qin: Nico when we get back home, lets NEVER mention this planet again.

Nico: Alright. But Kairi, Liepard is perfect for you.

Kairi Yano: I agree. Because it's a sneaky and cunning Pokemon.

Liepard: I sure am that devious.

Qin: Yep.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we

saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Bendy) AHA! Gotcha! I just spotted that rotten Imaginary Fiend, he's 20 yards away, and he's already coming after us.

Nico: That just saved us the trouble. Let's get him and tear him in two!

Lincoln: He won't get away from us. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on that rotten Imaginary Fiend, Bendy.

Nico: And Taro? You and Lyra did good yesterday.

Taro: Thanks Nico. It was fun.

Lyra Heartstrings: That was fun and awesome.

Lily: It sure was awesome.

Camie: Yep.

Coco: Coco coco coco coco!

Wilt: This is the perfect place for fighting Bendy isn't it?

Eduardo: Si it sure is. I wish it were a planet of potatoes.

Xenia: That would be nice.

Varie: Yeah.

We were flying in the air and landed and we're looking around for that rotten black-hearted Imaginary Fiend, Bendy.

Lincoln: Alright, now where the heck is that rotten Imaginary Fiend?

Bendy (BaTIM): It's awful that he's an absolute monster and I have the same name as him, that's just sickening.

?: I'LL KILL YOU ALL! YOU RUINED ME!

Me: Yep, here he comes!

We then saw our target, the rotten black-hearted Imaginary Fiend, Bendy, and he was out to kill us all. He tried to throw a bomb at us, but Lincoln created a massive indestructible diamond barrier that protected all of us, and when the bomb hit, it exploded, but we were all okay, and the barrier was still standing. That made him so angry, he proceeded to pummel the barrier with firing missiles and even throwing sticks of dynamite at it, but the barrier still stood strong, and it made him even angrier than ever.

Nico: What the Hell?! He's absolutely lost his mind!

Me: I guess all that time in prison's really driven him completely mad!

Lincoln: I didn't expect him to go that mad in prison! If I knew about that, I would've put him in a straitjacket and thrown in a padded cell, but from what I heard, Vypra had recruited the Universe 666 version of him to The Masters of Evil.

Hunter (Owl House): Now, I know why we're here: to put him down for good.

Felicia Wittebane: You got that right.

Lincoln fired a massive diamond ball with rainbow fire surrounding it, and it hit Bendy and sent that Imaginary Fiend flying into a wall of really stinky cheese. He got back out, but boy did he have some serious stink lines coming off him.

Nico: WHEW! MAN, DOES HE STINK!

Me: Yeah, that's why we're not taking the Exomasks off.

Bendy (Fosters'): I ABSOLUTELY DESPISE ALL OF YOU SO MUCH! IF YOU HADN'T GOTTEN IN MY WAY, I WOULD'VE FINALLY KICKED BLOO AND HIS FRIENDS OUT OF FOSTERS' AND THEIR ROOM WOULD'VE FINALLY BEEN MINE AND I WOULD FINALLY BE FREE TO MAKE EVERYONES' LIVES MISERY! I HATE ALL OF YOU! HATE! HATE! HATE! HHHHHHHAAAAAAATTTTTTTTEEEEEEEEEEEE!

Suddenly, our rainbow energy auras exploded out like crazy and we suddenly gained a supermassive energy boost from that fiend's hatred!

Nico: I think prison did more than just drive him insane, his hatred for everyone completely rotted his brain into mush!

Eli: I also felt it with The Force, his hatred's driven him completely into madness and insanity untold.

Luan: And like Hunter said, we're going to put him down for good.

Frankie Foster: Now, you're talking, I've been wanting to do this to that rotten monster for a very very long time.

Qin: That is for sure!

May: HOW THE FUCK ARE YOU NOT AFFECTED BY THE STENCH ANYWAY?!

Bendy: NONE OF YOUR FUCKING BUSINESS YOU FUCKING WHORE!

MAY GASPED!

Maria: Seriously, who are you not affected by the stench? It smells here!

Bendy: I'll NEVER TELL YOU!

POW!

She got socked in her face and her Exopack was ripped off and Maria gagged, coughed and vomited!

William and Horsea: MARIA!

Maria: I WILL RIP HIS FUR OFF!

Me: Hey Bendy do you know a girl named Anita Bath?

Bendy: Anita Bath?

Dudley Puppy: YOU SURE DO! (LAUGHS)

WE LAUGHED AT THAT!

Mac: I should've never left Bloo and the others alone with you!

Bendy: But you did. (laughs evilly) And now, everything I did back then is because of you!

Mac: (Smirks) Because you are now the worst ever imaginary friend ever!

Qin: And you smell worse than that mutant freak Duchess!

Lola: And you smell worse than Terrance's old friends!

Me: By the way do you know someone named I.M. Stinky?

Bendy: I.M. Stinky?

Dudley Puppy: YOU SURE DO! (LAUGHS)

WE LAUGHED HYSTERICALLY!

Lola: (LAUGHS) That was funny!

Nico: Yeah!

Terrence: (grabs Bendy by the throat) This might be falling back to old habits. But I doubt Mac and the others will mind if I pummel you!

POW POW POW POW POW!

He pulverized his face in!

Qin: Take that!

Xenia: YEAH!

Me: Taste this!

I used my powers and formed a bunch of pranks and booby traps! A giant boot squishes Bendy flat. A hammer then slams onto Bendy. Fire blasts Bendy and he gets incinerated by fire underneath him. A pair of robot arms pop out of the ground and gives Bendy a fur wedgie. A bowling ball crushes Bendy's foot. He got slapped in the face repeatedly by a robotic arm. Bendy gets electrocuted by lightning bolts. Then he gets crushed by a piano followed by a spiked-ball and a boat that resembles Titanic!

Nico: BRUTAL!

Bendy got up mangled and torn up.

Liepard charged at him and bashed him down with a headbutt!

KRASMASH!

Liepard used Fury Swipes and slashed him all over!

SLASH SLASH SLASH SLASH SLASH SLASH!

Me: Page for Bendy!

I gave him a lit stick of dynamite and ran and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

He exploded!

Qin: OUCH!

Xenia: Yeah!

Sarah: MAGICAL SOURCE! MYSTIC FORCE!

They were ready for action!

Me: OH YEAH!

Xenia: AWESOME!

Nico: Go get him!

They went and did so and blasted and smashed Bendy all over!

Qin: Take that!

Lola: OH YEAH!

Xenia: YEAH!

Xenia fired a wave of arrows and blasted him all over.

Cheese walked up to Bendy.

Cheese: I like chocolate milk.

Bendy: Yeah and what are you.

He jumped on his back!

Cheese: I'm a cowboy!

Poromon: YAY CHEESE!

Nico: Yeah!

Eddy: RABBIDS ATTACK!

The Rabbids went and punched and pulverized Bendy!

Rabbids: (Gibbering) (FARTS)

He farted like a bagpipe and blasted Bendy all over!

A Rabbid blew a raspberry!

Eddy fired his blaster and it hit Bendy and blasted him.

Eli fired a wave of Force Lightning and electrocuted him.

Camie: Take that!

Bendy: (ENRAGED GROWL)

Minuette and Sweetie Belle fired energy blasts and blasted Bendy all over!

Coco: Coco coco coco coco!

She fired eggs and they hit Bendy and exploded!

LOUD FART EXPLOSIONS!

BENDY SMELLS WORSE THAN THE CHEESE!

Me: Stinkbomb eggs! NICE!

Ed: Who stepped on a duck!

Nico: What did Coco Say?

Wilt: She said what you did to Bloo was just bad.

Nico: I agree.

Poliwag: I can never understand Coco. Uh no offense.

Coco: Co Coco.

Wilt: She said none taken.

Poliwag: Good.

She then laid eggs that hatched bombs.

Nico: Nice! Fire in the hole!

We threw them and they hit Bendy and they exploded!

MASSIVE FIERY EXPLOSIONS!

He was blown back and then he fell onto a bunch of mousetraps!

SNAPSNAPSNAPSNAP SNAP SNAP SNAP SNAP SNAP SNAP!

HE SCREAMED IN PAIN FROM THE MOUSETRAPS!

Nico: Who put those there?!

Me: Me.

I had the Mousetrap Magisword in my hands.

Nico: Oh. That was clever.

I then threw a rock into the air.

Me: Time for this!

BRONZE STATUE MAGISWORD!

I fired a wave of energy and it turned the rock bronze and it fell fast and then…

KRABLANG!

It hit Bendy on top of his head and smashed it flat!

Nico licked Bendy.

Bendy: YOU ARE A DISGUSTING MONKEY!

Nico: I know you are but what am I?

Nico then gave him a wet willie and punched him.

Nico: (Gives him boogers) EAT THESE!

He shoved them in Bendy's mouth!

May: EW!

Xenia: Nico!

Frankie Foster: Okay I'll take it from here.

Suddenly, Frankie's eyes turned neon dark blue and she was surrounded by a dark blue energy aura with stars, nebulae, Nebulonic Gas, phoenixes, and angels, and as she approached Bendy, she left dark blue energy, stars, nebulae, Nebulonic Gas, phoenixes, and angels with every step.

Frankie: As always, you make me sick to no end. You've already proven that you're nothing more than a rotten imaginary friend who enjoys causing trouble and falsely blaming others for your own faults, and what you did in exposing your true colors and resentment towards everyone years ago, you just proved our point that you're a rotten monster who deserves nothing more than to be put down for good.

Suddenly, Frankie was surrounded by a massive vortex of dark blue energy, with stars, nebulae, and Nebulonic Gas surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a star phoenix with red eyes glaring at Bendy the Imaginary Fiend: the red eyes of eternal death.

Me: WHOA!

Nico: So incredible!

Lincoln: That really is so awesome!

But, that Imaginary Fiend went completely mad with rage and charged at the vortex and us as well, but he got hit hard by blasts of stars and nebulae. Then, as the vortex faded, Frankie emerged, but she was changed forever.

Frankie Foster grew to 8'0" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large dark blue orbs orbiting around her legs, she has the body of a goddess, she has purple highlights in the bangs of her long red hair tied up in a ponytail and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon dark blue eyes and a dark blue energy aura with stars, nebulae, Nebulonic Gas, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has a star phoenix emblazoned on her forehead and Third Eye with dark blue iris, she has on angel earrings with dark blue gems for eyes and holding the Star, Nebula, and Eternity Kanjis in its hands, she also has a phoenix with dark blue gems for eyes and holding the Star, Nebula, and Eternity Kanjis in its body for the second pendant on the bottom of her dark blue angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with dark blue crystal links from her merged Crystal Necklace of the Buddha and dark blue gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Frankie has on a short-sleeved dark blue shirt with stars and nebulae reflecting on it, dark blue skirt with stars and nebulae reflecting on it, dark blue knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, nebulae, Nebulonic Gas, phoenixes, and angels on the coattails, and on the back is a star phoenix surrounded by stars, nebulae, Nebulonic Gas, phoenixes, and angels and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with angels surrounding a red gem with neon glowing red lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Frankie Foster felt a sharp pain on her back, and then, massive red angel wings with dark blue tips on the large red feathers grew and sprouted out of her back and she also now has eleven massive and long red wolf tails with dark blue tips and dark blue markings, Frankie Foster has on her Ring of the Phoenix with large dark blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

We were amazed by Frankie Foster's Super Angel-Star Nebula-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Bendy saw it, he went mad and ran at her to kill her, but Frankie fired a massive barrage of dark blue energy, stars, nebulae, Nebulonic Gas, phoenixes, and angels which hits that Imaginary Fiend and sent him flying into another wall of stinky cheese, he got back out, but now, he was enraged.

Frankie: (Divine Echoing Godly Voice of The Nebulonic Imagination Defender Star Phoenix God Angel and Divine Cosmic Nebulonic Imagination Defender Star Phoenix God Angel Love) You've had this coming for a long time, Bendy!

Suddenly, a purple magic blast came out of nowhere which hit that Imaginary Fiend and turned him into a pretzel.

Lincoln: That certainly wasn't any of us!

Me: You said it, but there's only one person who'd do that to scum like him.

Suddenly, we saw a very beautiful and super sexy girl with long dark purple hair and flower clip in her hair, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful rainbow angel wings, she's dressed in a dark purple short-sleeved frilly shirt, necklace with pearls and dark purple gem for the pendant, dark purple skirt, white bridal gloves, dark purple knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, phoenixes, and angels on the coattails and on the back is a phoenix and angel with stars reflecting off them, and holstered on her back is a massive golden greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel.

Lincoln: (GASPS) Melanie Knudson, God Sibling of Magic.

Me: Oh, I knew it was her alright!

Sakura Knudson, Elaine Knudson, Marlene Knudson, Helena Knudson, Sophia Knudson, Morgana Knudson, Emily Knudson, Abigail Knudson, Avery Knudson, Grace Knudson, Maria Knudson, Selena Knudson, Caitlin Knudson, Lunaria Knudson, Evelyn Knudson, Valerie Knudson, Arlene Knudson, Sumner, and Patti: Melanie?!

Melanie Knudson: Yep, Melanie Knudson, God Sibling of Magic, reporting for duty.

Sakura Knudson: It's so awesome to see you again, sis. Now, where were we?

Me: Oh yeah, kicking your ass and sending you straight to Hell for what you've done.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as well as the sword pendants on his white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing.

And I unholstered my massive J.D. Knudson's Universal True Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Angel Greatsword of Universal True Eternal Cosmic Elemental Wolf Moon Phoenix Angel Justice from my back and transformed into Super Angel-Ebonwu-January Wolf Moon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Divine Cosmic Harmony January Wolf Mythological God Phoenix Angel of Divine Cosmic Universal Elemental Divine Cosmic Harmony January Wolf Mythological God Phoenix Angel Justice and Divine Cosmic Universal Elemental Divine Cosmic Harmony January Wolf Mythological God Phoenix Angel Hope, and so did the rest of us as we unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth,

Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've got some nerve coming after us, you twisted Imaginary Fiend, I thought we were rid of you when we threw in prison for what you did in trying to frame Bloo and the others.

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) But since you decided to come after us, we've been waiting for this for a long time, we're putting you down once and for all!

Lincoln, Frankie Foster, and I went after Bendy, and we fired extremely powerful blasts of rainbow energy, dark blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Bendy, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Frankie Foster, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Bendy even more insane and straight to the brink of insanity.

Bendy (FHIF): YOU! YOU! (ENRANGED SHRIEK)

Bendy charged right at us completely blind with homicidal rage and fury, but Nico, May, and Qin kicked him hard in the stomach and Sebastian fired blasts of Divine Darkness at him and they got hit hard and he slashed at him with his massive black greatsword. Then, Lincoln smashed him hard into the ground with his eleven massive and long white wolf tails, and he was really getting messed up, and then, he threw him and sent him into a nearby stinky cheese wall.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time for a little magic mayhem.

Lincoln fired five blasts of purple magic and one formed into Lynn in Full-Beast Mode on Packing Day and it brutally thrashed that Imaginary Fiend, then another blast formed into Lori who grabbed him and he got turned into a human pretzel, then, another blast formed into Lola who ran him over with her Princess Jeep, another blast formed into Lisa who strapped Bendy onto an operating table and she had a laser pointed at him and she laughed insanely as she pressed the button activating the laser and it fired and hit Bendy and sent him flying and another blast formed into Luan who had tons of lethal pranks set up and when Bendy landed, he went flying all over the place as she laughed like a madman.

Nico: Damn, now that's just brutal!

Then, Lincoln chained that Imaginary Fiend up in rainbow energy chains and pushed him into a portal he opened up that led to The Black Gates, and once he was found guilty, The Judgement Kanji formed on that Imaginary Fiend's forehead and he was erased from existence forever. Everyone cheered wildly as we holstered our weapons and powered down, and Frankie's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long red wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, eleven large red orbs orbiting around her legs, and massive red angel wings are permanent.

Me: This really has been a long time coming.

Frankie: Same here, that monster's caused enough torment to last an eternity.

Lincoln: Now, he's finally in The Black Gates where he belongs, and we're finally rid of him forever. (To Melanie Knudson) And it's so good to see you again, Melanie.

Melanie Knudson: You too, Lincoln, it's been seven years since we last met, and it's so good to see you, our sisters, Varie, and Mom and Dad again, J.D.

Me: You too, sis.

Lincoln went up to Melanie Knudson and he hugged her, and Melanie Knudson is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Melanie Knudson: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Eli: And he'd also been hit with massive amounts of cosmic radiation

and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed, I do, Eli. Everyone, this is Melanie Knudson, God Sibling of Magic, she's my Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful magic powers and immense control over all forms of magic and the elements. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of J.D., Sakura, Elaine, Helena, Sophia, Avery, Emily, Abigail, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Evelyn, Marlene, Gianna, Arlene, and Valerie, and just like J.D., Sakura, Helena, Sophia, Emily, Abigail, Avery, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Marlene, Valerie, Gianna, Arlene, and all of us, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just Magic, but also Fire, Water, Ice, Wind, Lightning, Earth, Lava, Darkness, Light, Crystals, Wood, Stars, Time, Gravity, Nature, Blood, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all.

Nico: WHOA!

Me: Yeah, she's that powerful like us and she defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals, and if you get her mad, WATCH OUT OR SHE WILL UNLEASH MAGICAL MAYHEM ON THEIR HEADS!

We gasped.

Nico: Oh… shit!

Lincoln: Yeah, it would be a huge mistake if anyone dared to piss her off, and now that you're here, Melanie.

Lincoln went up to and hugged Melanie Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Melanie Knudson: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Melanie Knudson's neck with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Melanie Knudson: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which

means you're now part of my harem and my many future wives, Melanie Knudson.

Melanie Knudson had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them.

Nico: Nice job Liepard.

Liepard: Aww it was nothing.

Qin: Yeah!

Poromon: Want some beer?

Liepard: Oh no thanks. I don't drink.

Poliwag: (Does Puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Poliwag: Sorry.

Mac: Bloo, I'm sorry I wasn't there the first time Bendy appeared.

Bloo: I know Mac. It's okay though.

Mac: Good.

Bloo: At least now we saw the last of him.

Eduardo: Si.

Coco: Coco!

Wilt: That is for sure.

Frankie: I'm glad.

Nico: At least it wasn't an Extremosaur.

Qin: Thank goodness for that.

Lola: Yeah.

Qin: But I'm still going to punch Kip Snip in the face. I promised Terrance that I would.

Terrance: You still remember that promise you made. Wow.

Nico: Who would make someone like Bendy anyway?!

Me: That's the $10,000,000.00 question.

Eli: No idea there.

Qin: Me neither.

Mac: It was some kid named Gregory. Mr. Herriman told me it was Gregory that made him.

Qin: Whoa.

Nico: He needs to imagine someone nicer!

Me: I agree there.

Mac: I do too. I don't know Gregory personally but I agree there.

Laney: Yeah.

Lucy Loud: Now we just have to deal with Fosters other problems.

Lana: Yeah I agree there.

Nico: That's really not a lot.

Qin: Still they need to face the music.

Lola: Yeah I agree.

Lily: Yeah.

Camie: They all deserve it.

Nico: Who are the Anothers?

Eli: (Concentrates) Whow! Then Pipp's cutie mark started glowing.

Me: Pipp's cutie mark is reacting to something.

Nico: What is it?

Sunny Starscout: I think I know what it means.

Xenia: Me too.

Starlight Glimmer: Same here.

Me: We all love to sing ourselves and the songs are awesome.

Rainbow Dash: They are really awesome and fun.

Me: It sure is. The Legacy of the Generosity of Rarity now has an embodiment.

Adrianna Pipp Petals: That's right. And like me and my sister who you'll meet later on we are both royalty.

Xenia: Awesome!

Zipp Storm: Wow! So that means I have an embodiment as well myself.

Adrianna Pipp Petals: You sure do. You'll meet her soon Zipp.

Me: By the way is the another Thunder Terror friendly or hostile?

Adrianna Pipp Petals: Friendly and you may not like the odor she has.

Qin: Another stinky one!? Whoa.

Lola: Oh boy.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep
Down beneath the earth you go
Go holoré fast to sleep

She glowed and was separated.

Me: Action time!

We fired waves of energy and elements and blasted the Anothers and smashed them down.

I caught the Wonder Ride books.

Me: Awesome!

Eddy: Alright, Horsea, let's check your progress. (Shows Haunted Car picture)

Horsea: Whoa. Not scaring me as much.

Me: Ino's making great progress.

Qin: Yep.

Maria: Thank goodness.

Eddy: Good job.

Horsea: Thanks.

Qin: So far so good.

Camie: Yeah.

Maria: No backup from the M.O.E. cannon this time.

Eddy: What about the sea bears? Are you scared of them?

Horsea: Nope.

Eddy: Good.

Maria: Thank goodness for that.

Camie: No kidding.

Eddy: Keep up the good work and you'll get a treat.

Horsea: Okay.

But then we smelled a REALLY HORRIBLE STENCH!

Lana: (Sniffs) There's the stench!

Lori took a whiff and then…

Lori: (THROWS UP ALL OVER NICO!) OH MAN THAT LITERALLY IS DISGUSTING!

Nico: Um… Eww!

Lori: Sorry Nico.

Me: Wait I know this smell.

Sweetie Belle: Look there!

We saw a figure and it was ANOTHER THUNDER TERROR!

Nico: Another Thunder Terror!

Qin: Shocking.

Lola: Yep.

Another Thunder Terror: (In a girls voice) Sorry about my revolting stench.

Me: (GASP) That voice.

She reverted back and was a girl with blond hair and yellow eyes and she had a yellow dress on and had yellow angel wings and had a tiara with the symbol of the Limburger Dopant on it and she had the same symbol on her skirt and had a Cheese Magisword.

Me: Leena Limburger!

Qin: Whoa!

Leena Limburger: Awesome to see you again J.D.

Me: Same here. Leena is the Embodiment of the Limburger Dopant and she smells just as bad and has all the powers of cheese and also like Thunder Terror she has lightning powers.

Thunder Terror: That is cool!

Leena Limburger: Yep.

Lola: No kidding there.

Sakura Knudson: I wondered why it smelled like stinky socks in the lab.

Zocks and Kaito: ZENKAIJU GEAR!

They donned the Zenkaiju armor.

Lincoln: Lets separate you first.

Lincoln fired a wave of light and separated her from Another Thunder Terror.

Nico: Lets get him guys!

Nico: Awesome team Magma Gloom!

Magma Gloom: Thanks Nico.

Scootaloo: Awesome! So it's my turn next.

But then a blast of ice hit Another Thunder Terror.

Nico: Whoa!

He shattered and then I caught the ridewatch and purified it.

Xenia: Awesome! Nice job Lana.

Lana: Uh I didn't do that.

Nico: Then who was it?

?: Me.

Then Tundra Man came skating in!

Tundra Man: (In a girls Voice) (Russian Accent) That was a grand entrance.

Nico: Anna Severnaya!? Whoa!

She reverted back and was a girl with blue hair and blue eyes and had blue clothes and she had blue angel wings and had ice skates on. Also she had the symbol of Tundra Man in the middle of her forehead.

Me: Wait the world famous Olympic ice skating champion!? Awesome!

Nico: Yep.

Anna Severnaya: It's awesome to meet you J.D. and good to see you again Nico and you too Qin.

May: I didn't get hit!

Nico: Nope.

Minuette: Do you have any favorite memories of Nico?

Anna Severnaya: Just when I was about to head out onto the rink when me and Nico were over in Mother Russia and that's when the mafia came and we killed them.

Nico: Yep.

Me: Wow! The Mafia Invasion of the Sochi Olympics was you guys?

Nico: Yep.

Me: Cool!

Nico: Yep.

Nico and Anna hugged.

Nico: I've missed you Anna.

Anna Severnaya: Me too Nico.

We later went back home.

Nico: That bitch really crossed it this time, now we're facing off against clones of your old enemies.

Sweetie Belle: And from the looks of it, it's a large army of them.

Lincoln: And of course, I'm still going to absorb them.

Suddenly, we saw a very beautiful and super sexy girl with long dark blue hair and blue hairband, dark blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful blue angel wings, she's dressed in a dark blue sleeveless open blouse, sleeveless dark blue crop top, necklace with dark blue heart gem for the pendant, dark blue skirt, dark blue bridal gloves, dark blue bellbottom pants, dark blue knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with stars, water, darkness, ocean waves, swords, phoenixes, and angels on the coattails and on the back is Tearlaments Reinoheart, and holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel, and with her are the six girls.

Lincoln: (GASPS) Kaleida Harper, Gene-Slammer of Tearlaments Kaleido-Heart.

Kaleida Harper: That's right, and I got the girls away from those clones, but I've pissed them all off big time and they're coming after us.

Suddenly, we saw the clones of the Shocker Organization heading for us, and boy were they pissed.

Sylvester: Sheesh, they're just as dangerous as the real ones.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the chests of the clones of the Shocker Organization, and then, Lincoln began absorbing them all into his body as he and all of us assimilated all of their powers, abilities, and strength and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them and he sent all of their souls to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: Whoa, now that's what I call a feast, and now, we have all the powers, strength, and abilities of Takeshi's enemies. (To Kaleida Harper) And it's so good to see you again, Kaleida Harper.

Kaleida Harper: You too, Lincoln, it's been a long time, and it's so good to see you again, Shaylen.

Shaylen Harper: You too, sis.

Lincoln went up to Kaleida Harper and he hugged her, and Kaleida Harper is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Kaleida Harper: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Kaleida Harper, Gene-Slammer of Tearlaments Kaleido-Heart, she's my Guardian Angel from Michigan and the fifth of eight sisters, she has powerful mastery of darkness and water and she is known for her amazing swordsmanship skills, and like Shaylen Harper, she has a magic sword that was made by Tearlaments Kaleido-Heart that can cut through even the strongest of metals and her sword also has the power to make them go insane!

Shaylen Harper: And like me, she also took on all of the meanest bullies in the city after that were after Lincoln and she slashed them all over and filled up a maximum security insane asylum in one day.

She even took down Luan at the worst of her fury and rage, and one slash from her sword made her worst fears come true: she was disowned by her family and thrown in a nuthouse for the rest of her life.

Nico: Wow, so that means all of Shaylen's sisters…?

Lincoln: Are all powerful swordswomen with power over darkness and water and have magic swords that cut through even the strongest of metals and also have the power to make them go insane with one cut.

Me: Yeah, we were stunned ourselves.

Nico: Man, if anyone messed with them, they can say goodbye to their sanity forever.

Lincoln: And say hello to an eternity in an nuthouse, and now that you're here, Kaleida.

Lincoln went up to and hugged Kaleida Harper in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck's healed and the puncture marks sealed up, and he also kissed where he bit her.

Kaleida Harper: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Kaleida Harper's neck with dark blue gems on the gold lightning bolts and dark blue crystal links from her merged Crystal

Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Kaleida Harper: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Kaleida Harper.

Kaleida Harper had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the six girls, and when Lincoln saw them, he immediately recognized them. The six girls are Akiho Onose, Ryouka Fuwa, Seia Sakaki, Kanae Masahita, Noel Tateno, and Tsubasa Minami from Hitozuma Cosplay Cafe.

Lincoln: Oh wow, it's Akiho Onose, Ryouka Fuwa, Seia Sakaki, Kanae Masahita, Noel Tateno, and Tsubasa Minami from Hitozuma Cosplay Cafe.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Akiho Onose: Yes, we're okay, thanks to you.

Then, when Akiho Onose and the other five girls saw who it was that saved them from the clones of Takeshi Hongo's enemies, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the

on his waist, large white pants with rainbow fire and multicolored lightning bolts and elemental forces on the thighs, and large gold armored knee-high boots with colored gems on them, silver Buffalo head stud earrings with rainbow gems for eyes the Thunderbird carved on it and the Element, Xelnaga, Cosmic, Universe, God, and Eternity Kanjis on the heads, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and rainbow crystal links from his merged large Crystal Necklace of The Buddha with large rainbow Thunderbird-shaped Element of Harmony and a large silver Buffalo head with rainbow gems for eyes and Thunderbird carved on it and the Element, Xelnaga, Cosmic, Universe, God, and Eternity Kanjis on its head for the pendant on his bare chest with chest hair on his pecs, large white and gold accented Elemental Choker of Eternal Love and Thunderbird pendant on his neck, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Ring of The Phoenix large multi-colored gem and heart-shaped gem embedded in it surrounded by a Thunderbird, Phoenix, Werewolf, and Buffalo on his right ring finger, Blue Lantern ring on his left ring finger and small planets orbiting around his fingers like rings, claws on his fingers with gold armored finger claws over his fingers, he has twelve large planets orbiting around his legs and twelve smaller planets orbiting around his waist and an immense rainbow protective aura with swirling elements around him.

Akiho Onose: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper

and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Akiho Onose: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Akiho Onose, Ryouka Fuwa, Seia Sakaki, Kanae Masahita, Noel Tateno, and Tsubasa Minami with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villains we went after were clones of Takeshi Hongo's enemies that were also created by Mindy.

But, when Lincoln showed what we all did in beating them all down and Lincoln absorbing them and all of us assimilating their powers, abilities, and strength and sending them all to The Black Gates, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Kaleida Harper have a lot of catching up to do, now that she's back in town.

Then, we heard Mindy and Mandy roar with rage!

Maria: Serves you both right, bitches.

Lincoln: It just proves they're both horrible people, and they'll never ever change.

Nico: Yeah, they both deserve to be in Hell forever when they die of old age, but they're still in for Hell.

Me: You said a mouthful.

---

After Lincoln absorbed the clones of Takeshi Hongo's old enemies, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Kaleida Harper saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Kaleida Harper: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Kaleida, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Kaleida Harper: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Kaleida Harper: I knew it was only a matter of time before he told everyone that story.

Suddenly, the rainbow gem of Lincoln's silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenix, thunderbird, buffalo, angel, vampire, and werewolf surrounding it on his back started glowing.

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

The gem formed a viewing window, and we saw who it was causing trouble: it was the clones of Great Leader of Destron, Doctor G, Baron Kiba, Archbishop Tsubasa, General Yoroi, Kame Bazooka, Hasami Jaguar, Ika Fire, Televi Bae, Machine-Gun Snake, Hammer Kurage, Knife Armadillo, Nokoguilli Tokage, Lens Ari, Kamisori Hitode, Pickel Shark, Drill Mogura, Jishaku Inoshishi, Gama Boiler, Burner Koumori, Missile Yamori, Spray Nezumi, Kusarigama Tento, Harifugu Appache, Guillotine Zaurus, Dokubari Gumo, Water Gun Todo, Taiho Buffalo, Propeller Kabuto, Gokiburi Spike, Kamikirimerang, Heater Zemi, Wanage Kuwagata, Camera Mosquito, Dokuro Inoshishi, Onibi Seiuchi, Yuki Ookami, Genshi

Tiger, Kaen Condor, Kodama Musasabi, Satsujin Dokugarla, Bashogan, Garmadillion, Katatsubler, Kamakubikame, Sai Tank, Coelacanth Kid, Oni Hitode, Chameleon, and Kyuketsu Chameleon.

Nico: What the?! Clones of the Destron Organization?!

Lincoln: No doubt that Mindy had a hand in this as well.

We flew out of the World Tree Estate, and Lincoln fired powerful rainbow energy blasts at the clones of the Destron Organization and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of the Destron Organization, and then, Lincoln began absorbing them all into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. We returned back to The World Tree Estate and continued with our workouts.

Nico: That's it for the clones of the Destron Organization, but we've yet to find out the mastermind who helped Mindy create clones of the Kamen Riders' enemies from the Hesei era and Showa era.

Lincoln: Yeah, and there's no way that brat's spilling her benefactor's name. The only way to find out is for me to keep on absorbing more clones of the Kamen Riders' enemies, but just in case, Darren, I want you to cause so much pain to Mindy and make her spill her guts.

Darren Devereaux: Understood.

Darren Devereaux went to Lynn's Table to torture Mindy and Mandy.

Selene Arcangela: That was a smart move getting Darren to torture that bitch and her equally bitchy cousin, but why didn't you send Sebastian after them?

Lincoln: Sending Sebastian to torture them? You realize if they make one wrong move, it'll end in a bloodbath, Selene.

Nico: He's right, plus, after everything with his Dark Side, just making him mad is more than enough to cause a fucking bloodbath.

Me: So, sending someone else is a better option.

Sebastian Mendez: You got me on that one, if any of them made me mad just once, I would cause a bloodbath once again.

Qin: And that of course led to some of our old friends being afraid of you, and when you gave into your Dark Side and the madness that you had building up inside you and when you almost tried to kill us, that was the last straw.

Elly Chromington: And many of us also cursed you out and many of us said you're even worse than Frieza, the bastard who destroyed the pride of the entire Saiyan Race by turning them to evil and then ultimately destroyed them and Planet Vegeta.

We gasped.

Nico: Yeah, that didn't end well, and needless to say, he fucking lost it big time, and we got brutally hurt by him, but just as he was about to kill us, Alicia, Mindy, and Connor charged in and kicked his ass hard, and they told him if they ever saw him again, they'd have him strung up and his blood and guts spilled all over the place, and that caused him to let out a demonic inhuman roar and he fled.

Luna: That's just way brutal, dude, and honestly, with what he did in the past by pissing off our bro's Guardian Angels, our friends from Acme Acres, and the Z-Fighters, it's no surprise that his Dark Side made him incredibly insidious, cruel, bloodthirsty, scary, and excessively sadistic.

We got a shower afterwards, and then, Lincoln, Simulator Vanessa Sims, Sharon (Street Fighter EX), Nanase, Universe 666 A.K.I., Asuka (Street Fighter), Aburi the Magician, and the rest of his harem and kids are heading to Dolphin Shoals.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Vanessa Sims, Sharon (Street Fighter EX), Nanase, Universe 666 A.K.I., Asuka (Street Fighter), Aburi the Magician, and the rest of his harem and kids are dressed in swim shorts and two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Vanessa Sims, Sharon (Street Fighter EX), Nanase, Universe 666 A.K.I., Asuka (Street Fighter), and Aburi the Magician all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Aburi the Magician: Wow, so this is Dolphin Shoals, it sure is beautiful.

Lincoln: It sure is, Aburi the Magician, and it's perfect for our first date. Shall we?

Lincoln, Simulator Vanessa Sims, Sharon (Street Fighter EX), Nanase, Universe 666 A.K.I., Asuka (Street Fighter), Aburi the Magician, and the rest of his harem and kids dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Simulator Vanessa Sims, Sharon (Street Fighter EX), Nanase, Universe 666 A.K.I., Asuka (Street Fighter), Aburi the Magician, and the rest of his harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and his kids cheered.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Vanessa Sims, Sharon (Street Fighter EX), Nanase, Universe 666 A.K.I., Asuka (Street Fighter), Aburi the Magician, and the rest of his harem and they hugged the girls in their abnormally massive and powerful muscular arms and Simulator Vanessa Sims, Sharon (Street Fighter EX), Nanase, Universe 666 A.K.I., Asuka (Street Fighter), Aburi the Magician, and the rest of his harem placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Simulator Vanessa Sims, Sharon (Street Fighter EX), Nanase, Universe 666 A.K.I., Asuka (Street Fighter), and Aburi the Magician as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Dolphin Shoals, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Vanessa Sims, Sharon (Street Fighter EX), Nanase, Universe 666 A.K.I., Asuka (Street Fighter), and Aburi the Magician with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: And now, Simulator Vanessa Sims, Sharon (Street Fighter EX), Nanase, Universe 666 A.K.I., Asuka (Street Fighter), and Aburi the Magician are in your harem, Linky.

Simulator Vanessa Sims, Sharon (Street Fighter EX), Nanase, Universe 666 A.K.I., Asuka (Street Fighter), and Aburi the Magician showed the marks Lincoln made on the right sides of their necks.

Luna: Oh man, now Simulator Vanessa Sims, Sharon (Street Fighter EX), Nanase, Universe 666 A.K.I., Asuka (Street Fighter), and Aburi the Magician are part of your harem.

Nicole: And he already marked his harem long ago during their lovemaking fest a few months ago.

Jenna: And Flip had some nerve trying to kill them, that mutant is

just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Vanessa Sims, Sharon (Street Fighter EX), Nanase, Universe 666 A.K.I., Asuka (Street Fighter), and Aburi the Magician, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta

appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing

900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: I know that today's the anniversary of the battle with Team Dark Phoenix Storm and we don't have any missions today, but I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and

our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Jyggalag, Daedric Prince of Law and Order and he's come to kill us. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone none of us are ever going to like: the figure we saw is none other than Jyggalag, Daedric Prince of Law and Order, and he's come to kill us.

We gasped.

Nicole: Oh man, Jyggalag, Daedric Prince of Law and Order?! Of all the Daedric Princes, Malacath, Jyggalag, Daedric Prince of Law and Order, is literally a control freak!

Caitlin Mackenzie: Let me and Lincoln face him, there's no way we're letting that control freak get away with his life.

Lincoln: That's right, he deserves to pay for everything he's done.

Nico: You got that right. Alright, gang, let's go, we may not have any missions today, but we still got to deal with Jyggalag.

Lincoln: That's right, we're not letting him get away with this.

Caitlin Mackenzie: What you've done can never be forgiven, Jyggalag. I'll make sure that you never harm another innocent soul ever again!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to the park so Lincoln and Caitlin Mackenzie can destroy Jyggalag, Daedric Prince of Law and Order.

We arrived at the park to deal with our target: Jyggalag, Daedric Prince of Law and Order.

Nico: We're here, now where is that control freak, Jyggalag?

Lincoln: He's here alright, I sense him.

?: All of you shall be sacrificed to achieve perfect order!

Lincoln formed a massive indestructible diamond barrier with absorption energy surrounding the barrier that protected all of us from a massive blast of light that came from nowhere and hit the barrier, but it stood strong and absorbed the light blast.

Lincoln: (Catches the scent) There's no mistaking the smell of blood from anywhere, come out from the shadows, Jyggalag, Daedric Prince of Law and Order, or we will force you out.

A massive figure emerged from the darkness, and it was none other than Jyggalag, Daedric Prince of Law and Order.

Mara: Jyggalag, Daedric Prince of Law and Order, I should've known you'd be the next to show up here.

Caitlin Mackenzie: And there's no way we're letting you run free any longer, you control freak!

Suddenly, Caitlin Mackenzie's blue eyes turned neon blue and she was surrounded by a rainbow energy aura with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Dopants, phoenixes, and angels, she unholstered her massive golden greatsword from her back, and as she approached Jyggalag, she left rainbow energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Dopants, phoenixes, and angels with every step.

Caitlin Mackenzie: You really make me sick to my stomach, you control freak, your desires for perfect order has led to unimaginable chaos to the other planes, and for that, I will make you pay for all of your crimes with your own blood!

Suddenly, Caitlin Mackenzie was surrounded by a massive vortex of rainbow energy with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions surrounding the vortex, there are phoenixes, angels, and all of the Dopants flying around the vortex, and in the vortex is a white phoenix with red eyes glaring at Jyggalag: the red eyes of eternal death.

Me: WHOA!

Nico: Oh man!

Lincoln: Yep, and now, the wrath of The Embodiment of all The Dopants and the Heavens is about to be unleashed on Jyggalag.

Then, as the vortex faded, Caitlin Mackenzie emerged, but she was changed forever and the wrath of all The Dopants and the Heavens is about to be unleashed!

Caitlin Mackenzie grew from 7'0" to 8'0" in height, she has large gold metal bracers on her biceps and thighs, and she now has twelve large multi-colored orbs orbiting around her legs, she has the body of a goddess, she has rainbow highlights in the bangs of her long red hair and red hairband and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon blue eyes and a Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Dopants, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has the symbol of The Living Connector emblazoned on her forehead and and Third Eye with green iris, she has on phoenix earrings with blue gems for eyes and holding the Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, and Eternity Kanjis in its talons, she also has an angel with blue gems for eyes and holding the Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, and Eternity Kanjis in her hands for the second pendant on the bottom of her blue woodpecker-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with rainbow crystal links from her merged Crystal Necklace of the Buddha and rainbow gems embedded on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. We were amazed by Caitlin Mackenzie's Super Angel-All Dopants Embodiment-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Jyggalag saw it, he fell into a rage and ran at her to kill her, but Caitlin Mackenzie fired a massive barrage of rainbow energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Dopants, phoenixes, and angels which hits Jyggalag and he was sent flying into a tree, he got back up, but he was already pissed off.

Selene Arcangela: Oh man, Caitlin Mackenzie's transformed, now Jyggalag is really going to get torn to shreds!

Lincoln: You said it, now The Daedric Prince of Order's going to regret crossing her.

Caitlin Mackenzie: (Divine Echoing Godly Voice of The Elemental Heaven Divine Dopants Embodiment Elemental Force Phoenix God Angel and Divine Cosmic Eternal Elemental Heaven Divine Dopants Embodiment Elemental Force Phoenix God Angel Love) You got that right, now let's tear him apart.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as the sword pendants on his large white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing, and he joined Caitlin Mackenzie.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue,

Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've got some nerve coming here to try and kill innocent people to bring "perfect order", Jyggalag, and for that, you're going to be torn apart for this!

Caitlin Mackenzie and Lincoln went after Jyggalag, and they fired extremely powerful blasts of rainbow energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Jyggalag, and they exploded with incredible power as they hit him.

Then, Lincoln and Caitlin Mackenzie attacked him with energy slashes from their massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Caitlin Mackenzie also did the same by firing rainbow energy slashes from her massive greatsword, and he and Caitlin Mackenzie attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and this was enough to drive Jyggalag mad with rage.

Jyggalag: YOU! YOU! (ANIMALISTIC ROAR)

Jyggalag went after Lincoln and Caitlin Mackenzie in a fit of rage, but Lincoln and Caitlin Mackenzie fired rainbow energy blasts at Jyggalag and they summoned mythological animals to attack Jyggalag and he was really scarred by their furious attack.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Jyggalag's chest, and then, Lincoln began absorbing Jyggalag into his body as he and all of us assimilated all of his divine powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Jyggalag except for his armor, and he banished Jyggalag to The Black Gates. We cheered wildly for what Caitlin Mackenzie and Lincoln did as they holstered their massive greatswords on their backs and powered down and Caitlin Mackenzie's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long red wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large multi-colored orbs orbiting around her legs, and massive rainbow angel wings are permanent.

Caitlin Mackenzie: Your days of establishing "perfect order" end here and now. Thanks for helping me destroy Jyggalag for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Caitlin.

Suddenly, Caitlin Mackenzie wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Caitlin Mackenzie's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and all the Dopants flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Caitlin Mackenzie sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Me: That was one awesome battle, you guys, and Caitlin, you really did awesome!

Nico: No fooling, you and Lincoln smashed him really hard into the ground, and you really are just like Woody, and you and Lincoln defeated him, and Lincoln ended it by absorbing him.

Lincoln: Yep, but The Daedric Princes aren't giving up that easily. In fact.

Lincoln chanted an incantation and fired red absorption energy blasts that hit Boethiah, Clavicus Vile, Hermaeus Mora, Mehrunes Dagon, Namira, Sanguine, and Vaermina and he and all of us sucked out assimilated all of their divine powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger. Then, after Boethiah, Clavicus Vile, Hermaeus Mora, Mehrunes Dagon, Namira, Sanguine, and Vaermina were completely drained, they were banished to The Black Gates forever.

Suddenly, the rainbow gem of Lincoln's silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenix, thunderbird, buffalo, angel, vampire, and werewolf surrounding it on his back started glowing

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

Me: Uh oh! INCOMING!

Then, we saw who it was causing trouble: it was clones of Kingdark, G.O.D. General Commander, Dr. Noroi, Apollogeist, Neptune, Pannic, Hercules, Medusa, Cyclops, Bull Man Minotaur, Birdman Icarus, Mighty Atlas, Mach Achilles, Flaming Prometheus, Hydra, Chimera, Ulysses, Reaper Chronos, Cerberus, Alseides, Cateus, Occultos, Salamander-Gong, Ghengis Khan-Condor, Toad-Goemon, Sasori Geronimo, Horned Beetle, Lupin, Franken Bat, Starfish-Hitler, Spider-Napoleon, Chameleon-Phantom, Leech Dracula, Lizard-Viking, Ant Capone, Centipede Youkihi, Tiger Nero, and Sasori Geronimo Jr.

Takeshi: What the? Clones of Kingdark and his minions?!

Lincoln: Whoa!

Our jaws dropped to the floor!

CLANG!

Eli shut our mouths.

Nico: WHOA! This is really quite an army!

Lincoln: You said a mouthful, and I'm gonna enjoy absorbing all of them!

Lincoln fired powerful rainbow energy blasts at the clones of Kingdark, G.O.D. General Commander, Dr. Noroi, Apollogeist, Neptune, Pannic, Hercules, Medusa, Cyclops, Bull Man Minotaur, Birdman Icarus, Mighty Atlas, Mach Achilles, Flaming Prometheus, Hydra, Chimera, Ulysses, Reaper Chronos, Cerberus, Alseides, Cateus, Occultos, Salamander-Gong, Ghengis Khan-Condor, Toad-Goemon, Sasori Geronimo, Horned Beetle, Lupin, Franken Bat, Starfish-Hitler, Spider-Napoleon, Chameleon-Phantom, Leech Dracula, Lizard-Viking, Ant Capone, Centipede Youkihi, Tiger Nero, and Sasori Geronimo Jr. and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of clones of Kingdark, G.O.D. General Commander, Dr. Noroi, Apollogeist, Neptune, Pannic, Hercules, Medusa, Cyclops, Bull Man Minotaur, Birdman Icarus, Mighty Atlas, Mach Achilles, Flaming Prometheus, Hydra, Chimera, Ulysses, Reaper Chronos, Cerberus, Alseides, Cateus, Occultos, Salamander-Gong, Ghengis Khan-Condor, Toad-Goemon, Sasori Geronimo, Horned Beetle, Lupin, Franken Bat, Starfish-Hitler, Spider-Napoleon, Chameleon-Phantom, Leech Dracula, Lizard-Viking, Ant Capone, Centipede Youkihi, Tiger Nero, and Sasori Geronimo Jr., and then, Lincoln began absorbing them all into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates.

Me: Whoa, now that was intense, but now, we also have the powers, strength, and abilities of Kingdark and his minions. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: I've got just the person: Havnis Harper, Gene-Slammer of Tearlaments Havnis.

Shaylen Harper: (GASPS) One of my sisters, that's awesome, and you guys will love meeting her, Havnis Harper is Lincoln's Guardian Angel from Michigan and the sixth of eight sisters, she has powerful mastery of darkness and water and she is known for her amazing swordsmanship skills, and like Shaylen Harper, she has a magic sword that was made by Tearlaments Havnis that can cut through even the strongest of metals and her sword also has the power to make them go insane! She also took on all of the meanest bullies in the city after that were after Lincoln and she slashed them all over and filled up a maximum security insane asylum in one day. She even took down Lynn at the worst of her fury and rage, and one slash from her sword made her worst fears come true: she was disowned by her family and her dreams of being a sports star were history as her brutish nature got her blacklisted.

We gasped.

Nico: Whoa.

Lincoln: Yeah, it may have made Lynn's worst fears come true, but thankfully, it didn't drive her mad like those hit by Shaylen's sword.

Me: Still, that's really powerful.

Shaylen Harper: That's right.

---

Later we were in Ponyville for the annual Running of the Leaves.

Nico: Remind me what we're doing again.

Me: It's the annual Running of the Leaves and we are gonna race with everyone and everypony to help the leaves fall.

Nico: Cool!

Rainbow Dash: That's cool!

[trumpets]

(KENTUCKY DERBY CALL TO POST PLAYS)

Pinkie Pie: Racers! Please take your positions!

Me: Here we go!

Nico: This will be fun!

Spike: Um… Pinkie Pie?

Pinkie Pie: Hey, Spike! What's up? Oh wait, it's me! I'm up! [laughs]

Spike: Uh, yeah. I know you're doing the announcing today and stuff and… I'm sure you're gonna do a great job and all, but… I was just wondering…

Pinkie Pie: What?

Spike: Aw… forget it.

Pinkie Pie: Spike, would you like to be my co-reporter? We could comment on the action together.

Spike: We could?

She lowered a rope.

Pinkie Pie: Climb on up!

We saw Twilight Sparkle in the race too.

Applejack: Twilight? What in tarnation are you doin' up here?

Twilight Sparkle: I'm racing.

Me: Cool!

Lara Laramie: I hope you win Twilight.

Twilight Sparkle: Thank you Lara.

Rainbow Dash: [laughs] Good one, Twilight.

Twilight Sparkle: I'm not joking.

Rainbow Dash: What? You're not an athlete, you're a… well… you're an egghead.

Me: Rainbow!

Twilight Sparkle: I am not an egghead, I am well-read.

Rainbow Dash: [softly] Egghead.

Applejack: [snickers] But have you ever run a race?

Twilight Sparkle: Well, no, but I do know a lot about running.

Rainbow Dash: And you know this from…

Twilight Sparkle: Books. I've read several on the subject.

Rainbow Dash: (Laughs) What'd you read, "The Egghead's Guide to

Running"? Did you stretch out your eye muscles to warm up? [laugh] Get it? Eye muscles.

Me: That's enough you two.

Twilight Sparkle: Scoff if you must, Rainbow. But the Running of the Leaves is a Ponyville tradition, and since I'm here to learn, I've decided I should experience it myself.

Me: You'll have fun Twilight.

Lara Laramie: You sure will.

Applejack: Well, I think that's just dandy, Twilight. Good luck. [snickers]

Rainbow Dash: Yeah. See you at the finish line… tomorrow.

Pinkie Pie: All right, ponies, are you ready?

Me: READY!

Nico: Lets get it on!

Spike: Get set. [bell rings]

Me: HYAH!

We all ran fast!

Pinkie Pie: And they're off!

Nico: GO J.D.!

Pinkie Pie: Welcome to the official coverage of the Running of the Leaves! You know, Spike, despite its name, the leaves don't do any of the actual running. No, that's left to my little ponies.

Spike: Why, yes, Pinkie, it's the running of the ponies that causes the leaves to fall.

We were running and riding fast and leaves were falling off the trees all over.

Pinkie Pie: Ugh. Those lazy, lazy leaves.

We were really kicking up dust and causing leaves to fall.

Pinkie Pie: But this year, the run is about more than the weather. It's about the race to the finish and the three runners who want to win it: J.D. Knudson, Applejack and Rainbow Dash.

Spike: You know, Pinkie, these 2 ponies have a bit of a grudge match they're trying to settle. Trying to prove who's the most athletic. But J.D. loves having fun.

Pinkie Pie: J.D. is the greatest but yes, and "grudge" rhymes with "fudge".

Spike: Yes, it… does. What?

Pinkie Pie: And I like fudge. But if I eat too much fudge I get a pudge and then I can't budge.

Spike: So… no fudge?

Pinkie Pie: Oh, no thanks. I had a big breakfast. Let's check in with our two competitive ponies, Applejack and Rainbow Dash and J.D..

We were running fast and we were neck and neck.

Pinkie Pie: Having come fast out of the gate, Applejack and Rainbow Dash are evenly matched running neck and neck.

I rode fast with my Rapidash enveloped in an aura of fire.

Pinkie Pie: But what's this? Applejack is making a move, she's now ahead by a nose. But Rainbow Dash won't let Applejack have it and takes the lead. She's ahead by half a nose. Or maybe three quarters of a nose. No, about sixty-three point seven percent of a nose… roughly speaking. Applejack sees this move and pushes forth with her strong workhorse legs slinking ahead by three hundred and fifty noses!

Nico: GO J.D. GO!

Me: YEAH!

Applejack: Not so easy without wings, is it?

Rainbow Dash: Come on, Rainbow. Show 'em a little dash.

Rainbow Dash caught up.

Spike: Ho-hold your horses, Pinkie! Rainbow Dash is catching up the front-runner Applejack!

Pinkie Pie: What an upset. I thought Applejack had this in the bag.

Rainbow Dash: You didn't think I was gonna let you off that easily, did you?

Nico: Oh it's on! (Uses Reverse Flash and Speed Demon's powers!)

Applejack Tripped on a rock.

Applejack: Whoa! (Everyone ran passed her) I don't believe it.

Twilight Sparkle: I know, it's beautiful, isn't it?

Applejack: Not the scenery, Twilight. Rainbow Dash just tripped me.

Twilight Sparkle: She did not.

Applejack: She did too!

Twilight Sparkle: She did not, and if you slowed down and looked where you're going, like me, you'd see that you tripped over a rock.

Applejack: What? Oh, hayseed! Now I got a lot of ground to make up to catch Rainbow and J.D.

Twilight Sparkle: Just be careful!

Twilight was enjoying herself.

Rainbow was ahead and slowed down. But then Applejack caught up to her.

Applejack: See you at the finish line!

Spike: I don't believe it. After a huge setback, Applejack is back at the front of the pack.

Pinkie Pie: She's the head of the pack, all right. The pick of the litter! The cat's pajamas! Oh wait, why would Applejack take some poor kitty's PJs? That's not very sporting of her.

Spike: Oookay… let's get back to the race.

Me: You okay there Applejack?

Applejack: Yeah just tripped on a rock.

Me: No damage?

Applejack: Nope.

Me: Good.

Rainbow Dash caught up.

Rainbow Dash: Not so fast, Applejack! This race isn't over yet!

Applejack: It is for you. Heh.

Rainbow Dash tripped and the other ponies ran passed her too and lots of leaves fell down and buried her in a pile of leaves.

Rainbow Dash: Whoa! Guh, I don't believe it, Applejack tripped me.

Twilight Sparkle: Don't you ponies ever look where you're going? You tripped on a stump. See?

Rainbow Dash: Oh, I see. A big cheater is what I see.

Twilight Sparkle: Rainbow, Applejack would never cheat. It was just an accident.

Rainbow Dash: Sure it was. (Twilight glared at her) I mean, yeah, I'm sure it was.

Twilight Sparkle: Remember, Rainbow, this is just a game.

Rainbow Dash: Yes, but the rules have changed, and two can play at that game.

The race was really heating up.

Pinkie Pie: Welcome back, Ponyvillians, it's me, Pinkie Pie.

Spike: And Spike. Looks like Rainbow is doing her best to catch up. And J.D. and Applejack are neck and neck.

Pinkie Pie: I'm not sure how ketchup is going to help her in this contest. Now, in a hot dog eating contest it can make them doggies nice and slippery, but personally, I prefer mustard. How about you, Spike?

Spike: Uh… I… like… pickles?

Pinkie Pie: Aaand it looks like Applejack has found herself in quite a pickle as Rainbow overtakes her.

Me: You all right there Rainbow?

Rainbow Dash: Yeah just tripped back there.

Me: Ouch.

Rainbow Dash: Look, ma, no wings.

Spike: As the racers enter Equestria's Whitetail Wood, Rainbow Dash is back in the lead.

Rainbow Dash: [chuckles]

Me: Uh oh.

Rainbow Dash grabbed a branch and sent it flying at us and I ducked but the branch hit Applejack.

Applejack: Ugh. (Spits out leaves) Hey, Rainbow!

Rainbow Dash: [blows raspberry]

Me: That was a close one.

Applejack: [gasp] Why, that little cheater did that on purpose. It's on.

Applejack used a branch like a catapult and flung herself into the lead.

Rainbow Dash: Nice one, Rainbow.

Applejack: Later!

ZOOOM!

She flew by us.

Me: WHOA! Time to kick it into high gear! HYAH!

I zoomed fast! WITH NICO BY ME!

Rainbow Dash: Grr!

Rainbow Dash ran fast and Applejack saw a beehive and she bucked the tree and a beehive fell down.

Rainbow Dash: [gasp] (Bees chase after her) Aaa! (Hides in a bush and the bees fly off) (Turns the sign the other way and Applejack went up the mountain) [laughs]

Me: Man that gag is old! Nice try though!

We went passed Rainbow.

Twilight Sparkle: Oh my, Whitetail Wood is just lovely. Hey, Rainbow, shouldn't you be up ahead?

Rainbow Dash: [chuckling] I'm sure I'll win now.

Twilight Sparkle: Except that J.D. & Nico and all the other racers just passed you.

Rainbow Dash: Oh horse apples… see ya!

Applejack was on a mountain at a dead end.

Pinkie Pie: Applejack, what are you doing up here?

Spike: There aren't even any trees.

Applejack: Er, no, but the sign's pointed this way… [whinnies] Rainbow. Mind giving me a lift?

She got a lift down and into the lead.

Rainbow Dash: What the hay?! You said no flying!

Applejack: No, I said no wings.

Me: Nice save Pinkie!

Pinkie Pie: Thanks J.D.!

Me: This is so much fun!

Pinkie Pie: I must say, Spike, that this has been the most interesting Running of the Leaves in Equestria history!

Spike: With the most interesting announcing…

We were running passed a bunch of maple trees with sap buckets getting sap for homemade maple syrup. Applejack kicked a bucket and dumped a bunch of sap down.

Me: Uh oh!

I jumped over the sap.

Pinkie Pie: But it isn't the running that's been fascinating. It's the lack of running!

Rainbow Dash got stuck in the sap.

Rainbow Dash: [grunt] Aaa!

She tried to get out but it was as strong as glue and she was pulled back hard and she was flung fast like a catapult and she flew passed Applejack and spun her like a tornado.

Applejack: Whoa!

Rainbow Dash: Whoa!

Nico: WHOA! I'm getting dizzy!

Applejack caught Rainbow Dash into the tornado and they went up the hill as we continued. They were on a cliff ledge and it broke off and slid down a hill and they were behind.

Twilight Sparkle: Forgive me, girls. I know I'm not an athlete, but shouldn't the Running of the Leaves actually involve running?

Rainbow Dash: You know, I think Twilight's right.

Applejack: You do?

Rainbow Dash: Yeah! If you wanna beat me, you better… RUUUN!

They ran fast.

Pinkie Pie: Once again, Rainbow Dash and Applejack are neck and neck, jockeying for position. Applejack inches ahead, now it's Rainbow, it's Applejack, it's Rainbow Dash, it's Applejack…

They saw the finish line.

Nico: Oh man! It's gonna be close!

Me: Yeah!

Varie: YEAH!

Scootaloo: Come on Rainbow Dash!

Apple Bloom: Come on sis!

[horn blaring, crowd cheering]

Rainbow Dash pushed Applejack.

Applejack: [grunt]

Spike: Oh no, she di'int!

Applejack pushed Rainbow Dash.

Pinkie Pie: Oh yes, she di'id!

Rainbow Dash pushed her again.

Applejack: Cut it out!

Rainbow Dash: No, you cut it out!

Applejack: You started it.

Rainbow Dash: And now I'm gonna finish it.

Applejack: Oh no, you won't. (Grabs Rainbow's tail and threw her back)

Rainbow Dash: Oh yes, I will. (Grabs Applejack's tail) [grunt] (Applejack bites Rainbow Dash's Rope off and frees her wings) That's it! All bets are off!

She flies into the air.

Applejack: Oh no, you don't.

Applejack pounced onto Rainbow Dash and they wrestled and fought all over the place as they headed to the finish line.

Pinkie Pie: It's Applejack, it's Rainbow Dash, it's Applejack, it's Rainbow Dash-

Rainbow Dash: I won!

Applejack: No, I won!

Rainbow Dash: I won!

Spike: You tied!

Applejack and Rainbow Dash: Tied?!

Applejack: For first?

Pinkie Pie: For last!

Applejack: Last?!

Rainbow Dash: Then who won?

Twilight Came and she had a medal around her neck.

Applejack and Rainbow Dash: You?!

Twilight Sparkle: Oh no, but I did get fifth place, which is rather good considering I've never run a race before.

Applejack: What? How's that even possible?

Rainbow Dash: You ran so slow, and looked at the scenery.

Twilight Sparkle: Exactly. I paced myself, just like my book said. Then at the end, when all the other ponies were worn out, I sprinted to the finish.

The other ponies were exhausted.

Rainbow Dash: But who got first place?

Me and Nico came out and we both had gold sun medals with leaves around our necks.

Applejack and Rainbow Dash gasped!

Me: Didn't expect me and Nico to win did ya?

Nico: I can't believe I tied with you!

Reverse Flash: Even after using me and Speed Demon's powers!

Me: I know! That was a good try though!

Nico: It sure was. You did great!

Me: Applejack and Rainbow Dash did good too.

Qin: They sure did.

Twilight Sparkle: It was fun though.

Me: Boy you did great too Twilight.

Lincoln: You all did.

Twilight Sparkle: Thanks.

?: I thought you guys did great too.

2 figures came and 1 was a girl with purple hair and she had purple eyes and had a purple dress with the constellations on it and she had purple star wings and she had a tiara with the symbol of the Kyurangers on it and she had a star sword.

The second was a girl with blond hair and blue eyes and she had yellow clothes and she had yellow angel wings and had a tiara with the symbol of Star Man on it.

Lucy Kyurangers: Lucy Kyurangers, Embodiment of the Kyurangers

Stella Star: Stella Star, Embodiment of Star Man.

Lucy Heartfilia: Stella! Wow!

Sakura Avalon: Its been a while.

Stella Star: Boy it has been a while Lucy and Sakura.

Nico: How did you meet Sakura and Lucy?

Stella Star: I met Sakura when was fighting the Fight Card. I gave Meilin a piece of my mind.

Nico: Why?

Stella Star: She threatened to bash Sakura's brains out if she got all of the Clow Cards before Li did.

Me: Meilin was a real competition crazed girl back then.

Stella Star: Yeah no kidding. Also I helped Sakura with the Flower Card. The Flower Card is REALLY an amazing dancer.

Nico: So we have seen.

Stella Star: Yep and I met Lucy when she was battling Angel one time. Helped her get stronger and she also taught me many magic powers.

Nico: That is cool!

Lola: Yeah.

Lucy Kyurangers: Wow! That is awesome!

Nico: Yep.

Qin: Yeah it is.

Nico: Lucy can you tell us about yourself?

Lucy Kyurangers: Sure. I am an astronomer from the universe of the Kyurangers and I was getting ready to help them destroy Don Armage. My planet was destroyed by Don Armage and I vowed to make sure he paid for his crimes.

Nico: Well we already beat you to the punch on that one. He is dead.

Me: And banished to the Black Gates courtesy of us.

Lucy Kyurangers: Good riddance.

Me: Would you and Stella like to join us?

Lucy Kyurangers: We would be honored.

Me: Awesome!

Nico: we're taking a break from missions today.

Me: The reason is because it's the Anniversary of a massive event that happened.

Nico: Lets head to Scotland for it.

We were off.

We arrived at the castle of Loch Loud and everything was all set up for our huge party.

Nico: Here we are in Scotland.

Sakura Knudson: How come?

Me: Today marks the 2nd Anniversary of the battle we had with Team Dark Phoenix Storm. That was the biggest major battle we had.

Nico: Yep. And that battle had a bunch of battles leading up to it. Starting with the battle with the LupinRangers.

Me: The members of Team Dark Phoenix Storm were being recruited by Shazam's enemy Mr. Mind.

Sakura Knudson: WHOA! I remember seeing that all over the news! That was massive! I heard Mr. Mind was going to destroy the entire planet with ultra powerful nuclear missiles aimed here.

Nico: Yep. From 24 parts of the world with one nuke each converging onto this area.

Me: Yep.

Liepard: Tell me more!

Kairi Yano: (chuckles) Ok. Well, it all started during the big mission invovling me, my team, and the Patrangers.

Keiichiro: Goche grew Wilson and Herlock giant and was aboutto fight us when the ToQgers appeared to send her packing. Little did we know that Mr. Mind was there waiting for the right moment…

Nico: I swiped Goche's treasure and it was fun.

Me: That was awesome. Before that we met the LupinRangers and

PatRangers during the battle with one of Shobu's enemies.

Shobu: I remember that.

Me: Yep. And there we found out that Dark Spicer and Maxxor's catchphrases were based from the LupinRangers and PatRangers.

Dark Spicer: It's true and that was cool.

Maxxor: It sure was.

Kairi Yano: That is awesome too. And coincidentally some of our adventures were lived from the team.

Me: Yep. It was awesome.

Sakura Knudson: How so?

Me: We had these bracelets that were linked to a nuclear bomb that would make the bomb stronger every time we got mad.

Nico: Yep.

Lola: That was awesome.

Me: Dark Orb contamination made that crazy.

Right: Next, they met me and my team full time during Nico's birthday. It was there that Kameo fought Baron Nero and sent him packing. But he was also recruited by Mr. Mind.

Nico: That was fun and it was really awesome using our trains for that one.

Carter: It sure was and we used the Supertrain Megazord Trains too.

Lola: Yep.

Me: And I got to test out my power against Emperor Z.

Supernova Zap: It sure was awesome to see.

May: And I got to do a Cowboy Outlaw stunt against the Six Gum Gang the first time.

Nico: That was awesome and May had a great Blue Flame Rapidash too.

May: Yep. That was fun.

Kameo: Too bad Mr. Mind didn't recruit one of my enemies.

Me: That sucked. but it was still fun.

Nicole: That was because there we not very many of Kameo's enemies to recruit.

Kameo: But thanks to them, I got my lost Elemental Warriors. Plus more.

Nicole: You sure did.

Luna Loud: And during those missions we discovered that our powers were acting weird dudes.

Me: Yep it sure was crazy.

Qin: It's true.

Nicole: That was cool though that we were going to transform too.

Nico: Yep.

Marcus Damon: Next was when you guys helped my team kill Kurata. Too bad we missed SaberLeomon. But the Animated Autobots handled him.

Animated Optimus: That was fun.

Nico: Yep.

Sakura Knudson: Wait that was you guys that killed Kurata! Aw man. I was sent to kill Kurata before you guys.

Me: You were sent by Swartz to kill Kurata?

Sakura Knudson: Yeah he never liked that guy. So he put a huge contract kill out on him and sent me to collect it.

She pulled out a wanted poster on him. It had a contract of ¥74,955,750,000,000,008,192.00 put out on him.

Me: WHOA! 74 Septillion Yen on him? That's the equivalent of $500,000,000,000,000,000.00. That's an impressive bounty.

Sakura Knudson: Yep. It sure was.

Animated Optimus: Next was when we put an end to Sentinel's tyranny. Meltdown tried to stop us, still sore from his earlier defeat. But Axel and his team kept him busy.

Axel Manning: That's right and that was fun.

Me: But that big-chinned buttface REALLY Crossed the line when he killed the Animated version of Shockwave.

Nico: Yeah was a REALLY arrogant freak!

Lola: No kidding!

Sakura Knudson: Boy that guy must've really pissed you off!

Nico: That is a total understatement Sakura.

Axel Manning: Next was when you guys helped us fight Quan. Spydah tried to stop us but Kai and his team fought him.

Nico: That was awesome!

Kai: It sure was.

Me: And I told all of you guys that I helped Axel and his team years ago and helped him kill Payne the first time.

Nico: That's right! I remember you guys did that! That was before the team was made which was really cool!

Laney: It sure was and we saw Payne when we were attacking Opaline in her castle!

Axel Manning: That's right! And that was back before the War with Grandfather.

Lola: Yeah.

Lynn: And I can't believe I was wearing the Mask of the Beast back then.

Sakura Knudson: Yeah and wait you mean Quan of Serpant's Tail!? I've heard about them. And me and Swartz killed many of their members!

Nico: WHOA! You saved us a lot of trouble back then.

Universe 666 Swartz: That is really amazing that my prime universe counterpart did that.

Blossom Z: Before we go on, did Mister Mind do preparing of his own before he fought you guys?

Nico: Well, while we were on a series of adventures leading up to fighting Xehanort in the Keyblade Graveyard, Mr. Mind managed to recruit Ocean Master, Deadshot, Scarecrow, TTG Slade, Metallo, Reverse Flash, Two Face, and Man Bat.

Ash: He also managed to steal Zero's IronWarhawk Armor and make it his own.

Maria: And he sent Aunt Spiker and Aunt Sponge after us. But he shut down their minds before they could rat him out.

Me: It's true. And Maria adopted James as her brother which was awesome.

Blossom Z: Wow! That is amazing!

Nico: That was fun though.

Kai: Next was when you guys helped us fight Captain Soto and his pirates while Mr. Mind recruited Eyezor.

Nico: That was awesome meeting them and it was fun learning all about Spinjitsu.

Lily: It sure was.

Qin: Yep.

Kai: You guys had fun on that one.

Ang: Next, you guys helped me and my team fight the Emperor of the Darkest Yin while Tommy was recruited by Mr. Mind.

Lily: That was crazy but it was awesome training under Ang and friends.

Sakura Knudson: I've heard legends about the Emperor of The Darkest Yin. But it was awesome you guys killed that one.

Nico: Yep.

Dino Tyranno: Mr. Mind didn't recruit any of our enemies. But you guys still helped us fight Gigano Dragon.

Me: That was awesome.

Lola: It sure was!

Poromon: And the Dino Knights helped us hold down the fort against the Harvester Aliens while you guys destroyed their home planet.

Xenia: That was epic!

Me: It sure was.

Turbo: Mr. Mind didn't recruit anyone from my world. But you guys still helped me take Guy Gagne down

Nico: That was an adrenaline rush!

Qin: It was awesome using our cars for that one.

Me: It was awesome.

Turbo: And you guys really know how to drive awesome cars.

Me: We sure do.

Mal: Next was when you guys helped us stop Dark Audrey. The reason why Mr. Mind didn't recruit anyone we knew is because we helped everyone, villain and hero alike, make peace with each other.

Me: That is a good reason.

Qin: And it was awesome seeing Mal's home.

Lola: It sure was.

Me: And Mal and friends helped us big time during the battle with Frollo in the world of The Hunchback of Notre Dame.

Sakura Knudson: Wow! That was awesome! I ALWAYS HATED Frollo. He was the ultimate Blasphemous Heretic! He took God's Laws in his own hands and tore so many people's lives apart.

Eli: It was horrible he did all that! What a monster!

Camie: Yeah Frollo was the ultimate monster of sin.

Nico: Yep.

Aligned Bumblebee: Next was the mission with us.

Aligned Sideswipe: To make a long story short, our Starscream and Megatronus Prime went bye bye.

Aligned Arcee: (clenches her servo) But while Cliffjumper's death was avenged, Airachnid, Tailgate's murederer, was recruited by Mr. Mind!

Reverse Flash: (laughs) Airachnid really thought I was you, Barry!

Flash: (LAUGHS) Yeah.

Me: But I also HATED The Aligned version of Starscream!

Alexis: Yeah what a jerk! He was a TRULY HEARTLESS monster!

Aligned Megatron: He hated all the Decepticons and wanted to kill me! For My Crimes against him!

Me: And because of Dark Orb Contamination I really got socked in the face because of me treating Nico like dirt.

Miko Nakadai: It was worth it! (to Zocks) But our reprimanding of J.D. wasn't really much compared to your reprimanding of Nico.

Zocks: I know!

Yamato: Next was when you guys helped us against Domidoll.

Misao: While Mr. Mind receruited Bangray into his ranks.

Me: Now that was cool! Bangray is amazing because he can bring memories to life!

Lincoln: It sure was!

Nico: Yeah.

Me: But what Domidoll did was horrible! He brought Sheila's mother back to life!

Sheila: I know! That was awful! But at least I have my mother back.

Eric Loud: Yeah.

Me: Yeah that was fun though.

Yin: Next, you guys helped me and Yang fight Night Master.

Yang: Too bad Eradicus was recruited by Mr. Mind.

TTG Slade: I wasn't expecting him to like polka.

Catharina Cheese: (Swiss Accent) Ja that is amazing. I like Polka Music myself.

Me: It's true. I like Polka music too.

Nico: Yeah.

Laney: And we learned a lot about using Woo Foo too.

Xenia: Yeah.

Katara: That was awesome.

Lucky: Next, you guys helped us kill Don Arkage.

Tsurugi: Unfortunately, Eriedrone was recruited by Mr. Mind

Me: That was awesome and the Kyurangers helped us against Hades.

Lola: That was awesome!

Lucky: Yep.

Lucy Kyurangers: Boy that is cool! I heard from Lucky that they went and helped you guys back then.

Me: That is true. And we were in Universe 19 for that. Which was amazing.

Tony Jones: Next, you guys helped us kill Agram.

Edyn: But Chur was recruited by Mr. Mind

Me: I know. But going to the Moonlands was really awesome. And we learned so much about the place and more.

Nico: Not only that but we got so many awesome friends and Magim there.

Lola: Yeah. And Agram returned during the battle with Opaline.

Xenia: He sure did.

Edyn: That was awesome killing him there.

Astro Boy: Mr. Mind didn't recruit any of my enemies. But you guys still helped me take down the so called President Stone.

Clyde: That's right and also you helped us during the preparations against Xehanort.

Astro Boy: Yep. I think it was during the battle with the King of Toys against Young Xehanort.

Me: I think so.

Otto: Mr. Mind didn't recruit anyone we knew. But you guys still helped us take down Lars.

Stacy Bolton: That was so radical. And you guys also met my friends the first time.

Me: Yep.

Sakura Knudson: Lars?

Stacy Bolton: Twister's older brother who always finds ways to humiliate Otto and friends.

Nico: Yeah he is an unpleasant fella.

Xenia: Yep.

Kermit: Mr. Mind didn't recruit any of my enemies. But you guys still helped with taking down Constantine Frog.

Nico: That was fun.

Starlight Glimmer: And it was awesome meeting the Muppets.

Elsa: They helped stop Larxene during that time in Arendelle.

Nico: Yep.

Me: And we met the Muppets in honor of the great creator of the Muppets, Jim Hansen.

Nico: He will never be forgotten.

Lola: Nope.

Me: But it was absolutely shocking that Constantine Frog looked like a carbon copy of Kermit. The only difference was a mole on his face.

Sakura Knudson: That is confusing. But I've loved the Muppets since I was a little girl. So did Swartz. He loved them too.

Nico: Good times.

Dr. Nick: Fortunately, Mr. Mind didn't recruit any of my enemies. But we were in for a shock about who we faced.

Nicole: Yeah that was shocking. We faced Cybertron Megatron!

Me: I know! That was a scary one!

Qin: Yeah!

Lola: Yeah.

Lori Jimenez: No kidding!

Eli: But what was shocking for me when Dr. Nick and team helped us in the world of The Caribbean was finding out that Davy Jones killed Athena! (GROWLS) I HATE THAT MONSTER!

Qin: No kidding there!

Fluttershy: But the Giant Hummingbird was beautiful and pretty.

Me: Yep and we reunited Yuko with Haruo and team.

Nico: We sure did.

Jason Jenkins: You guys helped me and Kong fight De La Porta next. But Omar was recruited by Mr. Mind.

Jared: That's right and you guys found out that Jason is one of my friends during the adventure in San Fransokyo.

Nico: That's right. That was awesome!

Jared: It sure was.

Me: We were amazed about that too son.

Jared: I know dad.

Vypra: Boy that was awesome.

Lola: Yeah.

Dudley Puppy: Next, you guys helped defeat Snaptrap.

Nico: And we made Chameleon a spy.

Poromon: But me and Poliwag almost went to jail!

Me: Because of Robotic Clones! Which were very amazingly well built.

Kaito: They sure were! Like something Copy World would do.

Nico: Very coincidental. But Chameleon did a great job as our spy.

Misty Brightdawn: Just like how I did as your spy guys.

Sunny Starscout: You were awesome for us Misty.

Chameleon: That was really cool.

Me: What cracked me up though Chameleon was how you act and look like the late Peter Lorre. That makes me laugh.

Chameleon: He was really funny back then huh?

Dudley Puppy: He sure was. And we got to help you guys out in Scala Ad Caelum.

Sakura Knudson: That was cool! A world named after the latin phrase Stairway to Heaven.

Nico: Yep.

Eli Shane: Next, you guys helped us defeat Thaddeus Blakk. But Mr. Mind completed his team by recruiting Maurice.

Nico: That was awesome.

Me: And you should have seen the world Eli Shane was in. It was called the 99 Caverns. We found out that there was a MASSIVE Network of huge underground caves right underneath the Earth's crust that goes all over the planet called the 99 Caverns. We learned all about Slugslinging there.

Nico: Yeah.

Me: And we battled Blakk there. And again during the battle with Opaline. We killed him the first time and then threw him in jail.

Nico: We sure did.

Eli Shane: Yep.

Juni Cortez: Finally, you guys helped me and Carmen defeat Surd.

Carmen Cortez: Because Mr. Mind's team was complete, he didn't need to recruit anyone we knew.

Me: That was cool!

Sakura Knudson: Wait you mean Dr. Jeremiah Surd? I've been after him for years! That was my secret mission to bring down Surd and kill him. But you guys beat me to the punch.

Me: Sorry sis but yeah that is amazing that you were after him.

Sakura Knudson: It sure was. you never asked about it though.

Nico: Touche. Also yeah Carmen and Juni are great spies too. Just like me back in my CIA Days.

Michael: Now, how DID you guys take the battle to Scotland?

Lincoln: It all started when me and my family got an invite there.

Me: We found out that Lincoln and his family have ancestral and bloodties to Scotland because their Ancestors lived here back in 1621 over 402 years ago.

I showed the portrait of the McLouds.

Me: Look here. These are their ancestors back then.

Michael: Wow! The Resemblence of them is completely uncanny!

Sakura Knudson: Wow! They looked just like them back in those days.

Me: Just like today too.

Lucille Loud: (Scottish Accent) Aye it's true. Me and my family were like that back then now.

Lucy Loud: It's really amazing.

Me: We were sad to see the Louds go. But we found out that it was part of a trap to get the Louds there.

Nico: When we found out it was a trap we had to act fast.

Lincoln: Morag threw us into the dungeon and Mr. Mind said that in 2 hours he and the 23 members were going to launch 24 ultra powerful nuclear missiles at this very castle and blow us and the entire planet into oblivion.

Nico: How DID she throw you guys in the dungeon?

Lincoln: Well, when the people of Scotland didn't want us anymore, we were on our way to leave. But Morag, Mr. Mind, and the rest ambushed us.

Sakura Knudson: Wait you mean Morag McLaughlin!? That bubble-assed bitch!? I've been to kill her for a long time too! Me and Swartz dug up LOTS of dirt on her and found out that she HATED THE LOUDS!

Me: That's right! She and her ancestor HATED and LOATHED the Louds because of them living up to their name and they only wanted peace and quiet.

Nico: That's right! And we immediately sprang into action and we had 2 hours to stop them from launching those missiles!

Me: Here's their plan. Look here.

I pulled out a map and plan of Team Dark Phoenix Storm.

We laughed!

Me: He sure did! But also we REALLY LAID down the law on Morag. I made sure she suffered for her crimes.

Sakura Knudson: What did you say?

Me: You'll like this.

---

Morag: NO! YOU ALL RUINED EVERYTHING!

Eli: You have serious problems you bitch!

Ariel: That's right! You need to be taught a lesson about friendship and humility!

Nunnally: You have the audacity to try and kill the Loud's and everyone on this planet all for some peace and quiet!? You have issues lady!

Lucille: Just like your ancestors did.

When everyone in Scotland heard Lucille say that, they were absolutely outraged with Morag!

Starfire: That's right everyone. You heard Lucille.

Morag: FINE! I ADMIT IT!

She blabbed about everything and how she sided with Team Dark Phoenix Storm to not only kill the Loud's but also destroy the entire planet all just to get some fucking peace and quiet! WHAT A RUTHLESS AND HEARTLESS EVIL WITCH!

THE WHOLE TOWN WAS OUTRAGED EVEN MORE!

Twilight Sparkle: If you weren't human we would gladly kill you!

Cozy Glow: You have done worse things than anything I did.

Spyro: And you will pay for your crimes!

They punched and pulverized her all over the place and smashed her down and then I walked up to her and shot her legs with a 12-Gauge Shotgun and grabbed her by her shirt and lifted her off her legs.

Me: YOU LISTEN TO ME YOU BIG-ASSED WITCH! The Loud Family are my friends and I have known them for 5 years ever since I moved to Michigan and they are the greatest friends I could ever have and I love them like my own brothers and sisters! ALL YOU ARE IS NOTHING BUT A TERRORISTIC MISANTHROPIC CYNICAL PIECE OF FUCKING SHIT AND YOU DON'T GIVE A FLYING FUCK ABOUT ANYONE BUT YOUR FUCKING GODDAMN SELF! Let me warn you. if you ever get out of prison and you go after my friends again, I will know and then I WILL EAT YOUR HEART AND THEN YOUR FUCKING LIMBS! DO YOU FUCKING UNDERSTAND ME YOU PUTRID MOTHERFUCKING BITCH!?

She was scared to death of me! And then she peed her pants and I saw it drip from her legs.

Nico: WHOA! Remind me never to make J.D. mad like that.

Eli: Noted but way to lay down the law on that psycho bro!

Laney: Yeah you tell her!

Me: GET THIS FUCKING PIECE OF TRASH OUT OF MY SIGHT!

The cops came and took her away.

Nico: Hope you like being in a Scottish Prison.

Lincoln: Morag, I thought I trusted you, but what you did was downright evil. Trying to kill me, my family and trying to drive everyone out of town, just for some simple peace and quiet. I like it as much as the next guy, but I would never go that far. So it gives me great pleasure to perform one last act as Duke before I give the crown to someone more deserving. And that act is giving you your punishment for all that you've done.

Morag: So what are ye going to do then, boy? Lock me in the stocks for the rest of time? Behead me in front of the whole village? Blind me with pepper spray?

Lincoln: As tempting as those options are (especially the pepper spray), I'm gonna pass. Much like my hero, Ace Savvy, I'm just gonna let the courts do their work…

ONE DAY LATER…

At a courthouse, the judge was declaring morag's fate as everyone watches.

Judge:… And thanks to the persuasive testimony of Lincoln Loud (thank you, Mr. Loud), the court hereby sentences you to fifty years in HM Prison Barlinnie with no chance of parole. (Bangs gavel)

Morag: (GASPS)

Me: And you are also hereby cursed. If you ever tried to get out of prison it will kill you and super hakai your evil soul! Also I have this for you.

I pulled out a special RED HOT BRANDING IRON in the shape of the Star of Satan and it also had the kanji for "Morag McLaughlin, THE MOST EVIL TRAITOR IN ALL OF SCOTTISH HISTORY AND

MURDERER AND USURPER OF THE GREAT LOUD CLAN AND MOST RUTHLESS MONSTER THAT EVER LIVED - ATTILA THE HUN REINCARNATED!"

スコットランドの歴史の中で最も邪悪な裏切り者であり、偉大な大声族の殺人者であり、かつてないほどの無慈悲なモンスターであるモラグ・マクラフリン-アッティラ・ザ・ハンが生まれ変わりました！

I branded her with the most evil brand ever known and it was placed right into the middle of her forehead! It would be her mark of eternal damnation!

In the middle of the star was the kanji for Traitor.

裏切り者

Lincoln: (wearing his blue convincing suit) Sorry, Morag. It's outta my hands…

Me: Lincoln has been known for giving a magnificent and convincing presentation.

Cut outside the courthouse, where a handcuffed Morag was escorted away by two cops as the towns people glared at her.

As well as the town holding up pitchforks, torches and protest signs and even shouting at her. They even threw rotten fruit, vegetables and eggs at her!

SPLAT! SPLAT! KRASPLAT! SPLAT! PAF! SPLAT! SPLAT! KRASPLAT!

Lynn and Rainbow Dash were dressed up as Sports Consessions sales clerks.

Lynn: Rotten fruit and vegetables for throwing! Get your rotten fruit and vegetables here!

Man: Got anything heavy?

She gave him a watermelon.

Lynn: How's this?

Man: Perfect! Thanks lass.

Lynn: You're welcome.

He gave her some money and the man threw it and it hit Morag.

SPLAT!

NICE SHOT!

Morag: Come on, I was just kidding about all that stuff I did earlier! You all knew that, didn't you? (The cops push her into a police paddy wagon marked "Institution For the Criminally Insane") with trying to kill off the louds, mind control that dragon and take over the town? Hahaha, wasn't that hilarious everybody? (The people didn't buy it and the paddy wagon speeds off) I WILL DESTROY ALL OF YOU!

FLASHBACK ENDS

Sakura Knudson: WHOA! That is awesome!

Nico: She got what she deserved.

Poromon burped.

Poromon: Still can't get his awesome taste out of my mouth.

We laughed.

Nico: Yeah.

Me: That was an awesome day for us and Nico displayed an awesome demonstration of leadership for the team.

Nico: Yep.

Kit Taylor: Lincoln, why DID you want to stay in Scotland?

Lincoln: Because I felt like I wasn't special here.

Marcus Damon: Lincoln, that's nonsense! Did you forget you transformed against Kurata?

Lincoln: Looking back I stupid to think that. Dark Orb contamination.

Qin: Yeah.

Lincoln: It's true.

Thomas Norstein: Lincoln, I know your sisters have special talents you don't have. But you're still special. And they still care about you.

Me: And you still care about them. And that makes you just as special and important as they are.

Nico: Yeah.

Lincoln: You're right guys.

Nico: Poromon, you better not be eating all the food!

We looked and saw that he didn't.

Me: He didn't.

Poromon: Nope.

Nico: Good.

Qin: That was still a fun battle for all over us.

Missy Rodgers: It sure was.

Me: Oh Nico which gene-slammer do you think you'll meet next?

Nico: Oh right the Mandatory Question. Impact Man next.

Me: Ooh! Strong and powerful

We had a great party and it was so fun.

We then went back home and enjoyed the rest of the day and went to sleep.

Me: I have a feeling this planet is gonna be awesome and fun.

Qin: Me too. This is always gonna be a blast.

Xenia: It sure is.

Lola: Yeah! Lets hope it's not a stinky cheese planet.

Lana: If it's anything stinky I'm in.

Camie: Lana you are so awesome.

Scootaloo: She sure is.

Nico: Scootaloo, I want to thank you, Magma Gloom, and your teams for coming.

Scootaloo: Hey it's no problem Nico. This is gonna be so awesome!

Rainbow Dash: That's my awesome sister! Always ready for a great adventure!

Lola: You got that right!

Camie: Are Scootaloo and Rainbow Dash sisters?

Me: Not by blood. They have had a powerful bond that made them that close.

Rainbow Dash: It's true.

Nico: Yep.

Scootaloo: And it's a dream come true.

Nico: Faye what do you like to do in your free time?

Faye Falchion: Well I like to teach at a school and show everyone the secrets of the universe and how much I know. As the embodiment of the Falchion Dopant, that makes me the Embodiment of the Eternal Phoenix and that makes me as old as the entire universe itself. So I know all about the universe.

Nico: And you have so much you want to share with everyone. That is cool.

Faye Falchion: It sure is.

Me: I think being a teacher is awesome.

Lola: It sure is. You would be a great help for Ms. Cheerilee and her kids.

Scootaloo: Yeah I agree!

Faye Falchion: I would like that very much guys.

Nico: As a teaching assistant.

Faye Falchion: That's always good too.

Nico: Awesome.

Nicole: Lisa can help too. She is a college professor and with her awesome genius level brain she can be perfect to help you.

Lisa Loud: Indeed. And I am honored to be of assistance as well.

Faye Falchion: Thanks.

Nico: How did you all like the party yesterday?

Me: It was awesome! Wow!

Sakura Knudson: That was so awesome guys! I am just absolutely amazed you did all that back then too.

Fu: That was so fun! Also Naruto had a great birthday yesterday too.

Me: Glad the shadow clones I made helped out for him too. (To the viewers) Naruto couldn't make it to the party because he was having his birthday over in the Leaf. So I made Shadow Clones to be there for him.

Nico: That's cool J.D. Glad everyone all had fun.

Maria: Sakura, we didn't know that even Swartz hated Kurata.

Sakura Knudson: You never asked about it. But yeah like you guys he too has had his fair share of some of your enemies.

Nico: That was amazing that he put a contract out on him.

Sakura Knudson: Yep and I was very close to killing him too.

Me: Sorry sis. But if we battle a clone of him you can gladly cash in that bounty on that.

Sakura Knudson: I would like that very much.

Lola: Awesome.

Nico: And he did his research on the enemies mentioned yesterday.

Sakura Knudson: Yeah he was very resourceful. Swartz was really ready to strike and take them down.

Me: Yeah.

Lola: But we were just too fast and one step ahead of him.

Sakura Knudson: Yeah you sure were. Wow! But that was awesome that you had that big of a battle back then.

Nico: It sure was.

Maria: And Poromon had food back then.

Sakura Knudson: And I was amazed that Poromon literally ate Mr. Mind for dinner.

WE LAUGHED!

Me: (LAUGHS) Yeah he said he tasted like chicken.

Sakura Knudson: (LAUGHS) That is funny.

Me: Well he is a bird Digimon and birds eat worms.

Sakura Knudson: That is too true.

Me: But also sis we had no idea that you were after Morag back then too.

Sakura Knudson: Yeah I hated her guts just as much as you guys did. But I'm glad she is gone now.

Me: So is the entire world.

Lola: No kidding.

Nico: Here we are.

We saw that it was a purple planet.

Me: Whoa this world from up here looks like a flower planet.

Nico: Lets take a closer look.

We flew down and then we landed and to our disgust we saw that IT WAS A WORLD MADE OF STINKWEED!

LOUD FARTS!

THE SMELL WAS SO HORRIBLE AND DISGUSTING!

Me: OH GOOD GOD!

Lily: I KNEW IT! It's a planet made of Stinkweed!

Eddy: You had to say something!

Lily: Sorry!

Lana: Awesome! I love this planet!

LOUD FARTS!

Nico: OH GOOD GOD! THE SMELL IS HORRIBLE!

Camie: YUCK!

Me: Stinkweed is gross! And I remember we busted a monster that Mystery Inc. Faced named Stinkweed.

Qin: Very coincidental.

Nico: I'M NOT EATING THIS!

Me: You can't eat stinkweed anyway. It's poisonous. Also the smell would not suit you well.

Lana: You're right on that. But the smell is awesome.

LOUD FARTS!

Nico: I remember Samson having problems with this stuff though.

Maria put on a gas mask.

LOUD FARTS!

Qin: This is so gross!

LOUD FARTS!

Lana: Lola jump in and smell it!

Lola: EW! LANA YOU ARE GROSS!

Maria: I'm fine where I am!

Lola: As long as I'm here with Maria then I'm safe!

But then a Stinkweed plant hit Lola in her face and she screamed!

Lana: Come on Lola! It'll be fun!

Lola: NOT FOR ME LANA!

She jumped Lana and they got into a brutal fight cloud!

POW WHAM SMASH WHOMP BIFF KROW BOP CHOMP!

Me: I've had to put up with this for 7 years.

Sakura Knudson: Ooh. Yikes.

Lincoln: Yeah it's crazy.

May put on her gas mask.

Eli went over and grabbed the two.

Eli: Pardon me you two but I must discipline the nannygoats!

BLANG!

He bashed their heads together.

Lana and Lola: OUCH!

They had birds chirping around their heads.

Nico: Lets just get the job we have here done and get the hell out of here.

May: As long as we have our gas masks on, we should be fine.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and we're not going to like this in the slightest: we got word that other rotten imaginary friend, Duchess, has broken out of prison and she's here on this planet of Stinkweeds and she wants revenge on us.

We gasped.

Me: Why, that little… !

Nico: That little monster! She's gonna pay for this, and she chose a really stinky place to hide out at.

We had on 28th Century Exopacks on since we were on a planet of Stinkweed! P.U.!

Lincoln: Yeah. But, still, that's not going to stop us, we're going after Duchess and we're sending her straight to The Black Gates like we did to that rotten Imaginary Fiend, Bendy.

Lincoln then called the rest of the team who also had on 28th Century Exopacks and they heard the situation from him.

Lori: I literally can't believe that monster, Duchess, is here! (Sniffs) (SEAL BARK) OH YUCK! LITERALLY DISGUSTING!

Frankie Foster: Duchess escaped… ! (Growls) That little… ! She's not getting away with this!.

Nico: Without a doubt, Frankie.

Cillia Chill: (Russian Accent) Leave her to me, J.D., and Lincoln.

Chill: (Russian Accent) This should be good.

Me: And we're on a Stinkweed planet. Perfect for her because that's where she belongs too: In the Trash.

Nico: Funny.

Me: I have an awesome title for Duchess.

Eli: Lay it on me.

Me: The Duchess of Rotten Apples.

WE LAUGHED HYSTERICALLY!

Timmy heard a Pokemon cry.

Timmy: Hey look.

We saw a Mismagius.

Me: A Mismagius.

Qin: Oh the poor thing. Must not be able to stand the stink.

Mismagius: THIS PLACE SMELLS HORRIBLE!

Timmy Turner: Oh you'll be okay. Would you like to come with us?

Mismagius: I would like that.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his

abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Duchess) AHA! Gotcha! I just spotted that rotten Imaginary Fiend, she's 20 yards away, and he's already coming after us.

Nico: That just saved us the trouble. Let's get her and tear her in two!

Lincoln: She won't get away from us. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all

of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on that rotten Imaginary Fiend, Duchess.

We were flying in the air and landed and we're looking around for that rotten black-hearted Imaginary Fiend, Duchess.

Timmy: Cosmo, Wanda, I wish we weren't affected by the smell until we leave!

Cosmo: You got it Timmy!

DING!

POOF! ANTI-STENCH POOF!

We had Anti-Stench barriers around us.

Me: Ooh cool. (SNIFFS) Ahh. The barriers give us awesome clean laundry aromas too.

Qin: Nice.

Eduardo then saw a trail of potatoes.

Eduardo: Potatoes! (follows the trail)

Me: Ed wait!

Eduardo: I like Potatoes.

Me: We know but it's a trap.

Eduardo: Oh.

Lincoln: Alright, now where the heck is that rotten Imaginary Fiend?

Lori: That rotten bitch is literally not getting out of this alive.

I looked around and saw a shadowy figure and then I fired an energy blast and it hit a grove.

Then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

LOUD MASSIVE FART!

It landed on the ground.

Me: What's that?

?: AND NEITHER WILL ALL OF YOU! I'LL KILL YOU ALL! YOU RUINED ME!

Me: Yep, here she comes!

We then saw our target, the rotten black-hearted Imaginary Fiend, Duchess, and she was out to kill us all. She tried to throw a bomb at us, but Lincoln created a massive indestructible diamond barrier that protected all of us, and when the bomb hit, it exploded, but we were all okay, and the barrier was still standing. That made her so angry, she proceeded to pummel the barrier with firing missiles and even throwing sticks of dynamite at it, but the barrier still stood strong, and it made her even angrier than ever.

Nico: What the Hell?! She's absolutely lost her mind!

Me: I guess all that time in prison's really driven her completely mad! Just like with that Imaginary Fiend, Bendy!

Lincoln: I didn't expect her to go that mad in prison! If I knew about that, then, we would've put her down long ago!

Nico: Well, we're about to get that chance.

Lincoln fired a massive diamond ball with rainbow fire, rainbow super lightning, and rainbow crystals surrounding it, and it hit Duchess and sent her flying into a wall of really stinky stinkweeds. She got back out, but boy did she have some serious stink lines coming off her.

Nico: WHEW! MAN, DOES SHE STINK!

Me: Yeah, that's why we're not taking the Exomasks off.

Duchess: I ABSOLUTELY DESPISE ALL OF YOU SO MUCH! IF YOU HADN'T GOTTEN IN MY WAY, I WOULD'VE FINALLY GOTTEN RID OF BLOO AND HIS FRIENDS AND DESTROY FOSTERS' AND I'D STILL BE FREE TO MAKE EVERYONES' LIVES MISERY! I HATE ALL OF YOU! HATE! HATE! HATE! HHHHHHHAAAAAAATTTTTTTTEEEEEEEEEEE!

Suddenly, our rainbow energy auras exploded out like crazy and we suddenly gained a supermassive energy boost from Duchess' hatred!

Nico: I think that time in prison did more than just drive you insane, your toxic hatred for everyone has completely rotted her brain into mush!

Eli: I also felt it with The Force, her hatred's driven her completely into madness and insanity untold.

Luan: She was bad back when we first dealt with her year ago, and now, she's worse than ever! I think it's time we put her down for good.

Frankie Foster: Now, you're talking, I've been wanting to put her down for a very very long time.

Cillia Chill: (Russian Accent) Let's teach her a lesson she'll take with her to the grave.

Me: That's right! And you are not going to pull the same trick on us Duchess! That potato trick may have worked before but not this time!

Duchess: Actually, it's the first time it's been tried!

Me: Whatever. But we are not stupid to fall for that trick. Other people did the same.

Camie: That's right. Really?

Me: Several incidents happened with that.

Mac: And you make me sick looking at you Duchess!

Terrance: Yeah! I can't believe you would stoop so low as to hurt Mac and Bloo!

Duchess: You dare side against me, Terrence?!

Terrance: Hey, time in jail made me better! For you, just worse!

Me: That's right!

Terrance: I was a fool to trust you Duchess!

Lola: You are nothing but a cold-hearted jerk Duchess! You made Mac and Bloo and everyone at Foster's miserable!

May: (Muffled) How are you not even affected by the stench anyway?!

Duchess: What?! I can't hear you! If I'm gonna kill you, you should at least speak up!

May: Right. I still have the gas mask on. (takes mask off) Much better. Now, how are you not even affected by the stink?!

Maria: And how was Bendy not affected by the stinky cheese for that matter?

Duchess: BECAUSE MY HATRED TOWARDS YOU ALL IS AS STINKY AS THIS PLANET! I HATE YOU ALL SO MUCH THAT IT MADE ME IMMUNE TO THE STENCH!

Me: Because your heart is as disgusting as a wad of ROTTEN CHEESE!

Eddy: It smells as rotten as Lumpy's stinky cheese!

Cheese then approached Duchess.

Cheese: I like chocolate milk.

Duchess: And who is this rotten stupid freak?

Cheese: I like cereal!

Cheese hopped on Duchess!

Cheese: GIDDYUP HORSEY!

Duchess: GET OFF OF ME NOW!

He pulled her hair and she screamed in pain!

Qin: Get her Cheese!

The Rabbids then jumped onto Duchess!

They gibbered and did all kinds of funny gags and even farted on her like bagpipes!

WE LAUGHED HYSTERICALLY!

Duchess: Ha! You all don't even have morphs planned!

Stella Star: No. They have me!

Stella fired waves of stars and blasted her all over.

Me: And you know what smells worse than you Duchess?

Duchess: THIS!

I pulled out a 12-Legged Cave Frog Stink Sack!

Mung, Chowder, Schnitzel and Laney gasped!

Laney: He wouldn't!

Nico: UH OH!

I licked it and it was armed!

Nico: HE WOULD!

Me: FIRE IN THE HOLE!

I threw it and it landed in Duchess' hands.

Duchess: What the? What is this supposed to…

LOUD MASSIVE SUPER FART!

The Stink Sack exploded and she was covered from head to toe in the rancid HORRIBLE STENCH!

DUCHESS SCREAMED AND THE SMELL WAS FAR TOO OVERWHELMING FOR HER! EVEN THE STENCH OF STINKWEED CAN'T COMPETE WITH IT!

Ed: WHO STEPPED ON A DUCK!?

Laney: She did!

Mismagius charged at her and fired a Shadow Ball and blasted her down.

Horsea squirted ink and it got into Duchess' eyes and she screamed!

Qin: Take that!

Chowder: Taste this Duchess!

He gave Duchess his worst ever sandwich! FOOF N' SCOOPS!

Chowder shoved the whole thing down her throat!

Duchess: What the…

STOMACH GRUMBLES!

Nico: What does that do?

Chowder: Watch.

Duchess: UH OH!

SHE THEN THREW UP ALL OVER WITH EXPLOSIVE STREAMS OF PROJECTILE VOMIT!

SPLAT!

It even got on Manaphy!

Manaphy: YOU ARE SO DISGUSTING!

Duchess: I'LL RIP YOU MASCOT FREAKS TO PIECES!

Lola: YOU SHUT UP YOU FREAK! YOU BETTER BE READY FOR ME BECAUSE I'M GOING TO RIP YOU TO PIECES AND BEAT YOU TO DEATH LIKE A PIÑATA FULL OF CANDY AND EXOTIC COINS! (IMITATING TRUFFLES) (YELLING INCOHERENTLY)

Nico: WHAT SHE SAID!

Lola then smashed and pulverized Duchess all over the place like a piñata!

Qin: TAKE THAT!

Camie: YEAH!

Cillia Chill: Time for some buttkicking!

Suddenly, Cillia Chill's blue eyes turned neon blue and she was surrounded by an aqua blue energy aura with stars, water, ocean waves, ice, narwhals, phoenixes, and angels, she unholstered her massive gold greatsword from her back, and as she approached Duchess, she left aqua blue energy, stars, water, ocean waves, ice, narwhals, phoenixes, and angels with every step.

Cillia Chill: (Russian Accent) Just as Comrade J.D. said, you make me sick to no end, Duchess. You've already proven that you're nothing more than a rotten imaginary friend who enjoys causing trouble and more than once, you've tried to get rid of Bloo and his friends, and what you did in exposing your true colors and resentment and hatred towards everyone years ago, you've just proved our point that you're a rotten monster who deserves nothing more than to be put down for good.

Suddenly, Cillia Chill was surrounded by a massive vortex of aqua blue energy with stars, water, ocean waves, and ice surrounding the vortex, there are narwhals, phoenixes, angels, Chill Man, and Chill flying and swimming around the vortex, and in the vortex is an ice blue phoenix with red eyes glaring at Duchess: the red eyes of eternal death.

Me: WHOA!

Nico: So incredible!

But, Duchess went completely mad with rage and charged at the vortex and us as well, but she got hit hard by blasts of water and ice. Then, as the vortex faded, Cillia Chill emerged, but she was changed forever.

We were amazed by Cillia Chill's Super Angel-Chill Man-Chill-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when I saw her, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when Duchess saw it, she went mad and ran at her to kill her, but Cillia Chill fired a massive barrage of aqua blue energy, stars, water, ocean waves, ice, narwhals, phoenixes, and angels which hits Duchess and sent her flying into another wall of stinkweeds, she got back out, but now, she was enraged.

Lincoln, Cillia Chill, and I went after Duchess, and we fired extremely powerful blasts of rainbow energy, aqua blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Duchess, and they exploded with incredible power as they hit her.

Then, we attacked her with energy slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Cillia Chill, and I attacked her hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Duchess even more insane and straight to the brink of insanity.

Duchess: YOU! YOU! (ENRAGED SHRIEK)

Duchess charged right at us completely blind with homicidal rage and fury, but Nico, May, and Qin kicked her hard in the stomach and Sebastian fired blasts of Divine Darkness at her and she got hit hard and he slashed at her with his massive black greatsword. Then, Lincoln smashed her hard into the ground with his eleven massive and long white wolf tails, and she was really getting messed up, and then, he threw her and sent her into a nearby stinkweed wall.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental

Lincoln, Celine Knudson, Clara Knudson, and Megan Knudson fired blasts of rainbow energy blasts, rainbow super lightning, rainbow crystals, and rainbow fire at Duchess and she got hit hard, and then, Lincoln swung his massive greatsword and fired massive waves of rainbow energy blasts, rainbow super lightning, rainbow crystals, and rainbow fire which hit Duchess and she got eviscerated hard and destroyed, and she was sent to The Black Gates forever. Everyone cheered wildly as we holstered our weapons and powered down, and Cillia Chill's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long red wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, eleven large aqua blue orbs orbiting around her legs, and massive blue angel wings are permanent.

Me: This really has been a long time coming.

Nico: Yeah, go to Hell, Duchess.

Lincoln: Good riddance, now we're rid of two of Fosters' most troublemaking imaginary friends.

Suddenly, Lincoln was pounced on by Celine, Clara, and Megan who proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When they were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he got up quick.

Nico: J.D., who are these three who pounced on and gave Lincoln quite the make-out?

Me: The first girl is Celine Knudson, God Sibling of Rainbow Crystals, she's Lincoln's Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful rainbow crystals powers and immense control over rainbow crystals. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of me, Sakura, Elaine, Helena, Sophia, Avery, Emily, Abigail, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Evelyn, Marlene, Gianna, Arlene, Melanie, Clara, Megan, and Valerie, and just like me, Sakura, Helena, Sophia, Emily, Abigail, Avery, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Marlene, Valerie, Gianna, Melanie, Arlene, Clara, Mega, and all of us, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just Rainbow Crystals, but also Fire, Water, Ice, Wind, Lightning, Earth, Lava, Darkness, Light, Crystals, Wood, Stars, Time, Gravity, Nature, Blood, Magic, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all. She defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals, and if you get her mad, WATCH OUT OR SHE

We gasped.

Nico: Oh… shit!

Lincoln: Yeah, it would be a huge mistake if anyone dared to piss them off big time. And now that you three are here.

Lincoln went up to and hugged Celine Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, Lincoln went up to and hugged Clara Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

And finally, Lincoln went up to and hugged Megan Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Celine Knudson: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Celine, Clara, and Megan Knudson with rainbow gems on the gold lightning bolts and rainbow crystal links from their merged Crystal Necklaces of The Buddha along with three white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Megan Knudson: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Celine, Clara, and Megan Knudson, and of course, for that little pouncing.

Lincoln made two clones of himself and they had their massive arms wrapped around the waists of Celine, Clara, and Megan Knudson, and he leaned down to their faces and kissed them on the lips, but when they wrapped their arms around their necks, Lincoln deepened the kiss and we all cheered for them. When Lincoln and his clones separated, my sisters had atomic red blushes on their faces, hearts in their eyes, and their hearts were beating like mad.

Clara Knudson: (In Heaven and rubs Lincoln's pecs with her hands) Since when did you become such a great kisser?

Lincoln: Natural talent.

Lori: He's right on that one, when Lincoln engages in a make-out with his harem, it always ends with his harem looking like you three.

Nico: And he's a natural born ladies' man who's literally a girl magnet.

Sakura Knudson: And I thought J.D. was the ladies' man.

Me: And Lincoln's really defensive of his harem, Celine, don't forget that.

Celine Knudson: I haven't, J.D. Plus, we heard of what Buster and the others did in reprimanding our hated enemy from long ago.

Luna: You mean Sebastian? We knew he fell into darkness because of our bro's hated enemy, Dustin Keystone, trying to kill him, and Chase Young's Dark Side made it a lot worse, dude.

Lori: But, even after he was freed, the very dark urges he had from his Dark Side still remained, and like Luna said, he's literally still incredibly insidious, monstrously cruel, bloodthirsty, completely scary, and excessively sadistic.

Megan Knudson: Figures, and he's become a member of the team?

Elly Chromington: He's already proven to be a great member, despite those dark malevolent traits that'd make any villain shit themselves.

Nico: Aside from what Elly said, he did prove to be just that, though he has on many occasions let the monster in him out, but Buster always knocks him out with a mallet.

Me: Yep.

Nico: How WAS Bendy immune to the stink yesterday?

Me: Probably the same way as Duchess was.

Xenia: Yeah his heart was as black as the rot on a corpse.

Camie: Yeah and that made him impervious to stench.

Lola: Yep.

Nico: Nice job, Mismagius!

Mismagius: Thanks! It was fun!

Timmy Turner: You and I are perfect for each other because we are magic.

Wanda: We sure are.

Me: Yep.

Poromon: Would you like some beer?

Mismagius: No thank you. I drink soda.

Timmy Turner: Soda is awesome.

Me: Yep.

Poliwag: (Does the puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Eddy: Okay, Horsea. Let's check your progress. (Gets out Haunted Car picture)

Horsea: Still scared. But not as much.

Qin: Awesome.

Eddy: It's still something.

Qin: Yep.

Eddy: Keep it up and you'll get your special treat

Horsea: Okay!

Nico: Awesome.

Laney: Yep.

Nico: And we killed Duchess with no stink.

Chowder: Yep. By using something that smells worse.

Lola: Yep. That was funny.

Xenia: It sure was.

Varie: That was awesome though.

Nico: Chowder, remind me never to taste that.

Chowder: Noted. Still feed it to bad guys though.

Scootaloo: Good idea.

Nico: Now for the Anothers.

Eli: (Concentrates) Whoa! We have Another Magma Gloom, Halloween Phantom, Bochapkin, Jumotsu, Nature Patties, Imposter Sailor Moon, Girori A.K.A. Zephyr Zipp Storm: Zephyr Zipp Storm, Embodiment and Gene-slammer of Zipp Storm.

Zipp Storm: Awesome!

Me: Whoa!

Adrianna Pipp Petals: Wow! See this is my sister. She is in every way like Zipp Storm and she is a great sleuth and has awesome fancy gadgets and stuff.

Zipp Storm: That is so awesome! Great minds do think alike.

Zephyr Zipp Storm: They sure do and I'm a mystery solver too thanks to books.

Me: Awesome!

Rainbow Dash: And she is also the legacy of me! So awesome!

Nico: Yeah!

Me: By the way is the another Magma Gloom friendly or hostile?

Zephyr Zipp Storm: Friendly and you guys are going to like her.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and was separated.

Me: Action time!

We fired waves of energy and elements and blasted the Anothers and smashed them down.

I caught the Wonder Ride books.

Me: Awesome!

Nico: That was awesome.

Maria: Better call in backup. (TURNS DIAL) THUNDER FURY 6!

She summoned Thunder Terror, Mr. Pig, Bobby Barrows, Nyssa Al Ghul, Tigress and Lady Viper of HYDRA!

Qin: YEAH!

Maria: This is probably gonna be the only time I use the cannon today.

Me: Okay then.

Qin: All righty.

Nico: Yep.

Maria: Don't wanna overheat it, you know?

Nico: Yeah no kidding.

Qin: Good idea.

Eli: Yeah.

Zephyr Zipp Storm: Yeah it sure is.

Poromon: Guys, can me and the others take a walk later?

Nico: Sure as long as one of us is with you.

Poromon: Okay.

Shanan: I'll go with them.

Nico: Okay. Now we wait.

Me: We don't have to wait long!

We saw ANOTHER MAGMA GLOOM!

Nico: Whoa!

Eli: This one is hot!

Another Magma Gloom: (In a girls voice) But it will be awesome.

Me: (GASP) That voice!

She reverted back and it was a girl with blue hair and her eyes were covered in black opaque glasses which means she was blind and she had blue clothes and had blue angel wings and had a tiara with the symbol of the Justice Dopant on it and the same symbol on her skirt and she had a sword of justice in her hand.

Me: Theia Justice! Whoa!

Theia Justice: Good to hear your voice again J.D.

Me: You too.

Nico: Oh man she's blind I wonder what happened?

Me: She lost her eyes in a terrible accident. She accidentally splashed her eyes in Capsaicin Extract hot sauce and it permanently damaged her eyes and blinded her forever.

Nico: YIKES!

Lola: That must've really hurt.

Theia Justice: It did. But that accident helped me big time. I have the same powers as Daredevil now and can see with the air currents and can use those to my advantage.

Qin: Whoa!

Me: She also is known as the Incarnation of Lady Justice and she is very skilled in the forces of the law. And also she has lava and magma powers.

Magma Gloom: Just like me.

Qin: Wow!

Theia Justice: That's right.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Me: If I were to guess it's restore your vision.

Theia Justice: Yep but I turned his offer down and told him that I didn't want that. I'm happy with this.

Me: They do say the Ears hear just as awesome as the eyes do like a bat in the night.

Theia Justice: That's right.

Lincoln: Lets separate you first.

Theia Justice: Allow me.

She strained and then flared up her power and then separated Another Magma Gloom from her!

Me: WHOA!

Nico: You separated him from you by yourself!? That was cool!

Theia Justice: Yep. I discovered that trick from a book. Not a braille book but I have a neat power that makes me absorb knowledge by touch.

Me: Wow!

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju Armor!

Nico: (Gets out Magma Gloom's Ridewatch) Time for some burn!

May: (Gets out Jumotsu's Ridewatch) Time for some blast Power!

Maria: (Gets out Imposter Sailor Moon's Ridewatch) In the name of the moon I will punish you!

Faye Falchion: (Gets out Halloween Phantom, Bochapkin's ridewatch) Time for the fire of the phoenix to bring some pain!

They used the powers of Magma Gloom, Halloween Phantom, Bochapkin, Jumotsu, Nature Patties, Imposter Sailor Moon and Girori A.K.A. Kamen Rider Glare and fired waves of energy and elements and blasted the Another!

Then Toxic Horror, Kesaran, Golden Homunculus, Aultcray Melromarc XXXII, SCP-054 Water Nymph and Earth Mystic Foot came.

Nico: Awesome Team Toxic Horror!

Toxic Horror: Thanks Nico.

Diamond Tiara: Awesome! So it's my turn next.

Me: Yep.

?: HYAH!

Impact Man came and smashed down Another Magma Gloom and I caught the ridewatch and purified it.

Me: Awesome!

Impact Man: (In a girls voice) That was an Impact of a time!

Nico: Sophia Impact!? Whoa!

She reverted back and was a girl with brown hair and brown eyes and yellow clothes and she had brown angel wings and had the kanji for Impact in the middle of her forehead.

Sophia Impact: That was awesome and it's great to see you again Nico and you too Qin.

May: Thank goodness I didn't get hit by you.

Sophia Impact: Yeah I've been known for having incredibly strong superhuman strength. I don't want to break every single bone in your body.

May: Good.

Faye Falchion: Do you have a favorite memory of Nico?

Sophia Impact: When me and Nico were rolling giant snowballs to make huge snowmen and I used my superhuman strength to bring it over and help make the largest ever snowman ever.

Me: WHOA! How strong are you?

Sophia Impact: I can lift up over 500 million powers.

Applejack, Eli and May's jaws dropped.

I put them back.

Me: WOW! That is really impressive!

Lynn: Wow! You would really dominate the muscle contests.

Sophia laughed.

Sophia Impact: I sure would.

Nico: Yep. I'd hug you but I don't want you to crush me.

Sophia Impact: I know.

Nico: But I've missed you Sophia.

Sophia Impact: Same here Nico.

Me: Lets get off this planet.

We teleported back home.

The magic was done from there.

Nico: From Kamen Rider Amazon?! Oh man!

Me: Not good. That bitch really crossed it this time, now we're facing off against clones of the enemies of Daisuke Yamamoto A.K.A. Kamen Rider Amazon.

Scootaloo: And from the looks of it, it's a large army of them.

Lincoln: And of course, I'm still going to absorb them, and I have the feeling I'm gonna uncover who helped Mindy create the clones of the Kamen Riders' enemies.

Suddenly, we saw a very beautiful and super sexy girl with long dark blue hair and blue hairband, dark blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful blue angel wings, she's dressed in a dark blue sleeveless open blouse, sleeveless dark blue crop top, necklace with dark blue heart gem for the pendant, dark blue skirt, dark blue bridal gloves, dark blue bellbottom pants, dark blue knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with stars, water, darkness, ocean waves, swords, phoenixes, and angels on the coattails and on the back is Tearlaments Reinoheart, and holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel, and with her are the seven girls.

Lincoln: (GASPS) Havnis Harper, Gene-Slammer of Tearlaments Havnis.

Havnis Harper: That's right, and I got the girls away from those clones, but I've pissed them all off big time and they're coming after us.

Suddenly, we saw the clones of Jyumenki Golgos, Spider Beastman, Vampire Bat Beastman, Mantis Beastman, Large

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the chests of the clones of Jyumenki Golgos, Spider Beastman, Vampire Bat Beastman, Mantis Beastman, Large Centipede Beastman, Mole Beastman, Porcupine Beastman, Snake Beastman, Crocodile Beastman, Crab Beastman, Black Cat Beastman, Snail Beastman, Ant Beastman, Dobsonfly Beastman, Zero the Great, Ruler, Bee Beastman, Diving Beetle Beastman, Toad Beastman, Tiger Beetle Beastman, Owl Beastman, Mushroom Beastman, Sea Anemone Beastman, Japanese Dwarf Flying Squirrel Beastman, and Salamander Beastman, and then, Lincoln began absorbing them all into his body as he and all of us assimilated all of their powers, abilities, and strength and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them and he sent all of their souls to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: Whoa, now that's what I call a feast, and now, we have all the powers, strength, and abilities of Kamen Rider Amazon's enemies, and I found out who it was that helped Mindy create the clones of the Kamen Riders' enemies, they're none other than Adrian Graye Vernworth, the head witch of the Illusion Coven who serves Emperor Belos and aid in his plots and Terra Snapdragon, the leader of the Plant Coven who reports under Emperor Belos, and they wanted revenge on us for what we did to Phillip Wittebane A.K.A. Emperor Belos.

We gasped.

Felicia Wittebane: Those goddamn… !

Luz: I can't believe them!

Hunter: We'll no doubt face Terra Snapdragon later on today, but leave Adrian Graye Vernworth for me tomorrow.

Lincoln: You got it, Hunter. (To Havnis Harper) And it's so good to see you again, Havnis Harper.

Havnis Harper: You too, Lincoln, it's been a long time, and it's so good to see you again, Shaylen.

Shaylen Harper: You too, sis.

Lincoln went up to Havnis Harper and he hugged her, and Havnis Harper is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Havnis Harper: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Havnis Harper, Gene-Slammer of Tearlaments Havnis, she's my Guardian Angel from Michigan and the sixth of eight sisters, she has powerful mastery of darkness and water and she is known for her amazing swordsmanship skills, and like Shaylen Harper, she has a magic sword that was made by Tearlaments Havnis that can cut through even the strongest of metals and her sword also has the power to make them go insane!

Shaylen Harper: And like me, she also took on all of the meanest bullies in the city after that were after Lincoln and she slashed them all over and filled up a maximum security insane asylum in one day. She even took down Lynn at the worst of her fury and rage, and one slash from her sword made her worst fears come true: she was disowned by her family and her dreams of being a sports star were history as her brutish nature got her blacklisted.

Nico: Wow, so that means all of Shaylen's sisters…?

Lincoln: Are all powerful swordswomen with power over darkness and water and have magic swords that cut through even the strongest of metals and also have the power to make them go insane with one cut.

Me: Yeah, we were stunned ourselves.

Nico: Man, if anyone messed with them, they can say goodbye to their sanity forever.

Lincoln: And say hello to an eternity in an nuthouse, and now that you're here, Havnis.

Lincoln went up to and hugged Havnis Harper in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Havnis Harper: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Havnis Harper's neck with dark blue gems on the gold lightning bolts and dark blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Havnis Harper: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Havnis Harper.

Havnis Harper had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the seven girls, and when Lincoln saw them, he immediately recognized them. The seven girls are Nodoka Nagisaka, Hina Tsukimori, Makoto Natsume, and Azuki Miyano from Meat Eat Girl and Airi Kuze, Touko Hizuki, and Ayana Hizuki from Kagaku na Yatsura.

Lincoln: Oh wow, it's Nodoka Nagisaka, Hina Tsukimori, Makoto Natsume, and Azuki Miyano from Meat Eat Girl and Airi Kuze, Touko Hizuki, and Ayana Hizuki from Kagaku na Yatsura.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Nodoka Nagisaka: Yes, we're okay, thanks to you.

Then, when Nodoka Nagisaka and the other six girls saw who it was that saved them from the clones of Kamen Rider Amazon's enemies, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero and God, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, tattoo of a pepper with fire surrounding it on his broad left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Nodoka Nagisaka: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Nodoka Nagisaka: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Nodoka Nagisaka, Hina Tsukimori, Makoto Natsume, Azuki Miyano, Airi Kuze, Touko Hizuki, and Ayana Hizuki with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villains we went after were clones of Kamen Rider Amazon's enemies that were also created by Mindy, and they were even madder upon finding out that the ones who helped Mindy create clones of The Kamen Riders' enemies were none other than Adrian Graye Vernworth, the head witch of the Illusion Coven who serves Emperor Belos and aid in his plots and Terra Snapdragon, the leader of the Plant Coven who reports under Emperor Belos, and they wanted revenge on us for what we did to Phillip Wittebane A.K.A. Emperor Belos.

But, when Lincoln showed what we all did in beating them all down and Lincoln absorbing them and all of us assimilating their powers, abilities, and strength and sending them all to The Black Gates, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Havnis Harper have a lot of catching up to do, now that she's back in town.

Then, we heard Mindy and Mandy roar with rage!

Maria: Serves you both right, bitches.

Lincoln: It just proves they're both horrible people, and they'll never ever change.

Nico: Yeah, they both deserve to be in Hell forever when they die of old age, but they're still in for Hell.

Me: You said a mouthful, and what Adrian Graye Vernworth and Terra Snapdragon did in helping them in that scheme, those two servants of Phillip Wittebane are going to pay!

* * *

After Lincoln absorbed the clones of Kamen Rider Amazon's old enemies, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Havnis Harper saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Havnis Harper: My God, I was right that Lincoln's really grown into a

18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Havnis, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Havnis Harper: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Havnis Harper: I knew it was only a matter of time before he told everyone that story.

Suddenly, the rainbow gem of Lincoln's silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenix, thunderbird, buffalo, angel, vampire, and werewolf surrounding it on his back started glowing.

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

The gem formed a viewing window, and we saw who it was causing trouble: it was the clones of Great Leader of Black Satan, Titan, Dead Lion, Kikkaijin Gangaru, Kikkaijin Okamin, Scorpion Kikkaijin, Kikkaijin Gorongame, Kikkaijin Torafugun, Jellyfish Kikkaijin, Kikkaijin Waniida, Kikkaijin Mousengoke, Mantis Kikkaijin, Kikkaijin Hagetakan, Kikkaijin Chameleon, Spider Kikkaijin, Kikkaijin Elekiika, Kikkaijin Mecha-Gorilla, Stag Kikkaijin, Kikkaijin Bubunger, Bat Kikkaijin, Kikkaijin Denkiei, Kikkaijin Dokugama, Kikkaijin Arijigoku, Shark Kikkaijin, Kikkaijin Kemunga, Kikkaijin Hasamigani, Kikkaijin Armadillon, Great Leader of Delzer Army, General Shadow, Great General Darkness, Staff Officer Steel, Division Commander Wild Eagle, Dr. Kate, Major Skull, Baron Rock, General Wolf, Commanding Officer Brank, Snake Woman, Marshal Machine, Commander Jijaku, and Armored Knight.

Nico: What the?! Clones of the Black Satan Organization and Delzer Army?!

Lincoln: No doubt that Mindy had a hand in this as well.

We flew out of the World Tree Estate, and Lincoln fired powerful rainbow energy blasts at the clones of the Black Satan Organization and Delzer Army and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of the Black Satan Organization and Delzer Army, and then, Lincoln began absorbing them all into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. We returned back to The World Tree Estate and continued with our workouts.

Nico: That's it for the clones of the Black Satan Organization and Delzer Army, but those two servants of Belos aren't even done yet.

Me: They're just going to make their demise even more painful.

Lincoln: You said it, even after we defeated Phillip Wittebane and stripped him of his powers and magic and freed him of the curse, there are still those who believe he's doing the right thing.

Hunter: The only good member of The Emperor's Coven is a dead one.

Gus: You got that right.

Luz: Terra Snapdragon's not going to be an easy one to deal with.

Aurora Nightingale: True, but if she has plant based magic, then, a little bit of cold should dampen her magic.

Amity: That's right, plants are badly affected by cold.

Hunter: And since you're the Gene-Slammer for White Night Dragon, her plants are going to get a very nasty case of frostbite.

Lincoln: And Aurora's powers have a bad effect on plant-using villains and they effectively destroy their plants.

Nico: This I got to see.

We got a shower afterwards, and then, Lincoln, Simulator Samus Aran, Oceanus Shenron, Simulator Bulma, and Simulator Chi-Chi are heading to Dolphin Shoals.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Samus Aran, Oceanus Shenron, Simulator Bulma, and Simulator Chi-Chi are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Samus Aran, Oceanus Shenron, Simulator Bulma, and Simulator Chi-Chi all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Oceanus Shenron: Wow, so this is Gelato Beach, it sure is beautiful.

Lincoln: It sure is, Oceanus Shenron, and it's perfect for our first date. Shall we?

Lincoln, Simulator Samus Aran, Oceanus Shenron, Simulator Bulma, and Simulator Chi-Chi dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Simulator Samus Aran, Oceanus Shenron, Simulator Bulma, and Simulator Chi-Chi got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and his kids cheered.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up toSimulator Samus Aran, Oceanus Shenron, Simulator Bulma, and Simulator Chi-Chi and they hugged the girls in their abnormally massive and powerful muscular arms and Simulator Samus Aran, Oceanus Shenron, Simulator Bulma, and Simulator Chi-Chi placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Simulator Samus Aran, Oceanus Shenron, Simulator Bulma, and Simulator Chi-Chi as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Gelato Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Samus Aran, Oceanus Shenron, Simulator Bulma, and Simulator Chi-Chi with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, and now, Simulator Samus Aran, Oceanus Shenron, Simulator Bulma, and Simulator Chi-Chi are in your harem, Linky.

Simulator Samus Aran, Oceanus Shenron, Simulator Bulma, and Simulator Chi-Chi showed the marks Lincoln made on the right sides of their necks.

Luna: Oh man, now Simulator Samus Aran, Oceanus Shenron, Simulator Bulma, and Simulator Chi-Chi are part of your harem.

Nicole: Brittney knew Oceanus Shenron had feelings for Lincoln, and when she sees you two together, she's gonna be so proud of you two.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Samus Aran, Oceanus Shenron, Simulator Bulma, and Simulator Chi-Chi, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

* * *

Later it was time for another awesome Super Mario Galaxy 2 adventure.

Nico: Melty Monster Galaxy is next.

Me: WHOA! That one is gonna be hot! You guys are gonna be sweating like crazy.

Nico: Yep.

Timmy Turner: Me and Harry Potter will go.

Harry Potter: (British Accent) This is gonna be fun.

Nico: Yep.

They went in and the simulator activated and they were at MELTY MONSTER GALAXY!

Nico: WHOA!

Timmy Turner: WOW! This is hot!

Nico: Any tips Nicole?

Nicole: (On the radio) This one is going to be hot. There are lava monsters called Magmaarghs that are going to come after you at every corner in the lava. The slightest touch from them will burn you.

Nico: YIKES!

Nicole: I know. Just be careful. You got to get to the lava ball with the most Magmaarghs. That one will have the star.

Nico: Okay.

A Magmaargh came out of a lava ball in front of them.

Nicole: See? They're all over.

Nico: I see your point.

Harry: We can still hit them.

?: Let us help too!

2 figures came. 1 was a girl with red hair and red eyes and she had red angel wings and red thief clothes and she had a tiara with the symbol of the LupinRangers Dopant on it and the same symbol on her skirt and she had a cane like that of Sly Coopers.

The 2nd figure was a girl with blue hair and had blue eyes and blue angel wings and blue clothes and had a tiara with the symbol of Wave Man on it.

Carly Lupin IV: Carly Lupin IV, Embodiment of the LupinRangers.

Wendy Wave: And I'm Wendy Wave, Embodiment of Wave Man.

Timmy Turner: Awesome!

Harry Potter: Wendy it's great to see you!

Wendy Wave: Wow! Harry and Timmy! It's awesome to see you again. Its been a while.

Nico: We can catch up later. Lets go.

They were off!

Nico: Your powers will come in handy here!

Wendy Wave: Water is my specialty! And so is water magic! Time for my Ravenclaw magic to be brought to good use here! AUGUAMENTI!

She fired a wave of water from her hand and it hit a Magmaargh and he screamed in pain as he was turned to rock!

Nico: WHOA!

Me: WHOA! Hermione and Luna do you know Wendy?

Hermione: (British Accent) We sure do. She is the best Water Wizard in all of Ravenclaw house.

Luna Lovegood: (British Accent) She came from America and was really amazing at what she can do with the powers of water magic. Professor Flitwick was so amazed by her skill that he named her a prodigy in all things water.

Me: That is amazing.

Hermione: She went to Ravenclaw house and was really gifted from day one of her time in Hogwarts.

Me: And I have a feeling she HATED Delores Umbridge as much as I do.

Hermione: Yep.

They flew on.

Nico: (gets out Frozen Fright, Thunder Terror, and Magma Gloom's Ridewatches) Time for a triple threat!

Nico activated them and fired waves of ice, lava and lightning and blasted the Magmaarghs.

Carly Lupin IV: Here's an Advanced Notice: I'm taking your treasure!

Nico: And we're going to kick your big ugly fiery fucking asses!

Carly fired waves of energy and swiped Lava jewels from the Magmaarghs and they melted.

Harry: RIDICULOUS!

He turned the Magmaarghs into hummingbirds!

Nico: WHOA! Nice one!

Timmy Fired magic blasts and they hit the Magmaarghs and they were turned into butterflies!

They got the star!

YOU GOT A STAR!

Nico: YEAH!

Wendy Wave: That was awesome!

They all high five!

Nico: How did you meet Timmy and Harry?

Wendy Wave: I met Harry in Hogwarts. I am a transfer student from the America School of Wizardry. I was sent there in my first year when they saw my skills in Water Magic. I was put into Ravenclaw house and helped Harry on many of his adventures.

Harry Potter: She helped me expose many of the dark wizards. She also hated Malfoy as well as Umbridge and all the evil wizards of Azkaban.

Nico: Well you don't have to worry about those douchebags anymore. They're all dead and given the Black Gates. Except for Vincent Crabbe. He's in the M.O.E.

Wendy Wave: Good riddance. I actually liked Hogwarts better than my old home in America.

Nico: Wow.

Wendy Wave: Yeah. I met Timmy when he was being bullied by Crocker. I punched that freak in the face and sent him into the nuthouse.

Nico: Wow!

Wanda: And Wendy being a wizard knows about all of us. The Fairy World High Council before the Alliance was made said that Wizards and Witches know all about us and they are cool with that.

Nico: That is amazing.

Wendy Wave: It sure is and Wanda, Cosmo and Poof you are looking great too.

Cosmo: Thanks Wendy.

Wendy Wave: And I heard about Gregory Goyle being in the M.O.E. too. And I know that not all the Slytherins are bad. Daphne Greengrass I know you're watching and it's great to see you too.

Daphne Greengrass: (British Accent) Same here Wendy.

Wendy Wave: Awesome.

Nico: Can you tell us about yourself Carly?

Carly Lupin IV: I sure can. I am a master thief like my ancestor Arsene Lupin. Also like the Cooper Clan I too come from a long line of master thieves that stretches back to 25,000 years ago.

All of us: WOW!

Nico: Wow! 25,000 years of thievery! That is incredible.

Carly Lupin IV: I know. Me and Sly Cooper have so much in common and our family has an ancient book like they do. Also I am a close friend of Kairi Yano and his team and I helped them bring down some of their enemies as well. It was really fun.

Nico: Awesome. Would you two like to join the team?

Wendy Wave: We would be honored.

They left the simulator and we cheered wildly for them.

---

Later Shanan and the mascots were heading out.

Clayface: Have fun guys!

Shanan: We will.

Poromon: See ya soon!

They left.

Shanan: We're going to Gunnison, Colorado. My dad would take me there for a fun walk there too.

Poromon: Cool!

They were off to Gunnison.

---

In Gunnison, Shanan and the mascots were walking in the forest.

Shanan: It's such a beautiful day here.

Poromon: Thanks for coming with us, Shanan.

Shanan: No problem guys. This is gonna be so fun.

Manaphy: It sure is.

Shanan: Yep. Huh?

Shanan sensed something and it was coming from a mine tunnel.

Horsea: What is it?

Shanan: I sense something in that mine there.

Horsea: What do you think it is?

Shanan: No idea.

Poromon: Lets go see.

Shanan: I'm getting a bad feeling about this. I sense an evil presence in that mine.

Poromon: Oh boy.

They went into the mine and she formed a ball of energy and it formed a flashlight beam.

* * *

Theia Justice: You do feel that, right?

Lana: You mean the smell of those cookies being baked? I sure do!

Theia Justice: Not that! I feel something bad over where Shanan and the mascots are.

Nico: Uh oh! I sense it too!

Me: Yeah me too! We better get over there and fast!

Eli: Lets go!

Lynn Sr.: I'll watch the cookies.

Me: Thanks Mr. Lynn. See ya!

We were off!

* * *

In the mine Shanan and the Mascots went down a tunnel and then they came across a shocking sight! It was a big room and it looked like a hive nest.

Shanan: Whoa!

Poromon: What is this place?

Shanan: No idea. But I don't like it.

Then they saw someone anchored to the wall. It was a girl with brown hair and she was stuck to the wall.

Shanan: Oh man! Are you all right?

Girl: (Weakly) Kill me.

Shanan: Why?

Poliwag: Wait. This is familiar.

Shanan looked on the floor and saw a dead facehugger carcass.

Shanan: (GASPS IN HORROR) OH NO! We got to destroy this place now! This is a Xenomorph nest!

Girl: Kill me.

Shanan: Hang on!

She formed a ghost hand and it went into her and with intangibility it pulled out a CHESTBURSTER!

Girl: Thank you.

Shanan incinerated the chestburster instantly!

They grabbed the wall and yanked down the stuff and got the girl. The girl looked like a brown hair girl and she had blue eyes and had black clothes and a tiara was in her hand and it had the symbol of the Ghidorah Dopant on it.

Shanan: I got ya.

They then saw 4 Xenomorph eggs!

Shanan: Xenomorph eggs!

Poromon: I think they are going to hatch!

Poliwag: But I thought we banished all the Xenomorphs to the Black Gates!?

Shanan: Some of them must've been forgotten and were laying dorment here on Earth! No way in hell are we going to let these live here!

---

We arrived in Gunnison.

Me: Gunnison, Colorado. Been a long time since I was here.

Cybertron Ransack: Lets check out the bar. That's probably where they're at.

Me: That is probably…

BOOM!

We heard an explosion and we saw smoke coming from a mine on top of a hill.

Me: Whoa that's the old Roosevelt Mine!

Nico: They went down there? Lets go!

Me: Wait! I'm getting a bad feeling about this.

Nico: Lets go see anyway.

---

In the mine the eggs opened up.

Poliwag: DEATH TO XENOMORPHS!

Shanan: YEAH!

They fired waves of energy.

Poromon: (ECHOING) LIGHTNING JAVELIN!

He fired a wave of lightning and blasted the eggs and explosions blasted off all over.

KRABBOOOOOOOOMM KRABBBBBOOOOOOOMMMM!
KRABBBBBBOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOMMMM!

Then Shanan got out a powerful C4 bomb and sent the timer for 1 minute!

Shanan: Run!

They ran fast and went for the exit.

---

We came to the mine entrance.

Nico: Something big is going in in there.

Then Shanan and everyone came running out!

Shanan: DUCK AND COVER! IT'S GOING TO BLOW!

We ran and hit and then…

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

The whole mine exploded and collapsed!

Nico: WHOA!

Shanan: Before you kill us we have quite a story to tell you.

Nico: We want to hear it but who is she?

Shanan: We found her.

Varie: Let me look her over.

Varie did so.

Wheelie: What the fuck did you guys do?!

Shanan: There was a Xenomorph nest in that mine and we destroyed it!

WE GASPED!

Nico: A Xenomorph nest!? But that's impossible!

Eli: Wait! I sense that she's right! There was a nest there!

Shanan: We found one there that had a bunch of Xenomorphs there laying dorment. We killed them all and blew up that entire mine.

Poromon: It's true.

Poliwag: Yeah!

Nico: WHOA! That was too close for comfort! You saved this entire planet from a nasty Xenomoprh infestation!

Ellen Ripley: No shit! Awesome job!

Newt: Yeah no kidding!

Manaphy: WE REGRET NOTHING!

Horsea: YEAH!

Shanan: We found this girl and she was about to have a Xenomorph burst out of her. But I used my ghost hand and got rid of it by pulling the Chestburster out of her safely.

Varie: It's good you did. She's going to be like this for about a week.

Me: That's good. At least she's okay.

I saw the tiara and recognized the symbol.

Me: (GASP) Galatea Ghidorah!? Oh my god! Thank goodness you're okay.

Galatea Ghidorah: (Weakly) Thanks to Shanan and the mascots. You have an amazing daughter there and Nico you guys all have awesome mascots.

Nico: They sure are awesome. I'm proud of them.

May: We all are.

Horsea: Tell us more about yourself.

Galatea Ghidorah: I'm the embodiment of the Ghidorah Dopant and I have all his powers. I am a master of him and his powers. I study aliens and kaiju.

Carol Pusateri: That is awesome.

Nico: It sure is.

Galatea Ghidorah: Once I've recovered I'll join the team.

Nico: Awesome.

Me: And Nico I have an idea for archenemies. Ripley don't kill me for this. Remember that box of my old Aliens toys I showed you?

Nico: Yeah.

Me: Well I was thinking of having the Xenomorphs from those toys join the M.O.E.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Broccoli Guy: Nico, who gets to shine today?

Nico: Blossom Z and Cadance.

Cadance: All right!

Qin: Awesome!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than The Bog Monsters who've come back from the dead and they want revenge. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than The Bog Monsters who've come back from the dead and they want revenge.

We gasped.

Nico: The Bog Monsters from How to Kill A Monster?! Oh man, we missed one!

Me: We sure did.

Adrienne Midnight: The Bog Monsters from How to Kill A Monster are easy to dispatch, they're allergic to humans and it'll also cause them to explode.

Eli: Wait, they're allergic to us?

Nico: As strange as it may sound, it's true, The Bog Monsters are allergic to humans, and when you sneeze on one of them, their allergies react in a violent way and they explode. This is gonna get real messy. Lincoln, where are they at?

Lincoln: They're in the swamps of Georgia.

Nico: As I thought, and it looks like they're going after Gretchen and Clark. Let's head down there and wipe them all out.

Me: Let's make those Bog Monsters pay.

Lincoln: We're gonna be needing a very long hot shower after this adventure.

The previous group came.

Taskmaster: Can me, Koragg, King Shark, Molten Man, Lythos, Hydros, Stratos, Pyros, Taskmaster and David Cain go with you guys?

Nico: Yes you all can come with.

Qin: Yep.

Lola: This will be disgusting!

Lana: But I will like it.

Me: The Bog Monsters are back.

Chill Bill: Nico, which gene-slammer do you think you'll meet next?

Nico: Acid Man next.

Qin: Ooh scientific.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Terra Snapdragon, the leader of the Plant Coven who reports under Emperor Belos, and she's coming after us to get revenge for what we did in defeating Phillip Wittebane A.K.A. Emperor Belos. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and Hunter was right on who we're facing: the figure that we saw is none other than Terra Snapdragon, the leader of the Plant Coven who reports under Emperor Belos, and she's coming after us to get revenge for what we did in defeating Phillip Wittebane A.K.A. Emperor Belos.

Hunter: I knew it was going to be her, and since we're heading for the swamps of Georgia, she's no doubt hiding there.

Aurora Nightingale: Her plants aren't going to save her from me, she's going to face the fury of White Night Dragon. (Ice Blue Energy Aura flares up)

Lincoln: That's right, she's about to get a case of ice cold justice.

Nico: This is gonna end badly for that witch. Alright, gang, let's go, we're heading to the swamps of Georgia to help Gretchen and Clark get rid of The Bog Monsters.

Lincoln: I would've thought we'd finally be rid of The Goosebumps Monsters after we took down Slappy and the rest of them, but The Bog Monsters sure escaped from us. Too bad it'll be their last day alive, and once we get rid of them, you're next, Terra Snapdragon.

Aurora Nightingale: There is no escape for you, servant of Emperor Belos, everything you've done in his name will never be forgiven, and soon, you shall pay the ultimate price for your devotion to him with your life.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to the swamps of Georgia to help Gretchen and Clark get rid of The Bog Monsters, and once we got rid of them, Aurora Nightingale and Lincoln are going to destroy Terra Snapdragon and make her pay for her crimes in helping Belos.

We were off to the Okefenokee Swamp.

---

We arrived in the Okefenokee Swamp.

Me: The Okefenokee Swamp.

Qin: Wow.

Molten Man: I'm definitely gonna be a good help here.

Qin: This is awesome.

We arrived at the house of Gretchen and Clark.

Eye Five: Gretchen? Clark?

They saw us.

Gretchen: Guys! Boy are we glad to see you! Come on in! Hurry!

We went in.

Me: The bog monsters are back. We know.

Hydros: And how's your day been?

Gretchen: Trying to survive. (SNIFFS) EW! You guys reek! You smell like stinkweed!

Grave Clobber: We need to wash that off.

Me: We were on a planet where everything was made of stinkweed.

Lincoln: Yeah it was gross.

Izzy Moonbow: I thought it was really fun.

Pyros: Maria, will you do the honors?

Maria: Like you even have to ask.

She washed us all off and it was good.

Me: Ahh. Thanks.

Koichi: No salt? That goes with pepper.

Me: But pepper is the only thing that makes you sneeze.

Koichi: True.

Qin: Yeah.

Taskmaster: Also, we faced a movie version of the Bog Monster last year.

Me: I remember.

Qin: Yeah.

Camie: That was awesome.

Vinyl Scratch: It sure was.

Me: Yep.

Clark: Really?

Slobber Trap: He looked more grassy than the one you know.

Qin: Yeah.

Clark: Wow.

Gretchen: That is amazing.

Me: Best Halloween ever. Want to see my costume from that year?

Gretchen: Sure?

I spun around and turned into PRINCE DAYSTAR!

Me: I am Prince Daystar!

Stratos: What do you think?

Gretchen: That is awesome!

Me: Yeah it was one of my most amazing costumes ever.

Clark: I like it!

Me: (LAUGHS) Yeah it's awesome.

I spun around and reverted back.

Torch Man: It's gonna be hard top that.

Me: Yeah.

Gretchen: But that was fun. Now we got to stop those monsters.

Xenia: I agree.

Me: Yep.

Lola: Spike can sneeze some fire out to help us.

Spike the Dragon: Good idea.

Lythos: How far are they?

Eli: (Concentrates) 500 yards and closing.

Qin: Oh boy.

Sabrina (Pokemon): I sense they're closing in.

Eli: Lets go get them.

Me: I agree.

Nico: Lets go.

We were off.

King Shark: I call dibs on eating one of them!

Nico: EW!

Lana: Leave eating mud to me!

We saw them.

Me: Targets sighted.

Nico: Entrance time!

We went at them.

The bog monsters roared and then the spirits of fire appeared and they swirled around them and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and then fireballs rained down and burned them and then a phoenix cry was heard and we came out.

Me: Okay you buttfaced Bog Beasts! Taste this! (ACTIVATES COMMON COLD'S RIDEWATCH) (SNEEZES)

I sneezed and then they exploded!

KRASPLAT!

We were covered in mud!

Manterror: Um… eww!

Nico: Yuck!

I fired waves of fire and burned them.

NUMEROUS BOG MONSTERS CAME!

Nico: Okay then! (ACTIVATES COMMON COLD'S RIDEWATCH) (SNEEZES EXPLOSIVELY)

He fired a wave of slime and drenched them and then…

MASSIVE KRASPLAT!

They exploded and we were covered in mud!

Me: YUCK!

Koragg: Someone use a flame shoot!

I fired a wave of fire and blasted the Bog Monsters!

Eli: (ACTIVATES COMMON COLD'S RIDEWATCH) (SNEEZES)

He covered them in snot and then…

KRASPLAT!

More of them exploded and we were covered in more mud!

Nico: YUCK!

Maria: This is getting yucky!

Qin: Tell me about it!

Xenia: YUCK!

Blossom Z and Cadance charged at them and fired energy blasts and smashed them into pulp!

Then Trap Jaw, Beast Man, Unicorn, Hsi Wu, Killer Shrike, Shendu, Mummy, Captain Cold, Madame Masque and Spymaster came.

Nico: Trap Jaw, Beast Man, Unicorn, Hsi Wu, Killer Shrike, Shendu, Mummy, Captain Cold, Madame Masque and Spymaster.

Trap Jaw: Man, you guys look messy!

Nico: Don't we know it?

Beast Man: No one said being a hero had to be clean.

Me: It's always a dirty job but somebody has to do it.

Unicorn: At least it isn't blood.

Qin: True.

Hsi Wu: We heard you fought Duchess.

Nico: Yep.

Killer Shrike: Did you really let her have it?

Me: Oh we sure did.

?: Good riddance.

Lincoln: (Catches the scent) There's no mistaking the smell of blood from anywhere, come out from the shadows, Terra Snapdragon, or we will force you out.

A figure came out, and it was none other than Terra Snapdragon, the leader of the Plant Coven who reports under Emperor Belos.

We were amazed by Aurora Nightingale's Super Angel-White Night Dragon-Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Terra Snapdragon saw it, she went mad and sent plants at her to kill her, but Aurora Nightingale fired a massive barrage of ice blue energy, stars, water, ocean waves, snow, ice, dragons, phoenixes, and angels which killed her plants and hit Terra Snapdragon and sent her flying into a tree, she got back up, but boy, was she pissed off.

Selene Arcangela: Oh man, Aurora Nightingale's transformed, and that plant using witch is about to get a really nasty case of frostbite.

Lincoln: You said it, ice cold justice is coming for Terra Snapdragon.

Aurora Nightingale: (Divine Echoing Godly Voice of The Cosmic Oceanic Water Maelstrom Arctic Ice Storm White Night Dragon Phoenix God Angel and Divine Cosmic Eternal Cosmic Oceanic Water Maelstrom Arctic Ice Storm White Night Dragon Phoenix God Angel Love) You got that right. Let's get her, Lincoln.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as the sword pendants on his large white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing, and he joined Aurora Nightingale.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth,

Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) As if everything you've done in Belos' name was bad enough, but when we found out what you and Adrian did in helping Mindy with creating clones of the Kamen Riders' enemies from the Showa and Heisei era to get revenge on us for what we did in ending Emperor Belos proves you're both the lowest of the low, and for that, you're going to die here and now and you will pay for your transgressions.

Aurora Nightingale and Lincoln went after Terra Snapdragon, and they fired extremely powerful blasts of rainbow energy, ice blue energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Terra Snapdragon, and they exploded with incredible power as they hit her.

Then, Lincoln and Aurora Nightingale attacked her with powerful energy slashes from their massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Aurora Nightingale also did the same by firing rainbow energy slashes from her massive greatsword, and he and Aurora Nightingale attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and this was enough to drive Terra Snapdragon mad with rage.

Terra Snapdragon: YOU! YOU! I WILL KILL YOU ALL AND AVENGE EMPEROR BELOS!

Terra Snapdragon went after Lincoln and Aurora Nightingale in a fit of rage, but Lincoln and Aurora Nightingale fired rainbow and ice blue energy blasts at Terra Snapdragon and they summoned snow dragons to attack Terra Snapdragon and she was really scarred by their furious attack.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Terra Snapdragon's chest, and then, Lincoln began absorbing Terra Snapdragon into his body as he and all of us assimilated all of her powers, magic, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Terra Snapdragon except for her clothes, and he banished Terra Snapdragon to The Black Gates. We cheered wildly for what Aurora Nightingale and Lincoln did as they holstered their massive greatswords on their backs and powered down and Aurora Nightingale's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long ice blue wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large ice blue orbs orbiting around her legs, and massive ice blue angel wings are permanent.

Aurora Nightingale: Your days of maintaining Emperor Belos' "order" have long since passed, now go join him in Oblivion. Thanks for helping me destroy Terra Snapdragon for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Aurora.

Suddenly, Aurora Nightingale wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Aurora Nightingale's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and White Night Dragon flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and snow, ocean waves, and ice behind them and we cheered wildly. Then, Lincoln and Aurora Nightingale sucked in and absorbed the elemental forces and snow, ocean waves, and ice and they came back to us as the display vanished.

Me: That was one awesome battle, you guys, and Aurora, you really did awesome!

Nico: No fooling, you and Lincoln did so awesome taking that fanatical witch down and made her feel the cold chill of death.

Lincoln: She got what she deserved, and tomorrow, Adrian Graye Vernworth is also getting his just desserts as well.

Suddenly, the rainbow gem of Lincoln's silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenix, thunderbird, buffalo, angel, vampire, and werewolf surrounding it on his back started glowing

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

Me: Uh oh! INCOMING!

Then, we saw who it was causing trouble: it was clones of Great Leader of Neo Shocker, General Monster, Admiral Majin, Galaxy King, Ari Commandos, Skull Assassination Squad, Neo Shocker Scientists, Gameleojin, Kumonjin, Komorujin, Sasoranjin, Dokubachijin, Kinokojin, Kamagirijin, Mukadenjin, Cobranjin, Kaningerjin, Sanshojin, Namekujin, Arijigokujin, Haejigokujin, Aokabijin, Gokiburijin, Shibirayjin, Okamijin, Sai Dump, Kurageron, Kogoensky, Musasabader Brothers, Madarakajin, Suddendas, Jaguar Van, Armadig, Zogameron, Bongo, Dokuganba, Hirubiran, Gurand Bazarmy, Hikarabeeno, Obakuron, Torikabutron, Golden Jaguar, Dobunezugon, Mantle Kong, Tako Gang, Kiginger, Dragon King, Gamagiras, Uni Demon, Okappa Priest, Kuchi Yurei, Zombieda, Miminger, Doronyango, Abunger, Hebinger, Mirror Lizard, Dororingo, Zanyoju, Tagameras, Ring Bear, and Commander Hebizuka.

Takeshi: What the? Clones of Great Leader of Neo Shocker and his minions?!

Lincoln: Whoa!

Our jaws dropped to the floor!

CLANG!

Eli shut our mouths.

Nico: WHOA! This is really quite an army!

Lincoln: You said a mouthful, and I'm gonna enjoy absorbing all of them!

Lincoln fired powerful rainbow energy blasts at the clones of Great Leader of Neo Shocker and his minions and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of Great Leader of Neo Shocker and his minions, and then, Lincoln began absorbing them all into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates.

Lincoln: Whoa, now that was intense, but now, we also have the powers, strength, and abilities of the Neo Shocker Organization.

Me: You said it. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: I've got just the person: Rulkallos Harper, Gene-Slammer of Tearlaments Rulkallos.

Shaylen Harper: (GASPS) One of my sisters, that's awesome, and you guys will love meeting her, Rulkallos Harper is Lincoln's Guardian Angel from Michigan and the seventh of eight sisters, she has powerful mastery of darkness and water and she is known for her amazing swordsmanship skills, and like me, she has a magic sword that was made by Tearlaments Rulkallos that can cut through even the strongest of metals and her sword also has the power to make them go insane! She also took on all of the meanest bullies in the city after that were after Lincoln and she slashed them all over and filled up a maximum security insane asylum in one day. She even took down Scoots at the worst of her fury and rage, and one slash from her sword made her worst fears come true: she was kicked out of Sunset Canyon and thrown into the grave.

We gasped.

Nico: Whoa.

Lincoln: Yeah, it made Scoots' worst fears come true, but too bad, it didn't drive her mad like those hit by Shaylen's sword.

Me: Yeah, I wanted to see her lose it big time, but still, that's really powerful.

Shaylen Harper: That's right.

Shendu: Well, that was messy.

Mummy: That's putting it mildly.

Qin: Yeah we're a mess!

Captain Cold: But at least the Bog Monsters are gone now.

Madame Masque: So, what now?

Spymaster: We're gonna need a shower. Badly

Nico: Yeah I smell like shit! But great job today everyone!

Applejack: (To the viewers) YEEHAW! Boy this was a messy adventure.

Me: But it was fun.

We went back home and took a shower and enjoyed the rest of the day and went to sleep.

We got a call from Mystery Inc. and it was about one of their monsters on the loose.

Nico: Boy I wonder what monster we'll face.

Camie: Good question.

Varie: It's always going to be fun.

Lola: Yeah especially with us busting one of their monsters.

Nico: Yep.

Diamond Tiara: This is gonna be so fun and cool!

Apple Bloom: You said it Diamond!

Nico: Diamond Tiara, I want to thank you, Toxic Horror, and your teams for coming.

Diamond Tiara: No problem Nico. This is gonna be so awesome.

Lola: It sure is!

Me: Your father is really proud of you D.T.

Diamond Tiara: Thanks J.D. He is too and so is mother. I'm glad I got her to change her ways too.

Nico: What does she… Oh right she would always be mean like that.

Me: Yeah. Thank goodness we helped her.

Nico: Yep.

Kira Quartz: But I'm really looking forward to this.

Sakura Knudson: Me too. Its been ages since I was on a mystery with the Scooby Doo Gang.

Me: Really sis?

Sakura Knudson: Oh yeah.

Nico: Kira what do you like to do in your free time?

Kira Quartz: Well I like to work at the rock and mineral exhibit in the natural history museum and I make it fun and cool by using my powers to make it a REALLY awesome crystal cave.

Nico: Wow! Give it a lot of style and pizazz to add a theme.

Kira Quartz: Exactly.

Me: That's awesome.

Nicole: I've seen her work her magic at the museum and it's amazing.

Kole: I help her with that. For obvious reasons.

Nico: That is cool. You and Kira both have an awesome job there.

Kole: It's good money.

Rarity: Oh that is absolutely amazing darlings. Also Kira and Kole both work at my boutiques to give me gems for my fashions.

Kira Quartz: Yeah we like to multitask. Jewelry Stores, Rarity's shops and the rock exhibits at the natural history museum. It's fun.

Nico: Cool cool.

Laney: That is awesome.

Nico: It sure is.

Me: Yep. Man that was so messy!

I cleaned out my ear and pulled out a glob of mud.

Me: Yuck! Still have mud in my ears.

Nico: You know how many showers I had to take?! (shudders) So many…

May: Me too! That was so messy!

Lana: I'll say! I loved all that mud.

Lola: Uch! Speak for yourself Lana! That was disgusting!

Rarity: It beats a good trip to the spa.

Me: Well you don't want to know where that swamp mud had been. But on the plus side that's another Goosebumps Monster destroyed.

Nico: True, But still all that mud will still be gross!

Maria: Was it worth it, Lana?

Lana: Oh you bet it was! That was the most fun I've ever had in the mud.

Applejack: (LAUGHS) Yeah Lana sure is a girl that loves to be filthy.

Nico: (LAUGHS) Yeah.

Me: That's Lana for you.

Sakura Knudson: (LAUGHS) Lincoln your sister is one of the most amazing mud-loving girls I've seen.

Lincoln: (LAUGHS) Yeah I know. And her love of animals is great too.

Lana: Yeah it's awesome.

Fluttershy: Like me.

Me: Yep. Like you Fluttershy.

Lana: It's true.

Hitch Trailblazer: And me too. Because of my love for the critters too.

Me: That is awesome that Hitch can do that too.

Lola: Yep.

Eli: We're here guys.

We arrived at the Ferguson Estate.

THUNDERCLAP!

COYOTE HOWL!

Me: The Ferguson Estate. Wow! I remember this place.

Allie Wilde: Boy this brings back lots of memories. This was where we had the first ever mystery we did with Shaggy, Scooby and friends.

Me: Good times.

Nico: Lets head in.

We went inside.

Me: Hello? Anyone home?

We looked around.

Me: Wow looks like no one has been in here for years.

Nico: The monster should be here somewhere.

We entered and then the floor gave way and then we fell through and then…

CRASH!

We crashed onto something!

All of us: OUCH!

Nico: Dammit!

Eli: That hurt!

Me: But we landed on something!

We saw that we were on top of a massive pile of money!

Nico: What the!? Money!?

Eli: Money!?

Eddy: Wow! Luan we'll buy our own candy store!

Luan: (LAUGHS) Yeah we sure will!

Camie: Wow! Where did all this money come from?

Lola: Yeah!

Eddy quickly got a few of it.

Me: Hmm. (Suspicious) Lets see.

I looked at the bills very closely.

Me: Aha! They all have the same serial number! This money is all fake!

Eddy: Say what?!

Me: This money is counterfeit! Every single bill has the exact same serial number on it. Look.

I showed Nico and he looked at it.

Nico: He's right! This is all bogus money! Good eyes J.D.

Me: Yep. And I remember who did this too.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and we're not going to like this in the slightest: we got word that The Green Ink Monster has been sighted and he's at The Ferguson Estate.

We gasped.

Me: Oh man, The Green Ink Monster?! Not good.

Qin: Actually, I checked with the prison, and the person who dressed up as The Green Ink Monster, Mr. Conrad, is still in prison.

Lincoln: So, this means, we're dealing with a clone, and since we're getting close to Halloween, we're gonna start seeing clones of Mystery Inc's enemies running loose, but all the more better for me to start absorbing them, maybe I can find out who the mastermind is.

Nico: Smart thinking.

Granity: Leave this green ink monster to me, J.D., and Lincoln, he's gonna get it big time.

Me: You got that right.

Allie Wilde: Boy I remember the Green Ink Monster. He was scary.

Qin: Yeah and the dry ink he had made Scooby Sneeze.

Eddy: How dare he bait us with fake cash?!

Nico: Actually this was all discovered by accident.

Me: Yeah we weren't baited. We stumbled upon this by mistake.

Eddy: Oh that's different.

Me: Also back in those days, the Green Ink Monster stole Shaggy's red bike for his printing press. It needed a chain and Shaggy's bike chain fit it perfectly.

Nico: Wow.

Eddy: Should we call the others?

Nico: Good idea.

We did so.

Lori: We got here as fast as we could.

Me: Awesome.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his

abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for The Green Ink Monster clone) AHA! Gotcha! I just spotted The Green Ink Monster clone, he's 20 yards away, and he's already chasing after the gang.

Nico: That just saved us the trouble. Let's get him and tear him in two!

Lincoln: He's gonna end up as a massive green stain on the floor. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all

of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on The Green Ink Monster clone.

We were walking around and we're looking around for The Green Ink Monster clone,

Lincoln: (Spotted green ink) Aha, and here's a green ink trail.

Me: Nice.

Nico: He's basically leading us right to him.

Ed heard a Pokemon cry.

Ed: Hear that guys?

We then smelled a REALLY FOUL ODOR!

SEAL BARK!

Me: (Sniffs) EW! NICO!

Nico: Hey it wasn't me!

Qin: I think it's from him!

We saw that it was a Muk.

Me: Hey a Muk!

The Muk was hurt all over.

Lola: Oh the poor thing is hurt.

Xenia: Aww.

Muk: That monster did this to me.

Poliwag: Aren't you a blob yourself?

Muk: Just because I'm a blob doesn't mean I don't feel pain.

Poliwag: True.

Nico: Yep.

We healed it up.

Ed: There you go.

Muk: Thanks.

Ed: No problem.

Qin: Also I heard that Allie Wilde has a score to settle with Red Herring.

Nico: Really?

Allie Wilde: Believe it or not I do. We thought Red Herring was the monster and we followed him to Weirdo Woods and he snuck up behind Daphne and pushed her right into the mud. Covering her from head to toe in mud. She was a bit of a clean girl back then. And if I see Red Herring I'll smash his face in.

Qin: Geez!

Nico: He's in the Masters of Evil now.

Allie Wilde: I heard. But I still want to smash his face in!

Me: That can be arranged later.

Suddenly, we saw the gang running towards us, and then, we saw The Green Ink Monster clone head for us, but before he could attack, Lincoln created a massive indestructible diamond barrier that had protected all of us, and he banged his fists hard at it, but the barrier was still standing and his fists were all bruised as he screamed and howled in pain.

Eli: Jeez!

Nico: Man, that's painful.

Green Ink Monster Clone: GET OUT HERE RIGHT NOW! I MUST KILL YOU ALL FOR THE MASTER!

Qin: As if, you're not one of Universe 666 Sebastian's creations, but even dead and forever erased, he's still a total sore loser.

Elly Chromington: This reminded us of all of Sebastian's repeated attempts to kill us all after we had kicked him out of our friend group years ago because he was a part of an incident so horrendous and so evil, it exposed his descent into darkness and insanity to everyone, even Qin and Nico were really horrified along with Mindy, Connor, and Alicia, and not only did he get kicked out, but we also made a vow saying that if he ever crawled out of the darkness once more, he would pay dearly for everything he's done.

Lincoln: We'll have to hear it one day.

Sebastian Mendez: If you say one word about this, I'll make your future weddings to Nico a disaster! (DEMONIC ROAR)

Cynthia and Emile Mutaito roundhouse kicked him in the face and he went flying out of the mansion and crashed headfirst into a nearby telephone pole and he got knocked out.

Cynthia and Emile Mutaito: Take a siesta, you blood-crazed leech.

Trudy Lawrence: I've been waiting for someone to kick that blood-crazed insane asshole right in his face, that's for all the times you've tried to kill us in the past!

Lincoln fired a massive diamond ball with fire surrounding it, and it hit The Green Ink Monster clone and sent it flying out of The Ferguson Estate and crashed into a wall Lincoln made, we charged out and got ready to confront The Green Ink Monster Clone.

Eli: Even with Sebastian knocked out, we're still ready to take you down, you blob of ink.

Granity: Let's teach this walking blob of green ink a lesson he'll never forget.

Me: With pleasure!

Xenia: Bring it on you walking slimeball!

Me: Remember me you walking slimebucket?

Green Ink Monster: YOU! YOU RUINED ME J.D.!

Me: And I'm glad I did!

Homer then broke down crying!

Homer: (CRYING) Oh that always makes me think of Pinchy! Even though he's in the M.O.E. (EATING ONE) Oh that's good!

Edzilla patted Homer on the back.

Homer: (Crying)

Edzilla: There there Homer. Ed think you good friend for Pinchy.

Homer: (Crying) Thank you Ed. (Eating) Oh so delicious.

Me: Poor Homer. How about this too!

I used the Crab Crystal.

Me: CRAB CLAW PINCHER!

I fired a wave of energy and it pinched the monster and he screamed in pain!

Rice: Let me join in!

She fired a wave of energy and blasted down the monster!

Qin: Oh yeah!

Me: How about this!

I used the Gila Monster Crystal!

Me: GILA POISON BURST!

I fired a wave of purple energy and it hit the monster and blasted him all over!

Nico: YEAH!

Me: They don't call Gila Monsters the most venomous lizards in the world for nothing. How about this too!

I used the Porcupine Crystal.

Me: PORCUPINE QUILL SHOWER!

I fired waves of Porcupine Quills and they hit the monster!

POINK POINK POINK POINK POINK POINK POINK POINK POINK!

Green Ink Monster: YEEEEEEEEOUCH!

He smashed into the ceiling and was dazed and stupid.

Nico: Ouch!

Qin: Big time ouch!

Me: How about this too!

I used the Ram Crystal.

Me: SMASHING RAM BASH!

I fired a wave of energy and it formed into a ram sheep and then it smashed into the monster and he crashed into the wall!

Qin: OUCH!

Xenia: Whoa! Nice!

Horsea: YAY!

Cole: Wow! That is cool that you are showing us more abilities of the crystals.

Me: Lots of awesome surprises.

Lincoln: Yep.

Me: Like this!

I used the Wildebeest Crystal.

Me: WILDEBEEST STAMPEDE PUMMEL!

I fired a wave of energy and it formed into a massive herd of Wildebeest! Then the monster got up and saw the herd of of Wildebeests! HE DID A FRIGHTFUL WILD TAKE AND THEN GOT TRAMPLED AND SMASHED ALL OVER!

Nico: Just like Hippos!

Me: No THIS is hippos!

I used the Hippopotamus Crystal!

Me: HIPPO STAMPEDE FURY!

I fired a wave of energy and it formed into a herd of hippos!

The monster saw them!

Green Ink Monster: HIPPOS!

He got smashed and trampled by them.

Eddy: Glad that's not me!

Qin: Yeah!

Me: Yep.

Granity: Time for my action!

Suddenly, Granity's green eyes turned neon green and she was surrounded by a green energy aura with stars, metal, nature, plants, leaves, pixies, phoenixes, and angels, she unholstered her massive gold greatsword from her back, and as she approached The Green Ink Monster Clone, she left green energy, stars, metal, nature, plants, leaves, pixies, phoenixes, and angels with every step.

Granity: Even if you're just a clone of The Green Ink Monster, you're still just as bad as the real one, but what makes you even more bad is that you're just a construct created by the mastermind of this whole thing, and when we find out who it was, he'll pay with his life.

Suddenly, Granity was surrounded by a massive vortex of green energy, with stars, metal, nature, plants, and leaves surrounding it, there are pixies, phoenixes, and angels flying around the vortex, and in the vortex is a green phoenix with red eyes glaring at The Green Ink Monster Clone: the red eyes of eternal death.

Me: WHOA!

Nico: So incredible!

Lincoln: That really is so awesome!

But, The Green Ink Monster Clone went completely mad with rage and charged at the vortex and us as well, but he got hit hard by blasts of green energy. Then, as the vortex faded, Granity emerged, but she was changed forever.

Granity grew to 8'0" in height, she has large gold metal bracers on her biceps and thighs, and she now has twelve large green orbs orbiting around her legs, she has the body of a goddess, she has silver blue highlights in the bangs of her long green hair and silver horns on her head and silver headband and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon green eyes and a green energy aura with stars, metal, nature, plants, leaves, fire, lightning, pixies, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has a pixie emblazoned on her forehead and Third Eye with green iris, she has on pixie earrings with green gems for eyes and holding the Star, Metal, Fire, Lightning, Nature, and Eternity Kanjis in its hands, she also has a pixie with green gems for eyes and holding the Star, Metal, Nature, Fire, Lightning, and Eternity Kanjis in her hands for the second pendant on the bottom of her green pixie-shaped Element of Harmony, along with the gold Phoenix pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with green crystal links from her merged Crystal Necklace of the Buddha and green gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Granity felt a sharp pain on her back, and then, her massive silver angel wings with green tips on the large silver feathers grew much bigger for her new body and she also now has eleven massive and long green wolf tails with silver tips and silver markings, Granity has on her Ring of the Phoenix with large green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Granity's massive golden greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of green energy, stars, stars, metal, nature, plants, leaves, fire, lightning, pixies, phoenixes, and angels, and when it emerged, it was transformed into Granity's Cosmic Eternal Inferno Firestorm Electric Lightning Pixie Phoenix Angel Greatsword of Cosmic Eternal Inferno Firestorm Electric Lightning Pixie Phoenix Angel Justice, it's a brand-new massive greatsword with embedded green gems and a pixie etched on the 7'8" massive, wide, double-edged gold blade, large gold phoenix heads for the crossguard, large white angel faces built into both sides of the hilt and large green gems embedded in their foreheads, longer midnight black handle, four large gold phoenix heads with green gems for eyes and on the bottom of the large gold phoenix heads is a large gold phoenix head with green gems for eyes and green gem in its mouth for the pommel, Granity has on her large gold Bracers of The Champions of The Universe with large green gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold pixie head with green gems for eyes and large green gem in her mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Granity's Super Angel-Pixie-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when The Green Ink Monster Clone saw it, he went mad and ran at her to kill her, but Granity fired a massive barrage of green energy, stars, stars, metal, nature, plants, leaves, fire, lightning, pixies, phoenixes, and angels which hits The Green Ink Monster Clone and sent him flying into another wall, he got back out, but now, he was enraged.

Granity: (Divine Echoing Godly Voice of The Inferno Firestorm Electric Lightning Nature Fusion Pixie Phoenix God Angel and Divine Cosmic Eternal Inferno Firestorm Electric Lightning Nature Fusion Pixie Phoenix God Angel Love) Alright, you ugly green pile of ink, hope you're ready for a well-deserved beating.

Suddenly, The Green Ink Monster clone got hit by a barrage of sand blast.

Lincoln: WHOA! Okay, that wasn't any of us!

Me: Nope, but I know someone who'd do something like that.

Suddenly, we saw a very beautiful and super sexy girl with long brown hair and flower clip in her hair, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful rainbow angel wings, she's dressed in a yellow short-sleeved frilly shirt, necklace with pearls and blue gem for the pendant, yellow skirt, white bridal gloves, golden yellow knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, phoenixes, and angels on the coattails and on the back is a phoenix and angel with stars reflecting off them, and holstered on her back is a massive golden greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel.

Lincoln, Granity, and I went after The Green Ink Monster Clone, and we fired extremely powerful blasts of rainbow energy, green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at The Green Ink Monster Clone, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Granity, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving The Green Ink Monster Clone even more insane and straight to the brink of insanity.

Green Ink Monster Clone: YOU! YOU! (ENRANGED SHRIEK)

The Green Ink Monster Clone charged right at us completely blind with homicidal rage and fury, but Nico, May, and Qin kicked him hard in the stomach, then, Lincoln smashed him hard into the ground with his eleven massive and long white wolf tails, and he was really getting messed up, and then, he threw him and sent him into a nearby wall.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And now, for the feast.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into The Green Ink Monster Clone, and then, Lincoln began absorbing him into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of The Green Ink Monster Clone, and he sent him to The Black Gates. Everyone cheered wildly as we holstered our weapons and powered down, and Granity's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long green wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large green orbs orbiting around her legs, and massive silver angel wings are permanent.

Granity: Now, that was so awesome!

Lincoln: That's one clone of Mystery Inc's enemies down and more to go.

Suddenly, Granity wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Granity's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Pixie flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and fire and lightning behind them and we cheered wildly. Then, Lincoln and Granity sucked in and absorbed the elemental forces and fire and lightning and they came back to us as the display vanished.

Genki: And when were you guys going to tell us that you started going steady?

Lincoln: We were saving that for when the time was right.

Nico: We knew about it, and we swore to keep it a secret until then, and we also had to keep Cosmo from blabbing.

Lincoln: You guessed it. (To Carly Knudson) And it's so good to see you again, Carly.

Carly Knudson: You too, Lincoln, it's been seven years since we last met, and it's so good to see you, our sisters, Varie, and Mom and Dad again, J.D.

Me: You too, sis.

Lincoln went up to Carly Knudson and he hugged her, and Carly Knudson is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Carly Knudson: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed, I do, Eli. Everyone, this is Carly Knudson, God Sibling of Sand, she's my Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful sand powers and immense control over the sands. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of J.D., Sakura, Elaine, Helena, Sophia, Avery, Emily, Abigail, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Evelyn, Marlene, Gianna, Arlene, Melanie, Celine, Clara, Megan, and Valerie, and just like J.D., Sakura, Helena, Sophia, Emily, Abigail, Avery, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Marlene, Valerie, Gianna, Melanie, Arlene, Celine, Clara, Megan, and all of us, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just Sand, but also Fire, Water, Ice, Wind, Lightning, Earth, Lava, Darkness, Light, Crystals, Wood, Stars, Time, Gravity, Nature, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all.

Nico: WHOA!

Me: Yeah, she's that powerful like us and she defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals, and if you get her mad, WATCH OUT OR SHE WILL BURY YOU IN THE DEEPEST SAND DUNES THAT SHE CAN FIND IN THE WORLD!

We gasped.

Nico: Oh… shit!

Lincoln: Yeah, it would be a huge mistake if anyone dared to piss her off, and now that you're here, Carly.

Lincoln went up to and hugged Carly Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Carly Knudson: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Carly Knudson's neck with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Carly Knudson: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Carly Knudson.

Carly Knudson had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them.

Nico: And Cadance? You and Blossom Z did good yesterday.

Cadance: Thanks Nico.

Blossom Z: But it was messy.

Camie: It sure was.

Me: Yeah. At least we weren't sprayed by skunks.

Nico: Nice job, Muk.

Muk: Thanks! (FARTS) Oh sorry. I got really bad gas.

Qin: Funny.

Poromon: Want some beer?

LOUD FART!

Muk farted in Poromon's face.

Poromon: Very funny!

Muk: Sorry it happens without warning. But I don't drink beer. Sorry.

Poromon: Oh. Okay.

Poliwag: (Does Puppy Eyes) Pwetty pwease?

Muk: Nice try. (LOUD FART) Oops.

Poromon: Just forget it, Poliwag. You don't want to be farted on.

Poliwag: Okay okay.

Odaiba Lexington: Geez! A Pokemon with Calabash Syndrome. (LOUD LONG FART) Ooops! Pardon me.

Nico: Geez! We're full of gasbags!

Ed: Pull my finger Eddy! (LOUD FART)

Homer was still crying and he had eating all the lobsters!

Me: Whoa someone was really hungry.

Eddy: Okay Horsea, lets check on your progress. (Gets out Haunted Car Picture)

Horsea: I'm not scared of that anymore.

We cheered.

Me: All right Horsea.

Horsea: Hey! I did it!

Xenia: YEAH!

Eddy: You get a special treat! (Gets out a jawbreaker)

Horsea: JAWBREAKER!

She put it in her mouth and slurped on it.

Nico: Nice!

Ed: JAWBREAKER! YUM YUM YUM!

Maria: What flavor is it?

Horsea: Cotton candy. (SLURPS) Delicious.

Eddy: Want a jawbreaker Luan?

Luan: Sure Eddy.

They both slurped one.

Ino: I knew my therapy would pay off.

Me: It sure did.

Strange Voice: "Hey, you." [Ed looks everywhere, eventually turning to a table.] Ed: "Me?" Strange Voice: "Yeah, you. Approach me, mortal, for I am the great Baron O'Beefdip." [Ed cowers. We see that a walkie-talkie is taped to the back of a toy monster.] Ed: [confused, approaching the table] "Baron O'Beefdip?"

Baron O'Beefdip: "Do not perplex me. Obey my commands!"

Ed: "Commands?" Baron O'Beefdip: "Is there an echo in here? Quick, bend over!" [Ed does as commanded and hits his head on the table.] "Pull up your feet!" [Ed pulls his feet up, falls and lands on his butt.] "Now, eat your mattress." Ed: "Yum!" [Ed rushes over to bring it over to eat it.] ED CAME BACK WITH HIS MATTRESS!

Edd: "GOOD LORD, MAN!" ED ATE HIS WHOLE MATTRESS!

Ed: [finishing his mattress] "That hit the spot."

WE SAW EDDY LAUGHING HYSTERICALLY!

Me: (LAUGHS) THAT IS FUNNY!

Lola: (LAUGHS) YEAH!

I went over to the toy and saw that it was Ed's toy and there was a walkie talkie on it.

Nico: That is funny!

Me: Whoever did that is awesome. Pinkie did you do this?

Pinkie Pie: No it wasn't me.

Nico: Was it you Poromon?

Poromon: No.

Izzy Moonbow: That would have been funny if it was.

Then Izzy's cutie mark was glowing.

Izzy Moonbow: Ooh look here guys!

Nico: Your cutie mark is glowing!

Me: That can only mean one thing. The Anothers are coming.

Eli: Yep. Lets see. (CONCENTRATES) Whoa! We have Another Toxic Horror, Kesaran, Golden Homunculus, Aultcray Melromarc XXXII, SCP-054 Water Nymph, Earth Mystic Foot, The Broodals, Key, Savitar, Cobalt Blue, Reverser and Bad Paper Chicken

Me: WHOA!

Eli: (Concentrates) Nope.

Me: Well looks like Kira Quartz, Crystal Lullaby, Shining Armor, Garden Grove and Crystal Laney, Sonic, TJ Johnson, Turbo, Maggie Peyton, Ratchet and Clank, and Church are up.

Nico: Anyone Else?

Eli: (Concentrates) Aligned Octopunch, Underbite, Razorpaw, Terrashock, and Glowstrike.

Nico: Whoa! So Claw Jaw, Sailor Venus, Xenia Ulysses, Bonecrusher (Beast Wars) and Waspinator.

Qin: Nice!

Eli: I sense the Anothers minus Toxic Horror are one person.

Qin: Wow.

Nico: There they are!

We saw Kesaran, Golden Homunculus, Aultcray Melromarc XXXII, SCP-054 Water Nymph, Earth Mystic Foot, The Broodals, Key, Savitar, Cobalt Blue, Reverser, Bad Paper Chicken, Aligned Octopunch, Underbite, Razorpaw, Terrashock, and Glowstrike.

Qin: WHOA!

Nico: This is gonna be good.

Another Key: (In a girls voice) (LAUGHS) Did you like the prank I did? Funny huh?

They merged and she reverted back and it was a girl with blue curly hair and purple eyes and she had purple clothes and and had blue angel wings and had a tiara with Izzy Moonbow's Cutie Mark on it and the same symbol on her skirt and she had Pinkie Pie's sword in her hand and had Izzy's tail.

Isabella Izzy Moonbow: Isabella Izzy Moonbow, Embodiment and Gene-slammer of Izzy Moonbow and Legacy of Pinkie Pie.

Izzy Moonbow: WOOHOO! Wow! Love meeting my embodiment!

Pinkie Pie: Best Embodiment EVER! Wow!

Nico: That was you?!

Isabella Izzy Moonbow: Yep.

Nico: That was a great prank!

Girl Jordan: (LAUGHS) Yeah that was funny!

Isabella Izzy Moonbow: That was awesome. Not only am I a good prankster but I'm a great tinkerer.

Qin: Awesome!

Izzy Moonbow: Awesome! Great to meet an awesome Unicycler like me.

Isabella Izzy Moonbow: Yep! It's awesome.

Me: They do say One Mans Trash is Another Man's Treasure. But that's awesome.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and was separated.

Me: Action time!

We fired waves of energy and elements and blasted the Anothers and smashed them down.

I caught the Wonder Ride books.

Me: Awesome!

Nico: That was awesome.

Maria: Time for some backup. (TURNS DIAL) VOLCANIC NIGHTMARE 6!

She summoned Magma Gloom, Halloween Phantom, Bochapkin, Jumotsu, Nature Patties, Imposter Sailor Moon and Girori A.K.A. Kamen Rider Glare!

Qin: Awesome!

Nico: And now we wait.

Nature Patty: Want some of me?

Me: Sure!

We got some Nature Patties!

Patrick: Oh boy!

Squidward: How delightful!

Mr. Krabs: Dig in, boys!

[Squidward, Patrick and Mr. Krabs take a bite of the Nature Patties, but they find them very disgusting.]

Squidward: Oh! It's like eating the inside of a lawn mower!

Mr. Krabs: I think mine is mostly stones!

Me: It tastes like eating mud and grass.

Lana: I like it.

SpongeBob: [swings above them] Out here, we call them forest tomatoes.

[Mr. Krabs and Squidward spit the Nature Patties out and glare at SpongeBob. Patrick, however, seems to enjoy it and swallows it.]

Me: I've eaten worse though.

Nico: I don't mind.

Me: Yeah.

Then we saw a figure and it was Another Toxic Horror!

Me: Right on time!

Lola: Yep.

Another Toxic Horror: (in a girls voice) (British Medieval Accent) Thou ready for some fun for sooth!

Me: (GASP) That voice.

She reverted back and it was a girl with blond hair and had blue eyes and blue clothes and she had blue angel wings and had a tiara with the symbol of Xcalibur on it and the same symbol on her skirt and she had the mighty sword Excalibur in her hands and she had a ring on her finger with the symbol of the Knights Templar on it.

Me: Merlin Excalibur!

Merlin Excalibur: Good to see thou again J.D.

Me: You too Merlin. She is the embodiment of the Xcalibur Dopant and is also a girl that lived back over 2,000 years ago.

All of us: WOW!

Qin: Amazing!

Me: Yep and she has all the powers and skills and abilities of the Knights Templar as well as the magic of Merlin. And she also has all of Toxic Horror's powers too.

Nico: Wow!

Kaito: (gets out Kyuranger gear) Did Swartz promise you anything?

Zocks: (gets out Lupinranger gear) Because we can grant it instead.

Chloe Bourgeois: (gets out Patranger gear) Zocks, I'm helping out too.

Zocks: Okay.

They got Kyuranger and LupinRanger and PatRangers swords.

Merlin Excalibur: That knave Swartz promised to give me more magic.

Me: Well we can always do that.

Nico: Yeah.

Sougo: (gets out Kyuranger gear) I bet you said no to his offer.

Geiz: (gets out Lupinranger gear) Besides, we got several magic experts with us.

Tsukuyomi: (gets out Patranger gear) You just need to ask.

Sougo got ShishiRedArmor, Geiz got LupinRedArmor, and Tsukuyomi got Patren1gouArmor.

Merlin Excalibur: Thou are right. I said no to his offer.

Me: Good. Because he would never live up to his end of the bargain.

Qin: Yeah.

Lincoln: Lets separate you first.

Lincoln fired a wave of light and separated her.

Merlin Excalibur: Thou must be ready for me.

Nico: (Gets out Toxic Horror's Ridewatch) I'm feeling Toxic!

May: (Gets out Golden Homunculus Ridewatch) I am golden!

Maria: (Gets out SCP-054 Water Nymph's Ridewatch) I am going to make you all wet!

Kira Quartz: (Gets out Kesaran's ridewatch) Time to dazzle!

They used the powers of Toxic Horror, Kesaran, Golden Homunculus, Aultcray Melromarc XXXII, SCP-054 Water Nymph and Earth Mystic Foot and blasted the Another!

Then Louie PoisonSea and Universe 666 Infected Argentinosaurus, Khan, Kaos, Hexxus and Organization XIII came.

Nico: Cool! Nice team Louie!

Louie PoisonSea: Thanks Nico!

Silver Spoon: That means I'm next!

Me: You sure are!

?: Time to begin the experiment!

Acid Man came.

Me: Whoa! Acid Man!

Acid Man: (In a girls voice) Time to begin the experiment!

Nico: Kira Kiryu!

Sento: Sis!? WHOA!

She reverted back and was a girl with green hair and green eyes and had blue clothes and green angel wings and had a tattoo for Kamen Rider Build on her arm and she had the Kanji for Acid in the middle of her forehead and had a Fullbottle blaster on her hip.

Kira Kiryu: Awesome to see you brother and you too Nico. I got this.

She fired energy blasts and smashed the Another and I caught the Ridewatch and I purified it

Acid Man: Of course you would be related to Sento. I tend to do experiments myself.

Kira Kiryu: Yep. Very fitting. I was trying to find him when I met Nico. So we can help kill Evolt together.

Pohatu: Well you are too late for that. Evolt is dead.

Me: We killed him last year and banished him to the Black Gates.

Sento Kiryu: It's true sis.

Kira Kiryu: Oh bro!

They hugged for the first time in a long time.

Nico: Aww.

Kira Kiryu: I'm just glad to be back together with you.

Sento Kiryu: And I'm never losing you again.

Kira Quartz: Do you have a favorite memory of Nico?

Kira Kiryu: Well many of them. I helped him in chemistry class when I lived in the Philippines with him.

Nico: Yep it's true.

Me: So all that happened while Sento and his team were fighting Evolt back in his world in 2017.

Nico: About 1 year before I joined the team.

Kira Kiryu: That's right. That was so fun.

Nico: Wow.

Nico and Kira hugged.

Nico: I've missed you Kira.

Kira Kiryu: Same here Nico.

We later went back home

Nico: From Kamen Rider Super-1?! Oh man!

Me: Not good. That bitch really crossed it this time, now we're facing off against clones of the enemies of Kazuya Oki A.K.A. Kamen Rider Super-1.

Diamond Tiara: And from the looks of it, it's a large army of them.

Lincoln: And of course, I'm still going to absorb them, and I have the feeling I'm gonna uncover who helped Mindy create the clones of the Kamen Riders' enemies.

Suddenly, we saw a very beautiful and super sexy girl with long dark blue hair and blue hairband, dark blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful blue angel wings, she's dressed in a dark blue sleeveless open blouse, sleeveless dark blue crop top, necklace with dark blue heart gem for the pendant, dark blue skirt, dark blue bridal gloves, dark blue bellbottom pants, dark blue knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with stars, water, darkness, ocean waves, swords, phoenixes, and angels on the coattails and on the back is Tearlaments Reinoheart, and holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel, and with her are the seven girls.

Lincoln: (GASPS) Rulkallos Harper, Gene-Slammer of Tearlaments Rulkallos.

Rulkallos Harper: That's right, and I got the girls away from those clones, but I've pissed them all off big time and they're coming after us.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the chests of the clones of Emperor Terror Macro, General Megirl, Commander Blue Oni, Dogma Bodyguards, Fire Kong, Elekibas, Kamagirigan, ChameleKing, Spiderbaban, ArigiThunder, Snakecobran, Ganigannii, Bakuronger, JawsWani, Raigyon, Gyosutoma, Mukaderiya, LionThunder, Onimengo, Lonely Wolf, Yattaradamas, Cassette Gomoru, Tsutadenma, Bachingaru, Satan Hawk, Strong Bear, Hebindar, Zozongar, Crazy Tiger, Marshal Demon, Princess Yokai, Commander Onibi, Doctor Ghost, Staff Officer Witch, Killer Knife, Jishakugen, Fiery Watch, Glasun Kid, Videon, Amaganser, Mach Roller, Sprayder, Tsuribot, Radigorn, Red Danger, IsuGuillotine, HasaminBlood, KomaThunder, Robot Super-1, Kogoenbee, FrankeLighter, Shabonurun, Keyman Joe, DokuroBall, Goldar, Hashigorn, and ShokaKing, and then, Lincoln began absorbing them all into his body as he and all of us assimilated all of their powers, abilities, and strength and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them and he sent all of their souls to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: Whoa, now that's what I call a feast, and now, we have all the powers, strength, and abilities of Kamen Rider Super-1's enemies.

Suddenly, the rainbow gem of Lincoln's silver 28th Century Hi-Tech

Futuristic Miracle Box backpack with phoenix, thunderbird, buffalo, angel, vampire, and werewolf surrounding it on his back started glowing

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

Me: Uh oh! INCOMING!

Then, we saw who it was causing trouble: it was clones of N·Daguva·Zeba, Nu·Zajio·Re, La·Balva·De, La·Doldo·Gu, Xu·Gmun·Ba, Xu·Goma·Gu, Xu·Mevio·Da, Xu·Vazuu·Ba, Xu·Zain·Da, Me·Vagis·Ba, Me·Geega·Gi, Me·Byran·Gi, Me·Garido·Gi, Me·Gadra·Da, Me·Ginoga·De, Me·Galme·Re, Me·Garima·Ba, Go·Buuro·Gu, Go·Bemiu·Gi, Go·Gamego·Re, Go·Badaa·Ba, Go·Jalaji·Da, Go·Zazalu·Ba, Go·Jaaza·Gi, Go·Babel·Da, Go·Gadol·Ba, and Go·Jiino·Da.

Lincoln fired powerful rainbow energy blasts at the clones of N·Daguva·Zeba, Nu·Zajio·Re, La·Balva·De, La·Doldo·Gu, Xu·Gmun·Ba, Xu·Goma·Gu, Xu·Mevio·Da, Xu·Vazuu·Ba, Xu·Zain·Da, Me·Vagis·Ba, Me·Geega·Gi, Me·Byran·Gi, Me·Garido·Gi, Me·Gadra·Da, Me·Ginoga·De, Me·Galme·Re, Me·Garima·Ba, Go·Buuro·Gu, Go·Bemiu·Gi, Go·Gamego·Re, Go·Badaa·Ba, Go·Jalaji·Da, Go·Zazalu·Ba, Go·Jaaza·Gi, Go·Babel·Da, Go·Gadol·Ba, and Go·Jiino·Da and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of N·Daguva·Zeba, Nu·Zajio·Re, La·Balva·De, La·Doldo·Gu, Xu·Gmun·Ba, Xu·Goma·Gu, Xu·Mevio·Da, Xu·Vazuu·Ba, Xu·Zain·Da, Me·Vagis·Ba, Me·Geega·Gi, Me·Byran·Gi, Me·Garido·Gi, Me·Gadra·Da, Me·Ginoga·De, Me·Galme·Re, Me·Garima·Ba, Go·Buuro·Gu, Go·Bemiu·Gi, Go·Gamego·Re, Go·Badaa·Ba, Go·Jalaji·Da, Go·Zazalu·Ba, Go·Jaaza·Gi, Go·Babel·Da, Go·Gadol·Ba, and Go·Jiino·Da, and then, Lincoln began absorbing them all into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates.

Lincoln: Now, Adrian sent the clones of Yusuke's enemies after us, what a loser. Plus, during our five-day break, I made sure to also absorb the clones of the Hibiki Riders and Kabuto Riders' enemies and we also got the Henshin Onsa with the symbols of The Makamou and Kabuto Zectors with symbols of The Worms, but Adrian's still getting his just desserts later on today. (To Rulkallos Harper) And it's so good to see you again, Rulkallos Harper.

Rulkallos Harper: You too, Lincoln, it's been a long time, and it's so good to see you again, Shaylen.

Shaylen Harper: You too, sis.

Lincoln went up to Rulkallos Harper and he hugged her, and Rulkallos Harper is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Rulkallos Harper: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Rulkallos Harper, Gene-Slammer of Tearlaments Rulkallos, she's my Guardian Angel from Michigan and the seventh of eight sisters, she has powerful mastery of darkness and water and she is known for her amazing swordsmanship skills, and like Shaylen Harper, she has a magic sword that was made by Tearlaments Rulkallos that can cut through even the strongest of metals and her sword also has the power to make them go insane!

Shaylen Harper: And like me, she also took on all of the meanest bullies in the city after that were after Lincoln and she slashed them all over and filled up a maximum security insane asylum in one day. She even took down Scoots at the worst of her fury and rage, and one slash from her sword made her worst fears come true: she was kicked out of Sunset Canyon and thrown into the grave.

Nico: Wow, so that means all of Shaylen's sisters…?

Lincoln: Are all powerful swordswomen with power over darkness and water and have magic swords that cut through even the strongest of metals and also have the power to make them go insane with one cut.

Me: Yeah, we were stunned ourselves.

Nico: Man, if anyone messed with them, they can say goodbye to their sanity forever.

Lincoln: And say hello to an eternity in an nuthouse, and now that you're here, Rulkallos.

Lincoln went up to and hugged Rulkallos Harper in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Rulkallos Harper: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Rulkallos Harper's neck with dark blue gems on the gold lightning bolts and dark blue crystal links from her merged

Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Rulkallos Harper: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Rulkallos Harper.

Rulkallos Harper had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the seven girls, and when Lincoln saw them, he immediately recognized them. The seven girls are Mefisu Yura Shatana, Firika Mia Shatana, Sera Mitra Airun, Nonoa Momose, Kiri Sakurano, Nena, and Eruka Mitra Airun from Shoot Beat! ~Angel and Devil Semen-Wringing Battle~

Lincoln: Oh wow, it's Mefisu Yura Shatana, Firika Mia Shatana, Sera Mitra Airun, Nonoa Momose, Kiri Sakurano, Nena, and Eruka Mitra Airun from Shoot Beat! ~Angel and Devil Semen-Wringing Battle~.

Lincoln: Are you girls okay?

Mefisu Yura Shatana: Yes, we're okay, thanks to you.

Then, when Mefisu Yura Shatana and the other six girls saw who it was that saved them from the clones of Kamen Rider Super-1's enemies, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True

Mefisu Yura Shatana: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Mefisu Yura Shatana: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mefisu Yura Shatana, Firika Mia Shatana, Sera Mitra Airun, Nonoa Momose, Kiri Sakurano, Nena, and Eruka Mitra Airun with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villains we went after were clones of Kamen Rider Super-1's enemies that were also created by Mindy.

But, when Lincoln showed what we all did in beating them all down and Lincoln absorbing them and all of us assimilating their powers, abilities, and strength and sending them all to The Black Gates, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Rulkallos Harper have a lot of catching up to do, now that she's back in town.

Then, we heard Mindy and Mandy roar with rage!

Maria: Serves you both right, bitches. Plus, we heard you guys went after the clones of Yusuke and the rest of the Kuuga Riders' enemies, sheesh.

Lincoln: That just proves Mindy and Mandy are both horrible people, and they'll never ever change.

Nico: Yeah, they both deserve to be in Hell forever when they die of old age, but they're still in for Hell.

Me: You said a mouthful, and Adrian Graye Vernworth's already pissed off big time, so he's really going to be out for revenge on us now.

---

After Lincoln absorbed the clones of Kamen Rider Super-1's old enemies, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Rulkallos Harper saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Rulkallos Harper: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of

hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Rulkallos, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Rulkallos Harper: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Rulkallos Harper: I knew it was only a matter of time before he told everyone that story.

Suddenly, the rainbow gem of Lincoln's silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenix, thunderbird, buffalo, angel, vampire, and werewolf surrounding it on his back started glowing.

Lincoln: Uh oh, trouble.

Eini: Yep. Now, let's see who's causing trouble.

The gem formed a viewing window, and we saw who it was causing trouble: it was the clones of The Gorgom and The Crisis Empire from Kamen Rider Black and Kamen Rider Black RX, The Badan Empire from Kamen Rider ZX, The Institute of Super Science from

Kamen Rider Shin, The Neonoids from Kamen Rider ZO, and The Fog from Kamen Rider J.

Nico: (GASPS) What the?! Clones of The Gorgom and The Crisis Empire from Kamen Rider Black and Kamen Rider Black RX, The Badan Empire from Kamen Rider ZX, The Institute of Super Science from Kamen Rider Shin, The Neonoids from Kamen Rider ZO, and The Fog from Kamen Rider J?!

Lincoln: Adrian Graye Vernworth, now you've really crossed it!

We flew out of the World Tree Estate, and Lincoln fired powerful rainbow energy blasts at the clones of The Gorgom and The Crisis Empire from Kamen Rider Black and Kamen Rider Black RX, The Badan Empire from Kamen Rider ZX, The Institute of Super Science from Kamen Rider Shin, The Neonoids from Kamen Rider ZO, and The Fog from Kamen Rider J and knocked them down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of The Gorgom and The Crisis Empire from Kamen Rider Black and Kamen Rider Black RX, The Badan Empire from Kamen Rider ZX, The Institute of Super Science from Kamen Rider Shin, The Neonoids from Kamen Rider ZO, and The Fog from Kamen Rider J, and then, Lincoln began absorbing them all into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and he sent all of their souls to The Black Gates. We returned back to The World Tree Estate and continued with our workouts.

Nico: That's it for the clones of The Gorgom and The Crisis Empire from Kamen Rider Black and Kamen Rider Black RX, The Badan Empire from Kamen Rider ZX, The Institute of Super Science from

Kamen Rider Shin, The Neonoids from Kamen Rider ZO, and The Fog from Kamen Rider J.

Lincoln: Yep, now I've absorbed all of the clones of The Kamen Riders' enemies from the Heisei and Showa eras and we've assimilated all of their powers, strength, and abilities, along with getting the collectible devices from the Heisei era.

Me: Now, Adrian Graye Vernworth is completely out of options, and now, he's got no choice but to make his last stand.

Hunter: He will pay for everything he's done in Phillip Wittebane's desire to destroy all witches, that narcissist needs to be put down for good.

Nico: Without a doubt.

We got a shower afterwards, and then, Lincoln, Universe 666 Annie, Universe 666 Oakley, Universe 666 Domino, Universe 666 Wendy, Rayne (Mortal Kombat), Wynd (Mortal Kombat), and Ruby (Mortal Kombat) are heading to Wave Ocean.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Annie, Universe 666 Oakley, Universe 666 Domino, Universe 666 Wendy, Rayne (Mortal Kombat), Wynd (Mortal Kombat), and Ruby (Mortal Kombat) are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Universe 666 Annie, Universe 666 Oakley, Universe 666 Domino, Universe 666 Wendy, Rayne (Mortal Kombat), Wynd (Mortal Kombat), and Ruby (Mortal Kombat) all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Wynd: Wow, so this is Wave Ocean, it sure is beautiful.

Lincoln: It sure is, Wynd, and it's perfect for our first date. Shall we?

Lincoln, Universe 666 Annie, Universe 666 Oakley, Universe 666 Domino, Universe 666 Wendy, Rayne (Mortal Kombat), Wynd (Mortal Kombat), and Ruby (Mortal Kombat) dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Universe 666 Annie, Universe 666 Oakley, Universe 666 Domino, Universe 666 Wendy, Rayne (Mortal Kombat), Wynd (Mortal Kombat), and Ruby (Mortal Kombat) got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and his kids cheered.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set,

Lincoln made clones of himself and he and his clones went up to Universe 666 Annie, Universe 666 Oakley, Universe 666 Domino, Universe 666 Wendy, Rayne (Mortal Kombat), Wynd (Mortal Kombat), and Ruby (Mortal Kombat) and they hugged the girls in their abnormally massive and powerful muscular arms and Universe 666 Annie, Universe 666 Oakley, Universe 666 Domino, Universe 666 Wendy, Rayne (Mortal Kombat), Wynd (Mortal Kombat), and Ruby (Mortal Kombat) placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Universe 666 Annie, Universe 666 Oakley, Universe 666 Domino, Universe 666 Wendy, Rayne (Mortal Kombat), Wynd (Mortal Kombat), and Ruby (Mortal Kombat) as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Wave Ocean, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Annie, Universe 666 Oakley, Universe 666 Domino, Universe 666 Wendy, Rayne (Mortal Kombat), Wynd (Mortal Kombat), and Ruby (Mortal Kombat) with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, and now, Universe 666 Annie, Universe 666 Oakley, Universe 666 Domino, Universe 666 Wendy, Rayne (Mortal Kombat), Wynd (Mortal Kombat), and Ruby (Mortal Kombat) are in your harem, Linky.

Universe 666 Annie, Universe 666 Oakley, Universe 666 Domino, Universe 666 Wendy, Rayne (Mortal Kombat), Wynd (Mortal Kombat), and Ruby (Mortal Kombat) showed the marks Lincoln made on the right sides of their necks.

Luna: Oh man, now Universe 666 Annie, Universe 666 Oakley, Universe 666 Domino, Universe 666 Wendy, Rayne (Mortal Kombat), Wynd (Mortal Kombat), and Ruby (Mortal Kombat) are part of your harem.

Jessie: And the Universe 666 versions of Annie, Oakley, Domino, and Wendy are a much better match for Lincoln, since we never trusted the ones we know, and they're also members of Team Rocket, and we'll make sure they get sent away to prison forever.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Universe 666 Annie, Universe 666 Oakley, Universe 666 Domino, Universe 666 Wendy, Rayne (Mortal Kombat), Wynd (Mortal Kombat), and Ruby (Mortal Kombat), now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later we were in the park relaxing.

Kita Yuan: Where are the Mascots?

Me: Oh they went with Nicole and Orla Orthros and her team for a huge mission.

Nico: What is it?

Me: Very secretive.

Nico: Okay.

On a nearby building, the Mascots and Nicole were pelting NUMEROUS Mean Queen Bee Girls with Water Balloons filled with Cows Blood!

Poromon: Take that you bitches!

Nicole: Pelting them with cows blood is genius!

Manaphy: That was nice of your friends at the local meat plant to give us this blood.

Nicole: They were going to throw all of it away and it would be perfect for this.

As they pelted Queen Bee girls with blood, they got them to start talking!

Orla Orthros and her team were showing everyone what those monster girls were like in their true colors and their parents were horrified!

Horsea: Take this!

She fired a balloon and splattered a girl!

Horsea: I HATE QUEEN BEE MEAN GIRLS!

Manaphy: ME TOO!

They were really splattering them all over!

Nicole: Hope they get a good ice cold shower in the prisons on Xaikora.

Aqua Eridanus Marion: I hope they aren't gone too long.

Nico: Nah as long as Nicole is with them they will be okay.

But then…

SPLAT!

A balloon hit Nico and splattered his face in blood!

Nico: GAH! (SPITS) BLECH!

Nico wiped it off.

Nico: Is that blood!?

Me: Nico you're not seriously hurt are you?

Nico: I don't think so!

I wiped it off and smelled it.

Me: Wait this is not our blood. It's cows blood.

Maria washed him off.

Nico: Oh thank goodness! At least I'm not hurt.

G1 Bombshell:… what the fuck are the mascots doing now?!

We heard ranting and decided to check it out.

We saw water balloons filled with cows blood hitting numerous girls that I recognize.

Me: Wait I know those girls! They are a bunch of evil mean queen bee girls that I loathe and despise.

We looked up and saw that the water balloons were hitting them from a tall building.

Me: Wow! Hit anything from all over the city from that height.

Perceptor: Fascinating!

Me: Wow!

?: Boy the mascots and Nicole are really hitting them.

We saw 2 figures. 1 was a girl with blue hair and orange eyes and had orange clothes and had orange angel wings and had a shock pistol and had a tiara with the symbol of the PatRangers Dopant on it and the same symbol on her skirt.

The second girl had blue hair and purple eyes and a green dress and had green crystal wings and she had a tiara with the symbol of Crystal Man on it.

Carmel Montoya PatRanger: Carmel Montoya PatRanger, Embodiment of the PatRangers Dopant.

Cierre Crystal: Cierre Crystal, Embodiment of Crystal Man.

Nico: Awesome to meet you girls.

Carmel grabbed an evil Queen Bee girl.

Carmel: By Order of the GSPO, I'm taking you down by force!

Me: And we're going to kick your big ugly fucking ass!

Cierre: Gwen and Raven! Its been a while.

Gwen Tennyson: It has been a while.

Raven: Boy you're looking good Cierre.

Cierre: Yeah.

Poromon and Nicole and the mascots came.

Poromon: Glad you two can join us.

Carmel Montoya PatRanger: Like we would miss this.

Cierre: But it's awesome to see you do all that.

Nicole: Counted 560 Queen Bee Mean Bitches. All with combined bounties of $502,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000.00.

Qin: WOW!

Xenia: Lots of money!

Nico: Yep.

Raven: That is awesome.

Perceptor: How did you meet Gwen and Raven?

Cierre: I met Gwen when I was helping her, Ben and Kevin battle Vilgax. I'm a hybrid of a crystal angel race called the Sapphtenshites.

Shanan: (GASP) The Sapphtenshites? They are a race of Crystal Angel Aliens from the planet Sapphrena. They are said to be the most powerful crystal alien angel warriors in the entire Virgo Supercluster.

Cierre: That's right. Vilgax was no match for me though with our combined power.

Lola: Wow!

Cierre: And I met Raven over in Jump City when I was helping the Titans with dealing with some of the members of the Brotherhood of Evil. I helped them kill Johnny Rancid, Mad Mod and Professor Chang.

Qin: Wow!

Raven: She did an amazing job.

Cierre: Yep.

She even showed a Titans Communicator too.

Cierre: They made me a titan too.

Nico: Cool! Would you two like to join the team?

Carmel Montoya PatRanger: We would be honored.

We were walking back.

Nico: Carmel, while we're walking back to the Estate, tell us more about yourself.

Carmel Montoya PatRanger: Sure. I'm a cop as you know and I am a really good one. I can also leap the tallest buildings in a single bound. Also I am very acrobatic and fast.

Nico: Cool!

Carmel Montoya PatRanger: It sure is. I busted countless criminals all over the world and many of them put up a good fight.

Camie: That is awesome.

Carmel Montoya PatRanger: Yeah. Being a cop is awesome.

Lola: It sure is.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and

soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Flash Man: Nico, who gets to shine today?

Nico: Kit and Natalia.

Qin: Cool!

Laney: Awesome!

Kit: This will be fun.

Natalia: (Russian Accent) It sure will.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than a clone of Old Ironface, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than a clone of Old Ironface, and he's causing havoc.

We gasped.

Nico: Old Ironface?!

Me: Oh shit, not that brutal asshole! He gave Lori trouble before!

Lori: But, like Linky said, it's a clone of him, but he's still as dangerous and brutal as ever.

Lincoln: Yep, and like with the clone of The Green Ink Monster, I'm going to absorb him, and with every clone I absorb, I can uncover who it was that's been making clones of them to cause trouble.

Nico: With your absorption techniques along with information gathering skills, hopefully, we'll be able to find out who it was causing this. Alright, gang, let's get going and take down that clone of Old Ironface.

Lincoln: He won't be going down without a fight, but we're not letting him run free any longer, he's going to pay.

The previous group came.

Unicorn: Can me, Trap Jaw, Beast Man, Hsi Wu, Killer Shrike, Shendu, Mummy, Captain Cold, Madame Masque and Spymaster go with you guys?

Nico: Yes you all can come with us. We're going after a clone of Old Ironface.

Mummy: Geez!

Qin: Yeah.

Camie: Why is he called Ironface again?

Qin: He was a notorious pirate from the 19th Century. He was called that because he was sent to Skull Island Prison and he was so mean that the Warden there welded an iron mask onto his face to keep him from looking at him.

Camie: Yikes!

Nico: Yeah.

Me: He was really champion waterskiier Mama Mione. She was smuggling convicts in and out of her fancy hideaway under the prison. Her cafe on the mainland was a front for that.

Nico: Yep.

Camie: That is crazy!

Lola: Yeah.

Me: Mama Mione got 75 years in prison for her crimes. Upgraded to Life Without Parole.

Nico: Yep.

Shockwave: Nico, which gene-slammer do you wish to meet next?

Nico: Bounce Man next.

Qin: Ooh! Bouncy.

Me: Yep. And the only one of the 11 games of Robot Masters left.

Lola: Yep. Then we go meet the Mavericks and Sigma's robots.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Adrian Graye Vernworth, the head witch of the Illusion Coven who serves Emperor Belos and aids in his plots, and he's coming after us to get revenge for what we did in defeating Phillip Wittebane A.K.A. Emperor Belos. When we saw it, we knew it meant trouble.

Lincoln: So, he's finally made his move.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and Hunter was right on who we're facing: the figure that we saw is none other than Adrian Graye Vernworth, the head witch of the Illusion Coven who serves Emperor

Belos and aids in his plots, and he's coming after us to get revenge for what we did in defeating Phillip Wittebane A.K.A. Emperor Belos.

Hunter: Now that you've absorbed all the clones of the Kamen Riders' enemies, Adrian finally has run out of options and tricks, now he has no choice but to stand and fight. But, we got to watch out, his magic is illusion-based and he can create illusions to cause trouble.

Me: But, his magic's not as strong as ours and we can see right through illusions easily.

Nico: This is gonna end badly for that witch. Alright, gang, let's go, we're heading out to destroy that clone of Old Ironface.

Lincoln: That clone's going to get pummeled hard and then, he's going to be absorbed, and once we get done with him, you're next, Adrian Graye Vernworth.

Hunter: You knew this was coming for a very long time, you arrogant blowhard, and I'm gonna enjoy tearing down your overinflated ego piece by piece. Terra got what she deserved, and now, so will you.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to take down the clone of Old Ironface so that Lincoln can absorb him, and once we got done with him, Hunter is going to take down and destroy Adrian Graye Vernworth, the head witch of the Illusion Coven and make him pay for everything he's done in aiding and serving Phillip Wittebane A.K.A. Emperor Belos.

We were off to New England.

* * *

We arrived at the cafe Mystery Inc. was at.

Trap Jaw: Here we are!

Me: Yep and here's the Mystery Machine. Looks like everyone is having dinner before they head out to Skull Island.

Nico: Good idea. Looks like we better head in to join them.

Eli: Good idea.

Our stomachs growled.

Me: Can't fight bad guys on an empty stomach.

We were at the Harbor Buffet restaurant.

We went in.

Shaggy: Like hey guys!

Me: Hey Shaggy. Hey guys.

Velma: Jinkies. Awesome to see you all here.

Fred: Yeah we're going over to Skull Island after we eat.

Scooby Doo and Fluttershy: (In fright) S-s-s-s Skull Island?

Velma: Yeah guys, it used to be a prison for the most dangerous convicts in the country.

Fred: But its been closed down for years. And now it'll be a tourist attraction.

Sakura Knudson: Boy I remember Skull Island.

Stone Man: What food is there to eat here?

Me: Lots of great food.

Killer Shrike: Lets order then.

We went and got good foods of all kinds. Shaggy got the bulk of the buffet.

Sakura Knudson: (LAUGHS) Shaggy hasn't changed at all. Still the living garbage disposal I remember.

Shaggy: Like yeah it's fun.

They were eating everything.

I was eating a pizza and soup.

Fred: So you guys are here to help us?

Me: Yeah we got word thanks to Lincoln that Old Ironface is back.

Shaggy: ZOINKS! Not Old Ironface!

Me: A clone of him. Not Mama Mione.

Qin: That's right. The real Mama Mione is still locked up in prison.

Energon Scorponok: And Ironface himself is in the Masters of Evil

Me: Yep.

Bridgette: He's my archenemy now.

Lori: And since this one is a clone, I literally have a score to settle with him.

Camie: Why?

Me: He beat the living crap out of Lori and she was in the Infirmary for about a week.

Camie: YIKES!

Shaggy: Like yeah! I remember that! It was when we were battling one of Aladdin's enemies.

Me: That was against Arbutus.

Aladdin: I remember that.

Qin: Yeah that was crazy.

Shendu: Hopefully, this one will be easier.

Me: Well we've gotten stronger since then and Lori is not going to take what Ironface did to her lying down.

Lori: That is literally for sure J.D.

Lola: Yeah!

Qin: Yep.

Scooby and Shaggy: Mmm! Clam chowder.

Me: Love New England Clam Chowder.

Scooby put some pepper in it.

Then there was a sneeze.

AHCHOO!

Me: Bless you.

Scooby Doo: That wasn't me.

Gantu: Who was it then?

Scooby put more pepper in it and there was another sneeze.

AHCHOO!

He saw that a clam sneezed.

Clam: AHCHOO!

Me: Oh it was a clam.

Then the clam took the pepper and put the pepper into the spoon and blew it at Scooby.

Then Scooby sneezed!

Scooby Doo: AHCHOO!

He was blown back from the sneeze and then…

CRASH!

He hit the wall!

We helped him up.

Madame Masque: Come here, clam boy!

She grabbed it. And then it slipped out of her fingers and landed in Moe's clam chowder.

Moe Howard was having Clam Chowder and he put crackers in it. Then when he wasn't looking a clam took the cracker.

He thought Larry took it.

Moe Howard: Oh a cracker swiper huh?

SLAP!

He hit Larry on the head.

Moe: What's a matter with you? I'll knock your teeth out.

He put another one in and when he wasn't looking the clam took it.

He saw it gone and blamed Curly.

Moe: You too?

SLAP!

He slapped Curly.

Moe: What's a matter with you?

Me: Moe I think there's a clam that took it.

Moe: Really?

He put a cracker in and then he saw the clam eat it.

Moe: (GASP) (GROWLS) (BARKS)

Me: Boy just like back in your old days huh Moe?

Moe Howard: (LAUGHS) Yeah no kidding.

Kira Howard: Good times huh?

Curly: Yeah that was funny.

Nico: (LAUGHS) Yeah.

Kira Howard: (LAUGHS) That was one of my favorites.

Moe: Yeah good times.

Larry Fine: Yeah that was funny.

Velma: It sure was.

Fluttershy took the clam.

Fluttershy: Oh lets just let this one go back to sea.

Fluttershy took the clam and put him into the ocean.

Fluttershy: There you go.

Me: That was so funny still.

We got back to eating. Later we were stuffed and we paid for the food.

Nico: Ahh good meal. Now we can head over to Skull Island.

They fired a metal net at Old Ironface.

Lincoln: Take this!

Lincoln punched the clone of Old Ironface super hard in the stomach and sent him flying into a wall that cracked and fell apart and he fell flat on his back. Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clone of Old Ironface, and then, Lincoln began absorbing him into his body as he and all of us assimilated all of his brute strength and physical abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Old Ironface except for his clothes and iron mask, and he sent him to The Black Gates.

Nico: Looks like that's the first of the clones of Mystery Inc's enemies taken down, but this is only the beginning.

Lincoln: You got that right, there's a lot of them we're gonna be facing. Now, there's one last thing to do and one last loose end to tie up: Adrian Graye Vernworth.

?: YOU WILL ALL DIE FOR WHAT YOU DID TO EMPEROR BELOS!

Suddenly, the twelve large planets and stars orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting

Lincoln formed a massive indestructible diamond barrier with absorption energy surrounding the barrier that protected all of us from massive blasts of blue magic that came from nowhere and hit the barrier, but it stood strong and absorbed the blue magic blasts and it also absorbed incoming illusion blasts.

Lincoln: (Catches the scent) There's no mistaking the smell of blood from anywhere, come out from the shadows, Adrian Graye Vernworth, or we will force you out.

A figure came out, and it was none other than Adrian Graye Vernworth, the head witch of the Illusion Coven who serves Emperor Belos and aids in his plots.

Felicia Wittebane: I should've known you'd show up here, Adrian. You goddamn traitor of the witches and demons of The Boiling Isles, you still make me sick to no fucking end!

Adrian Graye Vernworth: TRAITORS! YOU WILL ALL PAY FOR WHAT YOU DID TO EMPEROR BELOS, HIS LEGACY WILL LIVE FOREVER!

Hunter: Okay, I've had just about enough of hearing your big fat mouth running.

Suddenly, Hunter's dark magenta eyes turned neon dark magenta and he was surrounded by a yellow energy aura with stars, magic, earth, red cardinals, bluejays, phoenixes, and angels, he summoned his Defender of The Boiling Isles staff and his Palisman, Flapjack, turned from its wooden form into its live form, and as he approached Adrian Graye Vernworth, he left yellow energy, stars, magic, earth, red cardinals, bluejays, phoenixes, and angels with every step.

Hunter: You've always made me sick to my stomach even now, Adrian. You're just as delusional as that greedy heartless witch, Odalia, and that delusional old hag, Terra, which is why I was glad that Luz helped me to see Belos for the monster he was: a 375-year-old zealous fanatical witch hunter and witch killer by the name of Phillip Wittebane, a man who was nothing more than a stain on the lips of all demons and witches, and that whole "coming together" bullshit. Heh, don't make me laugh, you were nothing more than a pawn in his scheme, he was planning on killing you, his most loyal servant when The Day of Unity came.

Adrian Graye Vernworth: IT WAS ALL FOR THE PURPOSE OF COMING TOGETHER!

Hunter: No, that was all nothing more than lies and bullshit, he was going to kill every last witch in The Boiling Isles with The Draining Spell, and that also included you and Terra Snapdragon, and you're looking at his killers: Team Loud Phoenix Storm. We already got rid of Terra yesterday, and now, it's your turn, and I'm not gonna miss you not by a long shot.

Suddenly, Hunter was surrounded by a massive vortex of yellow energy with stars, magic, and earth surrounding the vortex, there are red cardinals, bluejays, phoenixes, and angels flying around the vortex, and in the vortex is a dark magenta phoenix with red eyes glaring at Adrian Graye Vernworth: the red eyes of eternal death.

Me: WHOA!

Luz: Uh oh, now he's in huge trouble now!

Amity: Big time! This is gonna get ugly!

Willow: You said it.

Gus: I hope Hunter tears his head off.

Ronnie Anne: He's gonna do just that, this is gonna be good.

Then, as the vortex faded, Hunter emerged, but he was changed forever, and Adrian Gray Vernworth is about to meet his doom.

Hunter grew to 8'5" in height, he now has abnormally massive and powerful upper and lower body muscles and eight-pack abs and he no longer has bags under his eyes, he has large gold metal bracers on his biceps and thighs, and he now has twelve large red-blue orbs orbiting around his legs, he has dark magenta highlights in the bangs of his longer ash-blond hair shaved below the top with long jagged forelock and he has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind his head, he has neon dark magenta eyes and a yellow energy aura with stars, magic, earth, red cardinals, bluejays, phoenixes, and angels and immense protective neon rainbow aura with all of the elements swirling around it, he has a red cardinal on the right and bluejay on the left emblazoned on his forehead and Third Eye with dark magenta iris, he has on red cardinal earrings with red gems for eyes and holding the Star, Magic, Earth, and Eternity Kanjis in its talons, he has on his Crystal Necklace of The Buddha with red gems on the gold star links and blue crystals for the links and red cardinal-shaped Element of Harmony and below the Element of Harmony is a red cardinal and bluejay with red and blue gems for eyes and holding the Star, Magic, Earth, and Eternity Kanjis in its wings for the pendant and he has on a white and gold accented choker on his neck. Suddenly, Hunter felt a sharp pain on his wider and more muscular back, and then, massive ash-blonde angel wings with dark magenta tips on the large ash-blonde feathers grew and sprouted out of his back, Hunter has on he has on his Ring of The Phoenix with large pink gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern Corps ring on his left ring finger and Stone of Gelel embedded in his left hand.

Suddenly, Hunter's Defender of The Boiling Isles staff, gold greatsword and all the greatswords and swords that he'd gotten began to merge together, and they were surrounded by a kaleidoscope of yellow energy, stars, magic, earth, red cardinals, bluejays, phoenixes, and angels, and when it emerged, it was transformed into Hunter's Cosmic Eternal Boiling Isles Rebellion Celestial Magic Heavenly Cardinal Phoenix Angel Mage's Staff of Cosmic Eternal Boiling Isles Rebellion Celestial Magic Heavenly Cardinal Phoenix Angel Justice, it's a brand-new Mage's Staff measuring at 8'7" in length with a massive pink orb mounted on top of four large gold raven heads with red gems for eyes and below them is a large red gem surrounded by a gold ring with small chain made of three red gems and red cardinal for the pendant and gold dragon coiled around one end of the long midnight black handle and on the other end of the long midnight black handle is a white Alicorn head with its wings spread out and golden heart and on the bottom of the Alicorn head are four smaller gold raven heads with pink gems for the eyes and on top of a large gold ring and on the bottom of the raven heads is a large midnight black crescent moon weight with red gem on it for the pommel and a brand-new large red magic orb with golden designs on it, Hunter has on his large gold Bracers of The Champions of The Universe with large red gems on his wrists and Dragon Ball Bracelet on the large gold left Bracer, large gold Belt of Elemental Bravery with large gold wolf head with red gems for eyes and large blue gem in its mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe, Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver holstered on his left hip. We were amazed by Hunter's Super Angel-Red Cardinal-Bluejay-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Willow Park saw what happened to him, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding. But, when Adrian Graye Vernworth saw it, he went mad and sent illusions at him to kill him, but Hunter fired a massive barrage of yellow energy, stars, magic, earth, red cardinals, bluejays, phoenixes, and angels which destroyed his illusions and hit Adrian Graye Vernworth and sent him flying into a tree, he got back up, but boy, was he pissed off.

Ronnie Anne: Whoa, Hunter's transformed into his Super Angel-Red Cardinal-Bluejay-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form.

Gus: This is gonna get ugly real fast.

Hunter: (Divine Echoing Godly Voice of The Cosmic Celestial Boiling Isles Rebel Force Earth Magic Demon Realm Red Cardinal Bluejay Phoenix God Angel and Divine Cosmic Eternal Cosmic Celestial Boiling Isles Rebel Force Earth Magic Demon Realm Red Cardinal Bluejay Phoenix God Angel Hope) You got that right. Adrian Graye Vernworth, for your crimes against The Boiling Isles and all witches and demons, you are hereby sentenced to death!

Adrian Graye Vernworth: YOU MOTHERFUCKING CUR!

Hunter: (Divine Echoing Godly Voice of The Cosmic Celestial Boiling Isles Rebel Force Earth Magic Demon Realm Red Cardinal Bluejay Phoenix God Angel and Divine Cosmic Eternal Cosmic Celestial Boiling Isles Rebel Force Earth Magic Demon Realm Red Cardinal Bluejay Phoenix God Angel Hope) Look who's talking, and a so-called "Motherfucking Cur" was the only kind of person you can handle. But, I'm not that at all. When Belos made his speech about uniting all witches on The Day of Unity, all he did was seal his fate. But, he sealed his fate over 375 years ago because his mind was completely poisoned with so much of his hatred over "witches" in America that he became a totally lost cause. He turned into a homicidal and completely mentally unstable psychopath and he did not show any value towards friendship or comradery, all he ever wanted was to destroy all the witches and demons in The Boiling Isles. Isn't that right, and they say that Belos was leading everyone to unity. But, the truth is he's nothing more than a monster, but you, you're just another lost soul of the run-of-the-mill witch and you know it. You're not even in the same league in the kind of power that I possess, I can destroy the entire universe in the mere blink of a cosmic eye. In fact, next to my kind of power and the power that you have, you're nothing compared to me and you've always been nothing but a pathetic ant compared to it. The way you did all the deeds in the name of The Devil known as Phillip Wittebane A.K.A. Emperor Belos, a monster and destroyer of all witches and demons. It's downright fucking disgusting, as one of the most powerful fighters, warriors, and champions in the universe, all I see when I look at you is a fucked up miserable fuckweed and a heartless motherfucking psychotic wretch, and on top of that, I fucking hate your style above all others you ruthless fuckkicker! What is it that you are hoping to accomplish? Blindly following that fanatical witch hunter's delusional orders, committing crimes all over The Boiling Isles just to satisfy The Devil Phillip Wittebane A.K.A. Emperor Belos, murdering innocent witches and demons, pursuing petty and worthless desires, and above all betraying your fellow witches. You bastard snake motherfucker, you don't give a flying fuck about anyone but your pathetic goddamned motherfucking self and that is why we killed all of Belos' Coven and Belos himself. Both him and you are heartless monsters that murder, lie, steal, betray, and are completely powerhungry just like you and that's why we killed every last one of The Emperor's Coven and wiped them from the face of The Earth and The Boiling Isles. YOU ALL FUCKING DISGUST ME!

OUR JAWS DROPPED AT THE SIGHT: HUNTER USED HIS OWN VERSION OF THE EVIL SASUKE RANT!

CLANG!

Eli put all of our jaws back!

Me: W-WHAT THE?! TELL ME WE DID NOT JUST… !

Nico: He did, dude! He used his own version of The Evil Sasuke Rant! NICE ONE, HUNTER! AND FUCK YOU, FOLLOWER OF BELOS!

AND THAT ALONE DROVE ADRIAN GRAYE VERNWORTH MAD!

Adrian Graye Vernworth: (SUPER ENRAGED) YOU! YOU!

Hunter: (Divine Echoing Godly Voice of The Cosmic Celestial Boiling Isles Rebel Force Earth Magic Demon Realm Red Cardinal Bluejay Phoenix God Angel and Divine Cosmic Eternal Cosmic Celestial Boiling Isles Rebel Force Earth Magic Demon Realm Red Cardinal Bluejay Phoenix God Angel Hope) (Smirks) What's wrong, did I struck a nerve?

Hunter went after Adrian Graye Vernworth, and he fired extremely powerful blasts of yellow energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Adrian Graye Vernworth, and they exploded with incredible power as they hit him.

Then, he attacked him by whacking him with his brand-new Mage's Staff and blasting him with yellow energy blasts he fired from it, his Palisman, Flapjack, also fired blasts of fire which hit Adrian Graye Vernworth and he got burned badly, and Hunter also fired yellow energy slashes with his silver-plated claws and left some really nasty scars, and he attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of his massive and excessive brute superhuman strength, along with elemental blasts, and this was enough to drive Adrian Graye Vernworth even madder with rage.

Adrian Graye Vernworth: YOU! YOU! I WILL KILL YOU ALL AND AVENGE EMPEROR BELOS!

Adrian Graye Vernworth went after Hunter in a fit of rage, but Hunter fired rainbow energy blasts at Adrian Graye Vernworth and he summoned red cardinals to attack Adrian Graye Vernworth and he was really scarred by their furious attack, and he even drew glyphs that fired elemental magic blasts that hit Adrian Graye Vernworth.

Hunter: (Divine Echoing Godly Voice of The Cosmic Celestial Boiling Isles Rebel Force Earth Magic Demon Realm Red Cardinal Bluejay Phoenix God Angel and Divine Cosmic Eternal Cosmic Celestial Boiling Isles Rebel Force Earth Magic Demon Realm Red Cardinal Bluejay Phoenix God Angel Hope) Now, Lincoln!

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Adrian Graye Vernworth's chest, and then, Lincoln began absorbing Adrian Graye Vernworth into his body as he and all of us assimilated all of his powers, magic, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Adrian Graye Vernworth except for her clothes, and he banished Adrian Graye Vernworth to The Black Gates. We cheered wildly for what Hunter did as he powered down, and his new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting gold rings on each corner behind his head, twelve large red and blue orbs orbiting around his legs, and massive ash-blonde angel wings are permanent.

Hunter: Your days of following Emperor Belos have long since passed, now go join him in Oblivion, you arrogant piece of shit.

Nico: Hunter, I have got to say, that was the most epic fight that you absolutely fought! And on top of that, you used your own version of The Evil Sasuke Rant, that was so awesome!

Me: You really pissed him off with that one! Nice!

Suddenly, Willow wrapped her arms around Hunter's waist, as her chest pressed against Hunter's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Hunter's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Hunter leaned down to Willow's face, they kissed passionately as she moved her hands onto Hunter's massive pecs, and behind them was a Red Cardinal, Bluejay, Phoenix, Mermaid, Angel, Fairy, Succubus, Windigo, and Pixie flying in the air, and we saw a flock of red cardinal and bluejays and many animals running across the field and elemental forces and earth magic behind them and we cheered wildly. Then, Hunter and Willow sucked in and absorbed the elemental forces and earth magic and they came back to us as the display vanished.

Hunter: Now we've finally gotten rid of those two followers of Belos for good, along with the clones of the Kamen Riders' enemies from the Heisei and Showa eras they created, this is bound to piss off Mindy and Mandy big time.

Me: I can no doubt hear those banshees shrieking like mad. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: I've got just the person: Kitkallos Harper, Gene-Slammer of Tearlaments Kitkallos.

Shaylen Harper: (GASPS) The last of my sisters, that's awesome, and you guys will love meeting her, Kitkallos Harper is Lincoln's Guardian Angel from Michigan and the seventh of eight sisters, she has powerful mastery of darkness and water and she is known for her amazing swordsmanship skills, and like me, she has a magic sword that was made by Tearlaments Rulkallos that can cut through even the strongest of metals and her sword also has the power to make them go insane! She also took on all of the meanest bullies in the city after that were after Lincoln and she slashed them all over and filled up a maximum security insane asylum in one day. She even took down Nurse Sue at the worst of her fury and rage, and one slash from her sword made her worst fears come true: she was fired and thrown into a prison made for the worst criminals in history.

We gasped.

Nico: Whoa.

Lincoln: Yeah, it made Sue's worst fears come true, but too bad, it didn't drive her mad like those hit by Shaylen's sword.

Me: Yeah, I wanted to see her lose it big time, but still, that's really powerful.

Shaylen Harper: That's right.

Plastique: There. That'll teach him to mess with Lori!

Firebrand: You said it!

Girder: Let's celebrate at that restaurant near here.

Mr. Touch: Good idea!

Cluemaster: We can consider this mystery solved.

Me: Yeah!

Nico: If it were the real deal it would call us meddling kids.

Qin: Yep.

Nico: But great job everyone.

Shaggy: (To the viewers) This was like a fun adventure.

Me: It sure was.

We went to that restaurant and then later went back home and enjoyed the rest of the day and went to sleep.

Nico: Boy Yellowstone is so awesome.

Me: It sure is!

Camie: I love Yellowstone. It's so awesome and pretty.

Lola: It sure is.

Lana: I'll say!

Varie: It's always fun to come here.

Me: It sure is. It's crazy that this whole place is a supervolcano that's going to blow in the future.

Nico: I know. 640,000 years ago was the last eruption.

Silver Spoon: Boy that was crazy.

Lola: Yeah no kidding. At least we'll do everything we can to stop it from erupting in the future.

Nico: Silver Spoon, I want to thank you, Louie PoisonSea, and your teams for coming

Silver Spoon: It's no problem Nico. This is gonna be so fun and awesome.

Louie PoisonSea: It sure is!

Betsy Brachiosaurus: I'm ready for some action and fun.

Nico: Betsy, what do you like to do in your free time?

Betsy Brachiosaurus: I like to give guided tours through Paleozoic World.

Me: That's a great job.

Betsy Brachiosaurus: It sure is. And I also like to give people a chance to meet some of the dinosaurs there.

Nico: That's awesome.

Eli: It's so fun and I like to help her out and show that not all the dinosaurs are dangerous.

Laney: That is so cool and awesome.

Me: Yep. And it's fun for many people.

Nico: You DO make sure they're under control, right? Because I don't want to think what'll happen if people… go missing.

Betsy Brachiosaurus: Don't worry. I only take people to meet the plant eating dinosaurs. They wouldn't hurt anyone.

Nico: That's a relief.

Me: Yeah.

Betsy Brachiosaurus: It's awesome and fun.

Laney: It sure is.

Betsy Brachiosaurus: How is Galatea doing J.D.?

Me: Almost fully recovered. She'll be better by tomorrow.

Shanan: That's a relief there.

Me: Yeah. Galatea Ghidorah is tough.

Qin: She sure is.

Me: Man Lori really went apeshit all over Old Ironface.

Nico: Boy no kidding! After being roughed up so brutally like that by him he more than had it coming.

Maria: Lori did good.

Qin: She sure did.

Lola: Yeah no kidding!

Me: Bobby and her kids are so proud of her.

Varie: You got that right.

Nicole: That was so fun.

May: And Nico, why did you make Gold Scooby Snax?

Nico: I honestly have no idea.

Me: At least Shaggy and Scooby didn't eat Zucchini Squid flavor.

Sakura Knudson: YUCK! That would be disgusting!

Me: BLECH! Yeah it would taste like puke.

Camie: It sure would.

Nico: Yeah but seriously I have no idea why I made that flavor.

Juran: Because you thought they would go for it?

Nico: Yeah.

Qin: Oh.

May: So far, everything's peaceful.

Me: Yep. Lets just take in the sights at Yellowstone.

Camie: Good idea.

We got our cameras out on our phones and more.

We started taking pictures and it was fun.

Nico took a picture of some birds.

Qin took a picture of some bison.

Lola took a picture of some of the geysers and springs.

May took some pictures too.

She saw some of the lake, the ducks, geese, waterfalls and more.

Even some of the geysers went off and they were awesome.

The smell of sulfur in the area was rank though.

Maria took some pictures and they were of wolves and all kinds of creatures.

Camie took pictures of some of the landscapes and rivers.

Qin took some pictures of the birds and even the rock formations.

Laney was painting a picture of a landscape with the Grand Prismatic Spring and it was cool.

Sunset was painting a flower garden with a hot spring by it.

Spiderman took some pictures.

Spiderman: Like old times.

Nico: You said it.

Me: Boy it's so awesome.

We were having fun.

Nico took more pictures.

They were of birds and wolves and geysers, moose, elk and bison. It was so beautiful.

Varie: Boy Yellowstone is so pretty.

Camie: It sure is.

Nico: I'll say.

Lola: I love good photos.

Qin: Yeah me too.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and we're not going to like this in the slightest: we got word that a clone of The Totem Spirit has been sighted.

We gasped.

Me: Oh man, a clone of The Totem Spirit?! Not good.

Qin: I also checked with the prison, and the person who dressed up as The Totem Spirit, Mr. Ryan, is still locked up in prison. Whoever this mastermind is, he's trying to cover his tracks.

Lincoln: But, that won't save him, once I absorb the clones of Mystery Inc's enemies, we'll find out just who the mastermind really is.

Lincoln called the rest of the team and told them of the situation.

Lori: So, now we got a clone of The Totem Spirit running loose.

Tessa Totem: Leave him to me, J.D., and Lincoln, he's gonna get it big time.

Me: You got that right.

Lori: Wow! Yellowstone is so pretty here. Boy its literally been ages since we were here.

Maximum Ride: I know. This was where you guys first met me, Angel and Nudge.

Nico: That's what we heard Max. It's so awesome.

Yumi heard a Pokemon cry.

Yumi: Look here.

We saw that it was an Umbreon.

Me: Whoa an Umbreon.

Brynja: (Icelandic Accent) That's perfect for you Yumi.

Yumi: Sure is. Are you okay?

Umbreon: I hurt my leg.

We saw that it was hurt.

Varie: Oh poor thing.

Yumi: I'll help.

She healed it up.

Umbreon: Ahh thanks.

Yumi: You're welcome.

Umbreon: That was cool though.

Yumi: You wanna stay with me?

Umbreon: I sure would like that.

Camie: So what is the story of the Totem Spirit?

Me: It's a Native American legend that we read about when we were out camping on an Indian Reservation in Montana. It was really fun. It's a living totem pole creature. It's a spirit that will appear if his sacred land is threatened.

Sakura Knudson: I remember that. That was so awesome being in that reservation back then.

Me: Mr. Ryan was using the legend of the Totem Spirit to scare off people so that he can keep rare ancient Indian Art for himself. It was worth more than building a large hotel in that area.

Nico: Yep.

Camie: Wow!

Me: I know. He was busted and sent to prison for 35 years. Later extended to Life Without Parole.

Nico: What a greedy clod.

Maria: We should keep an eye out.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the

Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever.

(Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for The Totem Spirit clone) AHA! Gotcha! I just spotted The Totem Spirit clone, he's 20 yards away, and he's already chasing after the gang.

Nico: That just saved us the trouble. Let's get him and tear him in two!

Lincoln: He's gonna end up as a massive green stain on the floor. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began

growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on The Totem Spirit clone.

Me: I'll show you guys were we faced it.

We were off.

We were flying in the air and landed and we're looking around for The Totem Spirit clone.

We arrived in the Tukudeka Indian Reservation.

Me: Here we are guys. Welcome to the Tukudeka Reservation.

It was located on the Idaho Wyoming Border.

Gaon: Amazing.

Me: Yep.

Nico: I think I've actually been here before. But this is amazing.

Sakura Knudson: Boy it sure is awesome seeing this place again.

Tessa Totem: Boy I would feel right at home here. Being from Alaska, I worshiped Totems for a while and considered them sacred

too.

Me: Yep. Totems are loaded with awesome history and symbolism.

Camie: Yep.

Nico: Maybe you might transform here.

Tessa Totem: Oh I have a feeling I will.

Lincoln: Alright, now if I'm not mistaken, The Totem Spirit Clone should definitely be coming right now!

Suddenly, we saw the gang running towards us, and then, we saw The Totem Spirit Monster clone head for us, but before he could attack, Lincoln created a massive indestructible diamond barrier that had protected all of us, and he banged his fists hard at it, but the barrier was still standing and his fists were all bruised as he screamed and howled in pain.

Eli: Jeez!

Nico: Man, that's painful.

Totem Spirit Clone: GET OUT HERE RIGHT NOW! I MUST KILL YOU ALL FOR THE MASTER!

Qin: As if, you're not one of Universe 666 Sebastian's creations, but even dead and forever erased, he's still a total sore loser.

Elly Chromington: And you guys are gonna hear about all of Sebastian's repeated attempts to kill us all and how we kicked him out of our friend group years ago because he was a part of an incident so horrendous and so evil, that it exposed his descent into darkness and insanity to everyone and that even horrified Qin and Nico along with Mindy, Connor, and Alicia, and not only did he get kicked out of our group, but we also made a vow saying that if he ever crawled out of the darkness once more, he would pay dearly for everything he's done.

Lincoln: This should be a good one.

Nico: Trust me, you'll love hearing it.

Qin: I remember that! I was there!

Sebastian Mendez: WHY YOU! (DEMONIC ROAR)

Cynthia and Emile Mutaito roundhouse kicked him in the face and he went flying out of the forest and crashed headfirst into a nearby telephone pole and he got knocked out.

Cynthia and Emile Mutaito: Not this again, take a siesta, you blood-crazed leech.

Trudy Lawrence: I've been waiting for someone to kick that blood-crazed insane asshole right in his face, that's for all the times you've tried to kill us in the past!

Lincoln fired a massive diamond ball with fire surrounding it, and it hit The Totem Spirit clone and sent it flying and crashed into a wall Lincoln made, we charged out and got ready to confront The Totem Spirit Clone.

Eli: Even with Sebastian knocked out, we're still ready to take you down, you walking totem pole!

Tessa Totem: Let's teach this walking totem pole a lesson he'll never forget, and we better do it fast before Sebastian wakes up and gets super mega pissed off!

Nico: Yeah!

Umbreon charged at him and fired a Shadow Ball and blasted him.

KRABBBBOOOOOOOOMMMM!

She spread a beautiful plumage of wings and fired sun beams and blasted the Totem Spirit and blinded him!

Qin: COOL!

Horsea: YAY!

Nico: YEAH!

Shope: This will Quack you up! UNLEASH THE BEAST!

She spread bird wings and fired energy blasts and it formed into a massive flock of ducks and blasted him all over.

Kevin: Sniff on this! UNLEASH THE BEAST!

LOUD FART!

He farted a massive wave of fart gas that formed into a deadly gator and it mauled the Totem Spirit!

Me: OH GOOD GOD!

Xenia: That stinks!

Kevin: Sorry!

Me: That was funny though!

Roach: This is going to crawl! UNLEASH THE BEAST!

He summoned a massive swarm of roaches and they crawled all over the Totem Spirit.

Lana: Awesome!

Tyler: UNLEASH THE BEAST!

He ran fast and swiped numerous jewels from the Totem Spirit Clone and then he fell apart into pieces!

Totem Spirit Clone: HEY! Give those jewels back!

Tyler: Sucker!

Jonny: Plank says to go blow it out your nose wood face!

The Totem Spirit Clone growled!

Me: What did you expect? Raccoons are the thieves of the animal kingdom.

Sly Cooper: That's something I would do!

Me: You got that right!

Aang: How about this too! UNLEASH THE BEAST!

He flew into the air and fired waves of wind and blasted down

Me: YEAH!

Qin: Appa would be proud!

Aang: He sure would!

Eddy: Seriously? I thought he likes going out!

Aang: Only when I'm with him.

Eddy: Oh.

Me: Focus guys!

Suddenly, Tessa Totem's blue eyes turned neon blue and she was surrounded by an orange and blue energy aura with stars, animal totem spirits, nature, phoenixes, and angels, and as she approached the Totem Spirit clone, she left orange and blue energy, stars, animal totem spirits, nature, phoenixes, and angels with every step.

Tessa Totem: Even if you're just a clone of The Totem Spirit you're still just as bad as the real one, but what makes you even more bad is that you're just a construct created by the mastermind of this whole thing, and when we find out who it was, he'll pay with his life.

Suddenly, Tessa Totem was surrounded by a massive vortex of orange and blue energy with stars and nature surrounding the vortex, there are animal totem spirits, phoenixes, and angels flying around the vortex, and in the vortex is a light blue phoenix with red eyes glaring at The Totem Spirit Clone: the red eyes of eternal death.

Me: WHOA!

Nico: So incredible!

Lincoln: That really is so awesome!

But, The Totem Spirit Clone went completely mad with rage and charged at the vortex and us as well, but he got hit hard by blasts of orange and blue energy. Then, as the vortex faded, Tessa Totem emerged, but she was changed forever.

Suddenly, Tessa Totem's massive golden greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of orange and blue energy, stars, animal totem spirits, nature, phoenixes, and angels, and when it emerged, it was transformed into Tessa Totem's Cosmic Eternal Nature Fury Animal Totem Dopant Phoenix Angel Greatsword of Cosmic Eternal Nature Fury Animal Totem Dopant Phoenix Angel Justice, it's a brand-new massive greatsword with embedded orange gems and the Totem Dopant symbol etched on the 7'8" massive, wide, double-edged gold blade, large gold wolf heads for the crossguard, large white angel faces built into both sides of the hilt and large orange gems embedded in their foreheads, longer midnight black handle, four large gold wolf heads with orange gems for eyes and on the bottom of the large gold phoenix heads is a large gold wolf head with orange gems for eyes and blue gem in its mouth for the pommel, Tessa Totem has on her large gold Bracers of The Champions of The Universe with large orange gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold wolf head with orange gems for eyes and large blue gem in her mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Tessa Totem's Super Angel-Totem Dopant Embodiment-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when I saw her, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when The Totem Spirit Clone saw it, he went mad and ran at her to kill her, but Tessa Totem fired a massive barrage of orange and blue energy, stars, animal totem spirits, nature, phoenixes, and angels which hits The Totem Spirit Clone and sent him flying into another wall, he got back out, but now, he was enraged.

Tessa Totem: (Divine Echoing Godly Voice of The Animal Totem Spirit Nature Fury Totem Dopant Embodiment Phoenix God Angel and Divine Cosmic Eternal Animal Totem Spirit Nature Fury Totem Dopant Embodiment Phoenix God Angel Love) Alright, you ugly walking totem pole, hope you're ready for a well-deserved beating.

Suddenly, Tessa Totem felt a very dark energy, and she dodged a slash from a dark greatsword, and we all saw it: SEBASTIAN WAS AWAKE AND HE WAS SUPER PISSED OFF NOW AND HE WAS OUT OF HIS MIND ALONG WITH TURNING MURDEROUS AND

PSYCHOPATHIC AGAIN!

Sebastian: (LAUGHING DERANGEDLY AND PSYCHOTICALLY) NONE OF YOU! NONE OF YOU WILL EVER LEAVE HERE ALIVE! DIE! DIE! DDDDDDDDDIIIIIIIEEEEEEEE!

Qin: SHIT, HE'S LOST IT!

Trudy Lawrence: I KNEW THE MURDEROUS AND INSANE FUCKED-UP MONSTER WAS STILL ALIVE IN HIM! COME ON, GIRLS, LET'S GET THAT MURDEROUS PSYCHOTIC BASTARD FUCKER AND FUCK HIM UP!

Nico's harem: YEAH! LET'S GET THAT LUNATIC!

Sebastian: (LAUGHING DERANGEDLY AND PSYCHOTICALLY) YOU'RE MY NEXT VICTIMS!

Suddenly, The Totem Spirit clone and Sebastian got hit hard by two blasts of blue fire, and Sebastian screamed in agony as the flames burned him badly and he turned to ashes.

Nico: WHOA! NICE SHOT, J.D.!

Me: That wasn't me, though I wish it was. (Smirks) But, I know only one person who did that.

Suddenly, we saw a very beautiful and super sexy girl with long dark blue hair and flower clip in her hair, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful rainbow angel wings, she's dressed in a dark blue short-sleeved frilly shirt, necklace with pearls and blue gem for the pendant, dark blue skirt, white bridal gloves, dark blue knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, phoenixes, and angels on the coattails and on the back is a phoenix and angel with stars reflecting off them, and holstered on her back is a massive golden greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel.

Lincoln: (GASPS) Beth Knudson, God Sibling of Blue Fire.

Me: Aw yeah, I knew it was her alright!

Sakura Knudson, Elaine Knudson, Marlene Knudson, Helena Knudson, Sophia Knudson, Morgana Knudson, Emily Knudson, Abigail Knudson, Avery Knudson, Grace Knudson, Maria Knudson, Selena Knudson, Caitlin Knudson, Lunaria Knudson, Evelyn Knudson, Valerie Knudson, Arlene Knudson, Melanie Knudson, Celine Knudson, Clara Knudson, Megan Knudson, Carly Knudson, Sumner, and Patti: Beth?!

Sebastian Mendez: (ENRAGED FUCKED-UP SCREAM) (RISES UP FROM THE ASHES) GODDAMN IT! NOT HER!

Sebastian ran at her and tried to stab her with a deranged murderous psychopathic grin on his face, but Beth punched him hard in the face and knocked him out and chained him up to a pole.

Beth Knudson: Yep, Beth Knudson, God Sibling of Blue Fire, reporting for duty!

Sakura Knudson: It's so good to see you again, Beth.

Nico's harem was about to get after Sebastian.

Darren Deveraux: GIRLS! THAT'S ENOUGH! STAND DOWN NOW!

Darren Devereaux yelled out which stopped them and he fired a beam of light which hit Sebastian and removed what we thought was gone for good: a fragment of Universe 666 Sebastian's residual darkness was inside him the whole time, we were horrified and Darren destroyed it and sent it to The Black Gates.

Nico: I can't believe it, a fragment of Universe 666 Sebastian's residual darkness was inside him that whole time?!

Me: This was after we destroyed Universe 666 Sebastian, it infected Sebastian and it made his darker malevolent traits even worse than ever.

Trudy Lawrence: Well, we're not letting him out.

Lincoln slashed the chains and freed Sebastian.

Trudy Lawrence: WHAT THE FUCK?! You let that monster free from…?!

Darren Devereaux: That's enough! He's already been through Hell thanks to what he wrote about in his journal, and I don't think you want to make his life even more hellish than it already is by holding onto that grudge you all had against him for what that Dark Side of his did.

Sakura Knudson: Luckily, you and Lincoln saw it, but you had to wait until he truly came out, nice one. Now, were we?

Me: Oh yeah, kicking your ass and sending you straight to Hell for what you've done.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as well as the sword pendants on his white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing.

And I unholstered my massive J.D. Knudson's Universal True Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Angel

Greatsword of Universal True Eternal Cosmic Elemental Wolf Moon Phoenix Angel Justice from my back and transformed into Super Angel-Ebonwu-January Wolf Moon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Divine Cosmic Harmony January Wolf Mythological God Phoenix Angel of Divine Cosmic Universal Elemental Divine Cosmic Harmony January Wolf Mythological God Phoenix Angel Justice and Divine Cosmic Universal Elemental Divine Cosmic Harmony January Wolf Mythological God Phoenix Angel Hope, and so did the rest of us as we unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Even though we know you're not one of Universe 666 Sebastian's creations born from his residual darkness, you're still getting your butt kicked.

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And when we find out who the mastermind behind this is, he's also getting his ass kicked big time!

Lincoln, Tessa Totem, and I went after The Totem Spirit Clone, and we fired extremely powerful blasts of rainbow energy, orange and blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at The Totem Spirit Clone, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Tessa Totem, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving The Totem Spirit Clone even more insane and straight to the brink of insanity.

Totem Spirit Clone: YOU! YOU! (ENRANGED SHRIEK)

The Totem Spirit Clone charged right at us completely blind with homicidal rage and fury, but Nico, May, and Qin kicked him hard in the stomach, and Sebastian who recovered greatly fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, then, Lincoln smashed him hard into the ground with his eleven massive and long white wolf tails, and he was really getting messed up, and then, he threw him and sent him into a nearby wall.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And now, for the feast.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into The Totem Spirit Clone, and then, Lincoln began absorbing him into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of The Totem Spirit Clone, and he sent him to The Black Gates. Everyone cheered wildly as we holstered our weapons and powered down, and Tessa Totem's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long green wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large orange orbs orbiting around her legs, and massive brown angel wings are permanent.

Tessa Totem: Now, that was so awesome!

Lincoln: That's one clone of Mystery Inc's enemies down and more to go.

Suddenly, Tessa Totem wrapped her arms around my waist, as her chest pressed against my massive pecs and her stomach pressed against my eight-pack abs, which'd brought an atomic red blush to my face, and I wrapped my abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as I leaned down to Tessa Totem's face, we kissed passionately as she moved her hands onto my massive pecs, and behind us was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Animal Totem Spirits flying in the air, and a herd of Buffalo and many animals were all running across the field and elemental forces and nature behind us and everyone cheered wildly. Then, Tessa Totem and I sucked in and absorbed the elemental forces and nature and we came back to us as the display vanished.

Lincoln: That's another clone of Mystery Inc's enemies absorbed, and we even got rid of the hidden residual darkness of Universe 666 Sebastian that was in Sebastian the whole time. (To Beth Knudson) And it's so good to see you again, Beth.

Beth Knudson: You too, Lincoln, it's been seven years since we last met, and it's so good to see you, our sisters, Varie, and Mom and Dad again, J.D.

Me: You too, sis.

Lincoln went up to Beth Knudson and he hugged her, and Beth Knudson is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Beth Knudson: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed, I do, Eli. Everyone, this is Beth Knudson, God Sibling of Blue Fire, she's my Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful blue fire powers and immense control over blue fire. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of J.D., Sakura, Elaine, Helena, Sophia, Avery, Emily, Abigail, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Evelyn, Marlene, Gianna, Arlene, Melanie, Celine, Clara, Megan, Carly, and Valerie, and just like J.D., Sakura, Helena, Sophia, Emily, Abigail, Avery, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Marlene, Valerie, Gianna, Melanie, Arlene, Celine, Clara, Megan, Carly, and all of us, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just Blue Fire, but also Fire, Water, Ice, Wind, Lightning, Earth, Lava, Darkness, Light, Crystals, Wood, Stars, Time, Gravity, Nature, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all.

Nico: WHOA!

Me: Yeah, she's that powerful like us and she defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals, and if you get her mad, WATCH OUT OR THE BLUE INFERNO WILL INCINERATE YOU TO ASHES!

We gasped.

Nico: Oh… shit!

Lincoln: Yeah, it would be a huge mistake if anyone dared to piss her off, and now that you're here, Beth.

Lincoln went up to and hugged Beth Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Beth Knudson: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Beth Knudson's neck with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Beth Knudson: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Beth Knudson.

Beth Knudson had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them.

Nico: And Kit? You and Natalia did good yesterday.

Kit: Thanks Nico.

Natalia: (Russian Accent) That was awesome and fun.

Lola: It sure was.

Qin: Yeah.

Yumi: Nice job, Umbreon!

Umbreon: Thanks! It was fun.

Me: It sure was.

Poromon: Want some beer?

Umbreon: No thanks. I don't drink.

Poromon: Okay.

Poliwag: (Does Puppy Eyes) Pwetty pwease?

Squidward: Wow.

Mr. Krabs: Oh boy.

Sandy: They must've been bad news.

Lily: Oh yeah.

Plankton: And I remember the Kelp Shakes.

Me: We found out that they were made with Kelp Juice and Toxic Waste!

Lola: Yeah!

Plankton: Toxic Waste!?

Nico: Yeah!

Me: Anyone that drank them turned into kelp creatures.

Lola: Hayley Buckingham stopped those restaurants and shut them down forever.

Nico: Yep.

Hayley Buckingham: (British Accent) It's true.

Lily: That was horrible. Thank goodness we didn't drink any of that.

Laney: What the heck were the people of Bikini Bottom thinking mixing kelp juice with toxic waste!?

Me: No flipping idea!

SpongeBob: Yeah no kidding!

Eli: I sense that the Anothers minus Louie PoisonSea are one person.

Me: Nice.

Hailey Hitch Trailblazer: I sure am and I'm also an animal charmer like Fluttershy.

Fluttershy: Oh wow it's an amazing gift you have there.

Hailey had some birds on her fingers and she was petting the Raccoonicorns.

Me: You sure are gifted with so many animal friends.

Poromon: Would they like some beer? If so, they need to line up for it.

Hailey Hitch Trailblazer: (LAUGHS) No they don't drink beer. I give them honey I make.

She used her nature powers and made an amazing bunch of flowers and numerous bees came and made awesome honey.

Me: Wow!

Fluttershy: That is amazing.

Me: Wow! You really are gifted.

Hitch Trailblazer: You sure are.

Nico: Poliwag you already did the puppy eyes earlier.

Poliwag: Oh right.

Nico: Anyway, sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and was separated.

Me: Action time!

We fired waves of energy and elements and blasted the Anothers and smashed them down.

I caught the Wonder Ride books.

Me: Awesome!

Nico: That was awesome.

Me: Oh mandatory question. Hailey is the Another Louie PoisonSea friendly or hostile?

Hailey Hitch Trailblazer: Friendly and I think it's someone that Jared would like.

Jared: Really? Wow.

Nico: Hmm. Interesting.

Me: Yeah.

Qin: This will be fun.

Horsea: Not gonna check on my progress?

Eddy: You already conquered your fear, remember?

Horsea: Oh right.

Me: Yeah. Wait look!

We saw a figure and it was ANOTHER LOUIE POISONSEA!

She reverted back and was a girl with green, red and yellow hair and had brown eyes and had green and red clothes and had green angel wings and had a tiara with the symbol of the Vegetables Dopant on it and the same symbol on her skirt and she had a Tomato Magisword in her hand.

Me: (GASP) Vicky Vegetable! Whoa!

Vicky Vegetable: Awesome to see you again J.D.

Me: Same here. Vicky is the Embodiment of the Vegetables Dopant and she is a powerful master of plants and vegetables.

Jared: Wow! And as a vegetarian and herbivore she can feed me vegetables anyday.

Nico: Now I see!

Me: Yep. She has a green thumb the size of Eden and she can grow vegetables of any size and more.

Jared: Wow! That is cool!

Me: Yep and is a perfect weed killer too because she has poison too.

Nico: Whoa!

Louie PoisonSea: Wow! That is deadly poison powers. Like me.

Me: Yep. Don't take it so wrong Louie. Deep down you are not a bad person.

Louie PoisonSea: Thanks J.D.

Me: I looked up his history and found out that he didn't want to be a bad person.

Nico: That's okay.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Sakura Knudson: No he just had a huge appetite.

Nico: That explains it.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor!

Qin: Awesome.

Lincoln: Lets separate you first.

Lincoln fired a wave of light and separated her.

Me: I almost feel bad doing this to another of Louie PoisonSea.

Qin: Me too. But it's still an Another.

Nico: (Gets out Louie PoisonSea's ridewatch) Time to Poison You!

May: (Gets out Archangel Gabriel's Ridewatch) Time to unleash Holy Light.

Maria: (Gets out Universe 666 Hexxus' Ridewatch) This is Toxic Love!

Betsy Brachiosaurus: (Gets out Universe 666 Infected Argentinosaurus' Ridewatch) This will be infectious!

They used the powers of Louie PoisonSea and Universe 666 Infected Argentinosaurus, Archangel Gabriel (Constantine), Kaos, Hexxus and Organization XIII and blasted the Another!

Then Dr. Starline, Evil Naga (Kyurangers), Wild Ones, Huge Wrestlers, SpongeBob the Kelp Creature and Baby Prunes came.

Nico: Nice team Dr. Starline!

Dr. Starline: Thanks Nico!

Starlight Glimmer: That means it's time for me and my turn next!

Lola: Boy and coincidentally we faced Another Wild Ones, Huge Wrestlers and SpongeBob the Kelp Creature.

Qin: Nice! WHOA! That is one REALLY Ancient fish.

Baby Prunes: WHY I OUGHTA!

She then twirled like a helicopter and bashed Qin in her face!

POW!

She bashed and pulverized her all over! She repeatedly hits Qin until she became a broken and battered and mangled up mess!

Baby Prunes LAUGHED MANIACALLY AS SHE MANGLED UP QIN!

Baby Prunes: Stupid bitch of a girl!

Qin: (Dazed and stupid talk) Mommy where is the cream filling in my turkey? (Spits out teeth and blood)

Nico knocked Baby Prunes out as Sora healed Qin.

Qin: Thanks Sora.

Nico: Geez that old fish REALLY is trouble.

Gloria Gale: Yeah Vypra told us to watch out for her.

Nico: Oh.

But then…

Nico: That was funny!

Bounce Man: (In a girls voice) That was awesome!

Nico: Celica Bounce!? Whoa!

She reverted back and was a girl with pink hair and pink eyes and had pink and black clothes and had pink angel wings and had balls bouncing emblazoned in the middle of her forehead.

Celica Bounce: Awesome way to make an entrance.

Nico: Nice one!

Celica Bounce: Thanks. And awesome to see you again Nico and you two Qin.

Qin: Thanks.

May: And I didn't get hit too.

Celica Bounce: I'm practically made of rubber.

Nico: Nice.

Betsy Brachiosaurus: Do you have a favorite memory of Nico?

Celica Bounce: When me and Nico were at my family's fun park and we smashed a bunch of bullies there. Sent them to prison.

Nicole: Jerks.

Nico: Yep.

Nico and Celica hugged.

Nico: I've missed you.

Celica Bounce: Same here.

We later went back home.

So, we're going to beat him down and throw him into our dungeon at The World Tree Estate as a way to have him detox from what he went through, but he won't go down without a fight and that messed up state because of him absorbing The Devil Gundam's DNA has made him really dangerous.

Lincoln: Ah, we're here in London, England, and I know what we're going to do here, not only am I going to rescue the four girls here, but we got bad news: Lelouch vi Britannia has returned from the dead, but as a result of absorbing The Devil Gundam's DNA last year, he's really messed up in the mind.

We gasped.

Nicole: Oh shit.

Eli: I knew that not even death could keep a jerk like LeLouch down. But, as much as many of us hate what he's done in the past, he's still Nunnally's brother.

Nico: Yeah, that's true.

Me: So, what are we going to do?

Lincoln: We're going to beat him down and throw him into our dungeon at The World Tree Estate as a way to have him detox from what he went through, but he won't go down without a fight and in that messed up state because of him absorbing The Devil Gundam's DNA, he's really dangerous.

Silver Spoon: So, we need to proceed with caution with him.

J.D. 3: (Through the rainbow phoenix) Exactly.

Suddenly, we saw a very beautiful and super sexy girl with long dark blue hair and blue hairband, dark blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful blue angel wings, she's dressed in a dark blue sleeveless open blouse, sleeveless dark blue crop top, necklace with dark blue heart gem for the pendant, dark blue skirt, dark blue bridal gloves, dark blue bellbottom pants, dark blue knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with stars, water, darkness, ocean waves, swords, phoenixes, and angels on the coattails and on the back is Tearlaments Kitkallos, and holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel, and with her are the four girls.

Lincoln: (GASPS) Kitkallos Harper, Gene-Slammer of Tearlaments Kitkallos.

Kitkallos Harper: That's right, and I got the girls away from that psycho, LeLouch, but before he could come after us, someone charged in and started fighting him. Renee, it's your brother, Mathias.

Renee Ravenclaw: What?! We better get over there at once!

Suddenly, we saw LeLouch heading for us in a fit of insane fury and rage as a side effect of that bit of madness due to absorbing The Devil Gundam's DNA, but then, he got hit by a blast of sapphire blue and black energy.

Then, we saw who it was that did that to LeLouch: it was a male who was tall at 8'5" in height, he had long brown hair going down to his neck, he had massive and powerful upper and lower body muscles and eight-pack abs, sapphire blue eyes, he was dressed in a white shirt with a sapphire blue brooch jewel brooch, long white long-sleeved jacket with golden embroideries in the shape of arrows pointing left and right and sapphire blue buttons, white gloves with silver-plated claws on the fingers, long black pants with sapphire blue flames on the legs, black knee-high boots, and long long-sleeved sapphire blue coat with silver embroideries on the long sleeves and white fur cuffs and white fur lining on the coattails and white wolf draped around his neck for the collar.

In his right hand is a Mage's Staff called Mathias Ravenclaw's Cosmic Eternal Ravenclaw Defender Celestial Magic Heavenly Raven Phoenix Angel Mage's Staff of Cosmic Eternal Ravenclaw Defender Celestial Magic Heavenly Raven Phoenix Angel Justice, a Mage's Staff measuring at 8'7" in length with a massive sapphire blue orb mounted on top of four large silver raven heads with sapphire blue gems for eyes and below them is a large sapphire blue gem surrounded by a silver ring with small chain made of three sapphire blue gems and raven for the pendant and silver dragon coiled around one end of the long midnight black handle and on the other end of the long midnight black handle is another silver dragon coiled around with a white Alicorn head with its wings spread out and golden heart and on the bottom of the Alicorn head are four smaller silver raven heads with sapphire blue gems for the eyes and on top of a large silver ring and on the bottom of the raven heads is a large midnight black crescent moon weight with sapphire gem on it and levitating large sapphire blue magic orb with silver designs on it.

Renee Ravenclaw: Brother, it's nice to see you again.

Mathias Ravenclaw: Nice to see you again, Renee.

LeLouch: DAMN YOU! DAMN YOU ALL! IF YOU HADN'T GOTTEN IN MY WAY, HUMANITY WOULD'VE FINALLY BEEN ERADICATED!

Lincoln: Now, that was a close one! And Renee, I remembered you telling me you had a brother.

Renee Ravenclaw: That's right, I did. This is my older brother, Mathias Ravenclaw, and like me, he's also the blood descendant of

Rowena Ravenclaw, he's an extremely powerful wizard, and like all of us, he's an extremely powerful master of magic and spells along with a master of defense against The Dark Arts. Plus, he also absolutely despises Voldemort, Salazar Slytherin, and The Death Eaters along with that loathesome cockroach, Malfoy.

Mathias Ravenclaw: Those monsters wanted to destroy humanity, and that loathesome cockroach, what a bastard. He's like his father and mother in ever way, I'm glad he's gone forever.

Me: So am I.

Lincoln: Along with Voldemort, Salazar Slytherin, and The Death Eaters. (To Kitkallos Harper) And it's so good to see you again, Kitkallos Harper.

Kitkallos Harper: You too, Lincoln, it's been a long time, and it's so good to see you again, Shaylen.

Shaylen Harper: You too, sis.

Lincoln went up to Kitkallos Harper and he hugged her, and Kitkallos Harper is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Kitkallos Harper: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Kitkallos Harper, Gene-Slammer of Tearlaments Kitkallos, she's my Guardian Angel from Michigan and the eighth of eight sisters, she has powerful mastery of darkness and water and she is known for her amazing swordsmanship skills, and like Shaylen Harper, she has a magic sword that was made by Tearlaments Kitkallos that can cut through even the strongest of metals and her sword also has the power to make them go insane!

Shaylen Harper: And like me, she also took on all of the meanest bullies in the city after that were after Lincoln and she slashed them all over and filled up a maximum security insane asylum in one day. She even took down Nurse Sue at the worst of her fury and rage, and one slash from her sword made her worst fears come true: she was fired and thrown into a prison made for the worst criminals in history.

Nico: Wow, so that means all of Shaylen's sisters…?

Lincoln: Are all powerful swordswomen with power over darkness and water and have magic swords that cut through even the strongest of metals and also have the power to make them go insane with one cut.

Me: Yeah, we were stunned ourselves.

Nico: Man, if anyone messed with them, they can say goodbye to their sanity forever.

Lincoln: And say hello to an eternity in an nuthouse, and now that you're here, Kitkallos.

Lincoln went up to and hugged Kitkallos Harper in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Kitkallos Harper: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Kitkallos Harper's neck with dark blue gems on the gold lightning bolts and dark blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Kitkallos Harper: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Kitkallos Harper.

Kitkallos Harper had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the four girls, and when Lincoln saw them, he immediately recognized them. The four girls are Amane Shiratori, Akira Akamine, Chitose Ayanuma, and Nana Ogawa from Anata no Shiranai Kangofu ~Seiteki Byoutou 24 Ji~

Lincoln: Oh wow, it's Amane Shiratori, Akira Akamine, Chitose Ayanuma, and Nana Ogawa from Anata no Shiranai Kangofu ~Seiteki Byoutou 24 Ji~.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Amane Shiratori: Yes, we're okay, thanks to you.

Then, when Amane Shiratori and the other three girls saw who it was that saved them from LeLouch, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu

Amane Shiratori: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper

and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Amane Shiratori: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Amane Shiratori, Akira Akamine, Chitose Ayanuma, and Nana Ogawa with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villain we went after was our old enemy, Lelouch vi Britannia, who returned from the dead, but as a result of absorbing The Devil Gundam's DNA last year, he's really messed up in the mind and that messed up state because of him absorbing The Devil Gundam's DNA has made him really dangerous.

But, when Lincoln showed what happened with us meeting Renee Ravenclaw's older brother, Mathias Ravenclaw, and all of us beating down LeLouch and Lincoln tying him up and beaming him to our dungeon to detox, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Kitkallos Harper have a lot of catching up to do, now that she's back in town.

Maria: Damn, so that's why we're hearing LeLouch's insane screams down in the prison.

Lincoln: Yep, and we made the choice not to banish LeLouch to The Black Gates. Despite that he's done some really dark actions and was a jerk, he's still Nunnally's brother.

Nico: Yeah, and I think time in our prison should help him detox after what happened last year.

Me: And we'll be keeping a very close eye on LeLouch after what happened last year with him having The Dark Gundam's DNA in him, it really made him messed up.

Mathias Ravenclaw: If he tries anything, I'll freeze him with a petrifying spell.

---

After taking down LeLouch and throwing him in our prison at home, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Kitkallos Harper saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Kitkallos Harper: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the

powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Kitkallos, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Kitkallos Harper: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Kitkallos Harper: I knew it was only a matter of time before he told everyone that story.

Qin: Okay, guys, now you're going to hear the story of the incident that not only exposed Sebastian's descent into madness and darkness, but also led to us cutting all ties with him forever and swearing a vow that if he ever crawled out of the darkness once more, we would finish what we started and end him forever.

Qin put up a video as it played on the big screen, and it was at a wedding years ago, but it wasn't a good wedding, it was a scene straight from a wedding turned fight, and a woman with blonde hair as dressed in a beautiful wedding dress, but a man with brown hair and dressed in the wedding tux and a woman with blonde hair: the bride's sister spilled beer on her and her dress was ruined and those two were laughing cruelly at her misery. Then, we saw an elderly woman fall to the floor, it was the woman's mother. She went to grab the purse, but then, we saw Sebastian show up and he tried to kill the bride.

Past Trudy Lawrence: WHAT THE FUCK?! NICO! QIN! SEBASTIAN'S BETRAYED US!

Past Nico and Qin: WHAT?!

Past Cindy Storm: And my intel told me he'd conspired with Clark and Andrea to ruin Helen's wedding after Andrea seduced Clark away from her to hurt her feelings, then, they'd kill her and their mom! That fucker, now he's dead!

Past Nico: Let's beat up Andrea and Clark and tie that bastard up! We'll deal with him later!

Nico, Qin, and their friends all charged in and beat up Clark and Andrea along with the treacherous Sebastian, and they helped Helen's mom recover.

Past Helen Wendova: Thanks, guys.

Past Nico: You're welcome, Helen. Andrea, you've done some really low things before, but this is just the lowest that you've sunk down to!

Past Andrea Wendova: Shit! I was so close to finally marrying Clark along with getting rid of my stupid sister and Mom! DAMN IT!

Qin also had her phone!

Past Andrea Wendova: (GASPS) Oh no, my phone!

Past Qin: And there's something you should know, Andrea was supposed to be getting married to her boyfriend from your company next week, Helen.

Past Helen Wendova: What?! From my company?! What's the name of this guy's name, Qin?

Past Andrea: If you tell her, I'm gonna sue you for revealing your customer's private information!

Nico punched her in the face.

Past Nico: You have no grounds to sue her, besides, that's just bullshit.

Past Helen Wendova: (Looks through Andrea's phone) Oh, so it's Michael!

Past Andrea: What the? I can't believe you did that, you're both despicable!

Past Helen Wendova: I don't want to hear that from you, Andrea!

Past Maureen Wendova: That's right, after everything you did to Helen and I, you're in no position to talk!

Past Andrea Wendova: SHUT UP! SHUT UP! SHUT UP! I'M GONNA SUE YOU, BOTH OF YOU!

Past Helen Wendova: Go ahead, be my guest.

Past Maureen Wendova: Yes, but just so you know, if you do go on ahead and sue us, I'm disowning you.

Past Andrea Wendova: (Shocked) What?! Disowning me?! Isn't that taking things too far?

Past Helen Wendova: After you seduced my husband away from just so you can hurt my feelings and conspire with Sebastian to kill me and Mom, disowning you is the least that you deserve! You know what, I think your boyfriend, Michael, would like to hear what you've been doing these few days!

Past Andrea Wendova: No, wait!

Past Helen Wendova: (Calls Michael) Hello, Michael, how are you? Listen, there's something you need to know about your girlfriend, Andrea.

Past Andrea Wendova: No, Helen! Don't! (PANICKING BIG TIME) STOP!

Past Clark Mitchells: Oh no, this is the absolute worst way this could've gone!

Past Nico: I can't believe what you did, Clark. You and that lying cheating slut, Andrea, really hurt Helen bad, and we had no idea that Sebastian decided to turn on us. But, what you did breaking Helen's heart like that, you're absolutely nothing but trash!

Past Qin: Yeah! You know what, your boss has been considering terminating your employment for quite some time now, because you have the lowest performance there is. He considered giving you another chance since you were getting married to Helen, hoping that having a family would sharpen you up.

Past Gabby Orion: But, after what we just saw and recorded to your boss, it's clear that he's now wrong about you, your infidelity and horrendous behavior is gonna tarnish the reputation of your company.

Just then, Clark's boss and his colleagues came in.

Clark's Boss: Exactly, you're far more irresponsible and immoral than ever before, and after seeing your disgraceful performance, I'm gonna have you fired as soon as possible!

Past Nico: And don't say it was all a prank, we saw you and Andrea kissing in the lobby earlier, Clark!

Past Clark Mitchells: (GASPS) You saw that?!

Past Maureen Wendova: Oh, what a disaster. Helen, should we go home?

Past Helen Wendova: Yeah, let's get out of here, Mom, but first.

Helen takes the mic.

Past Helen Wendova: Excuse me, everyone. I want to apologize for the horrifying scene that you all had to witness, but now that I know about Clark's infidelity with Andrea and Sebastian's descent into madness and darkness, I'm afraid I can't go through with marrying him anymore. I'm breaking up with you, Clark! We'll be returning all of the wedding gifts you brought for us, so please pick them up in the lobby as you make your way out.

Past Andrea Wendova: Wait! Wait, it was all a prank! Please!

Woman: This is your idea of a joke?

Man: Nobody's laughing, you psychopath! You need to be locked up in a padded room!

Past Clark Mitchells: Please! Don't fire me, I'm begging you!

Clark's Boss: Begging me won't get you anywhere, Clark!

Secretary: We'll be convening an HR Meeting first thing Monday morning, so pack up your desk!

Past Clark Mitchells: NOOOOOOOOOO!

Me: What the fuck?! I can't believe… !

Nico: Yep, Mindy's friend, Helen Wendova, was going to get married to Clark Mitchells, but thanks to Helen's slutty britches of a sister and mega harlot, Andrea, she ruined all of that and he wanted to cheat on Helen.

Qin: Not to mention, they conspired with Sebastian who'd already descended into madness and evil, so they can kill Helen and her mom as well. Those two were absolute pieces of human garbage. But, wait, there's more.

The video transitions to Helen Wendova's house, and we saw a car pull up, and it transitioned to the inside of the house.

Past Michael Robinson: Andrea! You were cheating on me and you're pregnant now?!

Past Helen Wendova: (GASPS) Wait, you don't understand! He forced himself on me, I didn't want to sleep with him! And as for the baby, there's a chance that it could still be yours, right?

Past Michael Robinson: If the kid is mine, why didn't you tell me when you found out? But, that's besides the point, even if it's my kid, I would never stick around with a lying cheating slut like you!

Past Clark Mitchells: WAIT! WAIT! She's lying! She was the one who came onto me!

Past Helen Wendova: You two losers can sort out your own issues on your own time! Let's get down to business, Clark. First order of business: you're gonna pay me the cost of the wedding dress that you ruined. Next, since your infidelity and horrendous behavior forced us to cancel the wedding, you're going to pay the full cost!

Past Clark Mitchells: Wait, you can't pin this all on me! What about Andrea, this is her fault too. If she didn't hit on me at the bar that day, we'd be married and living our happily ever after.

Past Andrea Wendova: You're the one who got me pregnant, Clark! If you'd just been more careful, no one would've found out about us!

Then, the video transitions to Nico, Qin, Mindy, Connor, Alicia, and their friends with Helen Wendova and Maureen Wendova facing and glaring at Andrea Wendova.

Past Andrea Wendova: Man, that Clark sure was a scummy guy, I'm so glad he's out of our lives for good. Honestly, Helen, I don't know what you saw in him in the first place.

Past Helen Wendova: Andrea, we're kicking you out of the house.

Past Andrea Wendova: What?

Past Maureen Wendova: After everything that you did, what did you expect? I've held my tongue on your behavior because I thought you could straighten yourself out, but it's clear I was wrong. You have until tomorrow morning to get out of this house.

Past Andrea Wendova: But, we had a deal! I agreed not to sue you for looking at my phone, didn't I?!

Past Maureen Wendova: Andrea, you shouldn't believe everything you read on the internet!

Past Andrea Wendova: Huh?

Past Helen Wendova: You have no grounds to sue us. If anything, you should be charged for stealing Mom's medicine, that's illegal you know.

Past Maureen Wendova: You can waste money on a lawsuit, but don't you have more pressing matters at hand?

Past Andrea Wendova: Wait! Are you really going to kick me out of the house? But, where will I live?! I have nowhere else to go! I got fired from my job when word of what happened with me and Clark got out! I'm unemployed!

Past Helen Wendova: That's your problem, not ours. I've got an idea, if you're so confident in your appearance, why don't you go and find yourself a man to take care of you, that should be no problem for a girl as beautiful as you, right? Oh, wait, you don't have a house, so you'll have nowhere to take a bath, will you? I doubt you'll be attracting many guys after a couple of days of not showering.

Past Andrea Wendova: No, Helen! I'm sorry okay! I'm really sorry for what I did, so please forgive me!

Past Helen Wendova: Never! I don't ever want to see your face again! So, get lost!

Qin and the others kicked Andrea Wendova out of the house, then, Nico, Alicia, Mindy, Connor, Qin, and their friends turned angrily towards Sebastian who was tied up in a straitjacket and thrashing about like a madman!

Past Sebastian: GODDAMN IT! DAMN IT! IF YOU BRATS HADN'T GOTTEN IN MY WAY, THEN, SO MUCH GLORIOUS BLOOD WOULD'VE FINALLY BEEN SPILT!

Past Mindy: So, this is what you've become: a bloodthirsty psychopathic deranged monster?! I really thought you were a good person despite having that dark evil in you, but it's clear you gave into that darkness and plotted to hurt my friend, Helen. You conspired with that slutty britches, Andrea, along with that scumbag, Clark, to ruin Helen's wedding day and kill her and her mom, there's absolutely no way we're forgiving you.

Past Elly Chromington: You really went way too far, you psycho, you're just as bad as that narcissistic monster, Frieza! You're both honorless, heartless, sadistic, and absolutely despicable! But, you, you're on another level of darkness: you're absolutely honorless, completely heartless, excessively sadistic, excessively cruel, absolutely monstrous, and absolutely despicable times infinity!

Past Connor: And as such, we're cutting all of our ties with you forever, you are no longer our friend! Now, scurry back to Hell where you belong, and if we ever see you again, we'll finish you off once and for all!

Sebastian roared demonically and shredded his straitjacket freeing himself from it, and he ran away in a dark portal he opened up and once he went in, the portal closed as the video ended. We were really horrified.

Me: My God, that was… really… horrifying!

Gabby Orion: Now, you know the whole story about that whole incident, and Connor was right, if we ever saw Sebastian scurry out of the shadows once more, we'd finish what we started and end him for good.

Lincoln: Jeez, that was really dark. So, what happened with Andrea and Clark?

Nico: Oh right. Well, after a brief HR meeting, Clark got fired from his company, but he found work at another company, but for half his original salary and more work, and after Andrea got kicked out and disowned, she and Clark combined what little money they had to their names and they moved into an apartment that's as small, filthy, and run down as their hearts are. So, they might not be homeless, but they're not enjoying their lives very much. And with the money that Helen won in the settlement against Andrea and Clark, she got her Mom into a specialist for treatment for her cancer and she made a full recovery.

Me: Nice one.

Eli: Every cloud does have a silver lining, and Elly really did awesome telling Sebastian off like that!

May: I swore I saw Sebastian looking like he was about to kill her in a fit of demonic rage when she said that: comparing him to Frieza, that really touched a nerve.

Lincoln: It sure did, yikes!

We got a shower afterwards, and then, Lincoln, Rouge the Bat, Universe 666 Tira, Titania, Shauna Tifton/Princess Kashmir, Simulator Turanga Leela, and Simulator Amy Wong are heading to Emerald Coast.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Rouge the Bat, Universe 666 Tira, Titania, Shauna Tifton/Princess Kashmir, Simulator Turanga Leela, and Simulator Amy Wong are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Rouge the Bat, Universe 666 Tira, Titania, Shauna Tifton/Princess Kashmir, Simulator Turanga Leela, and Simulator Amy Wong all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Rouge the Bat: Well, I'll be, so you chose Emerald Coast for our date.

Lincoln: That's right, Rouge, and it's perfect for our first date. Shall we?

Lincoln, Rouge the Bat, Universe 666 Tira, Titania, Shauna Tifton/Princess Kashmir, Simulator Turanga Leela, and Simulator Amy Wong dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Rouge the Bat, Universe 666 Tira, Titania, Shauna Tifton/Princess Kashmir, Simulator Turanga Leela, and Simulator Amy Wong got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and his kids cheered.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Rouge the Bat, Universe 666 Tira, Titania, Shauna Tifton/Princess Kashmir, Simulator Turanga Leela, and Simulator Amy Wong and they hugged the girls in their abnormally massive and powerful muscular arms and Rouge the Bat, Universe 666 Tira, Titania, Shauna Tifton/Princess Kashmir, Simulator Turanga Leela, and Simulator Amy Wong placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Universe 666 Annie, Universe 666 Oakley, Universe 666 Domino, Universe 666 Wendy, Rayne (Mortal Kombat), Wynd (Mortal Kombat), and Ruby (Mortal Kombat) as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Rouge the Bat, Universe 666 Tira, Titania, Shauna Tifton/Princess Kashmir, Simulator Turanga Leela, and Simulator Amy Wong with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Rouge the Bat, Universe 666 Tira, Titania, Shauna Tifton/Princess Kashmir, Simulator Turanga Leela, and Simulator Amy Wong are in your harem, Linky.

Rouge the Bat, Universe 666 Tira, Titania, Shauna Tifton/Princess Kashmir, Simulator Turanga Leela, and Simulator Amy Wong showed the marks Lincoln made on the right sides of their necks.

Bart Simpson: I was quite surprised you'd been introduced to Shauna and Titania, but thanks to one intro, they're in your harem.

Amy Rose: And you can thank Sticks and I for arranging a date between him and Rouge at a fancy Italian restaurant.

Rouge the Bat: Fancy was indeed the word for it, and he was dressed in a tuxedo, but it really did show off those muscles of his, I honestly thought the girls there would start ganging up on him.

Lincoln: But, they knew I was with you, Rouge.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Rouge the Bat, Universe 666 Tira, Titania, Shauna Tifton/Princess Kashmir, Simulator Turanga Leela, and Simulator Amy Wong, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for the next Super Mario Galaxy 2 Adventure.

Nico: Next is Clockwork Ruins Galaxy.

Me: Cool! That one was like a machine.

Qin: Yep. Eli is out with Baron Mordo while we get everything ready for his party.

Poromon: Awesome!

Clay: YEEHAW! He will love it and me and Sarah will go with.

Sarah: Awesome!

Nico: Lets go then.

They went into the simulator and it activated and they were at CLOCKWORK RUINS GALAXY!

Nico: Here we are.

Sarah: Wow! This is gonna be awesome.

Clay: Well I'll be slapped around with a Texas Branding Iron! This here is really something!

Nico: Any Tips Nicole?

Nicole: (On the radio) Well as you can see this Galaxy is an ancient machine. You just have to get to the star at the second planet of the galaxy.

Nico: Oh I think I see it.

Nicole: Good. But Goombas and Flying Koopas are coming for you.

Nico: We're ready for them.

Sarah: We sure are!

?: We'll help too.

2 figures came. 1 was a girl with red hair and she had red eyes and red clothes and rainbow angel wings and she had a tiara with the symbol of the Zenkaigers Dopant on it and the same symbol on her skirt and she had a Zenkai Cannon on her hip and had a rainbow sword.

The 2nd was a girl with purple hair and had red eyes and had purple clothes and had purple angel wings and she had a tiara with the symbol of Napalm Man on it.

Zhalia Zenkai: Zhalia Zenkai, Embodiment of the Zenkaiger Dopant.

Nina Napalm: Nina Napalm, Embodiment of Napalm Man.

Clay: YEEHAW! Awesome to see y'all again Nina.

Sarah: Wow! You are looking amazing.

Nina Napalm: Awesome to see you again Sarah and you too Clay. Its been a while. We can catch up later.

Nico: Lets go!

They were off.

Nico: There they are!

Clay: YEEHAW! Lets round them up!

Sarah: Yeah!

Sarah and Clay fired waves of earth and rock and smashed the Goombas!

Zhalia Zenkai: Take this! (TURNS DIAL) EXPLODING SCIENCE POWER!

She summoned the Denziman, Dynaman, Bioman and Timerangers!

Nico: WHOA!

They flew and fired energy blasts and smashed the Goombas all over!

Zhalia slashed the Goombas!

Nina fired waves of energy and blasted the Flying Koopas into fiery dust!

Nico: (Gets out Louie PoisonSea and Toxic Horror's Ridewatches) I'm feeling infectious!

He activated them and fired energy beams and then the Goomba's puffed up and then they exploded!

KRASQUELCH!

They splattered all over the place as blood and guts!

They went and got the star!

YOU GOT A STAR!

Nico: Oh yeah!

Clay: YEEHAW! That was great!

Nina Napalm: YEAH!

They high five!

Nico: How did you meet Clay and Sarah?

Nina Napalm: I met Clay when I was down in Texas on Vacation and he and are internet penpals. We talked while he was training with his friends in the Xiaolin Arts. He even came and taught me some of his moves in the arts of the Shen Gong Wu.

Nico: Wow!

Nina Napalm: Yep. And I met Sarah over in Perim. I helped her smash Krystella's face in.

Nico: Wow!

Sarah: Yep. She's dead now.

Nina Napalm: Good riddance.

Zhalia Zenkai: No kidding.

Nico: Can you tell us about yourself Zhalia?

Zhalia Zenkai: I sure can. I come from the world of Kaizokutopia and I am an interdimensional pirate like him and Flint.

Nico: Cool!

Poromon: YAY! AN AWESOME DANCING PARTNER!

Will Vandom: Yeah!

Zocks: I thought she looked familiar. Awesome to have another member of Kaizokutopia here.

Nico: Yep. Would you two like to join the team?

Zhalia Zenkai: We would be honored.

They left and we cheered wildly for them.

At Lynn's Table we were getting everything ready for Eli's party. Eli was with Baron Mordo and they were thrashing gangsters over at an abandoned candy factory.

POW! BLAM SMASH WHAM!

Eli: Take that!

Baron Mordo: YEAH!

Nico: (On the radio) You can bring him back Karl. We're ready.

Baron Mordo: Okay. Lets head back Eli.

Eli: Okay.

We had everything perfect and ready.

Nico: Everything looks perfect.

Me: Yep. Eli will love it.

Lana: Here he comes!

We got to hiding.

The lights were off.

They came in.

Eli: What the? It's dark.

Baron Mordo: I'll get the lights.

CLICK.

All of us: SURPRISE! HAPPY BIRTHDAY ELI!

Eli: (GASP) OH WOW! You guys are the best!

Me: Happy birthday bro! We would never forget your birthday.

Nico: Yeah!

Eli: Oh thanks guys!

We got the party underway and we had a lot of fun.

Catharina Cheese: (Swiss Accent) Superman, have you seen the mascots?

Superman: They are playing hide and seek somewhere.

Nico: Okay.

ELI THEN WENT BALLISTIC ON FLIP!

He went at Flip and he proceeded to give Flip the nastiest, ugliest, bloodiest, and most graphic beating no one could ever imagine!

ELI SMASHED FLIP IN HIS UGLY NOSE, HE TORE HIS MUSTACHE OFF AND HE SHOVED IT INTO HIS BELLY BUTTON, THEN HE PROCEEDED TO TEAR FLIP'S REMAINING HAIR OFF!

BELLOWING SCREAM OF PAIN!

Me: YIKES!

THEN, ELI'S NAILS GREW INTO CLAWS AND HE PROCEEDED TO SCRATCH FLIP ALL OVER THE PLACE WITH HIS SHARP CLAWS DRAWING TONS OF BLOOD THAT TRANSFORMED INTO BLOOD RED RUBIES THANKS TO LINCOLN'S CURSE, THEN, HE GOT OUT HIS SWORD, AND THEN!

SLASH! SLASH!

ELI SLASHED FLIP'S THREE BUTT CHEEKS AND HIS CROTCH CLEAN OFF AND FLIP LET OUT ANOTHER BELLOWING SCREAM OF PAIN!

Me: OH! OH GOD, THAT'S WAY TOO GRAPHIC!

Nico: OH THE INHUMANITY

Qin: HOLY CRAP!

Maria: OH GEEZ!

Me: GEEZ!

Flip was mutilated and disemboweled and tortured brutally!

THIS CAUSED EVERYONE TO RUN INTO GARBAGE CANS AND THEY THREW UP LIKE CRAZY!

We ran to comfort everyone barfing in the trash cans.

Nico: HOLY SHIT!

Chunk: OH JEEZ! I THINK I'M GONNA HURL!

Slab: HOLD IT IN PAL!

Slab covered Chunk's mouth!

Twilight and friends hurled all over the place!

But, just when I was about to be proven right, we saw Eli do the worst thing anyone could ever do to Flip: HE GOT OUT A BOMB AND STUFFED IT INTO HIS THROAT, HE GOT OUT OF THE RESTAURANT, AND THEN… !

KABOOOOOOOOOOOOOOOOOOOOMMMMM!

THE BOMB EXPLODED AND FLIP WAS COVERED IN SOOT AND HIS LOWER BODY'S SKELETON WAS EXPOSED AND TONS OF GOLD, JEWELS, GEMS, AND CURRENCIES EXPLODED FROM FLIP THANKS TO ELI'S RAMPAGE ON FLIP!

Lola: Nice one!

Eli came back 20 minutes later.

Eli: That felt good. Oh and the Mascots are on the Justice League Watchtower.

Nico: WHAT!?

Me: Boy been a while since we were there.

Flash: Okay, where are those 4 right now?

Me: Eli said they were on the watchtower.

Flash: Oh. Wait OUR watchtower?

Me: Uh yeah.

Nico: Lets give Eli his presents before we head there.

Me: Okay.

I started with mine and it was an awesome ocarina.

Eli: Ooh an Ocarina.

Me: Yep.

Eli played Lugia's song on it and it was awesome and beautiful.

It was awesome.

We gave Eli awesome stuff like what we gave Nico and it was fun and awesome.

High above Earth was the Watchtower and it was in orbit around the World Tree Estate.

Poromon: Ready or not here I come!

Poromon flew around and he was searching.

He then saw Ice.

Poromon: Hello Tora!

Ice: (Scandinavian Accent) Hello Poromon!

Then Mera came out and Poliwag was on her back.

Poromon: Found you Poliwag!

Poliwag: Aw man!

Mera: Oh hey Poliwag.

Poromon: Oh hey Mera. We're playing Hide and Seek.

Mera: Fun.

Derpy: Here's my present Eli!

Derpy gave him a seashell.

Eli: Wow! A Seashell.

Derpy: It's the Seashell of Comedia.

Eli blew into it and it fired a wave of energy and it hit Dark Amy and dressed her up in stupid clothes.

Nico: WHOA! (LAUGHS) That is funny!

Camie: (LAUGHS) Yeah!

Dark Amy: I HATE YOU SO MUCH!

Eli's aura flare up intensely!

Poliwag: Now to find Horsea and Manaphy.

They looked around and under a table where Fire is having lunch, they saw Manaphy under her chair.

Poromon: Found you Manaphy!

Manaphy: Aw nuts!

Fire: (Spanish Accent) Oh hola guys.

Manaphy: Hola Beatriz. Sorry about that we're playing hide and seek.

Fire: Buena fun. I think I saw Horsea heading into Black Canary's room.

Poromon: Thanks Beatriz.

They went to find her.

Thunderblast: Here's my gift.

Eli got an awesome Cybertronian Cyber Key Weapon Blaster. It can use all the weapons of the Cyber Key Enhancements.

Eli: Wow! This is cool!

Thunderblast: Try it out.

Eli: Okay. RED ALERT! CYBER KEY POWER!

His blaster used the Autobot Cyber Planet Key and it turned into an enhanced Super Plasma Cannon!

He fired a blast of energy and blasted Flip and reduced him to nothing but his head!

Qin: WHOA!

Me: Awesome!

Horsea was being very quiet as she hid under Black Canary's desk.

Horsea then sneezed.

Black Canary: Huh?

She saw Horsea.

Black Canary: Horsea? What are you doing there?

Horsea: I'm hiding from the others in hide and seek.

Black Canary: Oh.

Then the mascots came in.

Poromon: Aha! Found you! Oh hey Dinah. Horsea was playing with us.

Black Canary: I can see that.

Horsea: I shouldn't have sneezed!

Black Canary: Sorry it was dusty under there.

Horsea: Oh.

Wreck Gar: Now here's my gift!

He gave Eli an awesome Cheese Blaster!

Eli: A cheese blaster! Wow!

Nico: Oh boy!

Wreck Gar: Not just any cheese blaster. It's an M.O.E. Cheese Blaster. It shoots Stinky Cheeses imbued with the powers of the M.O.E.

Eli fired a Limburger cheese with Vypra's power and it hit Billy McLean and made him smell like Limburger Cheese times 10,000! It made him smell so bad that he hurled all over Icky Vicky and she then ripped him to pieces!

Me: WHOA!

Batman: At least you guys didn't gt anything damaged.

Poromon: Nope we were careful.

Manaphy: Besides it was fun.

Poromon: Oh man! Lets head back to Eli and everyone.

They teleported back to the party.

The mascots teleported in.

Me: Have fun guys?

Poromon: Yep.

Superman: You didn't damage anything did you?

Manaphy: Nope.

Me: Good.

Later back at the estate, We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Blot: Boss who shines today?

Nico: Vinyl and Jun.

Me: Awesome!

Vinyl Scratch: Gnarly!

Jun: Right on!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than a clone of the Cheese Monster, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than a clone of the Cheese Monster, and he's causing havoc.

We gasped.

Me: Now, we got a clone of The Cheese Monster causing havoc?! Oh boy.

Nico: (DROOLS) This is one monster we're gonna splatter all over the place.

Lincoln: But, not too much, I'm going to absorb him, and with every clone I absorb, I can uncover who it was that's been making clones of them to cause trouble.

Nico: With your absorption techniques along with information gathering skills, hopefully, we'll be able to find out who it was causing this. Alright, gang, let's get going and take down that clone of The Cheese Monster.

Lincoln: He won't be going down without a fight, but we're not letting him run free any longer, he's going to pay.

Me: And this is gonna be cheesy!

Qin: Yep.

The previous group came.

Mr. Touch: Can me, Dark Spicer, Zs'Skayr, Number 7, Control Freak, Vulkanus, Plastique, Firebrand, Girder, Mr. Go and Cluemaster go with you guys?

Mr. Go: And Happy Birthday, Eli!

Eli: Thanks guys! It was fun!

Nico: And yes you all can come with us.

Camie: Uh guys! Look at this!

We saw a news report on TV.

Reporter: We interrupt this program to bring you this distressing news flash from Constance McSnack, President of the Scooby Snax Factory.

Nico: Uh oh!

Constance McSnack: I'm sorry to announce that a Cheese Monster has scared away all my workers again and only Penelope Bailey and myself remain.

Me: Again!?

Sakura Knudson: Oh man! I remember that cheese monster. It was awful!

Me: It was sis! Because of that monster, Scooby's Scooby Snax supply was bone dry.

Qin: Yikes!

Motormaster: Boss, which gene-slammer do you think you'll meet next?

Nico: Now we get into the robots of Mega Man X. So we'll do Flame Mammoth first.

Nicole: Ooh! Awesome.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Phoenix Man, a supporting antagonist from the One Punch Man manga/anime series, and he's coming here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh man.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and Tatsumaki, you and the others aren't going to like this one bit: the figure that we saw is none other than Phoenix Man, one of your many enemies, and he's coming here to destroy us.

Tatsumaki: Oh no. This one is one of the more dangerous of our enemies since he has the powers of the phoenix.

Me: Yeah, I know, but he's a disgrace to the phoenix.

Bella Huffington: (Australian Accent) So, it's up to me and Linky to take him down.

Lincoln: That's right, Bella.

Nico: I hope you two tear him apart and Lincoln absorbs him too. Alright, gang, let's go, we're heading out to destroy that clone of The Cheese Monster.

Lincoln: That clone's going to get pummeled hard and then, he's going to be absorbed, and once we get done with him, you're next, Phoenix Man.

Bella Huffington: (Australian Accent) There is no escape for you, Phoenix Man, you better be ready to be extinguished forever.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to take down the clone of The Cheese Monster so that Lincoln can absorb him, and once we got done with him, Lincoln and Bella Huffington are going to destroy Phoenix Man.

We were off to the Scooby Snax Factory.

---

We arrived at the factory and it was empty.

Dark Spicer: Anyone here?

Me: Wow. Scary seeing the factory this deserted.

?: Guys?

We saw Scooby and the gang.

Me: Hey guys.

Fred: Glad you all came.

Me: Nico is going to eat that cheese monster for dinner.

Nico: (Drools) Yeah I sure am.

Shaggy: Like I thought we were rid of the Cheese Monster.

Me: This is a clone of him.

Qin: Yeah. Larry B. Acme is still in prison.

Razorclaw: This is usually the part where Erica forces you and Scooby to join.

Shaggy: Like, not this time! When it comes to Scooby Snax, it's fucking personal!

Erica Haddock: Aww…

Qin: You got that right!

Nico: YEAH!

Then we heard rustling in the bushes.

Number 7: (to Shaggy) If you're using profanity, then this is VERY personal for you

Me: Yeah usually you're a coward.

The rustling grew and then I Nico formed a whip and pulled out a figure and it was RED HERRING!

Nico: Red Herring!? What are you doing here!?

Red Herring: (Laughs) Okay, the truth is I was gonna congratulate the Cheese Monster for making Scooby miserable back then. But then I realized that probably would've been a mistake. Look, if you wanna punch me, get it over with already!

Rafael: (to Sakura) You heard him. We don't have time to waste!

Sakura Knudson: Gladly.

She went over and then…

KRAPOW!

She punched him square in the face and sent him crashing into the wall and he got up and had a nasty black eye!

Sakura Knudson: Actually that is not what I was going to punch you for. That was for pushing Daphne into the mud in Weirdo Woods you red-haired barbarian!

Vulkanus: (to Red Herring) On your way back to HQ, tell the ones who are up to meet us here.

Red Herring: (Dazed) No problem.

He left.

Daphne: Jeepers! You were going to do that for me Sakura?

Sakura Knudson: I sure was. But I never got the chance because I was kidnapped and taken in by Swartz.

Daphne: You are a true friend.

Me: Lets head in then.

We went into the factory and it was scary seeing it this deserted.

Me: Wow. Creepy.

Cloud Man: It's like a ghost town.

Nico: More like a ghost factory.

Me: Yeah.

Laney: Guys look!

We got to the stairs and saw huge globs of cheese on the floor.

Laney: It's cheese.

I licked some of it.

Me: Mmm! Cheddar.

Firebrand: It's made of cheddar?

Me: Yep.

Laney: And look there!

We saw a door that had been blown to splinters.

Nico: The cheese lab! So that's where it came from.

We went in and it was a really big mess! There was cheese all over the walls, floor and more.

Me: Man what a mess!

Shaggy: Oh boy this is Pit City.

Supernova Zap: Jesus fuck!

Qin: What a really big mess!

Lola: Yeah!

Nico: Some kind of cheese explosion happened in here.

Eli: Look at that!

We saw a huge vat full of cheese that was bubbling.

Me: That must be where the cheese monster came from.

We looked in the vat of cheese and it was all fresh cheese sauce.

Me: Boy this is a very volatile concoction of cheese.

I put some on my hand and licked it and it was tasty.

Me: (SLURP) Yummy. Tasty.

Nico: At least we know the monster is made entirely out of pure cheese and not a man in a costume this time.

Cluemaster: Lets search for more clues.

Me: Right.

Nico: Okay.

We went into the filing room and it was a bigger mess than the cheese lab.

Shaggy: Oh boy like this is massive Pit City.

Me: Boy no kidding!

We looked at the files on the ground.

Me: Hmm. Looks like the cheese monster was trying to find something important.

Sakura Knudson: Yeah. But I remember Fred saying that the cheese monster was going to try and turn everyone into Cheese People.

Me: That was stupid.

We later went to check the vault of the secret recipe.

Sinnertwin: You guys see anything.

We saw the vault totally untouched.

Me: The vault is untouched. So nothing here.

Nico: Okay.

Then we went and checked the flavor vats and so far nothing.

Me: So far nothing there.

But then the machines turned on and then hands grabbed Fred, Daphne, Velma, Shaggy and Scooby.

Fred: What the!?

They carried them over.

Daphne: What the!? Get us down!

Velma: Jinkies!

But then…

DUNK SPLASH!

They got dunked in the vats of sauce for Scooby Snack Flavor!

They were drenched in sauce!

Girder: You guys okay!?

Shaggy: Zoinks! We're a mess!

Me: Boy no kidding!

We went and tried to clean them off.

Me: (Slurps) Mmm! Velma you got Strawberry sauce on you

Velma: I know.

Daphne: (SCREAMS) This is terrible! I've been pizzaed!

Sakura Knudson: Some old habits die hard. (Slurps) Mmm! Actually you taste like butterscotch caramel.

Laney: Geez! (Slurps) (PANTS) WHEW! That is spicy!

FIRE EXPLODED OUT OF LANEY'S MOUTH!

Nico: Whoa!

Shaggy: Like Cajun flavor is one of Scooby's favorites.

Me: Boy we can see that.

Shaggy: Yeah.

Sheep Creep Baaed.

Hailey Hitch Trailblazer: At least you guys got tasty sauce on you he said.

Qin: Thank goodness Ed didn't go into the Butterscotch Caramel tank. We found out that he is allergic to Butterscoth.

Sakura Knudson: (Skeptical) Seriously?

Me: Yeah it's crazy but it's too true. He literally IS allergic to butterscotch pudding.

Plastique: Who did that!?

Eli: The cheese monster did!

Me: He did that when we were looking. But I got a strong case of déjà-vu from that one.

Nico: Really?

Me: Yep.

Sakura Knudson: The same thing happened to us back over 10 years ago. The Cheese Monster cornered us and Velma helped us get away and then we got dunked.

Me: I tasted like Cookies and Cream.

Sakura: I tasted like Spicy Garlic Fries.

Nico: Cookies n Cream?!

Dreadwind: (laughs) Now you got the boss excited!

Me: (LAUGHS) Yeah.

Qin: That is funny!

Me: But that was a discontinued flavor from long ago.

Nico: Oh. But that is funny.

Control Freak: Which video game villain should I summon for this?

Nicole: I got an idea.

She summoned El Stomacho from Rayman!

Rayman: Whoa! El Stomacho! That's a good choice there.

Nicole: Thanks!

Eli: I sense the Cheese Monster in the main production room where they box the snacks!

Nico: Then lets go!

Buddy Pine: Entrance Time!

We went to face him.

The cheese monster roared as he was trying to look for us and then the spirits of Cheese came and they swirled around him and the converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion of cheese sauce blasted out of the floor and drenched him. Then a phoenix cry was heard as we surfed on the cheese and smashed him down.

Me: NICE!

Eli: CHEESEY!

Zs'Skayr: You said it!

The cheese monster roared!

Me: Roar yourself cheese breath! This is not going to look Gouda on you!

Luan: (LAUGHS) Good one J.D.

Me: Thanks!

I fired waves of fire and blasted down the cheese monster clone!

Dark turned into Vomitfactory.

Vomitfactory: Here's your warning: Your ass is about to be kicked!

Vomitfactory fired waves of energy from his mouth and blasted the

Cheese Monster Clone.

Qin: Take that!

Qin fired waves of fire and blasted him all over.

Lola: And this!

She fired waves of fire and blasted the Cheese Monster Clone.

Vinyl and Jun charged at him and fired waves of energy and blasted the clone all over!

Qin: OH YEAH!

Me: You know what would be the grossest flavor? Chocolate-Cheese.

Tom the Chocolate Fish: (OFFSCREEN) (INSANE SCREAMING) CHOCOLATE!

Me: Oh great!

Tom the Chocolate Fish busted in!

Tom the Chocolate Fish: CHOCOLATE! CHOCOLATE! CHOCOLATE! CHOCOLATE!

He then smashed the Cheese Monster Clone all over in a ferocious fight cloud!

Nico: That's funny.

Qin: Yep.

Poromon: It sure is!

Poliwag: It never gets old!

Qin: Yeah!

Nico: Funny!

Then Trickster, Onyx, Ssserpent, Box Ghost, Merman, Xiao Fung, Dr. Destiny, Selene, Enchantress and Red Ghost came

Nico: Trickster, Onyx, Ssserpent, Box Ghost, Merman, Xiao Fung, Dr. Destiny, Selene, Enchantress and Red Ghost.

Trickster: You're gonna enjoy eating him, aren't you?

Nico: I sure am!

Onyx: I don't blame you.

Ssserpent: It IS tasty.

Box Ghost: We heard you fought the Totem Spirit clone.

Nico: We sure did.

Merman: Did you kick its' ass?

Me: Oh yeah! We sure did.

?: Awesome!

A figure came and it was AGRIOS from episodes 27 and 28 of Operation Overdrive!

A gigantic mechanical monster that is created by the Fearcats after they mix three rare and powerful artifacts (Minerva's Staff, the Root of Hesper, and the Sands of Scylla) inside the Octavian Chalice which they have stolen from Moltor, Flurious, and Kamdor.

While not technically a Megazord in the traditional sense as most of the Fearcats' other creations, the Fearcats are able to harness the monster's abilities like a Megazord after they attach their own robotic armor onto him to power him up. The DriveMax Ultrazord clashes with Agrios but isn't able to defeat him so the BattleFleet is summoned and turned into the BattleFleet Megazord followed by the Sentinel Knight. However, neither of them are able to defeat Agrios, the former being completely decimated and the Sentinel Knight being crippled. With the Overdrive Rangers on the run, Agrios attacks the other villains with Flurious regretting to admit that he and the other villains won't have a choice to submit to the Fearcats.

Later on, Mack Hartford uses the Flash Point Megazord to fight Agrios. The Zords are eventually repaired just in time to help Mack. All three Megazords engages Agrios but they are all overpowered. However, all Megazords use all their final attacks and weaken Agrios before they combine the DriveMax Megazord and Battlefleet Megazord to form the Operation Overdrive Arsenal Ready formation. They deflect multiple blasts from Agrios' armor before summoning the Sentinel Sword and destroy Agrios with a devastating double energy slash. Although the Fearcats escape him with the Octavian Chalice before he is ripped apart, they are soon destroyed for good.

Tyzonn: Agrios!

Agrios: Been a while rangers.

Me: I remember you! You were made by the Fearcats to be like a megazore for them which is really cool!

Nico: Yep.

Agrios: That was awesome! And good memory.

Takeru: (Maskman) You look like the Megazord of me and my team.

Agrios: I do, don't I?

Me: That is coincidental.

Lola: Yeah.

Nico: Yep. Lets get it on!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!

We got the battles underway!

that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive indestructible diamond barrier with absorption energy surrounding the barrier that protected all of us from massive blasts of fire that came from nowhere and hit the barrier, but it stood strong and absorbed the fire blasts and it flowed into us making us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking the smell of fire from anywhere, come out from the shadows, Phoenix Man, or we will force you out.

A figure came out, and it was none other than Phoenix Man in his first form: a phoenix with big green eyes, red and gold feathers, and purple tail feathers.

Me: That's his first form, a phoenix.

Suddenly, Sebastian drove his greatsword through his heart and left him to die in a pool of his own blood. But, then, we suddenly saw him come back from the dead because of his resurrection ability: but he also transformed as his costume turned into a suit of bird-like armor and it took on a more humanoid form, he gained an extra pair of wings, armor-like scales across his body, large avian eye in the center of his chest, and helmet-shaped as the head of a phoenix, his human face was also now visible, residing within the beak of the phoenix head, though it was mostly obscured by shadow save for his piercing, glowing eyes along with a strong power boost.

Me: And that's the form he takes when he's first resurrected.

Bella Huffington: (Australian Accent) Looks like we're in for a rough fight.

Suddenly, Bella Huffington's green eyes turned neon green and she was surrounded by a green energy aura with stars, water, ocean waves, snakes, phoenixes, and angels, she unholstered her massive golden greatsword from her back, and as she approached Phoenix Man, she left green energy, stars, water, ocean waves, snakes, phoenixes, and angels with every step.

Bella Huffington: (Australian Accent) You're just as dangerous and unhinged as the rest of the monsters Saitama and the other heroes have dealt with in the past, but you become even more dangerous by how much more powerful you become with each resurrection. But, you're a disgrace to the phoenix, and for that, I will extinguish you forever.

Suddenly, Bella Huffington was surrounded by a massive vortex of green energy with stars, water, and ocean waves surrounding the vortex, there are snakes, phoenixes, angels, and Rainbow Snake Eingana flying around the vortex, and in the vortex is a green phoenix with red eyes glaring at Phoenix Man: the red eyes of eternal death.

Me: WHOA!

Nico: Oh man!

Lincoln: This is it, Bella's really going to unleash pure Hell on that disgrace to the phoenix.

Then, as the vortex faded, Bella Huffington emerged, but she was changed forever and the wrath of Rainbow Snake Eingana is about to be unleashed!

Bella Huffington grew from 6'5" to 8'0" in height, she has large gold metal bracers on her biceps and thighs, and she now has twelve large green orbs orbiting around her legs, she has the body of a goddess, she has green highlights in the bangs of her long green hair and flower clip and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon green eyes and a green energy aura with stars, water, ocean waves, snakes, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Rainbow Snake Eingana emblazoned on her forehead and Third Eye with green iris, she has on snake earrings with green gems for eyes and holding the Star, Water, and Eternity Kanjis in its body, she also has Rainbow Snake Eingana with green gems for eyes and holding the Star, Water, and Eternity Kanjis in its body for the second pendant on the bottom of her green snake-shaped

Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with green crystal links from her merged Crystal Necklace of the Buddha and green gems embedded on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Bella Huffington has on a sleeveless green crop top, green skirt, green pants, green heeled sneakers, and long sleeveless white trenchcoat with stars, water, ocean waves, snakes, phoenixes, and angels on the coattails, and on the back is Rainbow Snake Eingana surrounded by water and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes angels surrounding a green gem with neon glowing green lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Bella Huffington felt a sharp pain on her back, and then, massive green angel wings with ocean blue tips on the large green feathers grew and sprouted out of her back and she also now has eleven massive and long green wolf tails with ocean blue tips and ocean blue markings, Bella Huffington has on her Ring of the Phoenix with large green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Bella Huffington's massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of green energy, stars, water, ocean waves, snakes, phoenixes, and angels, and when it emerged, it was transformed into Bella Huffington's Cosmic Eternal Oceanic Maelstrom Water Rainbow Snake Eingana Phoenix Angel Greatsword of Cosmic Eternal Oceanic Maelstrom Water Rainbow Snake Eingana Phoenix Angel Justice, it's a brand-new massive greatsword with embedded green gems and Rainbow Snake Eingana etched on the 7'9" massive, wide, double-edged gold blade, large gold snake heads for the crossguard, large white angel faces built into both sides of the hilt and large green gems embedded in their foreheads, longer midnight black handle, four large gold snake heads with green gems for eyes and on the bottom of the large gold snake heads is a large gold snake head with green gems for eyes and green gem in its mouth for the pommel, Bella Huffington has on her large gold Bracers of The Champions of The Universe with large green gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Rainbow Snake Eingana's head with green gems for eyes and large green gem in her mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Bella Huffington's Super Angel-Rainbow Snake Eingana-Snake-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Phoenix Man saw it, he went mad and fired flames at her to kill her, but Bella Huffington absorbed the flames and fired a massive barrage of green energy, stars, water, ocean waves, snakes, phoenixes, and angels which hit Phoenix Man and sent him flying into a tree, he got back up, but boy, was he pissed off.

Bella Huffington and Lincoln went after Phoenix Man, and they fired extremely powerful blasts of rainbow energy, green energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Phoenix Man, and they exploded with incredible power as they hit him.

Then, Lincoln and Bella Huffington attacked him with powerful slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Bella Huffington also did the same by firing green energy slashes from her massive greatsword, and he and Bella Huffington attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and this was enough to drive Phoenix Man mad with rage.

Phoenix Man went after Lincoln and Bella Huffington in a fit of rage, but Lincoln and Bella Huffington fired rainbow and green energy blasts at Phoenix Man and they summoned water snakes to attack Phoenix Man and he was really scarred by their furious attack.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Phoenix Man's chest, and then, Lincoln began absorbing Phoenix Man into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Phoenix Man, and he banished Phoenix Man to The Black Gates. We cheered wildly for what Bella Huffington and Lincoln did as they holstered their massive greatswords on their backs and powered down and Bella Huffington's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long green wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve green orbs orbiting around her legs, and massive green angel wings are permanent.

Bella Huffington: (Australian Accent) Your days of causing destruction are over. Thanks for helping me destroy Phoenix Man for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Bella.

Suddenly, Bella Huffington wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Bella Huffington's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Rainbow Snake Eingana flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and water and ocean waves behind them and we cheered wildly. Then, Lincoln and Bella Huffington sucked in and absorbed the elemental forces and water and ocean waves and they came back to us as the display vanished.

Me: That was one awesome battle, you guys, and I should've also joined in as well.

Lincoln: It's okay, J.D. But, we fought against him and he really was a tough opponent.

Nico: He sure was, but you did it, you and Bella both defeated him and you absorbed him, Lincoln, and assimilated his powers, strength, and abilities.

Me: And now, you also have the powers of the phoenix as well. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: I've got just the person: Olivia Knightmare, Gene-Slammer of Orcust Knightmare.

Selene Arcangela: (GASPS) One of the Halloween Gene-Slammers?! Awesome, and you guys are going to love her, Olivia Knightmare is Lincoln's Guardian Angel from Romania and classmate in Math, but she's also a big time Halloween fan. In fact, like Ruby Rose and Rachel Alucard, her birthday falls on Halloween. She has light blue hair with an orange and black dress, and she's also a beautiful but deadly vampire, and shockingly she's also the twin sister of Carmilla from Castlevania, but thankfully, she's nowhere near as evil as her sister. She and Lincoln would love to trick or treat together, and while they were cosplaying as Ace Savvy and Wonder Woman, Olivia kissed Lincoln on the lips, and as a result, Lincoln swore that when he comes of age, he will marry Olivia along with the rest of his harem, and here's the awesome part, she hates perverts with a blazing passion and will gladly castrate them if they so much as look at her or any of Lincoln's harem.

Me: WHOA!

Nico: That's really awesome, and how many Halloween Gene-Slammers are there?

Lincoln: There's ten Halloween Gene-Slammers, and we'll be meeting them in the days to come as we approach Halloween.

Eli: Yikes.

Selene Arcangela: Yep, and we're already fast approaching Halloween, so we've got a lot to prepare for as we approach Halloween.

Adrienne Midnight: Yep, and we're also going to be rescuing the victims of those trapped forever in The Nightmare Room.

Lincoln: You're right about that, Adrienne.

Xiao Fung: We should tell the employees about this.

Dr. Destiny: They don't have to be scared anymore.

Selene: No, they don't.

Enchantress: It's obvious how we're gonna celebrate.

Nico: Less talking, more eating!

Red Ghost: (laughs) I knew you were gonna say that!

Nico: Yeah. But great job today everyone.

Eli: Yeah! Thanks guys! You made this a fun birthday for me!

Me: Aw no problem Eli.

Pinkie Pie: (To the viewers) Hope you all loved this one everyone!

Me: We all did.

We later went back home after telling everyone in the factory that the monster is gone and we enjoyed the rest of the day and went to sleep.

Me: You guys are going to love this place. It's where Shaggy showed us how to make Funky Fritters and they were awesome.

Camie: Boy I can't wait to see what they are like.

Nico: Me too. This is gonna be awesome.

Shaggy: Like you guys are going to love this place.

Sakura Knudson: Boy this is my first time ever going here. I have a feeling it will be great.

Scooby Doo: Reah! And you are going to love meeting Scooby Dum too.

Me: Scooby Dum is Scooby Doo's cousin. He's funny and awesome.

Lola: Yeah. And he loves to be a good detective too.

Starlight Glimmer: (LAUGHS) That is cool.

Qin: Yeah.

Nico: Starlight, I want to thank you, Dr. Starline, and your teams for coming.

Starlight Glimmer: Not a problem Nico. This will be so fun.

Starla Glimmer: It sure will. And I'm looking forward to this too.

Nico: Me too Starla.

Me: Yep.

Nico: Starla, what do you like to do in your free time?

Starla Glimmer: Well I'm a historian and I like to study all about the origins of evil cults so I can find ways to bring down their evil plans.

Me: Wow!

Starla Glimmer: Yeah when I heard how Starlight made the Equalists, I vowed to form a massive and powerful Anti-Cult Destroying army. Our target is Evil Cults, Terrorist Organizations and Evil Crime Organizations of every kind all over the world.

Me: Wow! That is a massive goal.

Nico: It sure is! Do you have anything else you like to do?

Starla Glimmer: Well I'm also a treasure hunter and I bring treasures from around the world to the local museums.

Nicole: Welcome to the treasure hunting party Starla. You'll be perfect for the team when we go on treasure hunts.

Eli: You sure will.

Nico: You'd get along with Kairi Yano.

Starla Glimmer: I sure would.

Me: That is for sure. Eli did you have a great birthday yesterday?

Eli: I sure did! And that was so fun!

Nico: Oh wow! That was the biggest ever Grilled Cheese Sandwich we ever made. (LOUD BURP) Oh pardon me. I'm still full from it.

Maria: (LAUGHS) Yeah we turned that Cheese Monster into a huge grilled cheese sandwich!

Me: On Garlic Toast. And it was awesome.

Nico: I loved it!

May: You sure love your cheese Nico.

Me: That he does. But man Shaggy was really pissed at that Cheese Monster!

Sakura Knudson: Boy no kidding! Usually he would be scared shitless at the sight of any kind of monster and run away.

Shaggy: Like yeah I know. But when it comes to Scooby Snax it gets personal for me.

Scooby Doo: No kidding.

Qin: I don't blame you Shaggy.

Sakura Knudson: Me neither. Boy the Cheese Monster was just as brutal as I remember.

Me: And the crazy part is that Fred and the gang got dunked in those flavor sauces.

Sakura Knudson: I know. But they were tasty sauces.

Laney: My mouth was on fire from the cajun flavor. But that was a tasty one.

Qin: It sure was!

Shaggy: Like yeah and Cajun is one of Scooby's favorites.

Me: Yeah that is for sure.

Shaggy: No one messes with Scooby Snax. Ever.

Sakura Knudson: That is for sure Shaggy!

Shaggy: But that was really great that you punched Red Herring like that Sakura.

Sakura Knudson: It was and it felt really good. He had it coming for pushing Daphne into the mud like that.

Qin: No kidding! The three worst things you can do to someone like that are pushing a girl into the mud, calling them names like fat and ugly and hitting them.

Nico: You got that right!

Sakura Knudson: That is for sure.

Dr. Starline: Red Herring sure gave you guys lots of problems back in those days didn't he?

Sakura Knudson: Oh it was awful! For years Red has been a nasty bully and a grade A thug and Fred was always CONSTANTLY accusing him of crimes he didn't do!

Nico: What a jerkball!

Shaggy: Like yeah it was crazy.

Sakura Knudson: I know. But it was still fun.

Me: Yep.

Nico: I hope you enjoyed your birthday, Eli!

Eli: It was the best ever!

Qin: Awesome!

We arrived.

Me: Here we are guys. Welcome to the Skillet Showboat Restaurant.

It was an old Louisiana Mississippi River Boat turned into a restaurant.

Qin: Wow!

Nico: Wow so this is the place.

Shaggy: Like yeah and you guys are going to love this place.

Nico: Cool!

We went on board.

Pa Skillet: Well J.D. Knudson!

Ma Skillet: It's great to see you again and you too Shaggy and Scooby.

Me: Same to you Ma and Pa Skillet. Its been a while.

Pa Skillet: It sure has.

Me: This is my team that I made. Everyone meet Ma and Pa Skillet.

Nico: Awesome to meet you two.

Pa Skillet: It's an honor too Nico.

Nico: Shaggy told us so much about you and it's awesome to be here.

Maria: Hi there.

Ma Skillet: It's an honor to have you all here.

Me: We're glad we could come. Been a while since we solved the mystery of the Ghost of the Gator Ghoul.

Pa Skillet: That is for sure. Would you all like to make some of our funky fritters like y'all did before?

Shaggy: Like boy would we ever!

We went to the kitchen.

I called the team and told everyone what we were doing.

Lori: This is literally going to be fun too.

We were in front of a huge bowl of batter.

Shaggy: (Reading) "10 Whole Chili Peppers, 2 Oz. Tabasco Sauce, 1 lb. Hot Pepper, 4 cups Hot Mustard."

Nico: WHEW! That is potent.

Shaggy: Like yeah. Now we're going to put in 20 of everything.

Me: WHOA!

Shaggy: Like here we go.

We poured in 20 times of everything and MAN WAS THE BATTER REALLY BUBBLY and reacting with a very volatile nature!

Me: WHOA! That is really volatile.

Ms. Spell: Man that looks awesome.

Lori: It literally sure does.

Sweetie Belle: I can't wait to taste it.

We stirred it up and the batter dissolved the spoon.

Me: WHOA! That stuff is like magma from the center of the sun.

Shaggy: It sure is. (Sniffs) Mmm! Scrumptious.

Me: Boy no kidding.

Nico: Shall we?

Me: Lets shall.

Me and Nico got a pot of the batter and put it into the machine and it sputtered and made awesome looking funky fritters!

Sakura Knudson: Oh wow! Those look great!

Lola: Yeah!

Qin: Lets dig in!

We got to eating and man were they good!

Shaggy ate one and FIRE EXPLODED out of his ears!

Shaggy: A bit on the hot side but (Wheezes out red smoke) Delicious!

He was eating more! Scooby Doo ate a lot of them and red fire exploded out of his mouth and ears.

Scooby Doo: Fantastic.

Ms. Spell ate a bunch and fire exploded out of her mouth!

Ms. Spell: (COUGH) WHOA! My mouth is on fire! But man those are tasty!

Sweetie Belle ate a bunch of them and FIRE EXPLODED OUT OF HER MOUTH, EARS AND NOSE!

Sweetie Belle: MAN! (WHEEZES) That is awesome!

He stomach made crashing noises from a nasty 10-Alarm Stomach Blaze!

I ate some and man was it awesome!

Me: (SLURPS) WHOA! (FIRE EXPLODES OUT OF MY MOUTH!) WOW! That is so awesome!

Lola: (Eating) Yummy! (Fire Aura flares up) Delicious!

Laney: (Eating) Delicious! (FIRE EXPLODES OUT OF HER NOSE) (COUGHS) Wow! That is potent!

Sakura Knudson ate some and man she loved them.

Sakura Knudson: (Eating) MMM! Wow!

Red fiery smoke exploded out of her nose and ears!

Sakura Knudson: Wow! That is awesome!

Maria ate some.

Maria: (Eating) Wow! These are good.

But then she turned into her water form and then started BOILING!

Maria: (SCREAMING)

But then she covered her mouth and then a ball of water came out and then it popped over Nico and a scream came out as a cloud of steam! SUPER HOT SCALDING STEAM!

Nico: Ouch.

Maria: Boy that was delicious. But man that was hot.

Nico: (LAUGHS) Funny though.

Sunset Shimmer: They sure are tasty though.

Qin: I agree there.

Maria: Sorry!

Nico: No worries.

We later were full from them.

Me: Geez! That was awesome.

Qin: It sure was!

Shaggy: Like it was great.

Sweetie Belle: (GROANS) What a stomachache.

Me: I hope we didn't make them too spicy.

Lola: I know.

Me: Last time we made Funky Fritter Batter like this, Shaggy got his feet stuck in it and it was as strong as super powerful rubber cement.

Nico: Really? Whoa.

Qin: Yikes.

Me: Yeah. Scooby accidentally ate Shaggy's shoes.

Sakura Knudson: (LAUGHS) Oops.

Shaggy: (LAUGHS) Like yeah he sure did.

Scooby Doo: That was an accident but that was funny.

Nico: Where's Scooby Dum?

Scooby Dum came.

Scooby Dum: Dum dum dum dum. Duh you called?

Scooby Doo: SCOOBY DUM!

Scooby Dum: SCOOBY DOO!

They did their awesome greeting and it was a high five, and a dance and hug and it was awesome.

Me: Awesome greeting and dance.

Scooby Dum: Duh good to see ya again.

Me: Same here Scooby Dum.

Qin: Yeah.

Me: (BURPS) Oh excuse me.

Nico: Nice to meet you.

Me: Scooby Dum was with us before but you didn't see him when he was in the usual battles.

Nico: Must not have been paying attention.

Scooby Dum: That's okay. But it's great to meet you Nico.

Nico: You too.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and we're not going to like this in the slightest: we got word that a clone of The Gator Ghoul has been sighted.

We gasped.

Me: Oh man, a clone of The Gator Ghoul?! Not good.

Qin: Oh great, now we got a clone of The Gator Ghoul running loose?!

Sobek Caesar Crocodile: (Australian Accent) Leave him to me, J.D., and Lincoln, Qin. We'll wrestle him to the ground and turn him into Alligator Skinned Luggage.

Nico: Oh, this should be good, and Lincoln's wrestled those two alligators from Lake Placid two years ago and turned them into alligator skinned luggage.

Qin: And I checked with the warden of the prison and Alice Dovely is still in prison.

Nico: Good. But that was cool that Lincoln did all that.

Sydney McWilcox: (Australian Accent) He told me about it, and I was really impressed. Plus, he did feed on my blood when he marked me after we met, and I think you should show them.

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body and his skin started getting covered in green scales, his fangs grew longer and his rows of straight teeth turned into alligator teeth, and he grew a crocodile's snout, his eleven massive and long white wolf tails turned into eleven massive and long crocodile tails, his long wild white hair turned wilder, and he let out a loud roar.

Me: WHOA!

Nico: HOLY SHIT! Damn, that's so awesome!

Lincoln: (Beastly Voice) Yep, I found out I can also turn into animals and this was also due to my survival training in the jungles with my

Guardian Angels and bonding with many animals harmless and deadly, and since we're going after a clone of The Gator Ghoul, I chose to turn into a crocodile, and this was not only due to feeding on Sydney McWilcox's blood, but I also absorbed the clone of Crocovile and clones of the other crocodiles who were in The Masters of Evil because of one of The Chernabog Sisters' schemes before the mission with Zayto and The Dino Fury Rangers. Now, let's get going and trash that clone of The Gator Ghoul.

Qin: You got it!

Camie: Who was the Gator Ghoul again?

Me: Her name was Alice Dovely as Qin said. And she was the former secretary of Kookie Cola Company. She was fired from her job and was going to kill 2 birds with one alligator so to speak. She was going to ruin Ma and Pa Skillet and sell their secret soda formula for Fenokee Fizz soda to Kookie Cola for a fortune. She got 25 years in prison for her crimes and got life without parole later on.

Camie: Geez!

Qin: Yeah.

Killer Croc appeared.

Nico: Croc? You're helping with this.

Killer Croc: Hey, no one smears the name of my good buddy!

Keiko: Darn tootin!

Me: This may be a clone but we're going to turn that Gator Ghoul into alligator skin luggage!

Lincoln: Sorry Fluttershy but this is one Alligator we can't let loose.

Camie: I agree.

Fluttershy: Oh no worries. But I'll be okay.

Maria then heard a Pokemon Cry.

Maria: Hey look.

We saw a Gyarados!

Me: WHOA! A Gyarados!

Nico: Wow! Big one!

Horsea: YIKES!

Me: Oh and it's hurt bad.

Gyarados: Yeah. I'm really hurt.

Me: Oh.

Maria: We'll heal you up.

Gyarados: Thank you.

We got to healing it.

Horsea: (Crying) When did you stop loving me, Maria?

Maria: Horsea don't say that. You are always more than welcome to have more than one friend with you. Gyarados will be perfect for you too.

Misty: Yeah Horsea. I have lots of Water Pokemon that I love like my own family and they are awesome.

Me: It's true. All Pokemon to us are like our brothers and sisters.

Nico: Yep it's true. Even Digimon too.

Poromon: Yeah.

Poliwag: Horsea no one will ever take your place.

Horsea: (Still Crying) Really?

Maria: Absolutely!

Gyarados: I never meant to make you stop loving Maria. But I would love to have you as my sister.

Horsea: Awesome!

Nico: Cool!

Me: Wow! That is awesome.

Camie: Yep.

Misty: Looks like my Gyarados has a special friend to hang out with.

Me: Yep.

Horsea hopped on Gyarados.

Horsea: Awesome!

Pipp Petals: Hey guys! I have someone for you all to meet.

Me: Really?

A girl with black and fire clothes came and she had blond hair and had fire highlights in it and had fire wings.

Pipp Petals: This is one of my Pipp Squeaks.

Flare Firestar: Awesome to meet you all. My name is Flare Firestar.

Me: Awesome to meet you Flare and I remember seeing you a few times in Maretime Bay and in Zephyr Heights.

Flare Firestar: I follow Pipp on her streamings and it's awesome. Also I found out that I am the Legacy of Captain Spitfire of the Wonderbolts.

We gasped!

Rainbow Dash: No way! That is so awesome!

Spitfire: That is cool! So the Wonderbolts flow in you.

Flare Firestar: They sure do.

Me: Awesome!

Sprout Cloverleaf: And guys I have a confession to make. I'm also the legacy of Applejack.

We gasped again!

Applejack: Well I'll be dipped in apple cider and served with apple toast!

Spitfire: At least the spirit of the Wonderbolts hasn't died!

Me: No it hasn't!

Flare Firestar: It's awesome too.

Me: And at least the Legacy of Applejack hasn't died too.

Nico: That is for sure.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Beastly Voice) (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we

saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Beastly Voice) Yep, and this curse will be on them for all eternity. (Sensed for The Gator Ghoul clone) AHA! Gotcha! I just spotted The Totem Spirit clone, he's 20 yards away, and he's already chasing after the gang.

Nico: That just saved us the trouble. Let's get him and tear him in two!

Lincoln: (Beastly Voice) He's gonna end up as a stain on the floor. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: (Beastly Voice) Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs,

and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on The Gator Ghoul clone

We heard a splash.

Killer Croc: (to Batman) Reminds me of some of our past fights.

Batman: Like old times huh?

Lincoln: (Beastly Voice) Alright, now if I'm not mistaken, The Gator Ghoul Clone should definitely be coming right now!

We saw The Gator Ghoul clone head for us, but before he could attack, Lincoln created a massive indestructible diamond barrier that had protected all of us, and he banged his fists hard at it, but the barrier was still standing and his fists were all bruised as he screamed and howled in pain.

Eli: Jeez!

Nico: Man, that's painful.

Gator Ghoul Clone: GET OUT HERE RIGHT NOW! I MUST KILL YOU ALL FOR THE MASTER!

Qin: As if, you're not one of Universe 666 Sebastian's creations!

Lincoln: (Beastly Voice) Don't waste your breath on him, he's still getting his scaly butt kicked.

Lincoln fired a massive diamond ball with water surrounding it, and it hit The Gator Ghoul clone and sent it flying and crashed into a wall Lincoln made and Lincoln deactivated the barrier and we all got ready to confront The Gator Ghoul Clone, who went charging at us, but Lincoln swatted him back with his eleven massive and long crocodile tails.

Velma: Okay, does anyone want to…?

Nico: Long story short, we also found out Lincoln can transform into animals due to his training in the jungle with his Guardian Angels and bonding with all animals: harmless and dangerous.

Daphne: Jeepers.

Sobek Caesar Crocodile: (Australian Accent) Okay, then, let's do this.

Me: Lets make this gator into Alligator Skin Luggage!

Megan McCallister: I could use a new wallet!

The Gator Ghoul clone dived into the water.

Nico: These floating platforms will support us, but will also send sound waves through the water, giving away our position to the Gator Ghoul clone. We'll need to move as slowly as possible

We nodded.

We moved slowly.

I used my vision to keep an eye out for it.

Gator Ghoul Clone: Your flesh will tear!

Lana then grabbed the clone and was WRESTLING THE GATOR GHOUL!

Lana: COME ON YOU BAD GATOR!

She was really using her skills in Alligator Wrestling!

WHAM! WHOMP!

She was Smashing the Gator Ghoul Clone into the ground and the mud!

Gyarados charged at him and fired a Dragon Rage blast and it hit the Gator Ghoul Clone and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion! It burned him all over.

Me: WHOA! Awesome! Here's a funny one. COMEDY NIGHTMARE STYLE NINJA ART: PUNCH MUNCH PULVERIZING BRUTALITY!

The clone dived back into the water.

SPLASH!

Nico: Uh oh.

Me: I got this.

I used my powers to split the water and we found him!

Me: PEEKABOO!

Raimundo, Kimiko, Clay, Omi, Ulrich, Yumi, Anakin, Sam, Ilana and Zak: TOQ CHANGE!

A massive rainbow fire explosion went off behind them.

Me: Awesome! Elemental Rangers of ToQgers!

Nico: Yeah!

Horsea: Lets get him!

Right Suzuki: FULL SPEED AHEAD!

We went at the Gator Ghoul Clone and smashed and pulverized him!

I punched the clone and knocked out some of his teeth!

Eddy then grabbed the Clone by his tail and bit him!

CHOMP!

Ed then bashed the clone on his head!

SMASH SMASH SMASH!

Ed: (LAUGHS) I like to smash stuff!

Eddy: (SPITS) NOT VERY TASTY!

Me: You got to cook him first.

Nico: Yeah. What does alligator taste like?

Me: My mom says it tastes like chicken.

Camie: Wow.

Lola: Nice.

Horsea Squirted Ink and blinded the Gator Ghoul Clone.

Lana, Becca and Syd were WRESTLING THE GATOR!

Billy: (LAUGHS) DOGPILE ON THE GATOR GHOUL!

Billy smashed the clone into the ground repeatedly!

SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

Billy laughed!

Nico punched him!

KRABLAM!

Nico punched all his teeth out!

Qin: Take that!

Gator Ghoul Clone: This place will be your tomb!

Nico: Wrong! It's actually going to be YOUR Tomb!

Lola: Yeah!

Camie: And you are going to be dead meat!

Nico: And in our stomachs!

Poromon: That's right!

Killer Croc lifted him into the air!

Killer Croc: I'm going to eat you for dinner!

Gator Ghoul Clone: Ooh I'm so scared!

Killer Croc: You should be!

SMASH!

He smashed him into the ground!

Nico: I hope that hurt!

Qin: YEAH!

Sobek Caesar Crocodile: Time for this girl to transform mates!

Me: Go for it Sobek!

Suddenly, Sobek Caesar Crocodile's blue eyes turned neon blue and she was surrounded by a green energy aura with stars, water, ocean waves, crocodiles, phoenixes, and angels, and as she approached the Gator Ghoul clone, she left green energy, stars, water, ocean waves, crocodiles, phoenixes, and angels with every step.

Sobek Caesar Crocodile: (Australian Accent) Even if you're just a clone of The Gator Ghoul, you're still just as bad as the real one, but what makes you even more bad is that you're just a construct created by the mastermind of this whole thing, and when we find out who it was, he'll pay with his life.

Suddenly, Sobek Caesar Crocodile was surrounded by a massive vortex of green energy with stars, water, and ocean waves surrounding the vortex, there are crocodiles, phoenixes, and angels flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at The Gator Ghoul Clone: the red eyes of eternal death.

Me: WHOA!

Nico: So incredible!

Lincoln: (Beastly Voice) That really is so awesome!

But, The Gator Ghoul Clone went completely mad with rage and charged at the vortex and us as well, but he got hit hard by blasts of green energy. Then, as the vortex faded, Sobek Caesar Crocodile emerged, but she was changed forever.

Suddenly, Sobek Caesar Crocodile's massive golden greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of green energy, stars, water, ocean waves, crocodiles, phoenixes, and angels, and when it emerged, it was transformed into Sobek Caesar Crocodile's Cosmic Eternal Ocean Water Maelstrom Crocodile Dopant Phoenix Angel Greatsword of Cosmic Eternal Ocean Water Maelstrom Crocodile Dopant Phoenix Angel Justice, it's a brand-new massive greatsword with embedded green gems and the Crocodile Dopant symbol etched on the 7'9" massive, wide, double-edged gold blade, large gold crocodile heads for the crossguard, large white angel faces built into both sides of the hilt and large green gems embedded in their foreheads, longer midnight black handle, four large gold crocodile heads with green gems for eyes and on the bottom of the large gold crocodile heads is a large gold crocodile head with green gems for eyes and green gem in its mouth for the pommel, Sobek Caesar Crocodile has on her large gold Bracers of The Champions of The Universe with large green gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold crocodile head with green gems for eyes and large blue gem in her mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Sobek Caesar Crocodile's Super Angel-Crocodile Dopant Embodiment-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when I saw her, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when The Gator Ghoul Clone saw it, he went mad and ran at her to kill her, but Sobek Caesar Crocodile fired a massive barrage of green energy, stars, water, ocean waves, crocodiles, phoenixes, and angels which hits The Gator Ghoul Clone and sent him flying into another wall, he got back out, but now, he was enraged.

Sobek Caesar Crocodile: (Divine Echoing Godly Voice of The Ocean Water Maelstrom Crocodile Dopant Embodiment Phoenix God Angel and Divine Cosmic Eternal Ocean Water Maelstrom Crocodile Dopant Embodiment Phoenix God Angel Love) (Australian Accent) Alright, you overgrown croc, hope you're ready for a well-deserved beating.

Suddenly, The Gator Ghoul clone got hit hard by blasts of bubbles.

Lincoln: (Beastly Voice) J.D., did you use the Bubble Card on…?

Me: Nope, that wasn't me.(Smirks) But, I know only one person who did that.

Suddenly, we saw a very beautiful and super sexy girl with long light blue hair and flower clip in her hair, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful rainbow angel wings, she's dressed in a light blue short-sleeved frilly shirt, necklace with pearls and blue gem for the pendant, light blue skirt, white bridal gloves, light blue knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, phoenixes, and angels on the coattails and on the back is a phoenix and angel with stars reflecting off them, and holstered on her back is a massive golden greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel.

Sakura Knudson: It's so good to see you again, sis. Now, where were we?

Me: Oh yeah, kicking your ass and sending you straight to Hell for what you've done.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as well as the sword pendants on his white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Even though we know you're not one of Universe 666 Sebastian's creations born from his residual darkness, you're still getting your butt kicked.

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And when we find out who the mastermind behind this is, he's also getting his ass kicked big time!

Lincoln, Sobek Caesar Crocodile, and I went after The Gator Ghoul Clone, and we fired extremely powerful blasts of rainbow energy, green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at The Gator Ghoul Clone, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Sobek Caesar Crocodile, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving The Gator Ghoul Clone even more insane and straight to the brink of insanity.

Gator Ghoul Clone: YOU! YOU! (ENRANGED GROWL)

The Gator Ghoul Clone charged right at us completely blind with homicidal rage and fury, but Nico, May, and Qin kicked him hard in the stomach, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, then, Lincoln in his crocodile form really smashed him hard into the ground with his eleven massive and long crocodile tails and he and Sobek used a lot of wrestling moves on The Gator Ghoul clone, and Brutus and Nero also attacked him, and he was really getting messed up, and then, Lincoln grabbed him by the neck and threw him into a nearby wall, and Lincoln used his claws to skin The Gator Ghoul clone and he turned his skin into Alligator Skinned Luggage.

Then, Lincoln changed back as his skin changed back to normal, his crocodile snout shrank back to his normal state, his rows of crocodile teeth turned back to normal, his eleven massive and long crocodile tails turned back into the eleven massive and long white wolf tails with rainbow tips and rainbow markings.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And now, for the feast.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into The Gator Ghoul Clone, and then, Lincoln began absorbing him into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of The Gator Ghoul Clone, and he sent him to The Black Gates. Everyone cheered wildly as we holstered our weapons and powered down, and Sobek Caesar Crocodile's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long green wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large green orbs orbiting around her legs, and massive green angel wings are permanent.

Sobek Caesar Crocodile: (Australian Accent) Now, that was so awesome!

Lincoln: That's one clone of Mystery Inc's enemies down and more to go.

Suddenly, Sobek Caesar Crocodile wrapped her arms around my waist, as her chest pressed against my massive pecs and her stomach pressed against my eight-pack abs, which'd brought an atomic red blush to my face, and I wrapped my abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as I leaned down to Sobek Caesar Crocodile's face, we kissed passionately as she moved her hands onto my massive pecs, and behind us was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Crocodiles flying in the air, and a herd of Buffalo and many animals were all running across the field and elemental forces and water behind us and everyone cheered wildly. Then, Sobek Caesar Crocodile and I sucked in and absorbed the elemental forces and water and we came back to us as the display vanished.

Lincoln: That's another clone of Mystery Inc's enemies absorbed. (To Natalie Knudson) And it's so good to see you again, Natalie.

Natalie Knudson: You too, Lincoln, it's been seven years since we last met, and it's so good to see you, our sisters, Varie, and Mom and Dad again, J.D.

Me: You too, sis.

Lincoln went up to Natalie Knudson and he hugged her, and Natalie Knudson is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Natalie Knudson: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed, I do, Eli. Everyone, this is Natalie Knudson, God Sibling of Bubbles, she's my Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful bubble powers and immense control over bubbles. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of J.D., Sakura, Elaine, Helena, Sophia, Avery, Emily, Abigail, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Evelyn, Marlene, Gianna, Arlene, Melanie, Celine, Clara, Megan, Carly, Beth, and Valerie, and just like J.D., Sakura, Helena, Sophia, Emily, Abigail, Avery, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Marlene, Valerie, Gianna, Melanie, Arlene, Celine, Clara, Megan, Carly, Beth, and all of us, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just Bubbles, but also Fire, Water, Ice, Wind, Lightning, Earth, Lava, Darkness, Light, Crystals, Wood, Stars, Time, Gravity, Nature, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all.

Nico: WHOA!

Me: Yeah, she's that powerful like us and she defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals, and if you get her mad, WATCH OUT OR YOU'RE GOING TO FACE THE WRATH OF THE GOD SIBLING OF BUBBLES!

We gasped.

Nico: Oh… shit!

Lincoln: Yeah, it would be a huge mistake if anyone dared to piss her off, and now that you're here, Natalie.

Lincoln went up to and hugged Natalie Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Natalie Knudson: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Natalie Knudson's neck with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Natalie Knudson: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives,

Natalie Knudson.

Natalie Knudson had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them.

Nico: And Jun? You and Vinyl did good yesterday.

Jun: We sure do.

Me: Are you fully recovered from your ordeal earlier?

Jun: I sure am. Much better and stronger than ever.

Nico: That's a relief.

Vinyl Scratch: We're proud of you Jun.

Qin: Yeah.

Poromon: That is for sure.

Maria: You know that was months ago, right?

Me: Yes I know but I'm just still concerned about her.

Maria: Well okay. But I'm glad you're still looking out for everyone.

Me: Not to toot my own horn but yeah.

Gyarados: That was still awesome though.

Nico: Nice job, Gyarados!

Gyarados: Thanks!

Poromon: Want some beer?

Gyarados: Oh I only drink Sake.

Poromon: Sake? You mean Japanese Rice Wine?

Gyarados: Yep. That's right.

Me: Still good enough. Lady Tsunade is gonna have an awesome drinking partner.

Sakura Knudson: Boy I heard that Lady Hokage drinks Sake by the gallon.

Me: That is a fucking understatement. You should see how much she drinks. It's a miracle she hasn't died of alcohol poisoning.

Poliwag did the puppy eyes.

Poliwag: (Baby talk) Pwetty pwease?

Gyarados: Nice try.

Nico: Poliwag that's enough.

Poliwag: Aww.

Horsea: I'll have beer!

Poromon: Okay.

He gave her one.

Horsea: Thanks!

She drank it.

Nico: That was still fun though.

Horsea got drunk.

Horsea: (Slurred speech) You are a funny guy! You're my best pal. (HIC!) (BARNEY BELCH)

Horsea looked at Maria and envisioned her in a bikini.

Horsea: Maria (HIC) You look great in a bikini.

Maria: Huh?

Me: She's not wearing a bikini.

Maria: Horsea, I only wear one piece swimsuits, remember? To avoid perverts.

Horsea: (HIC)

Me: Okay Horsea you had enough. (SNAPS FINGERS)

She was back to normal.

Horsea: (GROANS) What? Oh man! Sorry.

Nico: No worries. Now we can fight the Anothers.

Qin: Yeah!

Eli: Lets see who we got. (CONCENTRATES) Whoa! We got Another Dr. Starline, Dark Naga, Baby Prunes, Wild Ones, SpongeBob the Kelp Creature, Huge Wrestlers, Truffles, Meany Cream Cake, Reuben, Universe 666 Mean 6, Mean Bull, Villamax, Texas Twister, Melee Omnidroid, Prince Bokar, Sarawareteiru of the Fairy and Butterfly Absolute God Deboth.

Gloria Gale: Awesome!

Qin: Boy we fought some of those guys yesterday.

Lola: Yeah!

Me: Also the Meany Cream Cake!? That cake had a nasty disposition.

Laney: Yeah! What a jerk!

Me: And wait that dark version of Naga? I remember him! He was brainwashed by Akyanba and turned into Dark Naga.

Nico: The transformation music for that form was honestly cool.

Me: It sure was! Naga no offense to your home planets ways but what they were going to do to you was terrible after how Lucky and team saved you. Emotions are NOT a sin. They make up who you are.

Naga: (Monotonously) None taken.

Balance: But I like you the way you are!

Naga: Thanks for that.

Balance: You're welcome.

Nico: Awesome. And you guys have Truffles in the M.O.E.!? Whoa I hope you guys can put up with her yelling.

Dr. Starline: Don't worry we'll handle it. Vypra made a collar to silence her yelling.

Nico: Clever.

Chowder: And we know how to deal with her.

Me: Spray her with Elemelon Juice?

Chowder: That and something else.

Me: Maul her up with Meaches.

Nico: Don't forget nails on a chalkboard.

Me: That too! Practically EVERYONE Hates that sound. And it is exactly what she sounds like.

Nico: Yep. Anyway who's up for this?

Me: Starla Glimmer, Zarya Zenith, Lauren Linphea, Maria Melody and Gloria Gale, Vicky Ann Jupiter Espada, Minnie Metarikku, Yuji Kiba, and the previous group from last time. We haven't decided on archenemies for the Meanie Cream Cake and Truffles yet.

Nico: Okay then.

Eli: And I sense that the anothers minus Dr. Starline are one person.

Nico: Wow.

Sprout Cloverleaf: This will be fun!

Then his cutie mark started to glow.

Me: Sprout's Cutie Mark is glowing. We know what that means.

Nico: There they are!

We saw Another Dark Naga, Baby Prunes, Wild Ones, SpongeBob the Kelp Creature, Huge Wrestlers, Truffles, Meany Cream Cake, Reuben, Universe 666 Mean 6, Mean Bull, Villamax, Texas Twister, Melee Omnidroid, Prince Bokar, Sarawareteiru of the Fairy and Butterfly Absolute God Deboth!

Nico: WHOA!

Me: This is gonna be good!

Another Texas Twister: (In a girls voice) It sure will!

They merged and reverted back and it was a girl with blond hair and green eyes and had red clothes and red angel wings and she had a tiara with the symbol of Sprout Cloverleaf's cutie mark on it and she had the same cutie mark on her skirt and she had Applejack's sword in her hand.

Silica Sprout Cloverleaf: Silica Sprout Cloverleaf, Embodiment and Gene-slammer of Sprout Cloverleaf and Legacy of Applejack.

Nico: Whoa! Awesome to meet you.

Sprout Cloverleaf: Same here. And an honor too.

Silica Sprout Cloverleaf: That's right.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated.

Me: Action time!

We fired waves of energy and elements and blasted the Anothers and smashed them down.

I caught the Wonder Ride books.

Me: Awesome!

Nico: That was awesome.

Me: And this too!

I pulled out a chalkboard and put on earmuffs and then turned my fingers into claws.

Me: TRUFFLES! This is what your voice sounds like!

HORRIBLE GRINDING NOISE!

I grinded my fingers on the chalkboard and she screamed in pain and the Another Truffles exploded!

I caught the Wonder Ride Book.

Maria: Time for backup. (TURNS DIAL) NIGHTMARE POISON OCEAN 6!

She summoned Louie PoisonSea and Universe 666 Infected Argentinosaurus, Archangel Gabriel (Constantine), Kaos, Hexxus and Organization XIII!

Nico: YEAH!

May: And now, we wait.

Me: Yep.

Flare Firestar: This is gonna be fun.

Then Flare's cutie mark started to glow.

Me: Flare's cutie mark is glowing.

Qin: Wow!

Flare Firestar: Cool!

Nico: Could it be?

Me: Here he comes!

We saw Another Dr. Starline!

Me: Another Dr. Starline!

Qin: Whoa!

Another Dr. Starline: (In a girls voice) This is gonna be fun.

She reverted back and was a girl with blond hair and had orange eyes and black and orange clothes, fire angel wings and had a tiara with Flare's cutie mark and the same symbol on her skirt and had a fire sword and Flare's tail.

Felicia Flare Firestar: Felicia Flare Firestar, gene-slammer and embodiment of Flare Firestar.

Me: Whoa! Awesome to meet you Felicia.

Flare Firestar: Same here and that is so awesome.

Felicia Flare Firestar: It sure is.

Nico: Yeah.

Felicia Flare Firestar: I'm the embodiment and gene-slammer of

Flare Firestar and also am a smart and skilled mechanic in planes.

Nico: Wow!

Felicia Flare Firestar: Yep.

Nico: Anything else we should know about you?

Felicia Flare Firestar: And I'm also the legacy of Spitfire, Captain of the Wonderbolts.

Nico: Awesome!

Qin: Yeah!

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Rainbow Dash: Fast as me too. Awesome!

Qin: Yeah!

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju armor!

Lincoln: Lets separate you first.

Lincoln separated her from Another Dr. Starline.

Me: This will be awesome.

Nico: (Gets out Dr. Starline's Ridewatch) Time for some smart thinking!

May: (Gets out Wild Ones Ridewatch) I'M BORN TO BE WILD!

Maria: (Gets out SpongeBob the Kelp Creature's ridewatch) Glad they shut down the Kelpshakes restaurants!

Starla Glimmer: (Gets out Dark Naga's ridewatch) Time for some snake pain!

They used the powers of Dr. Starline, Evil Naga (Kyurangers), Wild Ones, Huge Wrestlers, SpongeBob the Kelp Creature and Baby Prunes and blasted the Another down!

Then Tempest, Killer Crab Xenomorph, Universe 666 Master Org, Gorgo, Dark Simorgh and Humanoid Shin Godzilla came.

Nico: Nice team Tempest!

Tempest: Thanks Nico!

Trixie Lulamoon: That means it's time for The Great and Powerful Trixie and her team to shine!

Qin: Yeah!

?: HIYAH! (ELEPHANT TRUMPET!)

Then…

KRASMASH!

Flame Mammoth then came!

Me: WHOA! Flame Mammoth!

Nico: Big one!

Flame Mammoth: (In a girls voice) (Jamaican Accent) I'm ready for this mon!

Nico: Pyra Fire!? WHOA!

Pyra Fire: Great to see you again Nico mon. I got this.

She fired waves of fire slime and it hit Another Dr. Starline and blasted him down and I caught the ridewatch and purified it!

Me: Oh yeah!

Pyra Fire: I'm naked just so you know. All the Reploid Gene-slammers are naked.

Me: About time the Fashion Brigade shines again.

May: Oh boy.

Me: Uh oh.

I put on my blind man glasses.

Nicole: You better cover your eyes or it will be your last day alive!

Me: What she said.

The boys did so.

Me: It's going to hurt.

Pyra Fire: I'm ready mon.

Me: Here we go.

I snapped my fingers and she doubled over in pain and then she threw up and fired fire slime and it hit May and she exploded into flames!

She was badly burned all over!

Pyra reverted back and was a girl with red hair and red eyes and had red angel wings and had a symbol with a Mammoth in fire in the middle of her forehead.

Pyra Fire: (GROANS) That hurt mon. (GASP) OH MY GOD! Sorry about that May.

May: I'm okay!

May coughed out soot.

May: (Sarcastically) Oh yeah! I've missed this!

Nico: Crazy.

May: Ouch.

Pyra saw herself.

Pyra Fire: (COVERS HERSELF) Sorry about that!

Rarity: Don't worry darling we can fix this.

The fashion brigade gave her new orange and red clothes and she had an awesome fire sword.

Pyra Fire: Wow! I look awesome mon.

Nico: You sure do.

Starla Glimmer: Do you have a favorite memory of Nico?

Pyra Fire: I sure do. when we were over in Jamaica and we found treasure in a cave and it was great.

Nico: That was awesome.

Me: Cool!

Nico: Yep.

Nico and Pyra hugged.

Nico: I've missed you Pyra.

Pyra Fire: Me too mon. Me too.

We later went home.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Delia's chest, and then, Lincoln began absorbing Delia into his body as he and all of us assimilated all of her powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Delia except for her dress, and he banished Delia to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: Good riddance forever, Delia. (To Olivia Knightmare) And it's so good to see you again, Olivia.

Olivia Knightmare: (Romanian Accent) You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Olivia Knightmare and he hugged her, and Olivia Knightmare is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Olivia Knightmare: (Romanian Accent) Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met

your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Olivia Knightmare, Gene-Slammer of Orcust Knightmare, she's my Guardian Angel from Romania and classmate in Math, but she's also a big time Halloween fan. In fact, like Ruby Rose and Rachel Alucard, her birthday falls on Halloween. She has light blue hair with an orange and black dress, and she's also a beautiful but deadly vampire, and shockingly she's also the twin sister of Carmilla from Castlevania, but thankfully, she's nowhere near as evil as her sister. She and I love to trick or treat together, and while we were cosplaying as Ace Savvy and Wonder Woman, Olivia kissed me on the lips, and as a result, I swore that when I come of age, I will marry Olivia along with the rest of my harem, and here's the awesome part, she hates perverts with a blazing passion and will gladly castrate them if they so much as look at her or any of my harem.

Nicole: She'd be perfect for The Anti-Pervert Patrol, oh, and during the New Year break last year, Lincoln sent your sadistic bloodthirsty sister, Carmilla, to The Black Gates.

Olivia Knightmare: (Romanian Accent) Good riddance.

Lincoln: Yeah, you hated your sister that much for everything she did in Dracula's name, and you also swore if you ever saw her again, you'd throw her into the sun and watch her burn to ashes.

Nico: Damn, now that's brutal.

Lincoln: Yeah, but she couldn't do that, not with Dracula and Death still running loose. But, we took care of them and all of Dracula's minions for good, and now that you're here, Olivia.

Lincoln went up to and hugged Olivia Knightmare in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Olivia Knightmare: (Romanian Accent) Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Olivia Knightmare's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Olivia Knightmare: (Romanian Accent) (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Olivia.

Olivia Knightmare had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the five girls, and when Lincoln saw them, he immediately recognized them. The five girls are Hikari Hoshizora, Homura Tachiyama, Kazane Utano, Shinobu Yamiyo, and Miu Tatemori from Nugashite Okashite Inryoku Kyuushu~!

Lincoln: Oh wow, it's Hikari Hoshizora, Homura Tachiyama, Kazane Utano, Shinobu Yamiyo, and Miu Tatemori from Nugashite Okashite Inryoku Kyuushu~!

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Hikari Hoshizora: Yes, we're okay, thanks to you.

Hikari Hoshizora: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Hikari Hoshizora: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hikari Hoshizora, Homura Tachiyama, Kazane Utano, Shinobu Yamiyo, and Miu Tatemori with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villain we went after was Delia, the overarching antagonist in the Lilo and Stich franchise, serving as the main antagonist in season three of Stich!

But, when Lincoln showed what we did in viciously beating her up and Lincoln absorbing her and sending her to The Black Gates, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Olivia Knightmare have a lot of catching up to do, now that she's back in town.

Maria: Damn, I didn't expect an old enemy of Yuna's to show up.

Lincoln: Yeah, but we brought an end to Delia for good.

Nico: We already recorded it for J.D. to see.

Eli: He's gonna like it.

---

After Lincoln and his group took down Delia and he absorbed her and sent her to The Black Gates, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Olivia Knightmare saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Olivia Knightmare: (Romanian Accent) My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Olivia, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Olivia Knightmare: (Romanian Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Olivia Knightmare: (Romanian Accent) I knew it was only a matter of time before he told everyone that story. Plus, I heard J.D.'s birthday is today.

Nico: Yep, and he's gonna be really busy today while we make the preparations for his party.

Lincoln: I asked Varie and his harem to take him to Bubblaine, and I'll also be on my date as well but I'll leave clones of myself to help with the preparations.

Luna: It's nice having extra hands and tails to help out.

At Bubblaine, I was with my harem for an awesome beach date. I snapped my fingers and I had on my new large white speedo with a Phoenix and flames surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, red sandals, my jewelry and accessories, and I had my weapons holstered in case of trouble, and my harem were dressed in colored two-pieced bikinis, sandals, and they had their weapons holstered in case of trouble.

Me: Wow, we're here in Bubblaine, nice.

Varie: I always love coming here.

My harem and I dived into the waters and they had fun swimming and we even saw the marine life there. Then, we went back to the beach and they had an awesome volleyball game, and my harem got an extremely massive and deep atomic red blush on their faces when they saw me lift thirteen massive 900,000,000,000,000-lb barbells I summoned in my large and strong hands and thirteen massive and long rainbow wolf tails.

But then, we saw the hulking muscle-bound thugs that Flip hired coming after them, but I fired vacuum tubes from my chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I also grew even stronger. When I was done, the vacuum tubes detached themselves from the chests of the thugs and went back into me, and the thugs were now dead from blood loss and thin as a rake and I fired a blast of red energy and destroyed them leaving them as ashes.

Me: Nice try, you stupid mutant!

Then, we had some lunch, and then, as the sun was about to set, I made clones of myself and me and my clones went up to my harem and we hugged the girls in their abnormally massive and powerful muscular arms and my harem placed their hands on the massive pecs of me and my clones.

And then, we shared a passionate and romantic kiss and then, I also marked my harem as I slowly sank my fangs into them and fed on their blood, and my rainbow energy aura with elemental forces and mythological animals flare up as I gained a massive power boost and I also gained the very same powers as them, and my abnormally massive and powerful upper and lower body muscles bulged even more, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I also grew even stronger. We unlatched our fangs from their necks as they healed and the puncture marks sealed up and we kissed the spots where we bit them.

Varie: (Saw my fangs) Wow, now the fangs are new, along with marking us.

Me: I'd seen Lincoln do the same thing with his harem, and this morning, I found out that I had also permanently grown fangs.

Varie: Those fangs do look really awesome.

Palutena: Lincoln's going to be in for quite the surprise.

Me: Yeah, he sure is.

Back at The World Tree Estate, everyone else was still working out at the gym, but Lincoln's wolf ears twitched.

Lincoln: (Sensed it) J.D., you sly dog. So, you've grown fangs just like me and started marking your harem.

Nico: Wait, what? How on…?

Lincoln: He saw me do that as well with the members of my harem, and somehow, he'd grown fangs like me. Pretty soon, you'll start growing fangs like me, Nico.

May: Now, that we'd like to see.

We got a shower afterwards, and then, Lincoln, Surge the Tenrec, Simulator Zooey, Simulator Cosmo the Seedrian, Simulator Amy Rose, Simulator Blaze the Cat, Ava the Arachne, Avery the Atlach-Nacha, Gina the Girtablilu, Jenny the Jorou-Gumo, and Usha the Ushi-Oni are heading to Koopa's Seaside Soiree.

Usha the Ushi-Oni: Wow, so this is Koopa's Seaside Soiree. It sure is beautiful.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Surge the Tenrec, Simulator Zooey, Simulator Cosmo the Seedrian, Simulator Amy Rose, Simulator Blaze the Cat, Ava the Arachne, Avery the Atlach-Nacha, Gina the Girtablilu, Jenny the Jorou-Gumo, and Usha the Ushi-Oni and they hugged the girls in their abnormally massive and powerful muscular arms and Surge the Tenrec, Simulator Zooey, Simulator Cosmo the Seedrian, Simulator Amy Rose, Simulator Blaze the Cat, Ava the Arachne, Avery the Atlach-

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and Eli saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Nico: (Whistles) Wow, it looks like you really had a good time at Koopa's Seaside Soiree, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Surge the Tenrec, Simulator Zooey, Simulator Cosmo the Seedrian, Simulator Amy Rose, Simulator Blaze the Cat, Ava the Arachne, Avery the Atlach-Nacha, Gina the Girtablilu, Jenny the Jorou-Gumo, and Usha the Ushi-Oni with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Amy Rose: And you can thank Sticks and I for arranging a date between him and Surge at a fancy Italian restaurant. Plus, we knew that Zooey has a boyfriend and Cosmo has Tails, so we got their Simulator counterparts, same with my Simulator counterpart.

Yamiga: And you can also thank us for introducing Ava, Avery, Gina, Jenny, and Usha to him, and he really fell in love with them.

Usha the Ushi-Oni: Especially when he kissed all of us on the lips, he really is a romantic, and when he marked us, let's just say we saw that more wild side of him.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Surge the Tenrec, Simulator Zooey, Simulator Cosmo the Seedrian, Simulator Amy Rose, Simulator Blaze the Cat, Ava the Arachne, Avery the Atlach-Nacha, Gina the Girtablilu, Jenny the Jorou-Gumo, and Usha the Ushi-Oni, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip started farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

Lincoln called Varie and told her to bring me back home.

Lincoln: I just told Varie to bring J.D. back, let's get the place ready.

Nico: You got it.

After Lincoln came back, back at Lynn's Table, we had finished up decorating the whole place for my birthday, and everyone really went all out for me.

Nico: Nice work, gang, J.D.'s going to be so surprised when he and his dates come back.

Lori: He literally will be, he's turning 22.

Nico: He sure is. This is literally going to be so awesome!

Luna: Plus, today's the beginning of the Halloween Horror.

Nico: Oh yeah, we've got horror movie monsters to deal with along with the clones of the Mystery Inc. enemies.

Just then, Poromon and the other Mascots saw me.

Poromon: Guys, J.D.'s back!

Lincoln: And not a moment too soon!

Nico: Places everyone! Our guest of honor has arrived!

Lincoln turned out the lights, and they hid in the hiding places. Then, my harem and I came back only to see the lights were out.

Me: Hey, why are the lights out?

Then, as soon as I turned on the light, suddenly, cannons fired and sprayed confetti in the air and many balloons of different colors flew up into the air, and then, a massive dark blue star-reflecting banner unfurled with balloons coming out and written on the banner in rainbow letters were the words, "HAPPY BIRTHDAY, J.D. KNUDSON!"

Then, everyone jumped out of our hiding places and surprised me.

Everyone: SURPRISE! HAPPY BIRTHDAY, J.D.!

Me: (Really Surprised) (GASPS) WOW! You guys remembered, and you did all this for me?!

Nico: Yep, we went all out for your birthday today.

Me: That's so awesome, thanks, guys.

Lincoln: You're welcome.

Just then, The Masters of Evil have arrived.

Vypra: We're here, and happy birthday, J.D.

Me: Thanks, Vypra. Alright, what are we doing standing around for? LET'S PARTY!

We immediately got the party started, and then, everyone started giving out our presents to me: first, Lincoln got me a copy of his latest comic, which was based on our adventures in Chronopolis and they really sold like hotcakes.

Me: WHOA! That's one awesome comic you made, Lincoln!

Lincoln: This was based on our adventures in Chronopolis, and those things sold like hotcakes all over the stores.

Nico: It was really awesome.

Nico got me an awesome spellbook full of powerful elemental spells along with daggers of different elements and an awesome greatsword that he forged himself and it was imbued with the powers of The Seven Shadow Dragons and it merged with my massive J.D. Knudson's Universal True Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Angel Greatsword of Universal True Eternal Cosmic Elemental Wolf Moon Phoenix Angel Justice, and Eli got me an awesome Star Wars bracelet and it was imbued with the powers of The Light and Dark Sides of The Force.

Me: Wow, these gifts you guys got me are really awesome!

Nico: It took a while to create this bad boy just like with Lincoln's, but it was worth it.

Eli: And I had help from the Jedi with creating that bracelet.

Lincoln: Oh, and Nico also had help from Nicole with my gifts to you.

Nicole: And they were really worth it for you.

Lori got me an awesome Swiss Army Watch with 150,000 functions Lisa made, but it had my favorite colors: red and aurora.

Me: Wow, a Swiss Army Watch with my favorite colors, awesome! Thanks, Lori!

Lori: I knew you'd love it, J.D. (Hugs me and I hug her back)

Leni made for me a weighted gold version of He-Man's harness with colored gems on the gold straps that represent all of us and on the back it had a kanji that said, James Dean Knudson, Truly Loving Gold-Hearted Brother, Son, Grandson, and Father ジェームス・ディーン・クヌドソン、真に愛する黄金の心の兄弟、息子、孫、そして父. Then, it merged with my gold harness.

Me: Aw, thanks Leni.

Leni: You're welcome, J.D. (Hugs me and I hug her back)

Luna got me an awesome electric guitar and it had the power to summon lightning bolts from the Heavens along with other elemental forces.

Me: Whoa, now this is rocking, thanks, Luna.

Luna: Knew you'd love it, dude.

Luan got me a gag book and in its pages are some super awesome and super hilarious gags aimed at insulting the jerks.

Me: (LAUGHS) Oh man, that's hilarious!

Luan: When you use those brutal gags on the jerks, oh man, are you going to make them cry like babies!

Lynn got me some weighted training bracers which merged with my large gold Bracers of The Champions of The Universe.

Me: Thanks, Lynn.

Lynn: You're welcome, dude, and those weighted bracers will also give you an even more intense work-out when you do your work-outs and also battle.

Lucy got me a large grimoire and in it are some even more powerful curses that I can use on villains.

Me: Wow, this is awesome! Thanks, Lucy.

Lucy Loud: You're welcome, J.D.

Laney got me a specially made silver whistle that can summon Flip's victims to attack him.

Me: Awesome whistle, Laney. Thanks!

Laney: It took quite a while to craft this beauty, but it speaks for itself.

Lincoln: That whistle summons Flip's victims, and once they see him, they are going to tear him apart piece by piece.

Lana got me a Wings of Wicked Elements Belt which merged with me large gold Belt of Elemental Bravery. Then, the belt activated and it turned my massive and beautiful elemental angel wings with aurora and rainbow tips glowed, and everyone saw my rainbow energy and protective aura with elemental forces and mythological animals flare up as I gained a massive power boost. We were amazed.

Me: Whoa!

Lana: Lincoln's Wings of Wicked Elements Belt worked like a charm, and I decided to make one for you.

Me: That's… so… AWESOME!

Nico: No fooling, with that baby activated, the villains are literally in a shit ton of trouble!

Lola gave me a pair of crystal bracelets with crystals of many shimmering colors.

Me: Wow, these are so awesome!

Lola: Try them on, and see what happens.

The beautiful crystal bracelets merged with my large gold Bracers of The Champions of The Universe, and then, suddenly, I was enveloped in rainbow crystal, and then, I got an awesome suit of DIAMOND HARD RAINBOW CRYSTAL!

Lincoln: WHOA!

Lola: What J.D. has on is called The Diamond Armor of The Cosmos, it works like Nico's Diamond Armor of Camelot and Lincoln's Diamond Armor of Eden.

Nicole: Yep. Lola and I found it, and it's also perfect for you, Dad.

Rarity: It sure is, darling.

Nicole: That armor is completely indestructible and it's 100,000,000,000,000,000 times harder than regular diamonds, and like with The Diamond Armor of Camelot for Nico and The Diamond Armor of Eden for Lincoln, not even our most powerful weapons can destroy it, and it was also blessed by God.

Me: So awesome!

I willed the armor back and it turned back into crystal bracelets.

Lisa got me an atomic blaster and it was imbued with the elemental forces of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions.

Me: Whoa, awesome blaster, Lisa.

Lisa: I suggest you try it out on our resident jerks, J.D.

I aimed the new blaster Lisa got me, I took aim at the jerks, and I fired powerful blasts of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions which hit the jerks and exploded as more gold, jewels, gems, and many currencies exploded out of them, and the jerks screamed and ranted in anger.

Nico: (WHISTLES) Man, that's powerful! Just like Lincoln's Atomic Elemental Blaster

Me: Awesome.

I holstered it, and Lily got me an awesome photo album and inside the pages are the photos taken of the missions we did and dates with my harem along with humiliating the jerks.

Me: This is awesome! Thanks, Lily.

Lily: You're welcome, and you can add more photos to the album.

Jason Scott Lee: And we also got you a little something as well, J.D.

Jason then gave me an awesome UNIVERSAL POWER RANGERS AND KAMEN RIDER BELT! And that new belt also merged with my large gold Belt of Elemental Bravery!

Nico: Oh, awesome! Now, like me and Lincoln, you also have the powers of 47 plus years of Power Rangers and 52 plus years of Kamen Riders in you, J.D.

Me: Awesome!

Fire Lori: We also got you a little something as well.

Fire Lori gave me an awesome UNIVERSAL L-EMENETALS BELT! And that new belt also merged with my large gold Belt of Elemental Bravery!

Air Lincoln: Now, you also have our imbued powers as well added to your elemental powers as well!

Me: Awesome!

My kids also got me some awesome gifts ranging from greatswords to spellbooks and bracelets.

Me: Wow, this is really awesome, thanks!

Nicole: We knew you'd love them, Dad.

Lincoln: Okay, Mom, Dad, Mr. and Mrs. Knudson, bring in the cake!

Lynn Sr. and Rita, along with my parents, also brought in a really massive cake and an awesome buffet!

Me: WHOA! Mr. Lynn, Ms. Rita, Mom, Dad, you really went all out with the buffet! You spent all day in the kitchen for this!

We sure did: I sure did, and your parents also helped out as well, and I also made some Shadow Clones as well for the buffet.

Patti: I saw the whole thing, but still, this is all for…

Suddenly, I hugged my parents and Lynn Sr. and Rita, and they knew it as a sign of thank you and that he loves them, and they hugged him back.

Lincoln: And we made your favorite: Devil's Food Cake!

Me: (GASPS) (DROOLS) SO… AWESOME! You knew Devil's Food Cake is my favorite.

Lincoln: And there's also another surprise. NOW, GIRLS!

Suddenly, the cake top opened, and suddenly, my harem came out of the cake all dressed in super sexy bikinis and making sexy poses. My eyes went wide as I had a deep atomic red blush on my face, hearts in my eyes, and my nose bled. Then, Varie walked up to me seductively and kissed me hard on the lips and I felt like I was in Heaven times infinity.

Varie: (Seductively and rubs my pecs) Like your surprise, big boy?

Me: (In Heaven) Oh, God. Lincoln, was this something that…?

Lincoln: Your harem planned all that out while your parents and Mom and Dad were baking the cake.

I then blew out the candles and we ate the food and the cake.

Me: (EXTREMELY LOUD AND SUPER MASSIVE MEGA BELCH)

Nico: (Stunned) Dude… !

The force of that belch was so extremely loud and massively powerful, it shattered the eardrums of the jerks!

Lincoln: (WHISTLES) That extremely loud and massive mega belch that you let out shattered the eardrums of the jerks! That was even louder than mine on my birthday and when we took down Bubble Bass.

Lynn: Remind me never to get into an eating contest with you, you'd blow away the competition with that kind of belch.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Nico was about to head outside. It was snowing outside and it was gonna be fun.

Evelyn Cowart: Have fun outside, Nico.

Nico: I will.

Nico went down and was going to have fun.

Nico was seeing that the city was covered in snow.

Nico: Old Man Winter has come.

LOUD BURP!

Nico: UH OH! IS THAT!?

KRASPLAT!

Nico got hit in the face with a snowball!

Me: What's going on?

We heard belching!

Me: HUH?

Lynn: That was not me! It may have been but I gave that up.

Me: If it wasn't you then… (GASP) NICO!

We went down and saw NICO BEING PULVERIZED WITH SNOWBALLS BY THE MASCOTS! THEY HAD PACKING DAY FACES ON!

Nico: YOU'LL NEVER TAKE ME ALIVE! YOU MOTHER- (gets hit by snowballs)

SPLAT SPLAT SPLAT SPLAT SPLAT!

Cybertron Crumplezone: They took him alive.

Me: Not for long! (SPINS BRACELET)

SNOWBALL MAGISWORD!

I fired a barrage of snowballs and blasted the mascots!

Ultra Magnus: Where did you get these snowballs?!

Poromon: It snowed outside.

Me: Yeah look.

We saw lots of snow on the ground.

Ultra Magnus: Oh.

Nico: Perfect for snow fun.

Sunset Shimmer: Boy Nico they hit you hard.

Poromon: Too bad it's not like one of those silly video games you play huh Sunset!?

Sunset Shimmer: NOBODY CALL'S TICKLE FRUIT 2 SILLY!

UH OH! POROMON JUST STRUCK A NERVE!

Sunset Shimmer made a huge Snowball as big as a car and she jumped as the mascots threw snowballs at her and she threw the snowball at them!

Mascots: Mommy!

KRASMASH!

It hit them and smashed them flatter than pancakes!

Poromon: Sorry Sunset!

Sunset Shimmer: You make fun of video games and I'll…

Me: Whoa whoa whoa! Easy Sunset. Easy. Save your rage for the main mission.

Sunset Shimmer: Oh right.

Poromon: Like I said, I'm really sorry Sunset.

Sunset Shimmer: It's okay.

Nico: Good.

We went back inside.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than a clone of The Ghost of Pervis Parker, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than a clone of The Ghost of Pervis Parker, and he's causing havoc.

We gasped.

Me: Now, we got a clone of The Ghost of Pervis Parker causing havoc?! Oh boy.

Nico: We're so going to beat the shit out of that ghost!

Lincoln: But, not too much, I'm going to absorb him, and with every clone I absorb, I can uncover who it was that's been making clones of them to cause trouble.

Nico: With your absorption techniques along with information gathering skills, hopefully, we'll be able to find out who it was causing this. Alright, gang, let's get going and take down that clone of The Ghost of Pervis Parker.

Lincoln: He won't be going down without a fight, but we're not letting him run free any longer, he's going to pay.

Sakura Knudson: That is for sure! And I remember the Ghost of Pervis Parker! Even though he was never dead to begin with.

Me: Yeah me too!

Camie: Who was the Ghost of Pervis Parker?

Me: His real name was Mr. Dilton. He was once the manager of Parker Place, which was like Elvis Presley's home Graceland. He was stealing all of Buddy Chilner's concert money and also stole all of Pervis Parker's gold records.

Nico: Yep.

Sakura Knudson: Everyone thought that Pervis' private plane disappeared years ago. But he was never dead to begin with. He just wanted to get away from it all and get some peace and quiet.

Nico: That's right.

Me: Mr. Dilton got 40 years in prison for his crimes. Later upgraded to life without parole.

Nico: Yep.

Me: All of Buddy's money was returned to him plus interest.

Nico: Yep.

Squidward: Nico who shines today?

Nico: Michael and Flurry Heart.

Flurry Heart: All right!

Michael: Awesome!

Me: Nice!

Qin: Yeah!

The previous group came.

Selene: Can me, Trickster, Onyx, Ssserpent, Box Ghost, Merman, Xiao Fung, Dr. Destiny, Enchantress and Red Ghost go with you guys?

Nico: Yes you all can.

Onyx: Awesome and J.D. happy birthday!

Me: Thanks! It was a fun party.

Lola: Yeah it was!

Rotwood: Mr. Chan, which gene-slammer do you think you'll meet next?

Nico: Storm Eagle Next.

Me: Ooh! Windy.

Lola: Very Windy.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Boros, the leader of the Dark Matter Thieves from One-Punch Man, and he's coming here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh man.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and Tatsumaki, you and the others aren't going to like this one bit: the figure that we saw is none other than Boros, the leader of the Dark Matter Thieves, and he's coming here to destroy us.

Tatsumaki: (GASPS) Oh God. Of all the opponents we fought against, Boros was the most dangerous and powerful. Saitama fought against him and he had a tough challenge with him, and Boros is able to quickly regenerate from his wounds.

Me: Yeah, I know, this guy is really powerful.

Hailey Timaeus: So, it's up to me and Linky to take him down.

Lincoln: That's right, Hailey.

Nico: I hope you two tear him apart and Lincoln absorbs him too. Alright, gang, let's go, we're heading out to destroy that clone of The Ghost of Pervis Parker.

Lincoln: That clone's going to get pummeled hard and then, he's going to be absorbed, and once we get done with him, you're next, Boros.

Hailey Timaeus: There is no way we are ever forgiving you for all of the crimes you've committed against the universe, Boros. You better be ready to suffer the consequences for your crimes.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to take down the clone of The Ghost of Pervis Parker so that Lincoln can absorb him, and once we got done with him, Lincoln and Hailey Timaeus are going to destroy Boros.

We were off to Parker Place in the Coolsville Sector.

We arrived in Parker Place.

Trickster: Here we are!

Me: Wow! Parker Place.

Sakura Knudson: Boy it feels like forever since I was here.

Me: I know. Feels like we're in Graceland.

Leni: Graceland?

Me: Elvis Presley's old mansion in Nashville, Tennessee.

Nico: Awesome place.

Qin: It sure is.

Me: Yep. And here's an awesome fact. Before I dyed my hair rainbow color, everyone said that I looked like Elvis Presley brought back to life as someone else.

Nico: Really?

Me: Yep true story. Everyone said I looked so much like him.

Xenia: That is funny.

We went into the mansion and it was amazing.

Me: Wow! Look at this place.

Sakura Knudson: Just as awesome as I remember.

Marie Kanker Loud: Anyone here?

Me: Hmm.

We saw Mystery Inc.

Me: Hey guys!

Fred: Hey guys! You made it.

Me: Awesome you're here guys. Boy brings back memories doesn't it.

Velma: Jinkies. It sure does.

Onyx: Anyone else here.

?: I believe me.

We saw Pervis Parker himself!

Me: Pervis Parker!

Pervis Parker: Been a long time J.D. and you too Sakura. Boy you all are looking great.

Me: Boy its been a while. How have you been?

Pervis Parker: Busy. But I've been on edge since the ghost of me came back.

Me: Well this is a clone of your ghost.

Qin: Yeah but it's an honor to meet you Pervis. Also the Warden said that Mr. Dilton is still in prison.

Nico: Yeah but it's awesome to meet you Pervis. Wow!

Catzi: It was all a lie. You're perfectly alive and well.

Pervis Parker: That's right. I didn't really disappear. I just wanted some peace and quiet.

Me: Not that I blame you. Fame can really take a toll on you.

Nico: No kidding.

Pervis Parker: That is true.

Velma: Yes. I have a feeling this will be a musical one.

Me: Lets make this a rock and roll battle.

Pervis Parker: I've seen some of the songs you all did and you guys know how to make an amazing performance.

Me: That is true.

Rainbow Dash: It's awesome!

Me: Yep.

Merman: I'm sorry you're being disrespected like this.

Me: Yeah anyone that disrespects a famous legend has no love for anyone.

Nico: I agree!

Pervis Parker: I do too. But thank you guys for sticking up for the famous legends of the world.

Me: It's no problem.

Fred Jones: And there's only one thing to do.

Shaggy: Yeah. Like go home!

Fred Jones: Nope. We're going to find that ghost fake and smash him into dust.

Me: Rock and Roll Music Style.

Shaggy: And Nico? You're gonna have to like give me and Ssoob more edible Scooby Snax to get us to help out.

Nico: Okay. I admit the gold ones weren't my best idea. Luckily, these are better!

Bubble Man: What are they?

Nico: Chocolate Donut, Caramel Donut, Vanilla Donut, Strawberry Donut and Coconut Cream Donut variety Scooby Snax.

Shaggy: (DROOLS)

Scooby Doo: (DROOLS)

DONKEY BRAYS!

Shaggy: Like oh boy! Those sound delicious!

Homer: Mmm donuts.

Nico: Here you are!

Nico gave them to Shaggy and Scooby and they ate them.

Shaggy and Scooby: MMM! MMMM! MMMM!

They turned into rockets and blasted off and exploded into fireworks and they landed into Erica's arms.

Shaggy: Like those are delicious!

Scooby Doo: Reah!

Erica: Much better.

Red Ghost: They sure are.

Nico: Yep.

Me: You even got Homer and Lily hooked too.

Lily: Yeah that is for sure!

WE LAUGHED!

Me: (LAUGHS) Your donut flavor is a hit with Lily and Homer.

Pervis Parker: That is too true.

Khybon: Where's the next Mega Man embodiment?

Me: Oh that's right! She never showed up. Probably because we were too busy with my birthday party and Nico getting pelted with snowballs.

Nico: Yeah.

?: Look no further.

We saw a girl with orange hair and red eyes and orange eyes and had orange clothes and had orange angel wings and she had red angel wings and had a tiara with the symbol of Charge Man on it.

Cilia Charge: Cilia Charge, Embodiment of Charge Man.

Omi: (Tibetan Accent) Ah Cilia it's good to see you.

Peyton: Been a long time.

Cilia Charge: Omi and Peyton. Boy its been a while. And I see you're still the same garbage disposal I remember Peyton.

Peyton: (LAUGHS) Yeah.

Enchantress: How did you meet Omi and Peyton?

Cilia Charge: I met Omi while he was training in the Xiaolin Arts and mastering the powers of the Shen Gong Wu. He even taught me some of the moves from it.

Omi: And she is a very diligent master of the moves.

Me: Wow.

Cilia Charge: And I met Peyton when he was eating all that pizza. I was one of his biggest supporters when he was eating at all his favorite restaurants.

Shaggy: Wow! Like that is my kind of support.

Me: Boy Peyton and Shaggy have been in a tremendous food eating competition. They eat just as much as anyone I know.

Nico: Yeah. Would you like to join the team?

Cilia Charge: I would be honored.

Me: Awesome.

Grier: Now to look for the ghost.

Qin: Yeah.

Eli: (Concentrates) He's in the auditorium here.

Me: That's just down there.

I pointed to a stage door.

Dr. Destiny: Didn't notice that.

We went over and I peeked inside and saw him.

Me: (Holds up sign) "He's in there all right."

Lobo: What's with the sign?

Nico: Shh! He's trying to tell us so he won't hear us.

I nodded.

Xenia: Clever.

Xiao Fung: What's he doing right now?

I looked and saw that he was chasing the janitor.

Ghost of Pervis Parker: A BOO BOO BOO! A BOO BOO BOO! I'LL GET YOU! A BOO BOO BOO!

THE JANITOR SCREAMED IN FRIGHT AS HE WAS RUNNING!

RD Clyde: That poor janitor!

Nico: I've seen enough! Lets get him guys! Entrance time!

We went at the door.

The ghost was chasing the janitor. But then the spirits of Elvis appeared and swirled around him and then they converged and then a massive sun and moon formed and turned int a solar eclipse.

(THE NIGHT BEGINS TO SHINE BY B.E.R. PLAYS)

I saw you dance

From the corner

I caught your name

In a conversation
Playing hard-to-get
But I can understand
When I look at you
I see the story in your eyes
When we're dancing
The night begins to shine
Night begins to shine
The night begins to shine
Night begins to shine
When we're dancing
The night begins to shine
Talk 'til dawn
My heart was racing
I took you home
In the driving rain
Had my mind made up
I wanna feel your touch
When I look at you
I see the story in your eyes
When we're dancing
The night begins to shine

The night begins to shine
The night begins to shine
The night begins to shine
When we're dancing
The night begins to shine
The night begins to shine
(Night begins to shine)
The night begins to shine
Had my mind made up
I wanna feel your touch
When I look at you
I see the story in your eyes
When we're dancing
The night begins to shine
Night begins to shine
The night begins to shine
Night begins to shine
The night begins to shine
Night begins to shine
The night begins to shine
The night begins to shine
When we're dancing

The night begins to shine

Night begins to shine

The night begins to shine (the night begins to shine)

Night begins to shine

The night begins to shine (the night begins to shine)

The Solar Eclipse formed a phoenix above it and then a phoenix cry was heard and then we came out!

Me: OH YEAH!

Sakura Knudson: Rock on!

Ghost of Pervis Parker: A BOO BOO BOO! A BOO BOO BOO! I'LL GET YOU! A BOO BOO BOO!

Ssserpent: Leave that janitor alone!

Ghost of Pervis Parker: A BOO BOO BOO! A BOO BOO BOO!

Me: You don't scare us anymore you Dime Store phony!

Pervis Parker: And you have a lot of nerve making me look bad!

The ghost laughed!

Brittney: Time for some pain from darkness!

(NIGHTS IN WHITE SATIN BY THE MOODY BLUES PLAYS)

Brittney: (SINGING DIVINELY AS DARKNESS SWIRLED AROUND HER)

Nights in white satin

Never reaching the end

Letters I've written

Never meaning to send

Beauty I'd always missed

With these eyes before

Just what the truth is

I can't say anymore

'Cause I love you

Yes, I love you

Oh, how I love you

Gazing at people

Some hand in hand

Just what I'm going through

They can't understand

Some try to tell me

Thoughts they cannot defend

Just what you want to be

You will be in the end

And I love you

Yes, I love you

Oh, how I love you

Oh, how I love you

Nights in white satin

Never reaching the end

Letters I've written

Never meaning to send

Beauty I've always missed

With these eyes before

Just what the truth is

I can't say anymore

'Cause I love you

Yes, I love you

Oh, how I love you

Oh, how I love you

'Cause I love you

Yes, I love you

Oh, how I love you

Oh, how I love you

She floated and fired waves of darkness and blasted the ghost all over.

Qin: YEAH! Take that!

Nico: And this!

(POISON BY ALICE COOPER PLAYS)

Nico: (SINGING DIVINELY AS DARKNESS AND LIGHTNING SWIRLED AROUND HIM)

Your cruel device

Your blood, like ice

One look, could kill

My pain, your thrill

I wanna love you but I better not touch (don't touch)

I wanna hold you, but my senses tell me to stop

I wanna kiss you but I want it too much (too much)

I wanna taste you but your lips are venomous poison

You're poison, running through my veins

You're poison

I don't want to break these chains

Your mouth, so hot

Your web, I'm caught

Your skin, so wet

Black lace, on sweat

I hear you calling and it's needles and pins (and pins)

I wanna hurt you just to hear you screaming my name

Don't want to touch you but you're under my skin (deep in)

I wanna kiss you but your lips are venomous poison

You're poison, running through my veins

You're poison

I don't want to break these chains

Poison

One look, could kill

My pain, your thrill

I wanna love you but I better not touch (don't touch)

I wanna to hold you, but my senses tell me to stop

I wanna to kiss you but I want it too much (too much)

I wanna taste you but your lips are venomous poison

You're poison, running through my veins

You're poison

I don't want to break these chains

Poison (poison)

I wanna love you but I better not touch (don't touch)

I wanna hold you, but my senses tell me to stop

I wanna kiss you but I want it too much (too much)

I wanna taste you but your lips are venomous poison

Yeah, well I don't want to break these chains

Poison (poison)

Runnin' deep inside my veins

Burnin' deep inside my brain (poison)

Poisoning (poison)

I don't want to break these chains (poison)

Poison

(Poison) I don't want to break these chains (poison)

Nico floated and fired waves of darkness and lightning and blasted the ghost all over!

Qin: Take that!

Xenia: YEAH!

Lincoln: Take this!

(CAN'T HELP FALLING IN LOVE BY ELVIS PLAYS)

Lincoln: (SINGING DIVINELY AS LIGHTNING SWIRLED AROUND HIM)

From "Blue Hawaii" ladies and gentleman

Wise men say

Only fools, only fools rush in

Oh, but I, but I, I can't help falling in love with you

Shall I stay?

Would it be, would it be a sin?

If I can't help falling in love with you

Like a river flows

Surely to the sea

Darling, so it goes

Some things, you know, are meant to be

Take my hand

Take my whole life too

For I can''t help falling in love with you

For I can''t help falling in love with you

Yeah

Lincoln floated and fired waves of lightning and blasted him all over the place.

Tyron McGee: Nice!

Qin: YEAH!

Xenia: That was awesome!

(ATTACK OF THE DEAD MEN BY SABATON PLAYS)

Hunter: (SINGING DIVINELY AS IMAGES OF THE BATTLE OF OSOWIEC FORTRESS FROM 1915 FORMED)

Turmoil at the front

Wilhelms forces on the hunt

There's a thunder in the east
